

Sackcloth and Ashes

Did you know that the Family Federation for World Peace and Unification has filed a legal action against the World Peace and Unification Sanctuary (Sanctuary Church) for using the 12 Gates Unification Symbol? If this is not a travesty, I do not know what is. Father's own son, Hyung Jin Moon, who in fact is the inheritor selected by True Father and Mother is sued for using the very symbol representing the profound meaning of God's Providence. You can see the moving ceremony of covering the 12 Gates symbol with a tear drop of blood on sackcloth in Pastor Hyung Jin Moon's sermon of August 9th: <https://youtu.be/XOlaS1TT6OE>.

Also please enjoy my latest video blog at the VisionRoot channel: Satan, the Great Intimidator: <https://youtu.be/KpkZbrXd2LA>.

If you would like to begin understanding what is happening in the world and the Family Federation Movement, I recommend starting with this sermon by Pastor Hyung Jin:

"The Evil Age of Apostasy", July 5th, 2015: <https://youtu.be/jjS9iPFg8iI>

Also, please review this 10 point comparison between the Family Federation and the World Peace and Unification Sanctuary: http://visionroot.org/pages/10_points.html

Pastor Hyung Jin Moon and Yeon Ah Moon will offer "The Blessing for Returning to True Father's Authority on Sunday, August 30th at 2 p.m. at Sanctuary Church in Newfoundland, PA.

God's greatest gift to his children is freedom. With Freedom, Co-creation and True Love can be manifested.

The Blessing is the most fundamental and precious event in our life. Why? It brings us into God's Lineage and out of Lucifer's lineage.

Truly there is nothing in life more important than this.Here is a link to learn about the upcoming Blessing.....Watch the three video links with Prayer.....

God will surely guide you. If you agree with the above points on Freedom, Co-creation and True Love..... then **is this not worth your investment of heart and study with prayer?**

.....God gives us the gift of Freedom, and he will not violate our Freedom. The age of Chung Il Guk is the Age of Freedom and Responsibility and transparency <http://sanctuary-pa.org/index.php/meaning-of-the-blessing/>
