True Mother gave words of encouragement to Top Gun 21 day trainees at Cheon Jeong Gung

The opening ceremony of 21-day Vision 2020 Top Gun Training was held 1 p.m. August 19 by the Heavenly Calendar (September 23 by Gregorian Calendar) at the Hoondok room in Cheon Jeong Gung. The 36 second-generation youth leaders heard words of encouragement from True Mother at the ceremony.

True Mother explained “how hard it was for Moses to lead the Israelites” and “the reason why out of 12 tribal representatives Moses charged to investigate the region of Canaan in ancient times, only Caleb and Joshua become historical people due to their absolute faith” She encouraged second-generation leaders to have as much faith as Caleb and Joshua.

She also observed that “True Father was never able to rest properly in his age from 17 to 40 since he started working on God’s will. She urged the gathering to think about the fact that Father lived his life like this and not to forget Father’s heart.”

The 36 second generation leaders listened to True Mother’s words about meaning of ‘Vision 2020 Top Gun 21-day training’ carefully.

Especially for this ceremony, True Mother used the word, “Top Gun,” which True Father used in 1980s when he was training world-wide young missionaries at East Garden in United States. She expressed her

wish that the Top Guns would inherit Father's vision and tradition of training set in the early days and that they would become successful leaders who accomplish Vision 2020.

Mr. Gyeong Deuk Yu, president of the Youth Federation for World Peace, who participated in the training said "When I listened to True Mother's speech I was able to enjoy the benefits of True Mother's grace. Also, I was able to make new determination. I hope through this 21-day training my fellow second generation will work towards Vision 2020 with one heart and mind."

The 21-days training will be held until October 13 at the Chung Pyung Heaven and Earth Training Center.
