

Post Mid-Trib ~ October 15, 2017 ~ Rev. Hyung Jin Moon ~ Newfoundland, PA

Let's go into Post Mid-Trib study Today. Wow, wow, wow! Now, we covered Revelation 12. That's the thing we all lived through. Can you believe it? 9/23. The signs in the stars that never happened in human history, okay; where, we actually had the actual signs in the Heavens, with the woman clothed with the Sun, and the Moon at her feet, with the twelve stars in the Leo Constellation with Mercury, Mars and Venus at the same time. Boom, boom, boom! That becomes a twelve-start garland, boom! Okay, that never happened in history, and so, when John the Revelator was writing some two thousand years ago, we got to live through that. We got to live through that. 9/23 is the date, where that happens in the stars; and, we had a whole group of people in the body of Christ say, "Oh, we're going to be raptured that day. We'll be raptured. There's going to be a rapture. Jesus is coming back," but they're still here. They don't know what happened on that day. That day where the Cosmic shifting changing day; but, of course, we know. we know that the Cosmic changing at the Perfect Level of the Cosmic Blessing of True Parents of Heaven and Earth happened on that day; and, there's now a humongous Cosmic shift in the atmosphere. Massive shift, okay.

So, we've been through Revelation 12. I just want to spark your attention back to the ending of Cheon Il Guk chapter, where the woman who gives birth do the child that will rule the nations with the Rod of Iron, etc, and all that happened. Remember, then the Serpent tries and comes to destroy her? And then, of course, there's floods coming on the water, and the Earth soaks up the waters of the Earth. Remember this? That's amazing. So, there's all this attack that comes against her. It's very interesting, we're really having an unprecedented amount, especially in the US, of these natural disasters, iterally, just slamming us one after another. Hurricane, after hurricane, after hurricane.

So, President Trump at the macrocosmic level doing as much as he can to steer the country back to sovereignty; and, of course, one of the great things, did you hear? He's now doing Executive Orders. Rand Paul is now behind him 100% to dismantle Obamacare, because the RHINO Republicans keep on stopping it. Okay, if you can't stop it, I'm going to use Executive Orders to start dismantling it; so, he's keeping his promise. That's amazing; and, Rand Paul's behind it, too. That is fantastic. You see God's sovereignty macro, too. It's starting to gain power, real power, and starting to just act, you know what I mean? Starting to act. Realizing they can't compromise with those already paid off by the bankers and George Soros, etc. They are already working for the anti-forces; so, one can't cover that much. You just have to vanquish them; and, President Trump is taking the steps to do so.

So, there are tremendous things that are happening; so, let's go quickly into Chapter 13 of Revelation, and Chapter 14, too. That's a lot to cover. That's a shemitah-load to cover. That's an awful lot to cover; so, we are going to see how well we do here. I hope we end before four o'clock today. Hope you brought your survival food. You can eat it. I'm just joking. So, let's try to get through this today. Let's go through Revelation 13 quickly, because we actually covered 13 awhile back. We covered 13; so, let's just read through it, and I'll make some brief comments about it, but let's really go into 14, today. Alright, Revelation 13, verse 1. Let's read this together:

Revelation 13:1 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy. 2 And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority. 3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast. 4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him? 5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months. 6 And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven. 7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. 8 And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world. 9 If any man have an ear, let him hear. 10 He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints. 11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. 12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed. 13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, 14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. 15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. 16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. 18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

We are talking about a massive power, a massive beast, who has power over nations. Look at that in verse 7, **a beast that had power over all kindred, and tongues, and nations.** Those tongues mean like many nations, many civilizations, and nations. There's a big beast. A big beast that has tremendous power.

At the end of Revelation in verse 18 it says, **At the end is says, and his number is Six hundred threescore and six;** or, 63,206. Many times, it is reads as 666. You know, 666 is the number of Satan. It's interesting, many times when you break down the actual words of the number, it's six hundred and three score is sixty. You have the six three twenties and six. Isn't that an interesting number? Alright, we'll get back to that in just a bit, so hold on.

So, we talked about this, and we knew that after the Mid-Trib, there's going to be a lot of tribulations. Look at that? The beast that will rise up from the sea. Which sea now. It is the East China Sea. We talked about that maybe a year ago. We talked about that, that maybe Korea will be the place, where we will see a lot of tribulation. That's what we've been saying for three years plus, okay, but last year we talked about Revelation 13. Remember, we went through the actual heads and leopards, and the nations that may actually be these animals.

Remember this? The leopard may be Iran, which is right on the top of the list of the Presidents list. Of course, this week, we had a speech about Iran. Unfortunately, he didn't mention Saudi Arabia, which he should. He was just going on about Iran, which is a bad tyrannical dictatorship as well; but, Saudi Arabia's just as bad, if not worse a funder of terrorism. But, again, the President should have attacked Saudi Arabia; but, maybe he's lining up his attacks, and he can't do all the attacks at one time. He's trying to line up his attacks, and get the moral high ground.

He must get Obamacare out of the way, so middle class families can get back and have some choice, if he's going to allow you to buy healthcare across state lines. Wow! What a huge change. Oh, my gosh! That's tremendous! He's freeing up healthcare professionals, so now Doctors can actually make money, again, and not be on the stupid Obamacare system, and sell out to the system. Doctors even become poor, because they can't provide better services. If they don't follow the Obamacare system, they have 100% liability; so, if they follow the Obamacare system, and they are prescribing you to take this or that medicine, even though you die, then they're off the hook. This is ridiculous, okay. So ridiculous. So, of course, Trump is now dismantling that.

And of course, we talked about this. The leopard, we have Middle Eastern, Iran could possibly be the leopard body. Now, that's of course, colluding with Russia, which is the bear. That's also the national emblem, which has the feet of the bear, which is interesting. It has the feet of the bear, which makes these things move with the bear, and of course the mouth of a lion. Remember, how we showed you that North Korea, who see their nation as the tiger, okay. Remember, I showed that picture of the shape of Korea, which is shaped like a tiger. Remember that; and, the head of that tiger is the North, okay. It's actually the North East of the Peninsula, which is the North; but, that's the head, where the head resides of the tiger, of course. They don't have lions; so, tigers are basically a lion there. They don't have no lions with the big mains like in Africa. They got the tiger, which is a lion. It's a lion. It's just a more nomadic lion, right, with stripes. It's got a different pattern; but, it's the same dang animal, okay. The same dang animal. Even your kitty cat is a descendant of lions, isn't it? If you can admit that, you admit a tiger is a lion, right.

So, we knew that potentially within a year after Mid-Trib on 9/23, that this would be on the forefront, okay; and, you see tremendous power here. You also see the dragon behind him, behind giving power to them has always been China. China has always referred to themselves as the dragon; so, we talked about this a year ago. Remember this? These key nation states that will be involved in this are a problematic issue with the beast, because there's no Christians. Even in the whole body of Christ, there's not one Christian who believes an actual monster will come out of the Earth, you know, the water. Like an actual fantastical monster, with the actual leopard body, and... Nobody assumes that, okay.

All the top interpreters, from the professional level to the academic level, down to the normal man, they don't see it as some beast that's going to come and get you, okay. It's a coalition. It's some kind of coalition of governing bodies that will wreak havoc on the Earth; and, of course, you see with the seven horns. What is that? Seven heads, ten horns on his head with crowns. You see this kind of power structure of elite class that Alex Jones figured is globalism, or we refer as political Satanism, etc. Okay! And, it's this international structure, which is really the difference. I mean, Kook Jin Nim's Freedom Society lecture this week was actually talking about that, right. Fascism and Communism is the same thing; except, Fascism is National Communism and Communism is International Communism. That's

basically what it is. The Commies want an international governing body that rules over World; the Fascists are like Mussolini saying, "This is Italian," but basically the same thing; same centralized archangelic control, and slave class. People become slaves. One is just more national; one is more international. That's a great way of looking it. Dinesh D'Souza just broke that down, by the way. Very nice, very simple, but very powerful, okay.

So, we have these issues here. You have the different beasts, etc. and, of course, they're waging war against sovereignty. What kind of culture? Sovereignty, what is the real civilizations that fights for sovereignty. It is the Christian civilization. An Abel-type sovereignty. A sovereignty that's based on ethics, and Christian ethics, on the ethics based on Jesus Christ, on the ethics to serve and love thy neighbor, on the ethics to do charity for others ad help them. An ethic to even pray for your enemies, and those who persecute you. An ethic of protecting children. "He who does the least to one of these, let a millstone be wrapped around his neck and be thrown into the sea," right. (Matthew 18:6 and Luke 17:2)

Protect children. Protect widows. Protect the vulnerable. This is all the Christian ethic. This is, of course, what a good civilization will be built on. Unfortunately, not the Catholic Church, which has become the opposite of that, abusing some of those things; but, of course God as worship, but complete centralized banking, etc, and claiming it's the Kingdom, when it's not. It's allies with every fascist, every dictatorial regime. Even in the twentieth century, you can see it. The Catholic Church was supporting Hitler. Okay, so they're allying with organizations that are similar to them; but, of course, they're promoting that kind of globalist control. Carbon tax on poor people, being able to have a world tax on everybody. I mean, this is ridiculous. It's crazy that the Catholic Church would even support that thing; but, you have the Pope, you have the false Pope up there doing such a thing. We are really talking about Evangelical Christian culture, which is culture which understands the nature of sovereignty, which understands its relationship with God.

But, here again in Revelation 13, you see these beasts come out of the water, and there's another one out of the Earth, etc. Now, let's get back to the number. It's interesting. Interesting, interesting; so, we have the **image of the beast**, which "**And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their forehead**, etc. (Rev. 13:16) It gives many different ideas as to what this may be. I'm not going to go through all the ideas. There's all sorts of ideas about what the mark may be. Some believe it may be a microchip. Some believe because it is a mark in their forehead. It's an ideology that you have to buy into. It's a set of ideas, you see, **right hand, or in their forehead**. You receive a mark in the right hand, or in their forehead. You get the idea that it's some external thing. It's adopting an ideology. It's in the forehead. It's in the brain, okay; and, it's giving over to that ideology, and of course, that ideology is globalism, worldwide Communism, worldwide governance. You know, world level control over the whole world, which of course is, Political Satanism.

So, you have this here. Now look at this. We have here this accounting number, 63206. isn't that interesting. All these number coming out. 63,206. It's like a big joke. You know, seriously, it's like crazy. 63206. So, I type in 63206. Do a Google search on that? You won't believe it. It's like ridiculous. Look at what I found. "**Facebook increases status update character limit to 63, 206.**" Can you freaking believe that? Now, this of course, is the same Facebook that is allying with the Commies, with the Chinese government. Zuckerberg is allying with the Chinese government. He wants to bring censorship to the Western world, just as China does to put you into internet ghettos to prohibit things that you can't see,

that you can't say anything against the state, anything against centralized power; and, we know of course, the net censoring people, who are on Facebook with Conservative values, gun rights, and all that kind of stuff, and these fools literally in their algorithm set their system to 63206. Can you believe it. I can't believe this. Look at this?

"Wrestling with my old laptop for a bit longer, I found that the actual limit for Facebook is now 63, 206 characters. If you put in more, it will give you an error message with the title 'Status Update Too Long.' It reads as follows, 'Status updates must be less than 63, 206 characters, blah, blah, blah, blah."

So, where does the number 63206 come from? Facebook engineer Bob Baldwin explains, 'I set the exact limit to something nerdy. Facebook _Face Boo K -hex(FACE) -K _64206 -1000 = 63206.'" Some stupid thing. These people are so ridiculous. 63206. What is the chance of them falling on that number? That is ridiculous. That is totally absurd. So, you have one of the biggest monopolies in the world, right? Currently, on the Earth today, Facebook is probably one of the biggest monopolies in the world. We all colludes and works with the CIA for information gathering. We know that; so, it the Black horse. It's also one of the biggest monopolies in the world. It has, of course, a total bias, which has been exposed by Project Veritas. We know that. So, it works with the black horse. It's also one of the biggest monopolies in the world. It has a total biased, which is being taught by Project Veritas and the guys on the sovereignty team, with Youtube and the New York Times, and probably Facebook is on that list, too. I just found out. Very interesting. Their number comes out 63206. Isn't that fascinating. 63206. That is their number. Wow! So very, very interesting. They, of course, are pushing the ideology of leftism and liberalism, and worldwide Communism. They are pushing it big time.

This week, Youtube was caught. Of course, Facebook colludes with Google, which colluded with Youtube. You all know that; and, Youtube was caught by Project Veritas and James O'Keefe, an awesome young man there, doing incredible work. Really, investigative reporting. They were caught. Just this week, Youtube was setting algorithm to block Conservative views; and, trending, you know, trending hot stuff on Youtube, they admitted in that interview that they caught on undercover camera, they admitted that there's nothing to do with the numbers on trending. They get to choose what they put up on trending; so, all that stuff you pull up when there trending, that's total bull crash-shemitah. That's total bull. They're choosing videos that they want you to see, because they want to pretend that you have some choice, and they're trying to be sneaky and nefarious about it, pretending that they are give you a choice, when they are forcing this, putting in your face, and wanting you to click that.

And, of course, at the same time, they slash Conservative numbers, they slash down videos, so they can't be seen. It has 50 million views, so they shut it down, and then has to start again. Then, the next time around, it has 300,000 views. You see how they did that? Oh, when they see it's three hundred thousand, it's still a lot; but, it's not fifty million. So, that's how they play with you. That's how they play around with you.

And, we know these tech giants are colluding with, of course from Silicon Valley, but they collude with Hollywood, with the pedophile rings, with the liberal leftist cults, with all those things coming out. With Harvey Weinstein, with the pedophile networks, and Hollywood, and all that kind of evil that's coming out. They are all Satanists. They're Satanists at the top. They think it's a big joke. You know those idiots at Facebook put in that number, because they think it's a big freakin' joke. "Hey, what number shall we choice?" "Hey, let's put in the mark of the beast, yeah." Ha, ha, ha. These little nerds on the computer.

Ha, ha, ha. You know these bums did that. You know, there's no way you get that randomly. No freaking way.

So, we know that thank goodness, they are finally being exposed. That finally, they're finally being exposed by real undercover journalists showing what they're doing. They are complete sellouts. They sold their soul out to the establishment, to the Satanists that rule from the Bilderberg Group all the way to the top; so, it's just so pathetic, this little Zuckerberg, and he's thinking about running for President. This little pathetic, CIA, little pimped out, little suburban, little termite. What the heck does this fool think? This little Commie. He's a complete loser. James O'Keefe was just on Steven Crowder just a couple of days ago, and he was saying, they still have a monopoly. They still have a monopoly with Facebook. They still have a monopoly with the organizations, where you have to post your stuff like Youtube; because, these independent journalists cannot post their stuff to Foxnews, they post it to CNN, they got to post it Youtube, and they got to post it to Facebook. That's their only platforms. So, those platforms of information, which of course shape what you give your forehead over to, or your mind over to, the information which is funneled towards you, who controls that? A very small group of elites; and, of course, at the New York Times, Dudich; that total troglodyte little gremlin. "Ah, I block all the stuff that Trump says." On camera, he says such things. It's just ridiculous. Totally ridiculous. Hey, that's what you get, if you type in 63206. Isn't that interesting. It happens to be connected to the biggest information social networking organization in the world that openly works with the CIA assassins group. Openly. And, openly colludes with China, the biggest mass murderers on the planet. Hey, 1.6 billion poor Asian people are under that oppression. Okay, so that's all very interesting.

So, let's go to Revelation 14 here. Goodness, goodness, goodness. So, we know Revelation 13, we see all those beasts. These numbers are very interesting. Remember when we saw after 9/23, nine days after 9/23, which is 3X3, or 3 to the 2nd power, which is 9. Nine days after that, we see the 32 there; and, then it's the 32nd floor for the shooter is shooting from. It's 23 guns in his 32nd floor apartment. It's the round 2.23 that he's shooting from the 23 guns from his 32 apartments. Then his address is 320. Ah, it's all a big joke. It's all a big joke. Then, the actual organization that has the specific number 322 is what? Did I show this last week? 322. That's Skull and Bones. That's their number. They have it on their logo. Somebody pull that up on your iPhone. Somebody pull it up on your iPhone. Hit Skull and Bones, and get the Wikipedia picture. I'll show you right now. Even Wikipedia is opened right on the Wikipedia thing. Skull and Bones, the number 322. Skull and Bones. Everybody knows that's the Yale University. That's the elite Ivy fraternity secret society at the 12th grade level. Look, that's their official logo. Look, that's their official logo. Did you get that, Lewis? Look at that. These people aren't playing around. They know numerology. They know that these numbers have different meanings and powers. Look at that. That's their actual logo. That's over a hundred years old from Yale University. 1832. Over 150 years. Almost 200 years, isn't it. 180 years, isn't it. Their number happens to be 322. 322. Isn't that interesting. Lisa, here's your machine back.

So, we see that Satanists are very much into numerology; and, on Monday's King's Report, we got Zachery King everybody. Lourdes did a great job. She set up Zachery King, who will be on the show. Zachary King for 26 years, he was a high-level Satanists, okay, in the Satan Church. He's the one who exposed Planned Parenthood is the place where Satanists and wiccans and witches are gathering to get access to the fetuses to do satanic rituals at night. He's the one who exposed that, because his organization, the Satanist Church, was the one doing it. We are going to have him on the show on Monday; so, you got to tune in for that. I want to ask him about all kinds of stuff. I want to ask him

about numerology and symbology. We're going to get into all sorts of stuff; and, of course ask his take on other things that are happening, okay. He's now a Christian. Is he Catholic? Well, you know. He's moved in the right direction, hopefully. Alright, just one more step, okay. In any case, we'll have a good interview with him, tomorrow.

But, now this stuff is starting to come out. Satanists are really into numerology. They believe in these mystical powers that are set in these numbers. They have to coordinate these numbers and astrological signs, and movements and patterns in the planets in the Cosmos; so, that they have maximized power, and they do their rituals. It's not that you or I believe it to be real; it's, that they believe it to be real. They're the ones to believe it to be real. That's why they are so fanatic into these numbers. 322, this kind of thing; and, that's why we saw with the Las Vegas shooter all these kinds of things. 32 and 23 coming out.

