

## PEAFASSO Alpha Witnessing Team reaches non refugee Nigerians

Cosmas Obi Okuk

March 4, 2022

Peaceful Families Organization (PEAFASSO) at the Adagom 1 and 3 refugee settlement in Nigeria

On this 4th day of March 2022, the ALPHA witnessing team of the PEACEFUL FAMILIES ORGANIZATION, an affiliate organization to the EJAGHAM CLERGIES ASSOCIATION FOR PEACE AND DEVELOPMENT (ECAPD), went out strongly and had a beautiful presentation of her COMMUNITY CAMPAIGN FOR PEACEFUL FAMILIES, in a non refugee locality of the host Nigerian nation. Having served as a missionary with the FAMILY FEDERATION FOR WORLD PEACE AND UNIFICATION back home in CAMEROON, before becoming refugee in Nigeria due to the Southern and Eastern Cameroon crisis, there isn't any way for me to halt in my lifetime activities to possess life and give life to humanity without boundaries of religion, nationality and geography.

Today, the story is turning a new page, being able to work with the refugees and the host Nigerian communities. Approaching a community with about 150 persons gathered to listen to my presentation was very encouraging and motivating. We are gradually gathering momentum by embracing a huge responsibility to pursue the course. Though as refugees with unthinkable minimal means of subsistence, we were very joyful to our Heavenly Parents and our TRUE PARENTS for the strength and courage.

Our presentation was quite moving, compelling and clear about the new vision that permits us to manage peace and developmental affairs through a family mechanism and philosophy. Surprisingly, for almost an hour of presentation we had many appeals from the community members for more sessions. Infact, many persons expressed great anxiety for further working sessions.

We hope we shall be able to implant the Heavenly vision within this people and further. Our Alpha Witnessing Team (AWT) was composed of the founder of ECAPD and PEAFAAMOR, a Catechist, a pastor and a young peace activist. In fact, we are gradually opening the way forward for an extensive outreach as we are looking for sponsors of our projects.

We thank our HEAVENLY PARENTS and TRUE PARENTS for all. By Cosmas O. (founder)
