

CROWNS OF CHRIST ~ SEPTEMBER 17, 2017 ~ REV. HYUNG JIN MOON ~ NEWFOUNDLAND, PA

It's very interesting. There are many stories in the Bible about crowns; but, we, of course, want to focus in on the different Scriptures in Revelation. Now, what's interesting, in the crowns for example, some of the satanic forces have crowns. There are big beasts there have crowns given to them by the Serpent, etc; but, also the people of God have crowns; so, you can tell, again, this battle is not only about sovereignty, it's about who has the authority and the right to have dominion over Creation. You see that evil forces think they do. They believe they have the right sovereignty, and they should be the ones crowned; and, in the present satanic kingdoms of today, it is currently the case, where they are the ones that are crowned; but, that's because that was usurped from God's people from the beginning; so, in the end time, there is a battle for that sovereignty. There's a battle for that Crownship, and that Kingship. That's the type of battle we're talking about, when we are talking about with the "Crowns of Christ."

Focusing in on Revelation, in understanding that context, there's a massive war and fight that goes on. It's not only in the external, but internally, there's a huge massive war that is fighting about dominion. Who did God give dominion? Did he give it to the archangels that were powerful, that were very, very intelligent, and very, very capable; or, did he give it to His children, Adam and Eve?

So, that's why the Crown Movement and the Kingship Providence, and now the Crown Providence and those crowns. The people are becoming more and more braver in putting on their crowns, and standing up before the whole world and saying, "You may be laughing at me now, because our crowns are \$30 from Walmart, right; but, you just watch. Watch and see. In the next couple of years, in the next couple of decades, in the next couple of generations, those crowns will be more precious than the false and satanic House of Windsor, the fake crown out there in Britain. Who will be laughing then, hmm?" You think they started with all diamond crusted crown and some big fancy diamond? The point is, it's not to accumulate those assets, but the understanding of sovereignty and royalty. Your crowns, of course, may start out like these that you order online, right; but, they don't remain that way.

For all those laughing at you, and mocking you, and cursing you, notice how they don't laugh and mock the actual satanic kingdoms and kingships, like the House of Windsor, and those kinds of things, which are not even British. Of course, they are involved in all manner of pedophilia and satanic rituals, with Jimmy Savile and all the top British officials there. Notice how nobody laughs at them, even though they're illegitimate, and even though they're satanic; but, when the Lord of the Second Advent returns, and his Kingship returns, and is faithful, and begin to start taking over, notice how they want to mock and curse and belittle. Of course, that is always the great arrogance of the Devil, and those who sell out to him, because they think they can get temporary power; but, in the end, they realized they don't have any moral highground to stand. No real legitimate highground to claim themselves as Kings, because they are not, because they're usurpers.

There is only one true Successor, Heir and Representative Body of the Lord of the Second Advent. I am he, not because I chose to be so, because my father made me; and, I have bestowed upon you, who are under Father's authority, Crowns. I know you didn't want it, just like I didn't want it; but, the Lord of Lords put one on me, and I didn't dishonor him by taking it off, because that would be dishonorable to the father, so I did not take it off. I kept it, and I gave it to all of you, with my own hand, spiritually and physically. Those who had stood up for True Father, and are under his authority.

So, who are the legitimate Kings and Queens? Not the House of Windsor, they're not the legitimate. They don't come from the Lord of the Second Advent. They didn't produce a Cheon Il Guk Constitution, which is the answer to all wickedness and Sharia Law and Communism, etc. They don't produce a Cheon Il Guk Constitution that empowers the citizens to come into the Royal Family through actual Kingship. Have sovereignty and rights of territory. Rights of weaponry to defend that territory. No Commies or totalitarians would ever give that to their people. It's the first stuff they take away.

So, there is a Kingdom, now, that is coming; and, there is a Movement of Crowns and Rods of Iron that is starting to cover the Earth. As the body of Christ actually starts waking up to the Kingdom that is coming, they're also joining that Kingdom and coming under the authority of Christ; so, don't let anybody guilt/shame you or mock you out of your crown. You see how long that went. The Family Fraud tried to mock me and laugh at me out of my crowns, even though I'm the only one who was crowned. I'm the only legitimate Heir and Successor. They said, "Oh, the whole outside world would never accept it. Look how crazy it is, wearing crowns and proclaiming."

First of all, I am not proclaiming anything. I was given those titles by the King of Kings. I didn't make them for myself. I did not make my own titles; but, I repeat them, because the Devil hates hearing my titles, because they were given to me by the King of Kings, and I didn't put them on myself. He hates that even more; because, all they have done, all the Archangels have done is, they have appointed themselves, illegitimate.