Now, of course, there's an acoustical analysis that shows there are two shooters, not one. Two shooters; so, that whole FBI story is breaking down. The lies are breaking down; and, the civilians who have the expertise in acoustical analysis in formal law enforcement training are saying, "Hey, this is not true." The FBI is covering up stuff, okay. It happens to be that this Deep State colludes with most of the biggest social media outlet companies in the world like Facebook, who interestingly has the number 63206. Isn't that interesting? That's fascinating, isn't it? They control the way you look at things. They can give you penalties. If you have certain views, they can say, you're not allowed to do business on Facebook. We're going to shut down your monetization on Youtube, stuff like that. They're heavy-handed; and, now they're being exposed, alright. So, the fight is on. The fight is on. Alright, we are at Revelation 14, now. Let's look at this:

Revelation 14:1 And I looked, and lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads. 2 And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps: 3 And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth. 4 These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb. 5 And in their mouth was found no guile: for they are without fault before the throne of God. 6 And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, 7 Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters. 8 And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication. 9 And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, 10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: 11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name. 12 Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus. 13 And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works

do follow them. **14** And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. **15** And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe. **16** And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped. **17** And another angel came out of the temple which is in heaven, he also having a sharp sickle. **18** And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. **19** And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God. **20** And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs.

Verse 1, Having his Father's name written in their foreheads. Now, I cover this all the time. Of course, we know the three Kingships are here. We know, in the three Kingships, Father is in Heaven; and, look, the Lamb. I'm born in the year of the lamb and Father's successor, **and with him a hundred forty and four thousand.** 144, 154. 154, all the numbers add together equals ten, which is the number of completion; and, when you add the 154 to the 144 thousand, it comes 154. 144 plus the 10 that comes from 154 becomes 154. So, you see the 154 Providence that continues on from Father's ascension date time, minute is the exact hour and minute; but, of course, we are here. Now, this is important, because look at this: The Lamb is on Earth, and the Father's in Heaven; and, the Lamb has the Father's name written in their foreheads. Isn't that interesting? None of us knew we were going to be on this path. None of us knew why we had to get into the Palace at that exact time; and, nine months, Revelation 12, and the woman. Oh, my gosh! It's crazy. Then, the Crown Providence begins; and, now, more and more of you are wearing your Crowns with pride.

Now, what is on the Crown? Of course, we have the Tong Il Mark; but, we have the name of the Father. Father's name; and, we saw in Revelation 3 that the name of Jesus is different when he comes back. He has a different name. He has a different name, okay. That's in the Chapter in Revelation 3; so, we know that whole scenario is going forward. Father's name is written on their foreheads.

Now, let's keep going. **2** And I heard a voice from heaven, as the voice of many waters, and as the voice of great thunder; and I heard the voice of many harpers harping with their harps **3** And they sung as it were a new song before the throne. Look, the sang a new song. Look, Jesus has a new name, even those who are testifying of Jesus are protected. We saw that in Revelation 12. We should add different chapters of Revelation testifying on Jesus' behalf. It is still the core, because when Jesus returns, he is still the returning Jesus. He may come with a new name; but, he's still the returning Jesus. Isn't that interesting?

So, we are the body. We're like the only body on Earth that has a super clear understanding of sovereignty, a super clear understanding of the Fall. Super clear understand, now, of God's Kingdom, and we have the Cheon Il Guk Constitution, okay. At the same time, we have a whole movement, now, that is growing worldwide, with those wearing Crowns, and having a Rod of Iron. It's interesting. You remember all those brothers and sisters in Japan taking pictures with the Rod of Iron. You can't get real Rods of Iron. They bought those toys; so, even now they're starting to get attacked. Again, it comes with persecution. They're starting to get Japanese FBI or CIA watching them, and trying to meet them, asking them, "Why do you have these Rods of Iron? Did you see this? We have all these rights in America to own a Rod of Iron; but, this is not a stance, which is pleasant to existing archangelic governments. It's

not a stance; so, we know when this happens, there's going to be a persecution. That happens. We've been talking about that the last two-three years, okay. We know there's persecution that will happen, right.

So, we know that; but, it is something that we have to do. We have to do it, because it doesn't get better by giving into the predators and the evil. If you do that, it always gets worse, and you become slaves. So, the standup has to happen at some point in history; and, of course, it happens at the end of time right around that Mid-Trib period, you see, knowing the Japanese brothers and sisters who are standing up, even if it is with toy guns, and of course, Crowns. They're now starting to get persecuted by the governments of their countries. Of course, don't do stupid things. You got to know the laws, and not break laws, you know what I mean? You don't break laws. You got to know your laws. You got to try and fight for it, based on the information, and based on information warfare, based on positioning yourself in sovereignty, right; but, not doing things that will break the law, and bring undo persecution to you. That, of course, we don't want people to do. Sovereignty, right, but not because you break the laws, and bring undue persecution to you. That, of course, we don't want people to do, okay. But, God is positioning the World. He's repositioning the real world that we are living in, today; and, of course, we have a huge situation in North Korea that is happening; and, of course, that is unfortunately escalating to a feverish pitch, okay.

So, what we expect of the world, what we know of the world now, doesn't mean it will be the same in one thousand, six hundred, and what is it? In twenty days, is it? Three and half years, right. 1620. It's just spaced out; but, in three and half years, you don't know. The whole geography, the whole maps can be changed, especially if North Korea and Trump does a pre-emptive nuclear attack on them; or, just even a small attack, and they decide to attack Seoul, they are going to be destroyed. That's going to be World War III. China said, they are going to back North Korea.

So, we had potential massive problems. Tim Elder reported this week that was top news. Congress got a report on EMP attacks from North Korea. EMP attack that could kill 90% of the US population within one year, by shutting off the grid. All they have to do is blow up the nuclear bomb above the US, before it reenters the atmosphere. That would solve their problem of reentry, solve their problem of the delivery system. All they would do is blow up the nuclear bomb above the US before it reenters the atmosphere. That would solve their problem of reentry. That would solve the delivery system, if it may have problems in it. Blow it up, and it kills all of our electric grid. If you're not in the loop, that was to Congressional Report that given this week, by the way. This week. So, you gotta be awake. You gotta be awake, folks. Awake. That was now brought to the table of the United States Congress just this week.

Now interesting. We have the 144 and the 154 Providence, and they sang a new song before the Throne. There is a new song. Wow! There are so many things we've seen with our nation states, etc. Even, all America has seen can be taken over by the Communists. Nobody can deny that fact, now. Of course, they're a big resurgence back, and trying to fight back for sovereignty of America; but, the Communists don't give up easily. They're very violent terrorist tactics as well, okay. Just a couple of month ago one was caught with a bomb near those statues. That was down there in Texas. Remember that?

