Name: Marcelle Stephen

Birth Date: April 4, 1954

Ascension Date: May 24, 2018

Local Church: Worcester Family Church

Following is a testimony by Chris Hempowicz

Marcelle Stephen ascended to the spirit world on Thursday, May 24, 2018, at home after battling diabetes, heart disease, and kidney failure.

Born in Georgetown, Guyana, she joined the Unification church at 16 years of age. She moved to the United States where she served True Parents at Belvedere, NY for many years. She also lived in Washington, D.C. before moving to Worcester, MA.

Marcelle was a vibrant, loving, powerful, unique soul who loved God and loved people. She impressed us all with her bravery and courage as she dealt with the difficulties of her illnesses over the years. Because of her long history of illness she suffered great financial hardship. With this in mind we have set up a Go Fund Me page in order to help with her funeral expenses.

In lieu of flowers, please consider donating [HERE](#) to honor her and support her family at this time. Any donation is greatly appreciated.

Because of her illness, many of you may not know Marcelle well, but we ask that you come and support her transition.