So, when God's people, who are the truly legitimate heirs, and those who stood up for God's Kingship stand with him as the legitimate heirs as well, and take on the Crowns and the Rod of Iron, they may laugh at first, but very quickly, you will see shifts happening; and, so it is very important to understand, why Father was so animated. I could just feel the Spirit of Father pouring through me on that day, because the people could not understand the significance of the Crowns. Yes, you all heard it, and I'm sure you understand and prayed about all of this; but, it's not at the tip of your identity. You're still in the slave mentality, right; and, so realizing that and recognizing that, and recognizing, "Hey, we cannot be in that mentality, especially as the ones to have dominion over the Kings of the Earth. We cannot have that mentality." So, of course, in love, I chastised you; and, you know it's really not me. It's Father. You can feel his spirit and his power, just like he did to me, folks. You saw me go through it, too. I had to go through it, too; and, now you see the Second King in just a couple of years.

We have major players, now, in the world level to serve the Movement now, joining us on the King's Report and the Liberty Movement. More and more are getting connected deeper with us. Isn't it funny how the archangels at the Family Fraud, or the Kwak Group and all those heretical groups, all laughed at the crowns. They thought the world would just scoff at us; but, you see me wearing my crown. Not this hat. The one that I wear all shiny and everything. Shiny and everything with a nice, pretty suit on, too, talking to these folks. Do you see that?

So, it's like unfortunate that people who are weak, have to see that, and are convinced of it, to understand their identity. Somebody has to trailblaze and get out and get all the arrows, and get all the mockery, and just do it, and break through, before say, "Oh, crap. We can do it, too." It is so critical now that you understand that identity, not as a secondary, tertiary identity. This is an identity that has to be up in the forefront, because it's a battle of dominion that we'll wage.

So, when you feel strange to be called the King of the Toffey's, or the Pickell's, or the King of the Berks, or the King of the Hoshino's, or the King of the Sato's, or Tardy's, look, who's making you feel that way? Do you see what I'm saying? Is it God, or is it Satan? You don't think, when the first Royal of the House of Windsor's said, "Well, we're going to be a Royal House." Of course, they probably have taken over the country, and gained control of the military, and say, "Anybody who goes against us will die." That kind of builds up your confidence just a little bit; but, obviously, that's the satanic side, okay. The Kings and Queens of God's side don't stand based on force, even though we have tremendous force for self-defense, and for defense of the Kingdom, but we stand on what? Legitimate Authority. The moral and spiritual legitimate Kingship, not illegitimate, the only legitimate Kingship from the King of Kings and from God.

Now, if you compare the beginning of the House of Windsor, or this or that House of Switzerland, whatever the Houses are in Europe, and all those King lines, or the hundreds of Chinese and Mongol Kings that have declared themselves Kahn, or King, or Emperor, whatever, you don't think that they're satanic kings when they declare themselves King, and get all sorts of ridicule and laughter? Why do you think they get involved in centralized power and try to murder everybody who goes against them? Of course, you are going to get that. Does that make sense?

Of course, you're going to get that ridicule; but, it is by the Spirit of God, and it's by the true legitimate authority that Satan's kingdom has become exposed. They crumble and get destroyed. It is God's people in their righteousness, and stayed with him, who are not sluts to power, not sluts to money, not sluts to position, but for truth, who truly love Christ, they become the inheritors of the Kingdom; and, that's why Revelation 3 talks about in the Church of Philadelphia, the angel says to, and of course God is speaking to the angel there, and he tells the Church, "Let no man take thy crown." The promise was, when one dies, as a believer in Christ, that, he who is standing in Christ, through mockery, tribulation and death, God will give you what's called, "a Crown of Glory." That's from a biblical verse; and, the biblical verse is talking about people dying and receiving a Crown of Glory.

So, this is not a big joke, okay. "Oh, it's a cute little costume party, and let's all dress up and wear cute little things." This ain't no joke, when we have million and millions, and millions and millions that will live in the Cheon Il Guk Kingdom, that will look back on this time in history. It's not going to be a joke at all. To you of little faith... I'm not talking about you guys here. To you of little faith, and that's like generally, this may seem like a joke. Kind of like a fun little adventure, or a costume party. If that's your level of faith, fine. God can still use that. He said, "faith the size of a mustard seed can move mountains." God can use even a small weak faith like that. Maybe not in the center, but still, he can use it. Do you see what I mean?

But, you got to hold on to even that small little ounce, and recognize how serious this is. You have to recognize how much a declaration of war this is on Satan's kingdoms. This ain't no joke. You have to understand that the Kingdom of God's people is growing worldwide. Growing, growing worldwide; and, people are starting to put on their Crowns of sovereignty, and picking up their Rods of Iron. That's not a joke for the Archangel, okay.

So, it is very important that we understand that identity, that Royal Identity in Christ. That we are not guilt/shamed or intimidated by the satanic kingdom, which is illegitimate satanic world, which is illegitimate; and, the only way they can try and make you halt the coming of the Kingdom, and the Kings and Queens of Cheon Il Guk, is to what? By making you give it up yourself, because you have now

legitimately received it from the only legitimate Heir and Successor and Representative Body of True Father, the King of Kings; so, the only way they can get that away from you is by making you give it up. Does that make sense? So, that's all this intimidation and guilt/shaming, and all that crap. That's trying to pressure you to give up your Royalty.

Let me ask you a question. If you started pressuring the House of Windsor, which is satanic household, if you started to try and pressure them saying, "You're not Kings and Queens." Do you think they'd be offended, or not offended? "What! How dare you!" Think about that." They would be extremely offended if you did that.

Anybody from Thailand? We got some Thailand folks. Of course, we got whole Thailand Sanctuaries. Thailand. Let's give an example. If you insult the King of Thailand, is he offended? Now, if he's offended, he will use state power to do what? I don't know if you'd get killed; but, you'd definitely get a visit from the authorities. Yeah, I think you'd go to jail.

Okay, so let me ask you a question. These are satanic households that have centralized archangelic illegitimate authority; and, yet you have millions of people that don't even question the fact that they are King and Queen. Does that make sense? How is that they, who are illegitimate, and of satanic lineage, and satanic ideology, and of satanic polity, how is that they are seen as legitimate, and the actual King of Kings and Heirs as illegitimate? Do you see how that's flipped around? How come the world can acknowledge them, and even you maybe subconsciously acknowledge them, but when you look at yourself, you cannot see what God had made you?

I'm not saying that you have a big head, and you worship yourself. You shouldn't. Then you are a demon. You should realize this comes by Grace, and doesn't have anything to do with you. It has nothing to do with what you've accomplished. It's because God chose you for this moment to stand with him.

Who saw "The War Room?" Who saw the movie called, "The War Room?" My Lord, mercy! I watched that with the Queen a couple of days ago. That was amazing. Man, we got to watch that movie, together as a community. Kerry, I think she recommended it, and it was great. I think Lourdes recommended that, too, on movie night. "The War Room." What a great movie. What a phenomenal movie. It's all about the battle, folks. The battle of Kingship and Sovereignty of dominion.

Hey Look. I'm not blaming you. I understand where you're coming from. Even though I was made the Heir, Successor and Representative Body of the King of Kings, that I didn't choose of course, and I didn't put a crown on my head. You all know it. I had a hard time saying, "Wow, I am the Second King," you know; and, even just calling myself Second King, at first, was very uncomfortable. I know some of the young people. They have a hard time. They know I'm Second King; but, they don't call me Second King, because they're still kind of embarrassed about it. They feel weird saying it; but, they don't have a problem, when you call them when they're married saying, "Yeah!" You bums. You fools are bums. Where you think that came from sucka? Do you see that? Okay?

Understand. I can feel your pain. I know what you're going through. Hey, I didn't want that. I couldn't look at myself in the mirror and say, "Well, I guess I'm the King of Cheon Il Guk." That's quite a statement to say, isn't it? But, it's not about having your way. It's about having God's way. Look, you are not the greedy people who tried to steal it. Neither was I. I was given it; and, with my full authority, I also gave it to you; so, that makes it legitimate. How is the House of Windsor more legitimate than you?

How is the House of Thailand more legitimate than you? How are they a King and Queen, and you are not? Do you see this problem? It goes fundamental to your core, whether, or not you will be a slave to the archangel, or will by the Grace of God, sever those ties forever and completely, and accept the position that God has given you. Not so you can be on ego trips, and gloat over yourself. No, so the Will of God can be done; and, through you, a part can be played.

So, they may be laughing. Anyone can see this crown, or that crown, or that crown over there is made out of cloth. I can see this Japanese brother's crown is made out of cloth; but, he is one billion times more legitimate than the King of Thailand, or the House of Windsor. This humble young man right in here; and, as time proceeds, and God takes over, that will not be cloth anymore. That will be real gold and silver, and diamond and jewels. Those jewels won't make the King as I said a million times, because it's the King that makes those. The jewels and the Crown don't make the King, or the legitimacy; otherwise, all Satan's Kings would be legitimate. Right? But, it is the legitimacy of the royalty of the Kings of Cheon Il Guk that make those crowns and jewels to be symbols of God's authority on Earth, even though you have children that try to steal it.

That's why the Kingdom is so essential to be part of the Cheon Il Guk culture. The peace police/ peace militia culture, where the children learn to be honorable people of character, and not self-seeking. Learning how to serve others, and learning how to do hard things, and get beat up. Do peace police/ peace militia training. Getting your epigenetics unlocked; so, they're not little primadonna narcissists, where they're trying to centralize power because they never unlocked any real powerful epigenetics; and, then they want to go through that right-of-passage with centralized power to force people to praise them in the things they have not deserved. So, that why involving the young people in the peace police/ peace militia training is so critical.

Of course, the center of peace police/ peace militia training, you see it right here. In the past, it was the House of Arms. In the past, the Royal house was the sword, right, because it was the greatest tool for self-preservation at that time; but, you will see on the peace police/ peace militia logo, what will you see? You will see the AR15. That represents what? The Rod of Iron by which God's Heirs will rule the Kingdoms of the Earth. Not for your own glory. Not for your own centralized power; so, you can be dictators and tyrants. No! Because the Heirs of Cheon Il Guk must abide and protect the Constitution of the United States of Cheon Il Guk, which protects all of humanity, with the gifts of God that God has given to them. Sovereignty, freedom, freedom from the archangel, freedom from slavery, freedom from centralized power. You name it. It's enumerated in the Constitution that you all seen.

You must begin to understand. Look, you may be a crane operator like John Clark. He's the most humblest man you'll ever meet. So humble; and, his kids love him; but, I'm sure when he where his crown, they're smiling at him. "Ha, ha, you're wearing a crown." What! When he's got one that's worth three million dollars, then they're not going to laugh anymore. It's the same person. You see what I'm saying? That doesn't make any sense. It's only the thing that has changed on the head; and, of course, they're not doing it with bad intentions. They're sweet loving children, and they love their dad. They love Cheon Il Guk, etc. You understand what I'm saying? That's just an example.

But, all of you are going through that with your children, probably, because they cannot see you in your identity, which God has given you; and, even you struggle with yourself. Look, I completely get it, okay. I've been there, done that; but, it is critical to understand that. It's critical that you understand the heritage and culture that you are passing down to your children. When you start upgrading your crowns,

when you start not wasting on frivolous things, and investing into your Kingship, these become not only heirlooms and family jewels, etc, they become manifestations of God's blessing to your dynasties. Again, dynasties that are what? Serve and Protect the Kingdom of God; because, when you think of dynasties, you think of tyrants. "Ah, we got everything we want." No, God's dynasties are different. We have a different purpose. We're not out there to get on an ego trip, or something like that. We're out there to protect the Kingdom of God, the Constitution, His Kingship, and which then, represents all our Kingships. Does that make sense?

So, when you think you're illegitimate. "Oh, I'm not worthy." It's not about you. You can't decide that. I couldn't decide it; but, you can decide to believe the Devil, when he tells you, you don't have legitimacy; and, the King of England or Thailand is more legitimate than you, which is total bull Shemitah, pouring out like a big hose of poo coming out. You see what I'm saying? That's the problem with God's blessing, and I get it, because good people are humble. They're not that way. They don't want to boast. I totally get it. I totally get it; but, that's why you're called. You understand. That's the point. In the end times, the good people have the authority, and have to stand with God. You have to stand with His Kingship. They have to stand, and be ready to face the archangelic kingdoms of the world. To call them out as illegitimate as they are.

Let me tell you something. The people of Thailand will be blessed at some point, with the protection of the Kingdom of Cheon Il Guk, and the Kingdom of God, with its constitution; and, that false kingship will be removed, when God's Kingdoms begin to take over the world; and, the Cheon Il Guk Kingdom of God will be put upon the nation in time, the Kings and Queens of Cheon Il Guk will also rise to become the dynastic protectors of the Kingdom. UK, France, White, Black, Asian, it doesn't matter. One day, the Kingdom of Cheon Il Guk will cover the whole world, and will leave no space for radical Islam or Sharia Law. Will leave no space for Commies and political Satanists; and, will allow the people of God to inherit their true royal status, having freedom from taxation, freedom from centralized powers, forcing them, or using force to get them to be slaves. To hold the right of territories and Kingdoms, and having the means and arms by which to defend them.

Do you understand that you are at the beginning point of these Kingdoms that will come? When will you gain confidence? When they all come, then you'll say, "Oh, okay, give one to me, too." Hello, that's not how trailblazers and pioneers go. Trailblazers and pioneers not after it's all done say, "Okay, I run in and say, Hey, see how great a job I did?" It's interesting, they'll run in and say, "The meek will inherit the Kingdom of God." If you think about it, we're all meek in a sense. We're humble. It doesn't mean you're not capable. It doesn't mean you don't have talent. It doesn't mean you're not able to create businesses and entrepreneurships, no. It means that you are humble; or, humble before God. We're surrendering before God, right. But, again, the meek have to be made strong in the end to be given a Kingdom.

So, yes, you are the meek. You inherit the Kingdom; and, I get it. I get it. You still, even in your own mind, struggling with that; but, somehow, subconsciously, you feel the satanic kingdoms are real kingdoms and kingships, when God's Kingdoms are not. Okay, it's going to be at different levels for everybody, okay; so, I'm speaking generally here. I always have to make these qualifying statements in English. But, this is very important.

As this world is now plummeting into chaos, and you know what the Scripture says very clearly. There will be more chaos, more destruction, more persecution, more wars, you name it; but that doesn't last forever, because it heralds the coming of God's Kingdom. The reason why I think Father is challenging us

so seriously, especially the last few ceremonies coming into 9/23, is because you must understand this. You must understand your identity. You must not let your children guilt/shame you. You must not let your grandchildren. Your grandchildren will be the most open to it, actually. You must let your friends, or your co-workers, or your whoever guilt/shame you out of your inheritance. If you do that, you sold the Kingdom of God to Satan, and you will not enter it. You have to understand the seriousness of the Kingship. You must understand the seriousness of the identity of the Royal family of Christ. You must not let anybody make you feel stupid for having on a crown. I get it. It's a struggle. Nobody's perfect. I get it. It's that struggle, it's that battle that you can have, even on the micro-macro in your own self through the Tribulation period. Does that make sense? Very, very important.

Now, just this past week, we've seen North Korea launch another ICBM over Japan, that's another nuclear capable missile. We've never been this close to nuclear war, ever. The calamity is about how many times, physically, compared to World War II. What we are capable now of a nuclear holocaust. The type of devastation of a nuclear power will wreak on this planet. We're on the stage of a literal edge of the greatest calamity that the world has ever seen, literally, right. World War I and II were a huge calamity. A huge grotesque calamity. The technology that we have compared to that, the one Kim Jong Un just detonated in Korea, what was that, one week ago; likely literally one week ago, the hydrogen bomb that was a 6.7 magnitude earthquake on the Richter scale. Do you remember that one? That itself, was ten times stronger than the bomb on Nagasaki. Ten times; and, that's a small one.

"Oh, the Second King is fear mongering." No, they're blowing up hydrogen bombs right now in East Asia. No, East Asia has completely collapsed, economically, and politically has become now the most dangerous place to live in the world in literally three and half years. Who the heck would believe that in East Asia three years ago when we told the Han Mother, if she does this curse, Providentially, a Cosmic curse will come, and Korea will be destroyed. Everybody was laughing at me then, and Kook Jin Hyung. They're not laughing now, because politically Korea has collapsed. It has become Commie. It has become leftist Commie. Moon Jae-In the fake President there, who's a complete Commie. You might as well have the North and South unified already, because it's already unified under the same Communist ideology. It's the same damn program now in Korea. You basically have a satanic reunification that's already happened; whereas, there could have been an actual heavenly or sovereignty reunification, if Cain and Abel were upheld, and the Three Kingships were upheld. I'm talking about sovereignty based, and the citizens in Asia, Japan and Korea, all that, the democratic nations, giving back power to the citizens. All that movement would have been very strong under a sovereignty based in three and half years.

In three and half years, Korea and Japan are now the most dangerous places to live in the world. More dangerous than the Middle East. More dangerous than collapsed Venezuela. It is now the most dangerous place to live. Isn't that interesting? They now literally have ICBM nuclear missiles flying over their countries. Japan has now had two in the last month; and, just to put a cherry on top, they also blew up a hydrogen bomb just to show everybody, "Oh, we could put one of these on." And of course, you see, what do they also see? The growth of the green horseman. Radical Islam will also grow. Will also become more radical and violent.

Just on Friday with breaking news, we were talking about breaking news in the morning. Tim was almost breaking it as it was happening, almost, right. The London bombing. More bombings in London. Gee, I

wonder where they would come from? Gee, I wonder where? What radical ideology they came from? That may not be hard to guess, wouldn't it?

Look at the top news today. Four Americans face acid attack at girls in France. American girls walking out of a hotel get acid tossed in their face, because they're in the eyes of radical Islam "dirty bitches." They're less than dogs, less than animals. Do you understand? Just Americans. They're out there in France, going on some tour, whatever. Walking out of a hotel. Some lunatic throw acid in their face, just like they do to the girls who say anything against Sharia Law; because, legal, they are able to behead you. You know, if you want to complain to be raped by four men, minor things like that, huh. You want to bitch about that a little bit, you want to do some minor thing like that, you want to make a stink about being raped, huh, yeah you get some acid in your face, if they're nice; but, you really should be beheaded. Isn't that interesting?

So, who's crazy? Who's crazy? All those fools, and all those braindead brainwashed lefties in the Family Fraud, you name it, attacking me for years, saying I'm a lunatic. Who's been calling out all the political Satanists from the top? Micro-macro. Not them.

And of course, you see in this corner there, see that top news, riots in St. Louis. They're happening now in St. Louis. This looks like a third world country now. America is now becoming like third world country. I mean, it's like Latin America. Throwing bricks at cops, and all of that. They're doing this now in America. It's almost like every month. There's a city blowing up; and, by the way, I hate to burst the bubble, but there's an economic collapse coming, too.

Sorry about that. The citizens didn't make it. It's the feds that did it; and, it's the bank Presidents and George Soros that did it; but, they're always getting away with stuff, right. By the way, they're the ones that fund our politicians. Isn't that interesting? Isn't that funny. General McMaster worked for a non-profit organization. What? Isn't that a surprise. It was funded by George Soros. This is ridiculous.

Of course, you now have the President completely isolated. They now got rid of his top security aid. Curt Schilling, who was with the President for about twenty years plus. Former NYPD, top security aid. First man to see Trump when he wakes up; and, the last guy to see him, when he goes to bed. Most trusted bodyguard. They got rid of him. Now the Generals have complete access, and complete isolation control over the President; and, he's got some pretty important decision that are coming down the pipeline. You know, stuff like nuclear war, and how to deal with North Korea, and radical Islam, you know. McMaster is trying to bring some 600,000 refugees coming into the US, so they can do what they did in the UK and France. The American girls are kind of, you know, they're kind of too free. They need to learn cultural inner strength. We go to let them kind of pour in, you know. A little acid, and a little brutal raping, and beatings, you know. Healthy for the American girls. You see. This is literally what they're doing.

And, of course, the American girls are not innocent. They bought into a feminist ideology in past year that have demonized Christian men like from hell to hellfire. Well, you get rid of those demonized strong Abel type God centered men; and, what do you think you're going to get in? Get to fix that, or step in their place? You're not going to stand in that place. You're going to get alpha predators that come in and laugh at you with your breast hanging out saying, "I'm a feminist, ha, ha;" and, coming and beat your ass into submission, and rape you to death, and laugh and spit on you, as they shout, "Allah Akbar." That's what you get. They won't buy your stupid feminism; and, how you bought into arrogant,

archangelic, self-centered, evil women, who told you that Christian men are bad, and the root of all your slavery and oppression. Oh, really? Is that really true? Well, it's not turning out so good for European girls, now is it, especially with all that cultural enrichment.

The lies are all starting to come forward. This is serious time, folks, serious time. We are on the verge of tremendous worldwide calamity, and it doesn't matter how many safe spaces you try to create, or let you try and run away from it. You won't be able to. There will be the trailblazers and the pioneers, who have accepted their fate, and the situation that we're in, and are strong, and are fortified, and are ready to move against the Archangel and his forces that will lead, and that will prevail.

Isn't it funny that all those weak, brainwashed, pathetic, non-thinking imbeciles, who are mocking all of you, and are mocking us, and mocking World Sanctuary worldwide, who are laughing; and, when the things that said would come true, come true, isn't it funny how they try to double-down, and even try to go harder, because if they admitted that were wrong every single time. Their House of Cards, their artificial display of confidence would shout and lose their display of little Facebook small groups, and their little fan clubs; and, isn't funny when that calamity hits, and they come groveling to the people who were actually awake, and have discernment, who were preparing. How they expect you. They expect you. "You have to take care of me." No, you don't. This is no longer the days of Jonah. This is now the end time, where Christ comes to judge, and separates good from evil once and for all.

So, it is a scary time for those how take advantage of Christ's Grace and goodness, because of their arrogance and narcissism. It is a time where they will reap a great consequence. We are in Revelation 14; but, we can focus on a lot more than this. Let's read this quickly; and, let's look at an overview of Revelation. Let's look at an overview:

Revelation 14:1 And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads. (You see what the crown does for you?) 2 And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps: 3 And they sung as it were a new song before the throne, (a new song of for the Kingdom) and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth. 4 These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb. 5 And in their mouth was found no guile: for they are without fault before the throne of God. 6 And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, 7 Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters. 8 And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication. 9 And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, 10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: 11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name. 12 Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus. 13 And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord

from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them. 14 And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. 15 And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe. 16 And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped. 17 And another angel came out of the temple which is in heaven, he also having a sharp sickle. 18 And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. 19 And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God. 20 And the winepress was trodden without the city, and blood came out of the winepress, (Oh! Winepress and blood. Winepress and blood. Wine and blood. Wine and blood) even unto the horse bridles, by the space of a thousand and six hundred furlongs.

Now, we have to cover the whole Book of Revelation before 9/23; but, we can't today. Not in this one day. But, you can see a lot here. It's very interesting. In Revelation 17 is where the "harlot of Babylon comes out. It's interesting, because people can identify the name that's written on it. They can identify that she is a harlot. What's interesting, that, when Christ returns, and let's get an overview picture here. When Christ returns, and here we go. Look at what happen in the beginning of Revelation. Here, this is love and relationship with each other, and enduring trials of the faithful, keeping pure within. Don't tolerate heresy. Living for God. These are God's message from Chapter 1 through 3. It's here, where it says, "Let no man take thy crown in Revelation 3.

Then you have the different heavenly scenes here from Chapter 4 through 11. Heavenly scenes, transition of Covenant, and this Age of Distinctions. Look at this. When John the Revelator sees Heaven, he sees all the thrones, and the elders were around the Throne of God. What were the elders wearing? Crowns. They were wearing crowns. They were casting their crowns at the feet of God. Remember this? Where that whole band was casting crowns. That's from the Bible Scripture where they were casting down their crowns.

Then you have the Crystal Sea, and the elders were praising God singing Hallelujah in Heaven. Then you have all these different seals. Seals of different elements. Do you see that? Famine, death, all those kinds of things. Then, you have the trumpets hailing fire, and burning mountains, darkness, locusts. All these deaths you have.

Then you have the woman and the dragon. Revelation 12. Remember, we saw that one. The virgin. The woman that is carrying a child that will rule the nations of the world with a Rod of Iron. John the Revelator predicting that two thousand years ago.