So, they're upping their preparations and attacks. They're becoming basically like ISIS. They seek to be domestic terrorists. The Democrat and Neocon parties are becoming like domestic terrorists. They're coming literally supporters and funders of Antifa, just protectionist. Just Insane. Crazy. They're domestic terrorist organizations, they fund, protect and collude with, alright.

So, we have a serious situation in America. We've seen it. We've seen that America can lose her sovereignty. There's not the security in the Constitution, because now the Amendment process, because of the sin of slavery. That now America forever exist. In the short two hundred years, it almost died with Hillary Clinton, barely being defeated. At least that's what they say. Really, she was defeated by a landslide, but they say barely, okay.

People are trying to wake up, and, who is it? It's really the Evangelicals. Did you see Trumps speech he gave yesterday? Oh, my goodness! He sounded like a Preacher. He sounded like a Preacher. We're going to say, "Merry Christmas." We're going to say, "Jesus Christ;" and, we're going to respect our God. He said, "Our God of the United State." No Islam. We worship God. What did he say? Yes, not government. "We worship God, not government. Man, it sounded like a Preacher at Values Voters Summit. That was it. Amazing speech that he gave just a few days ago. He's invoking the power of God, and our roots of America being in God, okay.

So, be clear. It's becoming very clear in a satanic Kingdom. It's becoming very clear at the macrocosmic level. Who's on God's side; who's on Satan's side? Very clear. Not only with the positions that they take and pursue. The ideas and agendas they pursue; but, now the President coming out clearly stating that people need to get back to our Christian roots.

Now, of course, we know the leftist lunatics in the hundred years in post-Christian America is going to hate that. They're going to rail against that. The left and the neocons, they're going to rail against that. They're trying to stop him from cutting taxes. What is wrong with Paul Ryan and these freaks? These neocons. They're fakes. They're total fakes. What is wrong with them? They ran all the classrooms, and they won't do anything about it. Thank God, now Trump realized what's happening and say, "Screw them. I'm just going to do it by Executive Order." Just do it, Trump. Of course, as he does that, they can't stop him. They may consider him more and more. "Kill him." Right?

So, critical time, and of course at the microcosm level we see a new song is stirring in the atmosphere. Just stirring the big Cosmic stewpot. The Cheon Il Guk is being released into the Cosmos; and, the Spirit of God, and the Spirit of Cheon Il Guk, and the Spirit of the Kingdom of God, and the Constitution is starting to cover, spiritually at least, the atmosphere. That's a new song being sung before the Throne. That song is, of course, is in Hyung Nam Prison, in the Trials of Tribulation, in the torture chambers, railing and reaching out to God for hope and Grace. Inspiration and trusting. Having faith in God. That God would see Father though that whole situation. That's the Anthem. That's where the Anthem was built on. That type of inquiry is incredible. That type of deep Shimjung Segye. The Cosmic world of God's heart.

Verse 3 Now, a new song before the Throne is sung before the four beasts and elders, etc. No man could learn that song but the hundred and forty-four thousand, which were redeemed from the earth. See that. It's a special song. It's a special song that is sung by the one forty-four. It's a special song. They're the ones that are redeemed from the earth. There are the ones that are defiled by woman, or you could say, a woman. The Han Mother who defiled them. The believers. Defiled them. Led them into a pit of hell. Led the into heresy and betrayal and treason. Led them to defiled men. **Verse 4. These are they which were not defiled with women, for they are virgins.** Look at that. They are virgins. They are pure. They were virgins. They were sexually pure. They're sexually pure. We didn't Fall. We stayed under Father's Authority. We stayed with Father, and that is then purity.

These are they which follow the Lamb whithersoever he goeth. Why are you following me around? What's wrong with you people? Stop following. Stop coming. Go Away. **These were redeemed from among men, being the first fruits unto God and to the Lamb, 5 And in their mouth was found no guile.** No betrayal. No sneakiness. No treason. That doesn't mean we're perfect. That doesn't mean we're all sinless, and we all get along all the time. Some of you fight really good with each other; but, it doesn't mean you have guile. It doesn't mean you have a treasonous heart.

Right, I say this millions of times. I hear about Lourdes and Jamal wherever I go. It's always Lourdes and Jamal. Okay, I have to repeat all the time. They know that Jamal gets on people's nerves. He gets on my nerves, too; okay, but you have to remember, remember from God's perspective, okay. Look from Father's perspective? You have a scenario, where the Han Mother breaks off, and becomes a heretic. Completely does treason. And then, you have a group of people, a very small group, a small group, who of course become the majority, because they stand with God. That stand with God and his Kingship, get all the persecution, gets the beatings, get all that, and fight alongside, too; so, yes, I understand.

Sometimes, Lourdes drives people nuts, too. Oh, yeah! There you go. I hear some Amens right here, you know. I understand that. We understand there's personality problems; and, siblings, think about it, and siblings, they fight with each other. That doesn't mean as their father, you hate them, or try to separate and ostracize them. You do your best. Obviously, everybody has their five percent responsibility, and people can choose to leave, which of course, a lot of Father's children have done. They've chosen to leave. He didn't chase them out. They chose to leave with the Han Mother; so, that's unfortunate. We obviously pray that doesn't happen. It's not guaranteed that your kids will never leave you, right. Hey, that's not guaranteed. There's no guarantee for that. In the end, they have free will, right; but, in the same manner, we can see both Lourdes or Jamal, even though they are not perfect, even though they have sinfulness, you know, they have all those things that they criticize each other for. Okay, I got it. I understand; but, what happens from Father's perspective? Both of them, both of them are going to have to realize that, right; and, of course they do, but both of them stood up at the hardest time. They did. They didn't make each other stand up. They did it independently; but, God can still recognize that, you see.

It's like Chief. I mean, he fought in Vietnam; and, so when he sees other Vietnam vets, some of them may be complete lunatics like John Kerry trying to help the world governance, and Satanists, and his Skull and Bones vying to take over the different powers and nation states. I'm sure he doesn't think highly of Kerry, because he committed crimes, obviously he should be put into prison. Obviously, that's fine. He is still a Vietnam vet. It doesn't mean it covers all his sins. It doesn't mean, he can't do no wrong. That's not the point. The point is, at the hardest time, at the Cosmic history, in the Last Days, when everybody thought it was over, whether you like it or not, and not only Jamal and Lourdes, and of course all of you, you stood up at the time, and you fought; and, of course we have to always remember that. The beginning of Cheon-Ji, that foundation of heart that you had in your own conscience, that you had in your own heart, you said, "I cannot betray Father. I have to pursue Father, and I have to listen to him." He gets to choose; and, then of course separates, and separate the wheat from the chaff. That separates Satan and God's side. That separates the heretics from those who remained faithful, even though we're being persecuted. Does that make sense. How come it got so quiet, all of a sudden, huh? Do you know what I mean?

So, we know all these things; but in the end, from God's perspective, yes, we may not be perfect. Yes, Jamal has a stinky mouth sometimes, and cussing online. Yes, he insults some people and gets their blood boiling. Let's them boil, alright. Okay. Have you ever had a sibling? Welcome to having lots of siblings. Let them have it. That's not... We are siblings that get on your nerves drive you nuts sometime, but hey there're sibling that didn't leave the house. Pens in the pigs. Hose down the cows, and get the animals fed, clean their crap, and okay. Okay, it's not glamorous; but, hey, it something to keep in mind, isn't it. Something to keep in mind.

Look at this. **In their mouth there was found no guile, they were found without fault before the throne of God.** I could come out and condemn Lourdes. I could come out and condemn Jamal. I could come on and condemn Jamal, but I have to take Father's representative heir; and, when I see it from my perspective, I say, "Okay. Okay, fine. Sometimes, I get on their nerves. Sometimes, these people get on each other's nerves. That's fine. That's fine. I get it." But, I got to look back and see, what you folks did what was hard to do. You stayed on the farm. You held onto Father; and, you pushed through the trudge and the crap.

It was shoveled on you, it was thrown on you, while the Mom was running off with the big banker. You pushed through the trudge and the crap. Shoveled at you, and thrown at you, while the mother was running off with the big banker stealing money, and a whole bunch of people running after her trying to steal money, too. I want everyone to keep it in perspective. I want everyone to keep it in perspective. I want you all to keep it in perspective, okay.

And, of course, if Jamal really hates Tim, and Lourdes, and all that, he can always set up his own organization; and, he says all the time, "I love you King Daddy" all the time. I said, "I know you love me, okay." He can go out. Let's see how many good guests he can bring to the King's Report. Let's see how many people he can get Blessed. From all these people, let's see how many people they can bring to the Gospel. From all these people, he can have his own group. Let's see how many get Blessed. Let's see how many people he can bring to the Kingdom. Let's see how many people they can bring to the Gospel. Let's see how people they can touch in the body of Christ. Let's see it. Let's see; or, we can settle things from some other form of combat. Boxing matches, you know. John Clark's a big guy. I don't know if you want to go against John Clark in a boxing match. They have to go to their own schools to train. I won't train them for that, okay. I will root for both.

He wants to call Jerry Haying's a beta male, and Doug Williams a beta male, fine. Let's set up a boxing match. Let's do MMA, okay. I don't got a problem with that. I just won't train the other side. They got to find their own trainers, okay. But, all joking and all seriousness aside, we have to keep it in perspective, folks. We have to keep it in perspective. We have to keep it in perspective. Look at this. It doesn't mean we're not perfect. It doesn't mean we have fault within us. It doesn't mean we have no sin. It doesn't give us free license to harm God's heart, and harm God's Grace, and be like, "God, you give me all this Grace, I'm going to crap on you face now. Thank you." Then, you're a bum, right.

But, God in the larger picture, when He weighs it all together, He sees, okay, Jamal, Lourdes, and different Sanctuarrians, either one of them. All of them stood up for me from Father's perspective, and my Kingship, at the hardest time, when no one else was doing it. That is something to keep in context, folks, because look, we can get embroiled in all these little squabbles and all that, of course.

As Kook Jin Nim said, metaphorically, all these guns should be facing out. They're plenty of political Satanists to fight. There's plenty of globalism to fight. There's plenty of stuff for us to do. Just keep your guns facing outwards, right. Start your own Youtube Channel. As he says all the time, "Keep your guns pointing outward. Start your own Youtube Channel. Start going after all these Politicians. InterCitys, go after them. Do something. Stop bitching about Lourdes; and, stop bitching about Jamal. Get something done. Get something done for the Kingdom. Bring people. Get something done for the Kingdom. Bring people to the Kingdom. Bring them to the Three Great Kingships. Let's see it." Okay, back to the Scripture now.

Verse 6 And, I saw another angel fly in the midst of Heaven, having the everlasting Gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people. You say that you love me? Go and Preach the Gospel to His Kingdom. Don't have internal squabbles. You're wasting time. You're wasting energy. Not everybody's perfect. We understand that. Not everybody's lost. We understand that; but, we are under the sovereignty of God, and keep your metaphysical Rods of Iron pointing outwards. Get Satan's Kingdom. Make them collapse, and, bring people to God's Kingdom.

Preach the everlasting Gospel, the whole series of the Kingdom series that we've been doing for, what is it, the last year and a half or something, is about.... You know, you see it in the Scripture. Everywhere, from March 2016. From Matthew 6:33, which is what? Matthew 6:33 says, "**But seek ye first the Kingdom of God, and his righteousness; and all these things shall be added unto you**" The Gospel of Jesus Christ. The Gospel of the Kingdom God. That's why it sets off; and, it sets fire. It makes the establishment, and the tyrannical archangelic satanic systems cringe, and eventually collapse. So, go and Preach the Gospel of them that dwell upon the earth. Go bring the nations. Go bring the kindred. Go bring the languages. Go bring the people.

Verse 7, Saying with a loud voice, Fear God, and give glory to him, for the hour of his judgement is come; and worship him that made heaven, and earth, and the sea, and the fountains of waters. Look at that. Now, there's another ministry that's going on as well. There's a ministry that's preaching about the Kingdom; and, some of the Sanctuarians, some of them are focused here, right, preaching with a loud voice, giving glory to God. The Judgment has come. Some people are focusing there.

Now, there's another ministry that's happening, too, in **Chapter 14**; and, that is, **Verse 8 Babylon is fallen.** The Family Fraud has fallen. There are some people in Sanctuary that are focusing on that ministry. It doesn't mean that everybody has to do it. Not everybody has to do it. Some people have a gift, and some people don't have a gift for that. It's a calling, okay; but, some can focus on **Babylon is falling. Babylon is Fallen.** Get away! The Han Mother has fallen. Get away, right! And, we see that in Sanctuary, too, on the microcosm some are focusing in on that ministry. That's fine, too. We're all playing different parts, different pieces of the fight. I love what James Edgar says, "This is not Musashi, this is Sun Tzu." This is not the five rings of the Samurai, where you have to fight individual combat. This is Sun Tzu, where you have the art of strategy and warfare; so, this is a way bigger context. It's not individual combat.

Okay, from (**Verse 8**.) **Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication.** There you go. That's how people can focus in on that ministry.

Verse 9, And the third angel followed them, saying with a loud voice, if any man worship the beast and his image. Now, this is how you can focus in on macrocosmic stuff. The beast, his imagery, political Satanism, all this. This is also another imagery that is focusing on the outside macrocosmic, okay, warning people about don't give over to this macrocosmic, warning people don't give yourself over to this ideology. Don't give yourself over to this globalism, which is international Communism, right. Don't give yourself over to this. Some Youtube Channels, and some of our Sanctuary brothers and sisters are already in to that ministry. That's okay, too.

Verse 10, The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb. Look at this. Did you see that? It also warns that they will be tormented in presence of the Lamb. It's interesting. In that scenario, those who give themselves over to Satan, and over to Satan's macrocosmic plan, macrocosmic strategy, macrocosmic Art of War, those who give themselves over to that, they suffer the indignation of God. They suffer the torment of fire and brimstone, in the presence of the angels, and in the presence of the Lamb. There is jurisprudence that will be put out and wrought against them, as the Cheon Il Guk Constitution gets established over the earth, and those treasonous international Communists gets hit with the full force of the law.

Verse 11, And the smoke of their torment ascendeth up for ever and ever: Look at that. It's the New Kingdom. For ever and ever. That destruction of that evil. It's forever emblazoned in history of God for everyone to see. What is the clear battle? For everyone to see. What were the clear positions. For everyone to see. What were the agendas that were being fought over? What was it, all rooted back into sovereignty, all rooted back into lineage, all rooted back into the battle between Kings? God's Kings and Satan's Kings. Satan says, "She's legitimate." God says, "No, time's up. 9/23 is done. You're now going to be vanquished." Then, God's Kings and Queens start coming in.

Verse 12, Here is the patience of the saints; here are they that keep the commandments of God, and the faith Jesus. 13 And I heard a voice from heaven saying unto me right. Blessed are the dead that die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them. This is the great power that the Kingdom of God, and the people of Cheon Il Guk have over Satan, when you start not fearing death. Not fearing death. What makes Islam so radical and spread so fast? They don't fear death, because they're fighting for the satanic kingdom that they want to pleasure themselves in. You name it. Female genital mutilation, pedophilia, multiple marriage, but unlimited divorce with prostitution. All the sins, licentious sexual sins, cloaked in religiosity, cloaked in five times a day prayer, when you got have sex with a five years old girl. What kind of sick vampires and predators want to get into that? You see what I'm saying?

Now, they're highly motivated to keep that civilization alive. Highly motivated, and will kill to keep that civilization alive. They're willing to die. They're willing to die. The problem is with the body of Christ. They've kicked out the fathers from the Church, who taught them not to fear death; and, if taken over by the state, and only women, the majority of them are women, who are not teaching them the prospective of the Father. You got these Pastors, who are run by the women in their church. Of course, that's not saying that women are bad. It's just that you don't kick out all the men. That's bad. That's very bad; and, then, the culture of Father has disappeared.

It now becomes this big thing to run with the state, run to seek power, run to make our Church big, and collude with the state, and all those kinds of things. I'm not saying that your Church grows for a sovereignty, that's bad or anything; but, they're making it collude with Communism and grow, and they know on average that women are two times willing to support Communism. That's a Gallup Poll statistic that I've shown you millions of times. They know the tendency; and, of course, that is how the Father's culture gets eradicated. The culture of training your kids; training the young people to not fear death. Get stronger to go hunting; and, go skin a buck, and learn how to fish, and fight, and train to be strong; and, try not to be an imposter like those idiots in Hollywood, but be real strong people, who want peace, who want real peace. Real strong people want peace. They don't want war. They know how devastating it is. They know their mission can do to other people; so, they don't want to do it, because they already know how to do it. They do it every day in training.

Blessed are they, which die in the Lord from henceforth. You ladies must not fear death. You all are going to die anyways. Satan's always making you fear death. "Oh no, no. You're going to live forever. Don't do that, if this makes you die. This or that." You're going to die anyways. This is the End Times, you understand? This is war, Cosmic War between God's civilization and Satan's civilization. This is the End Time, you understand? This is war. This is war. Cosmic War between God's civilization and Satan's civilization. That we must have the fear of God, and losing God, the fear of losing God at some point. Anyways, it's really not a huge deal. We're going to be with Him forever, okay. Alright.

If people love God, you must have this kind of willingness, ready to serve, ready to die. That's why peace police/ Peace militia, and Gregg was calling it peace Ninja. Peaceful Patient Person is what peace militia means. Peaceful Patient Person; but, if you have to use it in your personal decorum, you can. It's what Peace militia means, and if you have to defend someone, you can. You don't go to start wars. You don't go to start fights; but, if you have to, you can; and, you have to finish him. What, if you have to defend yourself, you can. You don't want to yield, or go to yield. You don't go to start fights; but, if you have to, you can; and, you have to finish him. Of course, in submission arts, and the art of strangulation, you can. That's what you learn in submission arts, and arts of strangulation and crippling. You must finish.

They say, at first, that they must rest from their labors, and you must follow them; but, when we have the Spirit of nullification, fearing death, then we can be bold in those minutes of changes that God is talking about. We can start attacking Satan with that line. We can start attacking Satan, and those who worship the beast. We can start exposing those thing, putting on, "Oh, what if you have Jihadis who are trying to kill you?" So, what! They're all kinds of people trying to kill me. Learn how to protect yourself. There's no guarantee; but, you learn how to protect yourself. You try you best to continue to speak the truth; and, you have to be ready to defend yourself at all times. Train people around you. Train your children to learn how to become Security Guards, too; so, they learn, "Oh, suppose I speak out against Islam, and I get all these Jihadi threats for anything they say against Islam?" So, what! But, if they can bully you, and make you shut up, they're winning.

