Greetings from Women's Federation for World Peace, International. We hope you and your family are in good health!

Thank you for your undying service and dedication to WFWP. Your participation is what makes WFWP the great NGO that it is today and enables us to continue to work for the amelioration of our society and the world.

The year 2022 marks the 30th Anniversary of the foundation of the Women's Federation for World Peace International (WFWPI). As an NGO in General Consultative Status with the Economic and Social Council of the United Nations we aim to create an environment of peace and well-being for future generations through education, advocacy, partnership, reconciliation, and humanitarian service for people of all races, cultures, and religious creeds.

The WFWPI office together with the Editorial Team is in the process of creating a 30th Anniversary Book to commemorate this special year. This book will include 30 years of history and activities of WFWPI, interviews with people associated with WFWP and stories from around the world. We would like to invite you, your company or organization to be a part of our 30th anniversary through sponsoring our 30th Anniversary Book publication.

We are looking for sponsors to help fund our 30th-anniversary book through advertisement opportunities. All sponsorships will go towards the publication of the book and the support of WFWP volunteers around the world.

Enclosed please find more information on this project and its sponsorship level. If this is something that you would like to consider, please send us the reply slip at info@wfwp.org.

Your sponsorship will help assure the success of the 30th anniversary booklet publication. We would love to have you on board and look forward to hearing from you soon. Your support will be greatly appreciated!

Sincerely,

Dr. Julia H. Moon
International President
