On the 31st of August 2019, YSP eSwatini successfully held a character education seminar in collaboration with Love and Grace Tabernacle and Vessel of Honour.

We had purity, relationships and family as our main topic.

The theme of the event was effectual arrows and battle axes.

It was with great honour to have worked with Pastor Wonder Khumalo, who is also a Peace Ambassador and the founder of Love and Grace Tabernacle, who mobilized 60 youth from three branches of his church and from a sister church.

The youth made a purity pledge and received a benediction prayer from Pastor Wonder Bongani Gina, the YSP president, who gave the presentation on purity, relationships and family amongst other speakers