Of course, we get death threats. Of course, we get the pie charts, we going to be blown up. So, what! We hear that all the time, anyways. Everybody hear it. Steven Crowder hears it. David Wood hears it. Alex Jones hears it. Breitbart hears it. Every month, what! Are they going to go out and bomb everybody? Even if you don't say it, and protective like the Government does, they still bomb one of your buildings, which they do all over the world; and, they're protecting them. So, either way, they're going to bomb you, okay. Give me a break!

They are not afraid to die. The body of Christ must not be afraid to die. That's the prospective of the Father, who's going to defend His home; and, if you girls don't train in the combat arts, you don't get it. You don't get it, why the men the men are so infatuated with this stuff. You don't get it, how much stress we have, trying to defend you. You don't get it; unless, you've trained with us, Then, you get it; and, you get it a lot better. You don't get it.

You think we're just paranoid. You think we're just dumb. We're trying to protect things without you. It's not only assets; it's you; so, be a little thankful. Stop calling us nuts and paranoid? Why are you buying things, you piece of ...? I'm telling you, it's just in case, that's why. Why you got medical insurance? Why you got car insurance? You want me to take that away, too, and you pay? Come on ladies. Give me a break!

Now, **Verse 14**, Look, another guy. This is an important one. **And I looked, and behold a white cloud, and beyond that cloud, and upon the cloud one sat unto the Son of man.** There's a whole another guy that looks like the son of man, **having on his head a golden crown, and in his hand a sharp sickle.** That had he also had on his head a gold crown, and in his hand a sharp sickle.

Revelation 14:15 And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe. 16 And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped.17 And another angel came out of the temple which is in heaven, he also having a sharp sickle. 18 And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. 19 And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God. 20 And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs.

Okay, so here, there's another significant figure in the Book of Revelation. Now, we know Father anointed both Cain and Abel; so, we know there's another key individual, who we don't talk a lot about, and yes, he was wearing a crown, even though it was a little string; but, he was wearing a crown, and that is of course the one, who in Revelation because of this, when he read the Scripture, he meant, could that be Kook Jin Nim?

Look at this? **He's like in the image of the son of man. He's in the image of Father.** Look, it's his son; and, he's an anointed son by Father. He has Authority, not only in Cheon Il Guk on the macrocosm, but also the General Inspector, but also on the microcosm with Father's anointing with the true elder brother of history, and he has the sharp sickle.

I was thinking, maybe Kook Jin Nim Hyung carries a special knife. I don't know. I was reading the Scripture, and it just hit me, because the School of Practical Kama, which is the Sickle, I was thinking, Kook Jin Nim carrying a Kama bae. I can't remember which school made it, but it looked like that; and, I was thinking, wow, that looks surprisingly like a handgun. A sickle looks surprisingly like a handgun. Look at the shape?

So, this man has a weapon in his hand, and when it's used to reap the harvest, it's used to reap the harvest. Look at the incredible work that Kahr Arms is doing, not only to help sovereignty? Not only to help our people, not only to teach responsible shooting, not only to teach gun safety, all that sort of thing; but, to arm the civilians, and also give us great deals, that is a key thing. That is a key, key thing.

We know how God is developing; and, let Kook Jin Nim do that land, in that factory land, that whole land. Now, different organizations are starting to approach him. You know, maybe the "Tong" Mother may be doing something there, making some cool facility for us, these kinds of things. God is moving.

So, what are we doing? Even connecting people to the Freedom Society; even connecting people to Kahr Arm to another guy made in the image of the son of man. He's Father's son. He is. He has a golden crown. He has a sharp sickle. Ask him if he has a golden crown? He does. He has one with the lions on there to match the symbol of the Lions of Judah, and the Kahr Arms logo. He just doesn't wear it out there in public; but, he's secretly wears it in his bedroom. That's a tip by God's inside sources, okay.

Look at this. From **Verse 15, And there's a reaping** How many people are becoming interested in sovereignty? How many people are getting connected to the Kingdom, to the Constitution, to the Divine Principle, through the work that Kahr is doing? How many more, when they start hiring people in the local area, and they become interested, "Hey, what Church do you go to," and you see how it's connected. There's so many things. When we get our metaphysical guns pointing outwards, there's Satan's Kingdoms, and there are people in the Abel type side, who are ready to leave Satan's Kingdom. There're ready to leave. Oh, Lord!

Look at this. In **Verse 20**, it's all connected to the winepress, which is trodden in the city, but the city has crumbled; but, look, the blood, **the blood comes out of the winepress**. Now, blood is also scary, but blood is life; and, of course, we know, even when the Lord returns, he's going to have the blood-soaked robes. Robes dipped in blood, remember. That's another Scripture we covered on The King's Report.

You know it's interesting, how he's "**called Faithful and True.**" (Revelation 19:11) Isn't that interesting? Woah! "Faithful and True." Remember that? We were talking about that; and, actually, Shin Joon's name actually means "faith and outstanding in excellence in truth;" and, of course, he's part of the Three Kingships; and, it also says that his name is the Word of God, which of course, when you look at the word, "faith," the Shin, like in Shin Joon, Shin Pal and Shin Man. All of them have Shin, right, or Shin Lye, Shin is literally the character standing next to the Word. Okay, that's for another day.

But, there is the blood that comes out of the winepress into the horse bridles. The blood, obviously, can be dead; It also means life or rebirth. It can mean getting Blessed. It can mean leaving Satan's lineage, and coming to God's Kingdom. I'll just wait for a **thousand and six hundred furlongs**.

Wow! Incredible time to be alive folks. Incredible time. Isn't the Bible exciting. (Yeah! Yes!) It's so exciting, it's alive. It's alive! It's alive. It's alive! Alright, folks, let's turn to **Cheon Seong Gyeong 2148**. SOS, come on out.

God's entire providence is to be accomplished; that is, when perfection of individual, family, ethnic people, nation, world, and finally cosmos are to be realized. Each time, God heralded the Last Days in the course of His providence, He sought to guide human beings through an ideology centered on Him, but they failed to fulfill their portion of responsibility to stand in the position of goodness and terminate evil history; yet, as God is eternal, unchanging, absolute and unique, so also is His will; therefore, though the individual, family, society, nation, world, and sovereignty, He will surely build the world in which He can operate from both in heaven and on earth.

Let's give Him some praise this day. Let's all rise and give it up to Him. Amen-Aju!
