Cheon Il Guk, the Kingdom of God , a sovereign and actual nation does not yet exist in this world, but is the long awaited culmination of the End of Time as prophesied in Biblical Scripture. The Divine Principle and the Eight Great Textbook Curriculum revealed by True Father, Christ at His Second Coming, is the spiritual foundation of this Constitution. It is upon the foundation of these eternal truths that the future nation of Cheon Il Guk will be politically, and legally established. This Constitution is not an ecclesiastical Constitution of a church or religious body, but is a Constitution for a real and sovereign, future nation, being the literal fruit of God's Providence.

Preamble to Constitution of the United States of Cheon Il Guk

Greetings!

On September 27, 2015, UTS professor Andrew Wilson gave a presentation at the Clifton Family Church in which he explained his enthusiastic support for Mother's theological proclamations and strong criticism of Hyung Jin Nim's ministry.

I reached out to Andrew to see if he would like to participate in a public forum to discuss these important issues in the Unification Movement, but he declined.

Consequently I have decided to create a video response with the title, "My Response to Andrew Wilson."

**Rev. Hyung Jin Moon Will Conduct a Ceremony for the
Liberation of 210 Generations of Ancestors**

This ceremony will be held on December 6, 2015 at Sanctuary Church, Newfoundland, PA. On September 13, 2015, during his Sunday sermon, Rev. Hyung Jin Moon declared that he will conduct a ceremony for the liberation of 210 generations of ancestors for any individuals requesting that. Pastor Hyung Jin Moon also explained that all liberations conducted while True Father (Rev. Sun Myung Moon) was alive are considered valid and that those conducted after his father's passing were invalid.