There will be signs, God's going to show you a sign. He's going to show you a sign in Heaven, and you are going to see a sign. The women's going to be clothed in the Sun, and the Moon at her feet. She's going to have a garland of twelve stars; and, on 9/23, you know what's going to happen. Boom! Virgo is going to pregnant with Jupiter, which is the King planet. Who is the King god in Greek Mythology? Zeus. What is his Roman name? Jupiter. What is the King planet? Jupiter. Which planet is the Virgo womb for nine months? Jupiter. Does that make sense? That's why they call it the King planet. Nine months, the Sun is right at her shoulder. The Moon is at her feet. The baby's coming out. The Leo Constellation is right above her head. Mercury, Mars and Venus are simultaneously right there next to the Leo Constellation, right above her head, which make up the twelve garland of stars. That Constellation has never happened. All those pieces together. You can even check NASA's star constellation computer program for yourself. Go back in time for thousands of years and you won't see it.

So, there's a woman with a dragon. The woman of course, will flee into the wilderness on the wings of an eagle. Oh! On the wings of an eagle. Isn't that interesting. Which nation is the eagle? That is the official animal in the US. And there was a place prepared by God in the wilderness. What was the number of the place prepared by God? 154. What was the number of the date of the hour and minute that Father ascended to the Spirit World? 1:54 AM. The exact hour and minute, and the continuation of Father's Providential work on earth. 154 continues at the Palace 154 out of a place prepared by God; and, it says where the woman will be kept and feed, and basically kept in safety for twelve hundred and three score days, which is 1260 days. Three and half years.

Then we know the spirits pour out the floods; and, Kook Jin Hyung said, we are going to get hit by floods on the macrocosm. Flood, flood, floods everywhere. Harvey, Irma and Maria, and it was going to come to Pennsylvania. I mean, just devastating floods. Just one after another. Boom, boom, boom! We almost had a Solar eclipse just like a month ago, didn't we? A full Solar eclipse. So, many signs and stars, and many signs of God around.

Then, the first beast and second beast. We talked about those. The beast with the leopard. The body, with a lion's face, and the feet of a bear, you name it; and, the second beast given power by the dragon has horns, okay; and, these are not actual Chimera monsters that are coming out of the sea, or the Earth, or something like that; they're representing different powers of the Earth. Satanic powers, kingships, etc.

And here in Chapter 14, where you have the one hundred forty-four here. The angels, or messengers, call for the endurance of the faithful, and then we see the Final Judgment, and the bowls that become dropped after the sign of the woman. After the 9/23. After the sign of the woman, marking the 1260 days, where she will have to reside with the fateful in the wilderness; and, in the time, during which the time the persecution will be intensified. The believers will be martyred, hunted down, and killed. Beheaded. The Bible says beheaded.

So, I wouldn't be surprised if McMaster and Hillary Clinton will try to move radical Islamic Jihadis from different countries into the countryside's of America, which they've done successfully in different states; but, of course, there's big communities around here, which of course they want to add more refugees that are in the countryside, because they want to clash with Christianity. Clash with rural Christianity, so they can divide and conquer and say, "That's why we need federal powers, and we need to come in and support you." You know this whole game plan. We explained it billions of times, right. In the meanwhile, they've isolated Trump, and have him at the total mercy of the three Generals - Mattis, Kelly and McMaster. We know McMaster works for George Soros. Israeli intelligence confirms his emails with Soros in Daily Reports.

President Trump's health could be seriously compromised. Look, if you know anything about history, poisoning the Emperor is a very common tactic to get power. It's just most kids and people are uneducated. They don't ever want to understand history. Just look at Chinese history. It's plagued with people always trying to poison the Emperor. The Asian people know that poisoning the Emperor is quite a common thing in history, because Asian people learn about it; but, Westerners are so braindead, especially young people. They're so braindead to this reality. They think this happened in the medieval ages. Ah, no! You're just uneducated and dumb. It is a common tactic to compromise the President or Emperor.

Even in the modern age, using medical professionals to keep politicians under control. High level assets under control. Whether it's the CIA doing sypops, or different medical op in different parts of the world, or on the politicians that are right here. It's just modern kids are brainwashed in state run schools, so they don't know the wickedness of the State; and, in the Far East, they play being the assassins guild.

You understand that the CIA, who you're supposed to think is so cool, is an actual assassin network and group. You understand, they go and do subterfuge in different countries, and overthrow nations, and kill and assassinate people. You understand that, don't you? You understand, that's what they do? Maybe not the ones who are sitting in Washington directly, but they give the orders to do it, and they set up the projects and missions to do it, even though the guys on the ground may not want to do it, but they're given the orders to do it; otherwise, they'll lose their pension and get fired.

It's just so frustrating. Not of course you people here. You people are much more educated; but, the normal population are just so unbelievably educated about reality. And, of course, after that whole period of exacerbating Satan's power now, growing, because chasing after the woman, and he's cast into the Earth. After the war in Heaven, he's cast into the Earth; so, now he's wreaking havoc on Earth for the next three and half years, or 1260 days, after the sign in Heaven. That's what the Bible says.

There's Earth havoc. That's when you see the bowls, the sores, the blood, The Sun is scorching the Earth. You see the darkness. You see the Army. Hey, there may be something in our modern technological world that can create bodily sores after it explodes, and seas of blood, and scorching heat, and clouds of darkness and ash. Hmm. I wonder what that is? Maybe something like we're dealing with like on East Asian, like North Korean, like on the Peninsula, like modern technology, like can do, like all those things.

