Alright, today we are in... Here we are. We're still in Luke 9. We are here in Verse 54, okay. Let's start at Verse 54:

Luke 9:54 And when his disciples James and John saw this, they said, Lord, wilt thou that we command fire to come down from heaven, and consume them, even as Elias did? 55 But he turned, and rebuked them, and said, Ye know not what manner of spirit ye are of. 56 For the Son of man is not come to destroy men's lives, but to save them. And they went to another village. 57 And it came to pass, that, as they went in the way, a certain man said unto him, Lord, I will follow thee whithersoever thou goest. 58 And Jesus said unto him, Foxes have holes, and birds of the air have nests; but the Son of man hath not where to lay his head. 59 And he said unto another, Follow me. But he said, Lord, suffer me first to go and bury my father. 60 Jesus said unto him, Let the dead bury their dead: but go thou and preach the kingdom of God. 61 And another also said, Lord, I will follow thee; but let me first go bid them farewell, which are at home at my house. 62 And Jesus said unto him, No man, having put his hand to the plough, and looking back, is fit for the kingdom of God.

Okay! So, we're in a huge Chapter, with lots of mentions of the Kingdom of God; but, we're focusing towards the end, today, cause we covered quite a bit two weeks ago in the same Chapter; but, as you can see here, Christ in Hebrews 13, that "God is in Jesus Christ. Christ is the same today, yesterday and forever." So, he does come to smite the wicked, and to judge the nations. Yes, it's true; but, of course there is, that is, in the Second Coming, okay, or when the Kingdom comes; but, as he says, look where we are in Verse 56. He's not coming to destroy man's life, but to save them.

See, the purpose of the Judgment, or the purpose of Christ coming, even if he comes with fire, and he comes with power and judgment is because of love, okay. It's like when you Daddy disciplines you, it's because of love. Sometimes, it's a harsh, strong disciplining, but it's because your Daddy loves you. He knows what's best for you, and thus is guiding you along the path. Christ's heart doesn't change. God's heart doesn't change. In the end times, when the Kingdom is coming, yes we see in Revelation 2 or in Psalm 2, right? That God will smite the nations. Revelation 19:15. That a two-edged sword comes and goes forth from his mouth to smite the nations. So, we see tremendous power, tremendous judgment upon the nations of this world, okay; but, of course, that is of the end time for the Kingdom to come, and for the new system, the new operating system to come, right? It's not a new Heaven and Earth in the Book of Revelation we see.

So, that is the intention of God; and, God's intention, of course, is when the people flee His Grace, when they flee His hedge of protection, there is judgment. There's wolves. There's wolves in the wilderness, you understand? You go outside this hedge of protection of the Shepherd, you're walking around in the open wilderness; so, don't be foolish if some beasts start coming your way, okay. Don't be foolish. There are beasts. There are predators, right?

The Bible says, "Satan, the Devil, is like a roaring lion waiting to steal, maim and destroy." To kill you, okay (1 Peter 5:8) So, he's wandering out there. In the hedge of protection of the Shepherd, the hedge

of protection in Psalm 23 is Christ, right? “Thy rod and thy staff, they comfort me. The Lord is my Shepherd, I shall not want,” right? “He leads me to lie down in green pastures. Besides still waters, he restoreth my soul,” right? He’s a Shepherd; but, when you leave His hedge of protection, there are dangers there.

Now, in Psalm 23 it says, “Though I walk through the valley of the shadow of death, I shall fear no evil. For though art with me.” See, He didn’t leave them. He didn’t leave them. He didn’t leave them. He’s still in the valley of the shadow of death; but, He didn’t leave Christ. Amen! He didn’t leave him; so, God’s protection is there. Thou preparest a table before me in the presence of my enemies. All all these wilderness beasts and enemies that are there, Christ prepares a table. He have peace. We have power.

So, this is the intention of the heart of God, when we’re talking about the Kingdom of God. And Christ says, go preach the Kingdom. Now, that’s important, because when we look at the Verses down here, it looks like He’s very cruel, saying, “I want to go and bury my father.” “No.” “I want to go and bury my father.” “Don’t do that. Let the dead bury the dead. Let them bury themselves. You go preach the Gospel.”

Woo! What are you talking about, you know what I’m saying? What are you talking about? You know what I’m saying? Whoa! Can you imagine how ridiculous that sounds? Cause, we would think that Jesus have compassion of a child who just lost their father, right? But for Jesus, building the Kingdom, preaching the Kingdom, saving souls, this is a preeminence to save the world. “I’ve come not to destroy, but to save,” alright? (Luke 9:56, John 3:17)

This is the heart of Christ. If you understand that, how do you say this in Korean? Kupada. Urgent. Urgency, right? Everytime we saw True Father, it’s like urgent, urgent! It’s like 911 emergency ambulance, do you know what I mean? Urgency. There’s an urgency. Why? Cause God wants to save souls. He doesn’t want that the people perish, right? People perish for a lack of knowledge. “Repent, and do not perish.” “God so love the world, He gave his only begotten son. That he who believes in him, anyone who believes in him, shall not perish, and have eternal life.” (John 3:16) He doesn’t want people to perish, okay; but, if they leave their central protection, if they reject him, if they turn to wickedness, and evil, and idolatry, and Satan, well, then they’re going to be punished; but, God’s heart and intent is not that. He wishes that all would turn from their wicked ways, and turn towards him, right, and repent of their sins.

