WFWP Portugal would like to share the congratulatory remarks presented by Ambassador for Peace Hon Ilda Araújo Novo, on the occasion of the Inaugural Ceremony of 'Heavenly Parents' Holy Community' of the South European Region, Sunday 14 June 2020:

"On behalf of the Portuguese Ambassadors for Peace, I would like to greet Mr Cali, the President of the FFWPU (Family Federation for World Peace and Unification) in the European South Region and the representatives of the Universal Peace Federation, Women's Federation for World Peace, and the Youth and Student for Peace, all the distinguished guests as well as those who are following us all over Europe, whom I am honoured to address in this event, the inauguration of the Heavenly Parents Holy Community, in the European South Region, for which I sincerely congratulate Doctor Hak Ja Han Moon .

The purpose of gathering together all God's children and summoning and encouraging us all to lead a life of peace and harmony in our families and places of work, is to be cherished and to be spread as much as we, Ambassadors for Peace, may be able to, wherever we may go or may be.

We have been through an unprecedented time in the history of our lives in whatever country we are living in.

We have experienced changes and fears never felt before, that have inevitably led to the realization that nothing at all can be taken for granted in our earthly life.

However, in this time of pandemic, despite the uncertainty and suffering it has brought, I believe it has also been a time to recall that tolerance, understanding, solidarity, spiritual values and principles are never to be forgotten.

On this special occasion of the inauguration of the Heavenly Parent Holy Community, in the European South Region, I once again congratulate all involved in the building of a dream come true and wish you all health and an Europe of lasting peace.

MP Ilda Novo
