# AMERICAN CLERGY LEADERSHIP CONFERENCE

## Greetings!

In these most challenging times, the voices of faithful leaders - both in the church and those in civil society humbled before the Almighty - are so needed in calling for unity, repentance and divine guidance.

Please join us on our second annual National Prayer Vigil on Presidents' Day:

**Monday, February 21, 2022 at 8:00 AM Eastern Standard Time.**

Our theme, *Bridging the Divide: One Family Makes One Nation* will call pastors from across the nation to join in heart and mind, as we offer prayers for the unity and healing of our nation.

The program will be streamed on our Facebook page:
