

The Only Hope

The only hope. Let's look at the one hope today as we move forward with the spirit of God. Amen? What a powerful song of praise and praise the one that was at the end. "I raise my hands, without shame." Praise God. This is what the body of Christ needs. Amen? Let's look at the One Hope today.

Let's look at Matthew 24. Let's read together.

Matthew 24

35 Heaven and earth will pass away, but my words will not pass away. 36 As for the day and the hour, no one knows, neither the angels of heaven, nor the Son, but the Father alone. 37 What happened in the days of Noah will also happen in the coming of the Son of man. 38 For in the days before the flood men ate and drank, and married and their children, until the day that Noah entered into the ark; 39 and they did not suspect a thing, until the flood came and took them all away: so it will be at the coming of the Son of man. 40 Then of two men that will be in a field, one will be taken and the other left; 41 of two women who will grind with the millstone, one will be taken and the other left. 42 Watch therefore,

Amen. It gives me shivers of the Holy Ghost. Praise God.

Let's focus on those two (highlighted) parts here. Because the Scriptures say that in the last days it will be like in the days of Noah. And in verse 41, the Scriptures say that two women will be grinding at the mill. One will be taken. One will be left behind.

What is this in the Last Days?

Let's look at Genesis 9 and see what the days of Noah were like. Let's see what happened. When people read these verses in Matthew Chapter 24, they usually think of judgment.

Today we want to see, from a Principles perspective, what the days of Noah were like. We are usually "stormed by the flood," but what was the real providential event in Noah's day? Let's see this. Let's look at Genesis 9 and read together.

Genesis 9

22 Ham the father of Canaan saw his father's nakedness, and brought it outside to his two brothers. 23 Then Shem and Japheth took the mantle, and put it on their shoulders, and walked backwards, and covered their father's nakedness; as their faces were turned away, they did not see their father's nakedness.

Remember when they was on the ark and Noah was drinking wine and he went out and lay there? He was passed out on that boat. He was totally naked, says the Bible; he was naked. I can just imagine. As the boat tips over, her whole body tips over. His organ swings back and forth. Do you see what I'm talking about? Ham sees it and is ashamed of his father. He is ashamed of his father's nudity; because no self-respecting person would get drunk on a boat with their organ swaying left and right.

It is very interesting that Ham is the father of the Canaanites, from whom God later orders to be killed, annihilated. Each individual is killed. Of each of Ham's descendants, the Israelites are ordered to destroy them. I find that very interesting because at this hour the real question is, "What kind of child of God are you?" Will you be ashamed of your father's nudity? Or will you not be ashamed of her nakedness?

It's like in Noah's day. The test comes on the children of God. Will we be ashamed of our father? Shall we forget that in the garden, Adam and Eve were naked? There is no shame in being naked. You all take a shower every day. You are naked every day. But the children of God saw him with their carnal eyes and did not see him with their spiritual eyes. This is the man who put himself in bondage for years and years to save their lives. He built the boat that saves them at that time. They are alive because of him.

He put himself in bondage year after year, enduring mockery and ridicule. They are on this boat breathing at the top of their lungs; and not under water, thanks to their father, Noah. Yet the children and Ham choose to be ashamed of the father who saved them.

What is this song that we just sang? "God my savior...". That's it? Who? He saved us. God my healer. God my liberator. They choose to be ashamed of their father. They could have said, "Oh. Dad is just taking a nap. He got comfortable to take advantage of the wind."

They might say, "Dad, you've worked really hard for the past 40 years. Enjoy the freshness. Refresh yourself. There is no shame in that." They just shouldn't be ashamed and should have said, "Daddy, we love you. This breeze from the Holy Spirit wants to refresh you. We know where we come from. We know who our father is. We are not ashamed of him."

It's interesting because last week we looked at the word Diabolos. We looked at the word devil in ancient Greek and found that in reality the devil is also a fisherman. Do you remember that? The devil fishes because dia means "by means of" and bolos means "to cast nets". So, Diabolos or the devil catches us by throwing nets at us; but, he needs to see us to be able to catch us. He'll check if we're swimming in shallow faith, shallow water where he can see you.

And we talked about how you have to swim deep in your faith. You have to swim deeply, so that the devil cannot see you. He will not be able to catch you with his net. Do you remember that? We had this discussion after the last sermon and Kook Jin said, "What kind of fishing did the Messiah practice?" He practiced deep-sea fishing (deep-sea fishing). It's so different from the little things you can catch with a net in shallow water. He fished on the high seas. That's where the big fish are. How many do they know that's where the tunas are?

The deep-sea (offshore) fisherman is the Messiah. He fishes at a deep level. Amen? When our faith is deep, it can catch us. He can bring us to him. Amen? We're like the big tuna he caught. The thousand pound tuna. We were talking about the armor of God last week. We are an armored tuna. We have armor, so even if the sharks try to bite us while we are caught by the Lord, they immediately bounce back.

For the first time this week, Father's covenant has returned to earth in the past three years. Now he has come back to earth and miracles are happening around the world. There were four rainbows here. There was a rainbow over the church. There were two rainbows simultaneously in Korea. The Koreans told us that. And a huge miracle that I cannot share now, but that I will share soon; a tremendous miracle happened. Some of you will know.

How exciting it was about the blessing, and I thank all the brothers and sisters around the world who have joined us for these broadcasts and studies, we have studied the three day ceremony openly; without shame, without hiding. Father always spoke of the sanctity of the sexual organs; because that's where you came from. This is where the grandchildren come from. This is where the descendants come from. Abraham's seed were blessed.

But in the modern world, believers cannot talk about it. Only the devil can talk about it. Only Satan can talk about sex all day. On television, this or that radio show or music channel, whatever it is. Only Satan can talk about it; and this is why families and relationships in the body of Christ collapse.

I saw that there was a higher divorce rate for believers than for unbelievers. Because the body of Christ cannot speak of the most sacred and fundamental relationship; the relationship of which they are a part, husband and wife. We talked about the three-day ceremony in detail. We went deep into it.

When we look at the three-day ceremony, I have already spoken about it, but I want to repeat it; in what position were the women? What position were you in before you were blessed? You were in the position of fallen Eve, which was to be restored by Christ. True? How many sisters know this?

Then, in what position was the husband? Notice, he wasn't in Adam's position. Isn't that interesting? The

husband was in the position of the fallen archangel. How many brothers know this? OK, let 's go. You ê your life today. You have the Holy Ghost.

You see the fallen archangel, through Christ, being recreated as the son of God; because he is doing what is contrary to what Satan has done, which is to try to place a throne above God for himself. You remember ? And the husband takes the object position and stands in obedience to Christ. Even though he is a fallen angel, by this relationship through Christ he is recreated as a son of God. Praise God.

The bride stands in the position of the fallen woman, fallen Eve. By marriage and the meeting of the bridegroom, she is created to be the bride of Christ. Remember what a fallen woman means? It means someone who is now in an illicit relationship with Satan. It means a woman who is in relationship with Satan as her husband. But, through the relationship with Christ, the woman is cut off from this relationship and she returns to her true love, the husband, who transforms her into the bride of Christ; recreates it.

Think about it. In this situation, Father presents himself as the True Adam. We didn't even know it, but all the sisters were like nuns. Remember, the nuns in Christianity; the nuns are all married to Jesus. All are married to Jesus. This is their wish. How many people are of Catholic origin? Ok. All the nuns you've met have rings on their fingers. Why is that ? Because they're married to Christ.

So, then, it is not strange to understand that all the people of the world, as believers in the body of Christ, are going to be married to Christ. It is part of the history of Christianity awaiting the bridegroom. Even our sisters around the world, if Father ordered you to be celibate all your life, you would obey. You would be nuns all your life. Basically, you were nuns when Father met you. Some people have been celibate for seven years. Some people had it longer. But you are the nuns; you're the brides that met the Messiah when he come.

You are the brides. All the nuns in the history of thousands and thousands and thousands of women gave their lives to marry Jesus. When he returned, you are the brides who got him. You are the ones who got it.

I want you to think about this. It's incredible. It's incredible ! You have reaped the harvest of two thousand years of Brides waiting for the Bridegroom. That's why this is a blessing, guys; because the whole story was waiting for that. The lamb's wedding feast. You became the bride of Christ and Christ gave you to his son. He gave you to his son. You are his, but he gave you to his son. The son who stood obediently before him, who was recreated from his status as an Archangelic man under Satan's rule; to be recreated to become a son of God. He gave you to this one to love and protect you as a darling bride from heaven.

Do you understand the kind of gift we received, Knights of Cheon Il Guk? We have received the Bride of Christ. And we love her and protect her with our lives. Amen? Do you remember that scripture, Ephesians 5, that we saw this Tuesday? There was that Scripture at the beginning. Remember that husband and wife will submit to each other in Christ, and the wife will have to submit to her husband. How can a woman submit naturally to her husband? If she realizes that she received a son of God, who had acted totally opposite to what Satan did and who had obeyed Christ, parting from Satan to be crowned son of God; she will respect this man if she knows what he has to do to stay in that position of obedience. So many other men have fled, but this man remained obedient. This man stayed with Christ and stood by his side in faith and love. This is why the scriptures call on you wives to respect your husbands unconditionally. Amen? Change it through respect.

And, of course, husbands are called to love their wives unconditionally. You see, when we understand the positions in which we are related to Christ. We will see the real power of our marriage. We will see where the true power of our blessing comes from. It's not a boy who meets a girl. They date and get married. There are eternal spiritual relationships based on the victory of faith, love and obedience.

Do you see what your blessing has got guys? It is based on this position of victory in faith, love and obedience. It's incredible ; because when we gave the blessing and the Father's covenant vows returned to earth, there was a spiritual wave. There was like a spiritual wave that opened up and miracles started to happen across the world.

We now have blessed children from Europe, North America, Japan and Korea who all write to tell us, "I must be under the Covenant." People are waking up. People realize that they must be under the covenant of God. They were deceived, but now they realize that they have to go back under the cover of God.

I remember a brother who said to me: "When you were giving the Blessing, I looked at Mother's throne and I saw that her seat was empty. She left her position. Well, my question is, "Who is sitting in this seat now?" Who should sit in this seat? "

Do you know what I told him? I told him that your wife should sit in this seat. Angela, Layla, Kerry, Miho-San; all brides have to sit in this seat and they have to realize the amazing position that you are

sitting in. You have to be able to sit there and fully submit to yourself. Don't sit on him, don't sit on him as a bride, but you have to love him. You must raise him as your king. You have to show her how much a bride loves her husband.

That's the kind of woman that's got to sit in that seat. Each of our sisters must realize her true identity as Queen of Heaven. The only way to save True Mother, for she is the Queen representative of all wives; so that wives are real wives, and not be ashamed of their relationship with their husbands. You have to love it more intensely, desire it more intensely, desire it more intensely.

Can I be honest today? Okay. I'll be honest. Every day it seems that I literally receive testimonies from couples, from blessed families, calling me and saying, "You know, a few years ago or even recently the Spirit of God came. Jesus who is to return has come. The Father has come. They are one, right? The Spirit of God came and he wanted to make love with my wife. This is what they tell me. Christ wanted to make love with my wife. He wanted to be intimate with her. And, as a husband, I rejoiced. Oh? How come he suddenly became so quiet?"

Do you understand what a bride and groom are? It is not a friendship relationship. It is not a relationship of siblings, or even of parents and children. The relationship between the groom and the bride is the most intimate relationship you can have. And women, you are blessed. You are blessed, for as sons of God we can relate to the love of God. We can dedicate our lives to him to serve and protect him as his son and to glorify him. Yes. But you have a gift. He can love you more deeply. He can be more intimate with you as a spouse.