Like bring the dead people on. It is sad. And, we're on the precipice. Do you understand. This guy is shooting ICBMs over Japan, the third most powerful economy in the world. Right now. Right now. A couple of days ago. Can you fathom what's going on? Can you understand like what's going on? This is not a joke. This is the closest we ever been to nuclear holocaust. Do you understand. Just a little tiny bomb he detonated just about a week ago. Ten times more powerful than Hiroshima or Nagasaki; and, they got a whole bunch of those. Oh boy, oh boy!

All of this coalescing on the verge of economic collapse, and on the signs in Heaven. Look, God throughout history said, "Look, I'm going to be giving you some signs. I'm going to give you some wonders. I'm going to show you some things in Heaven, sometimes that's going to alert you, just like He did with the three wise men, who saw the Bethlehem Star saying, 'Hey, the Lord is born. The Lord is born.' Let's go." There's a sign in the stars. We call that the Bethlehem Star.

Isn't it funny that all those things that all those things seem to be coalescing right here? Right here on 9/23. Isn't it funny that NorthEast Pennsylvania was the place that determined the world President that

stopped Hillary Clinton, and the globalist network, and the world government tyrannical Rothschilds, and Soros groups from taking over, even though they are trying to take over, again, and by subterfuge?

And, you'll have people in the Evangelical community saying, "Well, it can't be the Mid Trib period, because of Daniel 9:27 through 29, we have the prophecy that all the sacrifices will be stopped;" but, if you read Daniel 9:26-7-8-9, you won't see any mention of the Temple being rebuilt. No mention. Isn't that interesting. That's the thing that's going around Evangelical circles telling during the Last Days, "Well, the Temple has to be rebuilt in Jerusalem, in order for it to be the Last Days; and, there has to be the reinstatement of the sacrifices in the Second and Third Temple that is to be rebuilt. What is their basis for that statement? Daniel 9:29, or Daniel 9 in that whole section, where he talked about that. Where one day is like a year, and the seven weeks of Daniel, or the seven years of Daniel. You look at all that, and they're talking about that from Daniel 9. There's no mention of a third Temple there. Where is it? Do we have that? Let's read it together right here. Here it is in Daniel 9:27. This is the one that it's based on.

Daniel 9:27 The Ruler will make a treaty with the people for a period of one set of seven. But after half this time he will end to these sacrifices and offerings. And as a climax to all these offerings, he will set up a sacrificial object that causes desecration until the faith decreed for this defiler is finally poured out on him.

There's not one mention of a third Temple being built. Did you hear that? It just says, he will put an end to the sacrifices and offerings; so, even in Evangelical circles, where they talk about, "Oh, this can't be the Trib, because the third Temple in Israel is not built, yet; and, Palestine and Israel has not made those peace treaties, yet. When Daniel's talking about it, there's no Temple there. There's no Temple that has the Jerusalem Temple, where they're doing sacrifices and offerings, and then it stopped.

It's interesting that Jesus, after Christ dies, after his ministry, after three and half years, his final offering of himself on the Cross becomes like the last sacrificial offering, and then stops. When does it stop? It stops after three and half years at the end of his ministry; and, then the sacrifices stop, and the Temple vail is torn down two thousand years ago; but, they use this for the End Times. They use that for the End Times; but, when you look at Revelation, there's no third Temple being built. The New Jerusalem comes after all of that. The New Jerusalem comes in this section, not over here. Not over there. Ah, the Kingdom of God comes after all that. It doesn't come before it.

So many people in Evangelical circles are saying that it comes before the third Temple being built, because that's going to be the middle period. No, it doesn't. The New Jerusalem has to come back here. Read your dang Book of Revelation. The third Temple in Jerusalem doesn't have to be rebuilt.

Wow! You have all these bowls that pour out His wrath. And, then you have in Revelation 17th through 19th, you got Prostitutes. That's the harlot of Babylon, right? You have the beasts, the waters nations, the beast and the whore conflict, Babylon's Fall, the Marriage Supper of the Lamb; and, over here you have over Satan. Satan's bound, the reign of the saved, Satan's released, the young gathers for battle, Satan's thrown into the Lake of fire, and the Great White Throne.

There is a Cosmic event coming. It's not time to play around; and, in the final section of Revelation, after that period of judgment, you have the Great High Mountain, the New Jerusalem, the Kingdom of God descends upon the Earth. The Temple is God, and the Lamb is the living Kingship of God, where he will dwell with his people. King amongst Kings for all eternity.

Do you know what time you're living in? The light is God and the Lamb, the Tree of Life, the River of Life, when the God and Lamb inherit the Earth. It's serious time, folks. 9/23 is one week away. We have to prepare, physically, spiritually, materially, mentally, psychologically. It's going to get worse, before it gets better; but, it's important to understand, the entire picture, because in the end, God's Kingdom will come, and His children will inherit the Earth, and subdue the Devil.

SOS, come on out. Let's all rise with our final Cheon Seong Gyeong. Let's all rise and read the CSG, page 1619 together.
