The Spanish Pre-HARP Workshop 2021, held between the 9th and 13th of July, with children of Spain and Andorra. The workshop traditionally is celebrated at the spiritual center 'El Manantial del Corazón'. A beautiful place filled with nature, peace, and purity.

The Pre-HARP Workshop is addressed to our youngest community members, those between the ages of 6 to 12.

The schedule consisted of: morning sport, breakfast at an early hour, two talks with a break in between, free time, lunch, swimming pool (some days there were water games), snack, an activity, the preparation of the family afternoon sketch, showers, dinner, prayer in the Holy Land to close the day and an educational film in the evening.

During the workshop, both internal and external activities were taken place, as well as some DP and Bible lectures, according to the kid's level of understanding. Our kids didn't just learn from the words of the lecturers but also from their Team Leaders, whom they spend most of the time with and were a true example for each participant.

The people who were part of the organization were: workshop leaders, MC, and monitors. S. Yoshino and D. Temprado were leading the course, while S. Martins covered the MC role. On this occasion, 3 teams were made, in which they were monitors: J. Fontinele, A. Lopez, and A. Mirella. We must also make a special mention of the mothers who cooked in the course and prepared delicious meals that gave us the energy to be able to do all the activities we had planned easily.