Repent means metanoia. Changing your mind, changing your desire, changing what you’re attached to. Change your desires. Change your egocentric desires, and let God’s desires become yours. Let it recreate you with His Holy Spirit. The powers is a gift. Repent ye, and be given the gift of the Holy Spirit, right? We see that in Acts, when they asked Peter, “What shall we do?” “Repent, and receive the gift of the Holy Spirit.” (Acts 2:38) The Holy Spirit will rejuvenate us. It will renew us. It will recreate us. It will make us into new creatures, and new beings with the heart of God; and, that’s why when we have the heart of God, we want to talk to people. We want to talk to people. We want to communicate the Gospel. The want to say, “Hey, you don’t have to go to the kingdom of Hell. We can stand together;

and, we can go to the Kingdom. We don't have to go with Political Satanists, Communist hell-wholes that they're trying to push the world into. We can stand together against this, and walk towards the Kingdom of God, and that heart is very important."

It's the love of God that compels us, that prods us, that God's Word pierces our hearts, pierces to the bone marrow. It pierces sharper than any sword. Gets down deep. Deeper than any acupuncture or acupressure needle. Oh, Lord! Okay, but that's why Christ says that. He says, okay, the dead is dead now. You have to preach, still, to the many living dead.

And who knows, they may perish today. They may perish and find themselves in separation from God, right? And that's why we talk to people. That's why evangelism and witnessing are so wonderful. It's just talking to people. It's just trying to share with them the Good News. The Good News. The Euaggelion. The Good News of the Kingdom of God, which Christ himself defines as the Kingdom of God. Lord have mercy!

Luke 9:61 And another also said, Lord, I will follow thee; but let me first go bid them farewell, which are at home at my house. 62 And Jesus said unto him, No man, having put his hand to the plough, and looking back, is fit for the kingdom of God.

And the Lord said, "Don't even bother with that. If you're at the plough, don't turn back. Don't turn back. You just got to keep moving forward. Also, it says in biblical Scripture, "I press toward the mark for the prize of the high calling of God in Christ Jesus," right? What is that Scripture? No, no! "I can do all things through Christ who strengthens me." (Philippians 4:13) but, the high prize that is the calling of God in Christ Jesus." (Philippians 3:14) Wow! We will press forward like running a race. Press, press, press. Press forward.

But it's interesting, when we press forward, we walk in Christ. What does he say? He says, "I will give thee rest." Oh my goodness! So, we're pressing forward; but, he says, I will give you rest. He says, "Come who who are burden and heavy laden, Come and I will give thee rest." (Matthew 11:28) Wow! It's amazing. So, even though we are pressing, God will still give us rest. Teach us how the Gospel of Peace. We walk in peace. We have peace, even though we are walking through the battle field of Ephesians, the Armor of God, Ephesians 6. We're walking the battle. We're fighting the devils, we're fighting the demons, right? We got the sword and the spirit. We got the shield of faith. We got the belt of truth. We got the breastplate of righteousness. We got the helmet of salvation. We got the feet shod with the preparation with the Gospel of Peace, right? We are walking in the battle field; but, still there's peace. There's peace. You can still meet a lot of chaos. Anybody who does combat sports, you know. The veterans, you know. In the midst of war, in the midst of battle; but, still you can have peace. What do they call that? The zone. Isn't that what they call it? The zone. There's peace. Even though we press, there's peace. We're reaching out to spread the Gospel, the Kingdom of God. Okay.

So now, this week in the Freedom Society, Kook Jin Nim showed a wonderful video about the Temple in Israel. How many people saw that one? Wasn't that incredible? Now, I've actually seen that before. That one. That one; but, it was very powerful, okay. So, if you didn't see that, ask Lourdes for the link, or brother Lowell may have the link. Right, brother Lowell, you may have the link? Okay, ask them for

the link. Go ahead and watch that video, cause what it shows you through all these different scholars and scholarships on the Temple Mount, okay, which is here in Jerusalem. The Temple Mount is where the Jews pray at the Wailing Wall to this day. You know, they go up there and they pray with wailing.

And then there's the Al-Aqsa Mosque, the gold dome Mosque that's like become the center piece of Jerusalem, okay. It's on this big platform here, which is called the Temple Mount, right? It's actually off the screen. I have something else highlighted down here; but, this is the Temple Mount.

Now, the whole world believes that on that Temple Mount stood the Temple of, you know, the Jews. Solomon's Temple, okay. So, they believe that it was there. That's what people conventionally believe. Now, you saw, you saw all these experts coming out showing you the exact measurements of that square which is called the Temple Mount; and, it exactly fits the measurements of every other Roman base that is in a foreign country. Exactly the same measurement. It's exactly the same dimension as any other Roman fort, and it could house up to ten thousand people, or something like that. It's like a mini city that were built in these foreign lands that they conquered. It fits every single one that exists today. Every extant archaeological site where Roman, basically a mini city, but it was a fort. It is exactly the same size as Temple Mount; so, when the Scholars are saying, "Look, this is not where King David's Temple normally was, because in the Bible it says that the Gihon Springs, or gushing fort. It means gushing, right? The water springs where they would do oblations and wash. The Jews would wash in the Temple.

