

October 30, 2016 Ancestor Liberation and Blessing Ceremony

Hyung Jin Moon
September 24, 2016

Rev. Hyung Jin Moon will conduct a ceremony for the Liberation and Blessing of 210 generations of ancestors on Sunday, October 30, 2016 at the Unification Sanctuary, Newfoundland, PA.

In accordance with instructions given by True Father to initiate the process of bringing salvation to departed souls, this event is held twice each year.

Rev. Sun Myung Moon has stated that spiritual and physical life begin at the moment of conception. Several years ago Rev. Hyung Jin Moon asked Father, “When does the spirit enter a baby?” Rev. Sun Myung Moon said that the spirit enters when the sperm unites with the egg at conception (this is the reverse of the Kwak teaching in the UC “Tradition” Book).

This ceremony in October 2016 will include a special liberation for all children who died before birth as result of abortion or other circumstances. All unborn children throughout history will be included in this liberation ceremony. No application or request is needed for the liberation of these children.

Those who have placed themselves under True Father’s authority may request that Hyung Jin Nim, the second King of Cheon Il Guk, liberate and bless their ancestors up to the 210th generation.

Rev. Hyung Jin Moon has explained that all liberations conducted while True Father (Rev. Sun Myung Moon) was alive are considered valid and that those conducted by FFWPU after his father’s passing after September 3, 2012 were invalid.

The first ceremony for Liberation and Blessing of Ancestors was held on December 6, 2015 at the Unification Sanctuary, Newfoundland, PA. This was the first official Liberation and Blessing of ancestors conducted after True Father ascended in 2012. More than one thousand families from Korea, Japan, the United States, Philippines, Thailand, Russia, as well as other countries in Europe, Africa, Central and Latin America, Central and South Asia participated in the event including those present and those who submitted their ancestor liberation requests who were watching through the live Internet broadcast.

The second ceremony for Liberation and Blessing of Ancestors was held on April 10, 2016 at the Unification Sanctuary, Newfoundland, PA.

Any second generation or first generation individuals that have partaken of the desecrated holy wine of FFWPU after September 3, 2012 need to receive holy wine under True Father’s authority and place themselves under True Father’s authority to liberate ancestors.
