The Family Federation for World Peace and Unification (FFWPU) Philippines held a Unified Sunday Service on July 5, 2026, at the FFWPU Philippine Headquarters in Quezon City and via Zoom. The gathering featured the Appreciation and Appointment Ceremony of FFWPU Philippine Leaders, bringing together 1,110 Blessed Families and members from across the Philippines.

The program opened with the singing of Cheon Shim Won holy songs by the Antipolo Youth Choir, followed by the prayers and reading of True Parents' words. The Sunday Service then proceeded with the main sermon delivered by Rev. Leo Angelo T. Halog, Regional Director of FFWPU Philippines.

In his message, Rev. Halog emphasized the central role of Blessed Families as the foundation of Cheon Il Guk. He explained that Heavenly Parent's ultimate dream is to establish God-centered families, with every Blessed Family serving as a building block in realizing Heavenly Parent's ideal. He outlined three essential responsibilities of every Blessed Family: building heaven within the family, raising the next generation of Cheon Il Guk citizens, and expanding heaven to the community and the world.

Rev. Halog encouraged families to cultivate a heavenly culture at home through daily prayer, forgiveness, genuine love, and spending meaningful time together. He also reminded parents that they are the first teachers, pastors, and role models for their children, emphasizing the importance of nurturing faith within the home.

Halog presented the updated organizational structure of FFWPU Philippines, introducing newly appointed leaders and changes in mission responsibilities. Rev. Yamada reminded the newly appointed leaders that leadership is not a position of privilege but a responsibility to serve. He emphasized that every position is an opportunity to serve the members, brothers and sisters, the nation of the Philippines, and ultimately Heavenly Parent and True Parents. He also encouraged all Blessed Families and members to unite wholeheartedly with the leadership of Rev. Leo Angelo T. Halog in advancing the Philippine providence.

HAP Vice Continental Director Rev. Julius Malicdem also shared a congratulatory message, describing the appointments as more than a ceremonial event. He encouraged the newly appointed leaders to embrace the opportunity to live for the sake of others and support the providence with humility and dedication. He likewise called upon all members to unite with the central leadership and wholeheartedly support their leaders in fulfilling their respective missions.