There's only one water source in Jerusalem. Only one. Not two, not three, not four, not eight. One. There's only one. That's probably the reason why in Jerusalem the people were always trying to take it over. It's like in the desert, there's that one water source; and, it's called the Springs of Gihon, okay, or the Gushing Springs. And the Bible shows in various Chapters of the Books that the waters flowed from the Temple. People doing their washing oblations at the Temple, right, and of course look how far that is. These are the springs right here, and they go into a pool right down here. That's the Pool of Siloam down right here. That's the Pool of Siloam right here. These are Hezekiah's Tunnels. But this is where the Spring begins right here, and it goes all the way down to the Pool of Siloam. Only one source of water in Jerusalem. King Solomon's Temple in Scripture has shown to be right there on the waters. If not, the water is flowing through the actual Temple, okay.

So, the Third Temple is not up here. The Temple, where the Western Wall, and all this kind of stuff, this is not the Temple. That's a false site. And of course Trump, the great negotiator, Kook Jin Nim Hyung was saying, "Hey, he may negotiate a deal. Hey, that site is not even the site of the Temple. The Muslims can keep that site; and, Jews, let's build another one right here." He may do that, right. He's the art of the deal Master. We don't know. This whole discussion comes out, because there's a discussion of the Third Temple, okay; and, most prophetic prophecies, and people who are doing Bible prophecy, they're talking about a Third Temple. It has to come for the Lord of the Second Advent to come, right?

And where do they get this? They get this from Daniel 9:27. That's the Verse, where and which they get this idea that the Third Temple must come. We're going to get into that a little bit. I just want to show you real quick, let's give you a little context of Jerusalem.

Now, everybody heard of the Balfour Declaration. You got to get this book. I'm telling you, you got to get this book by Dr. Paul Williams, who wrote this book. Eight times, *New York Times* best selling author wrote this with Pastor Brown called, "*The Killing of Uncle Sam.*" This is a phenomenal resource book with over 1,500 footnotes from prominent resources, okay; and, Dr. Williams, who will come, he's going to come to the Church in about three weeks. He's going to be speaking here about the book. Do a book signing, everything like that. We invited him. He's right there in Scranton; and, we're good friends with him. Met him right when we first got up here. Lourdes. He was friends with Lourdes, so we hooked up with him many times; and, he said he had a great time, everytime. A former FBI Agent, etc.

But, he outlines very important things in this book, okay. Everybody's heard of the Balfour Declaration, right? The Balfour Declaration was a Declaration that Arthur Balfour made begging Lord Rothschild in the early 1900s. I think it was in 1917, begging to create a new state that is for, the Royal Monarchy of Britain would support for the Jews to split off Palestine to create a nation for the Jews. That's called the Balfour Declaration, okay. And that was in 1917.

Now, the nation of Israel does not come into fruition until about 1948, is that it? Is that right? In 48; and, then Jerusalem gets substantiated in 1967, is it? '67. But, the Balfour Declaration starts it all; and, the Balfour Declaration is written to the biggest international crime boss cartel, banking cartel in the world. In the world, okay. To the Rothschilds. So, you can Google it. I didn't have a slide of it. I maybe should have given you a slide from Wikipedia; but, just type in Balfour Declaration. Go to Wikipedia. You'll find it. There's an actual picture. It's now displayed in, it was in the London Museum; and, it's now in, I think, the Jerusalem Museum, okay. So, it's an actual historical document, where it's addressed to Dear Lord Rothschild, the biggest crime family in the world. Thee biggest, okay.

This book goes into all their connections; but, look at this. We understand that even this was the desire of the Rothschild banking family. They are Jewish friends. They held Jewish bloodline, okay, and they're Zionists. They believe that, you know, not only the Jewish peoples, the holy people, which the Bible does say; but, you know, that they want to rule the world. They want to, they say that they are going to rule the world; and, God's going to give them the inheritance of the world to the Jewish people; namely the Rothschild Group, okay.

And, they're deeply into the occult, into Freemasonry, and this is what Dr. Williams outlines here, with this really, really bad devil called, Cecil Rhodes. You heard of the Rhodes Scholarship. That is from Cecil Rhodes, who is a British man, who made the Council of the Elect. He made various secret societies in Britain. He was a Free Mason. What order was he in? Let me see. Hold on. let me see right here. I'm kind of jumping forward. Cecil Rhodes, hold on. I have it marked here. What happened? Okay, look at this. Let me show you. Alright, here we go.

Here's Cecil Rhodes, here's this demon. This guy right here that I have a star drawn on his face, okay. You see that? He's a pedophile, and he was in pedophile clubs with the top elites of the day. He was friends with Arthur Balfour, who made the Balfour Declaration. He was a Free Mason from Oxford University, the Apollo Chapter of the Masonic Order; and, in his writings, he writes, "Why should we

not form a secret society with but one object to the furtherance of the British Empire, to bring up the whole uncivilized world under British rule, for the recovery of the United States, for the making of the Anglo-Saxon race but one Empire.”

