Children: Ana Maria

Birthdate: November 23, 1993

Ascension: May 22, 2022

Seonghwa Ceremony: May 26, 2022

Alina Scanlan (28) was born and raised in Indianapolis, Indiana. She was the first daughter of three siblings, Casey, Sean and Hogan. As the only daughter, she has always been devoted to being a wonderful and supportive elder sister to her three brothers. Her parents were John and Mitsuyo Scanlan. She is survived by her daughter, Ana Maria (6).

During Alina's childhood she enjoyed sports and was involved in the Japanese Okinawa Drum group. She also loved spending time with friends. She went to Emmerich Manual High School, where she created lifelong friendships and graduated in 2012.

Alina is also a healthcare hero and spent most of her professional life working as a Certified Nurse Assistant for patients with dementia. She sincerely took care of them even though it was hard work. Alina was also an essential healthcare worker during the COVID-19 pandemic and cared for patients at a nursing home. The elderly patients were hit hard during the early days of the pandemic, and Alina assisted patients even while attending classes online and looking after Ana.

She also worked as a receptionist in an office and cooked for Ocean World. Alina was planning to graduate this summer with a certificate to be a Specialist in Medical Office and Billing. She was so excited to pass her last class and celebrate with Ana.

Alina loved Ana with her whole heart and wanted the best life for her. Ana is also Alina's inspiration and motivator in life, and her mother supported her desire to learn by encouraging her to be involved in many activities. She would take Ana to play volleyball, gymnastics, dancing, tutoring at Kumon, shopping, and fun places like the State Fair. They had a very special relationship and an unbreakable mother-daughter bond.

Words to best describe Alina are loving, hard working, caring, and a genuine good soul. She had a big heart. Her smile and laugh was contagious. She had aspirations of traveling more and one day get married and attend the blessing. She always made goals for herself to grow, to live a very healthy and happy life, and devote her life to being a wonderful mother to Ana and making many special memories with her.

She was a loved daughter, sister, mother, and friend. She will be missed by so many people, and her kind-hearted spirit will live on with each person she touched.

Hi, my name is Ashley Delgado, I am creating this gofundme on behalf of the Scanlan family. All donations will be given to the Scanlan Family for funeral services.

Alina (28) suddenly passed away in her sleep on Sunday, May 22, 2022. She was a loving and hardworking individual who is survived by her daughter, Ana Maria (6). Her death is a huge blow to family and friends. We understand the emotional and financial impact of a loved one's death and would like to support her family during these difficult times. The details of her death remain unknown so please refrain from asking further details from the family members. Let's be respectful of the family's need for privacy and space as they process the sudden passing of a loved one. Support is appreciated in the form of donations, thoughts, encouraging words and prayers.

If you have any questions regarding how you can support, please email Pastor Hebangja Kisile at [email redacted].

Thank you ❤️

Alina and I met in Job Corps a few years ago and we stayed friends after. We got our nails done together and attended each other's kids birthdays. She crossed my path and brought nothing but love and positive energy.
