

UPF Voronezh, Russia Promotes Citizen-Engagement to Protect the Environment

Elena Knyazeva
January 28, 2023

Voronezh, Russia - UPF's role in educating citizens about ecology was recognized at a meeting of more than 50 activists in Russia's Voronezh Region.

UPF-Russia's coordinator of environmental programs was a participant in the meeting on January 27 and 28, 2023, at which projects in the fields of ecology, culture, environmental education, and tourism were discussed.