You got a great anointing that you don't even realize. Among the few people who came from Korea, almost every one of them repeated this testimony to me again. I have also heard it from many Western brothers and sisters. But, they come and say to me in a low voice, "I have to tell you something. Can we meet privately? I need to talk to you in person. Can I share something with you?" I'm d 'Okay, "OK? Just make sure it's in a public place, okay?"

But I have had this experience too often. Ladies, you must stop trying to talk to me in secret about your husband. There is only one being on Earth who can make you feel ashamed for wanting to love your Bridegroom; only one. Do you know what his name is? Satan is his name. How can someone come to my wife and make her feel ashamed that she wants me? Or that she wants to have sex with me? No one can come and shame it in her, for it's the fruit of the bride and groom. Amen?

No one should be able to shame you for being intimate with God. Do you know what I mean, guys? But, we have accepted the lie, for Satan is the father of lies. We have accepted the idea that we cannot talk about these things. We are afraid of the reaction of people when we say, "Christ was intimate with me. He is my lover in my soul. Spiritually, he takes charge of me and makes love to me through my husband. "

This is the testimony that I have received from all over the world. And, I know that 80 to 90% of the sisters have also experienced it. You don't tell anyone. You know who your husband is. Your mind, your soul knows who you are going to serve for eternity; who is in the position of Subject in your life.

See, in the days of Noah, in the days of Noah; It was a time of the beginning of Father's ministry. Look at him, glorious in the white robe. (Slide of father sitting for a photo when he was young and wearing a white robe.) It's Father in the early days. Remember, in the spirit world, this is what it looks like. When he visits you, this is what he will look like. In the spirit world, it will appear in the most vibrant form. Of course, when I saw him directly and met him, his face was shining with light and his presence is so powerful because he is the return of Jesus. Jesus returned in the flesh. Who cares if he's Korean? This is not the point. Jesus was from the Middle East. It doesn't mean that you love Middle Eastern men more than white men, or Middle Eastern Jews more than Black men. That is to say that you love Christ, that is what it says.

You see. We're standing in Noah's day, so the question is, "Will you be ashamed or proud?" Will you hide your secrets which you can only reveal to your pastor in private, or will you be strong and proclaim them, take a shameless stand about the one you love? That's it in the days of Noah.

The Woman's Age that the Father has proclaimed is not a journey of power. Woman's Age is not a journey of power. It is a journey of love. If all blessed women were to become UN CEOs, Presidents and Ambassadors, "Oh, the world will change." I guarantee you it won't. I can guarantee, that won't change. It is not a power trip. The Woman's Age of which Father spoke before his death, are the women who love him.

Remember how he got to explain the Age of Women. Women have the maternal spirit, a nurturing spirit but connected to Christ. How are you going to mother? How are you going to look for it and will you look for it? Are you ashamed of your relationship with Christ? Are you ashamed? Do you think your purpose in life is to come to this world, to meet a man in the flesh; to be able to live a few decades and

die?

What's your perspective on your life? Why are you put here when the Lord returns? When the bridegroom brings the seed of God? Why are you here? Are you here to do what I just said? Earthly things of the flesh only? Or are you here to totally transform your generations, your lineage; in order to graft you onto the olive tree?

I believe that at present there is only one way to save the Head Bride, Mother. There is only one way. Cain and Abel have their own responsibility. It is now the Age of the Woman. Women of the Church should not be ashamed of their husbands. If you are ashamed of your spouse, True Mother is lost for eternity. If the women of the Church do not take a stand by being more in love with their Bridegroom and do not call out to True Mother to remind him of what it means to be a loving and devoted Object partner, who does not want or dominate, neither subjugate nor remain seated above and beyond, which proclaims nothing that she has learned from the Father. True Mother is lost; no, her true original part, when she became the bride of Christ, is lost.

It is now the women of the world, betrothed to the Lord, who can show him the example of love. Do you understand how important this is my dear ones? If we don't do this, what kind of repercussions will there be for Mother's eternal life?

Do you remember the Original Divine Principle Substance (OSDP) that the father ordered everyone to study before he passed away? Do you remember this? The fundamental principle of OSDP is the teaching that the Mother is reborn through Adam, for the Father has Cheong Ja; the seed of God. He brings the lineage and family of God as a bridegroom. Through him, the generations of Mother's original sin are recreated; through him and she is reborn pure and without sin.

It is not the opposite that they are trying to teach now; that she was born from three generations of pious and Christian families and that her original sin has therefore been eradicated. This means that every Italian family has no sin. This means that every Spanish family has no original sin. They date back to more than three generations of Christians. No, not this type of madness, but to stay in your initial position of love trip; not a power trip. A journey of love. A journey of love. It's a question of love. Don't you know. There is a song. "People be prepared. There is a train coming." There's a love train coming. "Just get on board."

It is so important that the bride of Christ does not try to monopolize the love of God. It is very important for the women of the Church to understand this. You must not try to monopolize Father's love. That's the problem with what's going on now. The mother believes that the Father is only hers; that she must protect him, that she saved him from the six Marys, or that she saved him from any spiritual or physical weakness of the flesh.

Let me tell you something. The spirit and the body of the Father were completely united. You can't talk at half past eleven without going to the bathroom or having a drop of water, unless you like your things that you are talking to. Who was the father talking to in Yeosu, when he spoke at half past eleven? He was talking to all the Japanese sisters who had come; and, as the Bridegroom, he loves each of the Brides of Christ. He is the lover of your soul. He is one with the Father who created you. No man can love you more than he; no man.

It is impossible because no man created you. No man can love you more than God; no man. I don't care how good it looks. I don't care how his abs got ripped. I don't care what he is. He cannot love you more than God who created you. Amen?

Stop being ashamed of your relationship with Christ. It's killing True Mother. It blinds his eyes. This reinforces the false reality that she alone can monopolize all her love. Her job as a Mother has always been, when all the early disciples were there, her job was always to understand that it was Christ. He is the bridegroom for all believers. For everyone. Not for a woman. Not for a family but for everyone. Do you understand what I'm saying guys?

We must not try to monopolize the love of God. We must rejoice. We are to rejoice when Christ loves our sister, for through this we can remember and we can experience how much he loves us. We should not feel jealous when he visits in the Spirit and loves you intimately. Do not envy this sister. He loves you the same. You just have to get rid of the blocks that are in your heart.

God wants to dwell in us. God wants to be intimate with us. As men, God wants to be our Father, who we can trust, who we can take pride in, who we can stand up for, who we can serve as our King. As a man, nothing is more honorable than that; serve your King, who is also your Father. To be able to see your Father as the King. Not to try to dominate him like Satan did, to try not to sit on him like Satan did, but to present himself as a proud son of God, intimate with the Father.

I bathed with Father. Do you understand? In Korea, it is normal to swim with your parents. It's not like in the western world. In Korea and Japan, you have public baths. Do you understand that, the Japanese? You know. You go to the public baths with your father. There is none of that shame about your nudity, which you find in the West; be intimate with your father, have nothing between him and you.

Seek to serve and defend it. Seek to elevate it. Live your life for him. As a man, there is nothing more incredible than to live for God and for your King. Nothing could be more incredible. This is the privileged relationship that has been given to us. It is an honor. As a woman, there is nothing more incredible than being in love with the lover of your eternal life; and to exchange intimacy with the lover of your soul. No relationship can surpass that. Any. Even your husband can't get over this relationship.

It is time for the women of the Church to stop trying to talk to me in private. You know why not put your testimonial on YouTube. Put it there. What are you afraid of? Why are you afraid of wanting to love your husband? Only Satan makes you ashamed of that. And, because we don't stand up to proclaim; because the women of the Church do not share these intimate and spiritual moments of the coming of the Father, when the latter, through your husband, embraced you.

What did Father always talk about? With marriage based on absolute sexuality, when husband and wife are united, God will dwell in the midst of their love. In this context, it means making love. It's privacy, guys. You cannot have a powerful marriage without a strong love. How many people know that?

You have to have a powerful intimacy in your marriage, a powerful marriage. If you don't have this, I'm sorry; you might as well be roommates. The nature of the relationship between spouses is that of romance. It is that of intimacy. It is that of total unity.

Because the women of the Church will not stand up and proclaim their relationships; their spiritual moments with God and their intimate relationship with him. Satan has been authorized and has full authority to continue to say to Mother, "You are taking possession of him. No one else owns it. You own it and it has wronged you. He hurt you when he loved the sisters. He hurt you when he poured out his heart for twenty-three and a half hours, pouring love on them. You own it." Do you see what Satan is doing to you? He killed her. Mother, no one appropriates the love of God. Amen? No one can own it.

If the women of the Church stand beside Christ, while being proud of their husbands, who are real men, real men, real men; if you are not ashamed of it and proclaim your love for them in this world, you will see the Woman's Age appear. It will not be a power trip. It will be a journey of love. And, in this train, this train of love, we will see the Kingdom of God. You don't need any luggage. You just got on board.

Why are you ashamed to love and be intimate with your spouse? Why are you ashamed to be intimate with your husband? Stop being ashamed of being intimate with your spouse. He loves you and you love him. You think it's your property, but it's not true.

The answer to sterile marriages. Why do we have so many blessed marriages with totally sterile marriages? Why do we have so many sterile marriages? Your sterile marriage won't be cured by you guys. I hate to give you the bad news. It will not be fixed with your efforts. This will not be corrected by your talents. It will not be settled with you. If you are having a sterile marriage, there is only one answer to that. It is Christ. It is to fall totally in love with Christ. This is the answer to your sterile marriage if you have a sterile marriage.

You see, men usually think this way, if I support and encourage my wife to be intimate with God, and if she tells me that God fills her and that God makes love to her and that God is intimate with her, they will start to feel bad about it. "I don't want to hear from any man." And if this man is Jesus, who will give him eternal life? What kind of husband are you? Are you an Archangel or are you a son of God? When your wife shares her intimacy with Christ with you, will you say, "Praise God. Get closer. Go deeper. Be more intimate?" Or will you be jealous like Satan?

You see men, what we don't understand is to encourage our wife to be more intimate with Christ; guess what, as we encourage him to ascend the King's throne and say, "Hallelujah, the bride of Christ, go to the bridegroom." Guess what will happen. The King will see her. He will anoint her and he will send her away. But when she returns, she will have the anointing of oil from heaven on her. She's going to have the new anointing power over her, for she just stood in the presence of God. She was at the olive grove. Now it is covered with olive oil. Now when she comes back to you, she will look gorgeous, she will be radiant and beautiful.

You see it is the opposite of what you think. You think that if you get your wife to love Christ, you are going to lose her. You won't lose it. You will win a Queen of Heaven. You're going to see a glorious being come down from those stairs that's been in the presence of God, that has the anointing oil from the top of his head to the end of his feet. You will see it slide towards you.

The Lord is merciful. Men are sometimes so stupid. You are not going to lose it. You will win a Queen. You are going to win something that you could never imagine; and, your power and your anointing and your intimacy with your husband will be on another level.

Can I talk about this in church? It will be on another level, because when she is with you, she will not only be with a son of God, she will be with the Bridegroom. He will be with you He will be present. And the explosion of love that you will feel; nuclear power will come into your hands and into your midst. And it's that power, you see it's the irony of loving Christ. We believe that if we encourage our wife to form an intimate relationship with Christ, she will love him more than we as men. She will love him and seek him more than she seeks us. We think we're going to lose it. She won't want to be with me anymore. Compared to a brilliant man, I am nothing. Compared to the light that comes out of her face, I am in my underwear and I shout in front of the television what is happening in football, or whatever. She'll never want to be with me. No. No. No."

That's what boys don't understand. You see, if you try to make your wife love only you, she will know that you are trying to own her. She will know that you want her or that you love her because she makes you happy. She will know that you want her to be an object of possession for you. But if you encourage her intensely, and if you hold on to her having this anointing of intimacy with Christ, intimacy with Father as a Bridegroom so that she has to have these incredible relationship experiences and to share them. with you and to rejoice together, she will know that you are not trying to own her as possession. She will know that you are concerned about her eternal life. She will know that you will have her relationship of eternal heart in spirit and that you care about it more than anything else; and that is why you are her man.

Let me say something to you men, when you start to put up with this anointing, your wife wants you awfully, because she knows it's a man that's a man of God. He is a man who loves my soul. This is the man who pushes me to the Eternal King and he loves it.

At that time, guys, when you hold on to that anointing, you're the most beautiful man on the planet, because every other man wants to own such a woman or control her. But only you know his deepest desire. His soul longs to be with God. And you stand by his side and rejoice in it. This is the irony of true love. This is irony. We think we're going to lose it. No, we are going to win it. As for you women think that you will lose it, but no, you will win it.

You see, if the women of the Church now understand what the Age of Women is, stop being ashamed of their intimacy with Christ, stop trying to hold onto that experience, and try relaying it on Facebook. Stop that. Upload your testimonial. Share the testimony of your intimacy with God. Share it. Be proud of it. You are a Bride of Christ. You don't have to be ashamed of being intimate with your spouse. It's normal. It's natural. This is true love. Amen?

Uma do you want to say something?

Yeon Ah (Lee Moon) Nim starts to speak:

Thank you so much. Let's give another round of applause to my husband, Pastor Moon. Thank you so much.

Today, before I say anything, I just want to mention that I had to undergo treatment at the dentist about two days ago; so the right side of my brain is not working. My right side is a little swollen, so I apologize. My husband prayed for me, it was miraculously healed; so that i don't actually have a toothache, so how can i miss Sunday to serve God and meet you, the body of Christ? I am so happy to be here. I just wanted to talk about it, just in case you think it's weird.

You know a lot of people tell us and message us, "Oh, we love you so much, Yeon Ah Nim." They tell us a lot of these things and we are very grateful. But I know when they say that, they're not actually telling me that they love me as a person. In fact, they tell me that; because they like my unity with Hyung Jin Nim. I know my position as an object partner. I know this clearly; and I willingly obey the position God has given me in relation to Christ. That's why I know people love me.

Suppose my husband joined the spirit world and I start to say, "You know what, actually I know my husband did a really good thing, but I actually never learned anything from him. And you know what, I know my husband was a very funny person and he preached the good word, but do you know that I can actually do better than him? "

If I start to say this, you will start to say that something is really wrong with me. "But you said you loved me, didn't you?" Didn't my husband tell you that we were united? No?" But despite everything, even though we spent 50 years in marriage and after my husband entered the Spiritual World, if I started saying such things, you would not respect me as a good object partner, a good wife and a woman who led her life

in the service of Christ. Is not it ? True ? This is why today, I would like to make a little promise in front of all of you, in front of the World Church and especially in front of God. Before our Christ, I want to make two promises:

The first promise is: "I, Yeon Ah Lee Moon, I want to affirm that I know my position as an object partner with my husband, whom the True Father has anointed as a successor, as an heir. I will be happy to put myself in an object position, to love him, to respect him, to support him until the end of my life; and, if I step away from that position, be brothers and sisters, the first to throw a stone at me and correct me so that I can be in the right position. It is up to you, as the body of Christ, to show me love. This is my first promise. "

My second promise is: "I, Yeon Ah Lee Moon, I promise that the True Father has anointed my third son, Shin Joon Moon, he is the one that the Father has chosen and that he wishes the latter to lead to. well its Royalties of Three Generations. I extend these wishes to my son to say that when he is old enough to serve God, as the humble leader of the Movement, I will never usurp his position. I will gladly be in a support position, to support him in the background. I promise this before heaven and earth, before the whole congregation and the World Church, I have promised it. I humbly promise you. "

I really prayed to know why Heavenly Father would want me as the Bride of Christ. This is what a woman should ask for in the Age of Women. I really believe that as a woman we have to make that commitment, not just for me, but for all the women watching this; because we have our Subject as True Father. He is our Absolute Subject. We are his Objects; and, we live our life to glorify him. We live our life for our husband, because he is the one our True Father has given us as his representative. God has also given us to our sons, so that we can support them, to become in the future great leaders of this Movement, to serve God with humility.