So, he had then a desire to destroy American sovereignty, because American sovereignty split to the British from the hegemony, from the Political Satanism, and the satanic Monarchies there; and, they founded nations centered on decentralized Christianity, and founded on the power of, you know, the relation of Christ through the Bible, relationship through the Bible, not through the hierarchy of, what is it? The Anglican Church, or the Vatican Church, whatever. Separated, right? Direct to God, okay? And this is only possible after, of course, right after the revolution of the printing press, and the Bible to be accessible to people, because before that you had to go through the Catholic Church. You had to hear the sermons in Latin; and, the Priest would just tell you Jesus just floating around, and being nice all the time. They didn't tell you he made a whip, and slashed up the bankers, the money changers with a cat-o-nine-tails, a nine tailed whip, with blades on it, slashing up those bankers. He didn't tell you that in Luke 22 that Jesus said, “Sell you cloak and buy a sword.” Buy a military weapon.” They didn't want to tell you that. The Catholic Priests were not teaching that. Why? Because that would build tremendous independence in the people.

But, in the US, there was a great separation, the great revivals that were happening; and, of course, they saw this as the problem, okay. These British Colonialist, who wanted to reconquer America, to make it one Anglo-Saxon Empire. They wanted to conquer Africa. They did, they eventually did. Cecil John Rhodes got Rothschild funding to go into Africa, and literally set up the Master race there. I mean, literally take over all. They set up the De Beers Company. They started buying up all the lands there with money from the Rothschilds. Look at this?

Dr. Rothschilds wrote this grant there for a British South African company with money from providing almost limitless power with vast tracks of unconquered land, including Mahona land. Matatabi land, master land sites with Spain, France and low country which came to be known as Rhodesia with the right to govern Managua land. Present day Botswana now know as Malawi, etc. Rhodes in now rich beyond measure; and, he did it, of course, by the funding from the Rothschilds by Barney Barnato through organizations he created.

Now it's interesting, because this Free Mason, who is of course people who have been in Freemasonry say there are 33 levels. Even if you read the readings of Albert Pike, who was a 33rd degree Mason, he's writing all about Lucifer. He loved Lucifer. Loved him. And, of course, their explanation is, “Oh, Lucifer means light. You know, we're just going towards the light.” That's a false light. It's a false light. It's an evil light. It's a satanic light. It leads to self-worship; and, of course, it leads to these crazy secret societies that were being taken over by Rhodes and the various elites in the aristocracy in Britain.

Now, look at some of these names that he's connecting with through this Masonic Order. Non-Sectarian. Even some of our Founding Fathers are in it. Obviously, we know Washington was a Free Mason. Franklin, John Jay, Ethan Allen, Patrick Henry, Paul Revere, John Brown, John Paul Jones,

John Hancock, John Marshall, Thomas Payne, William Randolph, Roger Sherman. Everybody was involved in these secret societies, okay; but, it doesn't mean their were splits in these secret societies?

George Washington wrote about this in his memoirs. He wrote there's a fight going on in the Masons. About a Party, you know, who wants to continue world conquest through the Anglo-Saxon Empire, the British Empire, and others that don't want to continue that. That want to be free. They don't want to be part of that; but, there was a fight going on in the Orders, okay.

Now, it's interesting here. This revelation that Rhodes receives to bring back America under British sovereignty and create a Master class, a Master race at the students at Oxford, etc. This vision that he received would give rise to the Anglo-American establishment, the mad scramble for Africa. It would inaugurate global warfare, the rise of Communism, Keynesian Economics, and Free Trade Agreements. It would bring about the formation of Pilgrim Societies, the Council on Foreign Relations, the United Nations, the Central Intelligence Agency, the Trilateral Commission. It would produce the plague of Heroin addiction, the creation of the Military-Industrial Complex, the Globalization of Poverty, the minds of Nationalism. It would result in unprecedented mass migrations, widespread coup d'états. The onset of covert operations such as, Gladio, Operation Mocking Bird, Operation Condor, and the emergence of Radial Islam and International Terrorism.

Dr. Paul Williams, a former FBI Agent, gets into all that unpacking. He wrote a whole book on Gladio, where the Catholic Church is helping the CIA run the drug trade. He wrote a whole book on that. Most people, they can't imagine, they can't fathom how much evil and corruption there is; but, if you're a Bible believing Christian, you should know. You shouldn't be surprised. The Bible says, "We fight not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." (Ephesians 6:12) You should not be surprised, when there's so much corruption and conspiracy in centralized powers. You shouldn't be surprised. If they got you feeling, "Oh, you're weird, as soon as somebody talks about this. I can't listen to this stuff." Well, then they got you brainwashed, because if you're a Bible believing Christian, you shouldn't be surprised. Satan rules the world. It shouldn't be surprising. I mean, The Devil rules the world. He has colonies over the whole world. He's the Head. He's the... you know what I mean? So, it shouldn't be surprising that there's conspiracies and assassin group, and all this kind of stuff that worked for very satanic families. It shouldn't surprise you that they're satanic bloodlines. It shouldn't surprise you.

