Wels, Austria

Brothers and sister gathered in our Home to remember our sister and support her in spiritual world. Inge is a gifted classical singer. We prayed, read True Fathers word, sang Holy songs, brothers and sister gave testimonies of experiences together and watched some audio and video clips of Inges performances.

The Upper Austrian community supported her liberation in Jeong Pyeong 2,5 years ago and now that she can go to the blessing of unmarried spirits in August 2018. Thank you for everyone who came, especially our sister Mari with her daughter Harue. They guided our singing and performed two beautiful piano/violin classics.