I'm not saying girls aren't important. I also have a daughter. I know they can be great leaders; but the point is, it's not about their ego. It's not about themselves. It's about serving God. If they have a humble spirit to serve God so that they know who they are serving, they can be great leaders. But they absolutely must know clearly in a limpid way who they serve and who their subject is; and, this is exactly what I tell my daughter and even what I recommend to my daughter.

You know I really, really believe it. Now is the time, like all women, we are like the bride of a real Adam. We are in the devil's test. It's because the devil is testing us. It's like in the Garden of Eden. He's testing us. Are you going to choose the journey of power? Or will you choose the love of Christ, which is the journey of love. I'm on that train, by the way. I am in this love train. I won't miss the train. I will never miss the train, because I know what has eternal value. I know what has eternal value.

And you know what sisters? We are beautiful when we are in the position of the bride of Christ, and so are we, we must be dangerous in the face of the temptation of the devil. Let us glorify His name. Aju.

Yeon Ah hands the microphone to Hyung Jin again. Hyung Jin who says. "Praise God."

Guys get ready, there's a train coming. Whoo. She looks too good in that anointing of oil. Praise God.

Okay. Let's move on to this guys. The Cheon Seong Gyeong 510.

CSG 510

The question is: What does God need most? What is God called? He is the King and the owner of true love. If he is the King and the husband of true love, it is an absolute principle that he needs a Queen to become his partner. Who can be the partner of the true love of the Absolute God? These are the real human beings.

Amen. Amen. Let's give God some praise today. I want everyone to take a stand, please. It is a serious moment. If you are a Bride of Christ, if you are a sister and you want to be free from your shame and you want to be free from your fear of telling the world what your intimacy with Christ is, I want you to come in. low. If you need to be released, get off. If you want to come and be intimate with Christ on a new level, and be released in your heart so that you are no longer ashamed, come down.

I also want to call men. Men, if you want to free yourself from any residue of envy or jealousy that you might have, if your wife is intimate with Christ, I want you to come down. We have to drive the devil out of you. Amen? I want to ask, if you have come with your wife, please stay behind her and put your hands on her shoulder. Amen. Amen. Amen. Thank God.

Father, may there be no more shame in their lives, in their hearts. We ask the Holy Spirit to come now. Husbands put their hands on the hearts of their wives. We pray that this hand will be a double-edged sword that will pierce their hearts at this time, severing any bond of shame, residue of fear that Satan holds. Demon, we are casting you out now, with the authority of the True Father. And, you are commanded to go. She is a free woman who has been saved, sanctified, and delivered by her true love. And it's yours, my God. Claim it now!

Father, we ask for it now. You take it fill it with your presence now. Fill it with your mind now. Cover her with your holy anointing now, even in the presence of her enemies.

Father, we thank you. Father, now, on this day, we pray that the chains and fortresses that repress the hearts of the Brides of Christ will be broken, and that they will proclaim their love for him and run, run, run, to the lovers of their souls. . As husbands, we rejoice in an indescribable joy, in the closeness with which you bless us to be with you. We rejoice and we ask you, Father, to love our women through us. Touching them, kissing them, being with them in the most intimate part of their souls, so that you release the anointing of these men and your sons, so that when they are with us in intimacy , they can feel the presence of God.

Thank you. God. Thank God. Thank you Father. Thank you Father. Thank you Father for setting us free on this day. We are in the days of Noah. And we are not ashamed. We are not ashamed of your nakedness. And your beauty and your glory. We love you and we proclaim it to the world. Thank you for loving us, Father. Thank you Father. Thank you Father. Receive this now. Receive it. Receive it now.