So, it's interesting, that whole discussion is interesting, because the founding of Jerusalem is directly tied to the Rothschild-Zionist Movement, and of course, the backing of the UK, the British Monarchy there, which of course they married, they inter-married. This was during the Napoleonic Wars. Their families were already inter-married, okay. So, when you're talking about the Rothschilds, they're already inbred married. They're married together, okay.

Now, it's interesting here. Look at this. This is the Springs of Gihon. This is the Temple Mount. Right down here, that's called the House of Rothschilds. They have a structure that they built there in 1927 to "feed the poor." You know, you see all these aristocracies? They always do these little front

organizations, these fake organizations, like the UK Monarchy working with Jimmy Savile, running orphanages, but then sex trafficking them. Not long after he dies does the British Police, and then all those people start saying, “Okay, he’s a guilty pedophilia, after five hundred plus people sue the British government for covering up Jimmy Savile, who’s a BBC Announcer, and the best friend of Royal family. They run these organizations. They run these public front groups to make an image of goodness, when they’re depraved, wicked and Satan inside, okay.

So, this is the House of Rothschild. It’s a house for the needy made in 1927; but, it’s interesting. You think, well, okay, so they donate a little plot of land there. No, no, no, they did a lot more than that. Let me show you something. Look at this. This is the Supreme Court in Jerusalem, okay. This is the Supreme Court in Jerusalem, okay. That’s a pretty substantial thing, right? The Supreme Court. Would that be a substantial thing? Okay, that would be pretty important thing, right, the Supreme Court? The Supreme Court building, where all the laws, the highest court in the land in Jerusalem, in Jerusalem, right? The highest court in the land. Who was it donated by? Gee wiz, golly gee! Whatever you want to say, it was donated by the Rothschilds.

Now, let’s look at some of the satanic imagery that they put in, the Masonic imagery, okay. This is an old picture, okay. Right before we get into the satanic imagery of that Supreme Court building, this was an old picture of a cartoon that was published to illustrate the Crown Heads of Europe. See all the crowned like Princesses and Kings and Queens, and they’re like bowing? See the ones there? They got their crowns on. They’re like bowing to Rothschild, right? They’re bowing to Rothschild. Bowing to Lionel Rothschild on his throne of mortgages, credits and cash right here. You can see mortgages, credits and cash, all of these kinds of things. Fiat cash right here. He’s literally the King of the Kings, okay; and, that’s why there was a whole kind of spiritual movement that grew up around him that was basically saying the Head of the Rothschild family. He’s the Messiah. He’s the one. He’s the King of the Kings. King of all Kings, and he’s Jewish, and he’s literally ruling the world behind the scenes. That family is ruling the world behind the scenes. That family is ruling the world behind the scenes through their what? The throne of their empire of mortgages, credits and cash.

Dr. Paul Williams goes in deeper. He shows you the connections between the BIS, Bank of International Settlements, IMF, International Monetary Fund, World Bank, Vatican Bank. All that stuff tied in. They’re all tied in together. The Vatican Bank. Will get to that in just a few minutes. But, you can see all the Kings of the Earth bowing to this King of Kings, who controls all the money supply, right? Their family controls all the money supply of every single major country’s national bank and printing, of money printing press. Controls everything.

He (Dr. Williams) goes through the list of stock holders in the Federal Reserve. That’s America in 1914 right after the Federal Reserve Act. He goes through the list of stock holders of our Federal Reserve, which is not Federal. It’s a private bank owned by six major conglomerates; and, he goes through the names; and, you will see Rothschild through all the names. Rothschild, Rothschild, Rothschild, Rockefeller and Carnegie. All those major industrialists, like Carnegie and Rockefeller, all funded, all financed, all borrowed money from the Rothschilds. There’s a huge list in there. I read it on *The King’s Report*. I’m not going to read it today. It’s just a massive list of the organizations, including some

national banks, like the Bank of Scotland, the Bank of England is on there, too, as owners of the Federal Reserve.

This is bad. This is dangerous. Very dangerous. What does that mean? It means, foreign powers are running our money in the US; and, that's why the Founding Fathers were against central banks, cause they don't want to give that power away to the foreign powers, and have that foreign pay for play that could determine US history. The Founding Fathers were against the central banks, cause they knew that's how they control you with the money supply. The money. Who you borrow money from, that's who you're beholdng to, right?

So, the Founding Fathers were against it; but, they got the bad ones, the Leftist ones to sign on. Of course, Woodrow Wilson was the one who signed on, cause he was a weak Professor. He was just a Socialist. Very weak, and they targeted him saying, "You're the perfect guy; and, we'll give you a lot of benefits; and, they brought it in, okay."

