

Youth and Students for Peace Samoa's Peace Road Event - Healing the Pacific

Seti Suafa
November 15, 2020

Stay tuned for our final event of the year coming up soon...

'Peace Road 2020' is an annual event that promotes world peace through interconnections and collaborating with different groups.

The theme for this year's Peace Road is "Healing the Pacific through the Spirit of Arirang"; acknowledging and reconciling the past conflicts between indigenous people and the colonizing powers.

We're aiming to collaborate with all the local groups and churches that we've worked with this year as well as the indigenous communities of overseas countries
