I believe that True Father Sun Myung Moon is the Messiah and that Hyung Jin Moon is his representative and successor in the physical world who has inherited the True Parents' authority and preserves the words and practices established by True Father.

### **Qualification to Participate**

Married and unmarried heterosexual couples who have received the Holy Wine may participate on the condition that they indicate their agreement with the above statement.

Unions between First and Second Generation may participate on the understanding that theirs will be a First Generation Couple. Such a couple must fulfill the established rituals, including the Three-Day Ceremony and the separation period.

Participation can take place in the following three ways:

2. Through a live video feed
3. Play a video of the ceremony at a later time.

### **Blessing Donation**

Couples who made a donation to the HSAUWC/FFWPU in order to participate in a "Blessing" that occurred after September 2012 are recognized as victims of a false promise. There is no request for these couples to make an additional donation for the April 21 Blessing. Any donations they may choose to make on a strictly voluntary basis will be gratefully accepted.

Other couples are requested to make donations based on their unique financial abilities and their understanding of the value of the Blessing. These donations will be applied toward the April 21 Blessing. Any funds received in excess of costs will be applied toward the continuing development of the Sanctuary Church ministry.