So, the Rothschild bank, the banking cartel, really Satanists, Satanist families. There's Sabbatain Jews who are from the Sabbatain tradition in 1666. He's the guy who declared himself to be God. Over half the Jews on Earth in the Seventeenth Century followed this man. Isn't that crazy? I mean, that's nuts. People don't even know this. People don't even know that. I mean, I did a sermon on that one time. People don't even know this. Half of the Jews on Earth followed this guy, Sabbatai Zevi, who was a nut. He was devil. He was a total devil. He was saying that licentiousness is the way, to pave the way for the Kingdom of God; so, we have to be licentious, we have to have orgies, we have to have pedophilia, we have to rape children, we have to do evil things, cause then God's Kingdom will come after all that depravity. They're nuts. They're absolutely nuts.

He was using all this Kabbalistic occult imagery, okay; and, that of course tied into Frankelism; and, that tied into Victor Frankel, and the different secret societies started getting connected, etc. Birds of a feather, run together. We shouldn't be surprised about this as people who believe the Word. We shouldn't be surprised. Why are you surprised? It's not a conspiracy theory. If you know Satan's rules the world, you know his minions are going to rule it. It shouldn't be surprising. Of course there's conspiracy, because Satan is the master of all lies. He's a dang conspiracy theorist. Well, he's an actor in conspiracy theorists. He's evil.

So, this period cartoon illustrates this thing. All the Kings bowing down to this devil. Big demon. Big White Supremacist devil. Super, super White Supremacist devil. Super, super White Supremacist devil, okay. And of course, his desire to basically to be the Messiah, and rule over the world, and bring in world wide Communism. Great! Yes, of course. That's what we've all been waiting for. The beautiful gift of worldwide Communism. Yes, that's what we've been waiting for. Yes, okay! Just the same old demonic system that we encountered ever since the Fall. Yes, when God's Kingdom comes, it's going to be a worldwide Communist system. Yes, okay!

That's going to be great. It's totally Satanist. That's why Father fought against Political Satanism. Communism, Socialism in all its forms, have centralized power in all its forms. It becomes Satanism. It becomes literal Satanism; where, it protects actual Satanism. It protects actual criminality,

assassinations, group guilds, all that. It protects all of it, and uses it as leverage against the population from which it was formed. It's a complete satanic system, okay; and, that's what they've been pursuing. The Rothschilds have always been into this. They've been funding and financing this since the Rhodes Scholarships with Cecil Rhodes in late eighteen hundreds.

Now, look at this. Isn't this interesting. This little thing is on the grounds of the Supreme Court in Jerusalem. Isn't that a little wacky. Well, gee wiz, by golly! I wonder what that thing is? Okay, well it's a huge pyramid. It has an all-seeing eye at the top. Literally, it has an all-seeing eye at the top. It has the Mason's Order symbol on it. It has the two pillars of the Masonic Order, if you believe in the Solomon's Temple, where they have their Luciferian rituals, which every Masonic Temple is built, you know, on the order of; so, they have the two pillars.

Here we go:

The ideology behind the New World Order... in this case we're looking at a Zionist Order... may be Jewish Messianism, the view that God has chosen "the King of the Jews" to rule the world. This "Messiah," or antichrist, will be selected from the ranks of the Rothschild family. Etc, etc, etc.

In the following a series of Masonic photos from the Israeli s building in Jerusalem will be shown, a temple for the Rothschild Antichrist to rule the world. They show the journey to Illuminati status.

Illuminati just means in Italian, enlightened. When you see all the Academics saying, "Oh, were enlightened. You have to be enlightened, you know." Aren't they always using that language, because they think their knowledgeable? They think they know more than you. They think you're so stupid. You can't make decisions for yourself; so, they have to make it for you. You can't decide on what to do properly in you life, or how to use your resources. Oh, they use it for you. They take it from you, and they'll use it for you, because they know better than you. Do you see that? Right!

Messianic/Illuminati pyramid in front of the Supreme Court building in Israel flanked by the pillars Jachin and Boaz, originally found in front of the Temple Og.

The Supreme Court was donate by Dorothy de Rothschild and opened in 1992.

Look at that building, and you see it on the west wing here. That is a pyramid with eyes on all sides on the top. How crazy is that? They're so blatant. They're not even trying to hide their imagery. They're using total Pagan satanic imagery. Eye of Horace imagery. They're into the mystery religions. They're into any of these religions that are into power connecting with other super natural sources and/ or metaphysical sources; or, some of them believe its, you know, psychological. Whatever the case may be, they believe that they are tapping into power.

Albert Pike believed he was tapping into Lucifer. He wrote about Lucifer. He wrote he was beautiful. He was the Angel of Light. He will give you power; and, he'll give you the ability to rule the world. This is one of the top Free Masons, okay.

So, you have in this Court building right here, you have this little thing. “Oh, all the Architects are raving about how amazing the architecture is. Oh, it’s a play of light and dark. It’s shades of light, and abstract and non-abstract, and modern and traditional.” You know how they give their stupid reviews. This is satanic occult imagery everywhere, okay.

Now, you see right there, the all-seeing eye, etc, donated by the Rothschilds. This whole Supreme Court building donated by the Rothschilds. Here on the Left is “The cross to be trampled upon.” Stomped upon. See how low the cross is? You come from on high, and you can walk on it.

“This glorious age can only be affected by a man, a scion of the House of David” who will lead the Jews to “righteousness” and “regenerate” the human race. According to the Talmud, this Messiah from the seed of David shall subjugate the heathen nations and make Israel the world power.”

