The Dallas Fort Worth Family Church community held a clergy dinner on Monday, December 9 for 70 ministers and guests.

National Co-Chairman of the American Clergy Leadership Conference (ACLC) Dr. Luonne Rouse traveled from New York to give a compelling keynote address, which was inspired by Co-Founder of Family Federation for World Peace and Unification (FFWPU) Dr. Hak Ja Han Moon's call for the world to unite.

After the program, all the clergymen and women wanted to speak with Dr. Rouse and pray for him and with him. One of the ministers even joined a breakfast meeting the next morning with Dr. Rouse and the local pastors to thank him.