So, you’ll see this effect even in the Christian Church. This whole Jewish Movement within Christianity saying, “Oh, it’s all centered on Judaism. It’s all centered on Judaism, right? All centered on Judaism. It’s like going to be all centered on Israel. It’s all going to be centered on Israel;” when, we’ll look at other Scriptures and say, “No. It’s not the case.”

But of course, this kind of Zionism, and you know, is funded and financed by the Rothschild banking cartel. Again, you see the obelisk. This is Egyptian. Osiris erected penis. That’s what an obelisk is. It’s a fertility symbol; and, it is an occult place of worship. Also, this is put in front of the Vatican as well. It symbolizes Osiris and his erected penis.

“As early as 1836, Amschel Meyer Rothschild received a letter from Rabbi Hirsch Kalischer, who revealed to him the divine plan: etc, etc, etc. The holocaust likely was part of the plan to prepare for the Jewish Messiah.”

Let me show you some of these other pictures. Also, one world religion here, interfaith. They had some Asian Temple outside. Some different, you know, some Asian gods and Islamic iconery, all this kind of things. All major religions of the world are represented in one form or another to support this idea, “Oh, you know, all the religions are supporting one world government. Everybody wants it, you know. Everybody wants this one world government to rule over us and carbon tax us, you know.” This was their Garden, their vision for humanity, okay.

This was a picture of the inception of Israel; and, in the picture you see, from the far right you’ll see Teddy Kallek, who was the Mayor of Jerusalem, Lord Rothschild on Left. I believe that was him there. You’ll see standing Shimon Peres. I believe that’s him here. And Yhzhak Rabin, bottom left, okay. And this is a picture commemorating the real power brokers behind the founding of the nation of Israel, and the substantiation of the capitol city, And guess who’s promptly displayed there? It’s the Rothschilds. They’re so, so, the Rothschilds.

There’s also different architecture here. For example, you walk into it, and you see this in the pyramid here; and you can look through it, and there’s like these iron rods that go out. There’s, what is it? Six lamp stands that go up these staircase of thirty stairs. That symbolizes the thirty degrees of the Masonic

Order; and, then on top of that, you have this library, or this extra pyramid which has three stories; so, you have the super-elite go past the thirtieth level, and go to the thirty-first, second and third level, and you're in center of it all. They have all this crazy imagery; and, there's numerology everywhere. The Satanists love this stuff. They love this numerology, the stair case, the double staircases. Of course, the fertility symbols of concave and convex coming together. Of course, this very common fertility symbol in most fertility cults, okay. And, what's it? You see it on the iron-horse sometimes. The iron-horse, and they'll have a big sun disk, which represents the womb of a woman, right?

So, all these occult imagery rotates around, you know, this kind of deviant sexuality, this kind of evil sex culture, okay, that deviate from God and His ideal, which is what? One man, one woman, okay. One man, one woman. Not beasts, not intermingling with the beasts, and the fowl, and the pigs, and the, you know what I'm saying, the children, and gays and homosexuality. All this is an abomination. All these things, no! That's not God's ideal. God's ideal is one man, one woman. That's beautiful to in marriage in a covenant with God, okay. That's glorious. That's beauty. That's symbolizing the fruition of the Garden of Eden, the beautiful, fruitful land, which the children of the next generation, the next Kings and Queens will rise up. That fruitful place, where a Daddy and Mommy, right? In Christ raise the children in that type of Garden.

Isn't it funny they have pomegranates that symbolize the different High Priests. Ephod. The pomegranates was on the ephod, or the different pillars of Boaz and Jachin. You know, the Freemasonry was using pomegranates on top symbolizing fertility and, you know, blessing, all this kind of stuff. God and Magog in Ezekiel 38 and 39.

And of course, this is not suffered from Daniel 2. So, the Rothschilds here. They're, now you can see how deeply entrenched they are with current Jerusalem. You understand? Imagine if you made a donation to the nation of Israel, and you built them their Supreme Court building for fifty million dollars, or hundred million dollars, no matter how much it is, you would know all the politicians, wouldn't you? They all be coming to you; and, you know it's not the only thing, cause they've been doing this since 1927, starting with the House of Rothschilds, the House to the Needy since 1927. We know that Balfour Declaration was written to Lord Rothschild. It was written to him, okay.

So, they've been in bed with Jerusalem, and in bed with Israel for a long, long time; and, these people are not good people. They're Satanists. They're complete occultist. They want to bring in Communism. Communism. They use usury and fraud and deception to take over nation states by fiat currency, the banking system that they use, which has really become a one world currency.

I mean, Dr. Paul Williams and his book shows that one world government was established in 1917. It was established in early twentieth century. One world government. Wait a minute, where's the one world government? He shows that it has already been established. Well, the Bible says, where going to have one world currency. Well, that's already been established. We do have world currency. It's called fiat money. It's called fake money that we all like to use. I mean, you can't start a business, you can't open a bank account, you can't use anything. You can't buy or trade. You can't do nothing without the fiat currency that also incidentally that has pyramid with an eye on it on your American money.

So, Jesus said, you cannot worship God and mammon. You cannot worship Jesus and mammon, or the God of money. (Matthew 6:24, Luke 16:13) They're the freaking God of money on this Earth. Their house is symbolized by the crown and the was is it? The bow and arrow, which is of course is the two accoutrements of the antichrist as he rides on the white horse, on the white horse of the Apocalypse. The first white horse who moves with the false prophet, who pretends to be a Christian, but is a world leader, and leads them to this system, which we know is the Pope. More on that a little later.

So, Daniel 2, he see the figure of a man. Daniel has a revelation, and he sees, you know, he sees the beasts. In Revelation 7 and in Revelation 9, he sees the predictions of the Temple, where many Bible prophecy folks say, "Look, look, look? The third Temple has to be built, because Daniel said in 9:27, Daniel said in Daniel 9:27, that the offerings in the Temple will be stopped; and, the desolation and abomination will be held in the Temple. That's what they say. Totally unbiblical; but, that's what they say. We'll show you that very easy.

But anyways, Daniel sees a figure of a man here, okay. He sees a head of gold, the Kingdom of Babylon. The chest and arms of silver, the Kingdom of Medes and Persia. The belly and thighs of bronze, the Kingdom of ancient Greece. These are the main hegemonies and empires that ruled right prior to Christ. The Babylon that literally ruled the world, right? Literally ruled the world. You had Medes and Persia. You had ancient Greece in the Bronze Age; and, you had legs of Iron, the Kingdom of ancient Rome, which of course was the time where Jesus was alive. The Kingdom of Rome, okay.

Now, the Kingdom of Rome gets split into two parts, because it's like two legs. It's in two parts; and, it continues on in the feet of iron and clay, or the Kingdom of restored Rome that's mixed in with iron and clay. Then there's ten toes which separates into two parts, which of course we see with Eastern and Western Christianity. The big split, okay. But of course, all this, all these civilizations that Satan tries to erect in the Last Days, again, through the beasts that we see in Revelation in Chapter 13 – the beast that comes out of the sea, the beast that comes out of the earth, the particular one in the sea resurrecting the powers again; but, we see the crushing of rock that comes down. Daniel sees the crushing of rock that comes down and smashed this thing. Smashes it. Destroys it, okay, which of course, he's prophesying the Kingdom of God coming.

This is a young Pastor that kind of breaks it down the most simple to look at it; but, he's talking now, we just talked about it. In Revelation, Chapter 13; but, here he's talking about Revelation, Chapter 17 with the Harlot who rides the best, the antichrist beast, okay. So, harlot is here, okay. He has terrible drawing, but okay, you know. The harlot is there, and she's riding on the beast in Revelation 17, etc; and, there's seven heads, right? 1, 2, 3, 4, 5, 6, 7. There's also 10 horns on top of those 7 heads; so, three of these heads have two horns, and four of them have one horn, adding up to ten horns. The Bible says those that those 10 horns are ten Kings; and, so that's why he's got here. The iron 10 Kings.

Now, this beast is the Whore of Babylon is scarlet colors and purple. So the macrocosm, we know that it's pretending to be Godly. It's pretending to be holy. It's desecrating God with scarlet robes, the red robes, which are the Cardinals; and the purple, which the priestly wear, okay. It is also a world power. The Bible says, it is going to be a world power. It's going to have world power, okay. It has control

over tremendous finance and resources worth billions and billions of dollars of assets like the Vatican has, and allies with the Rothschilds banking cartel. It's most known, the Mass Ceremony in Vatican Catholic Church, the Roman Catholic Church. Remember, it's a Roman Catholic Church. It's a civilization that continued on after Rome fell. Rome didn't go away. It continued to be the center of the world; but, through a new Christian picture, a new Christian visage, a new Christian language, but still it kept all its Roman power, and continues on to this day.

It also has the greatest percentage of Protestant Christians that have murdered, right? The Roman Catholic Church holds the highest number of how many Protestant Christians that have been massacred and murdered. It's a murderous, genocidal cult that killed so many Protestant Christians, right? The purges of the sixteenth, seventeenth and eighteenth centuries of Protestant Christians. The Jesuit Order was made after Saint Ignatius Loyola, who's said any violence and assassinations, anything is okay to protect and expand the Catholic Church. That was the start of the Catholic Order.

Now, I went to a Jesuit college for two years. I didn't see any of that. I just knew some of the Priests. Now, they're trying to contact me. I don't even contact them anymore after I learned about the Jesuits. I don't contact them no more. So, they martyred, they killed so many Bible believing Christians. They killed so many. It's a Church that blood... It's drenched in blood, it's drenched in abomination as we see in Revelation 17.

It's also the city on seven hills. Rome is known as the city on seven hills. And the Bible says that these different heads are different mountains; so, what's the city with actual seven mountains or seven hills? It's actually Rome, and it of course exists to this day. The city, politics, power. It's on seven hills. It's killed thousands of Christians. It's symbolized by the Mass and the cup, right; and, the scarlet robes, etc. World power. World monetary power. Allied with the Rothschild banks, etc. You know, worked with the CIA to run the drug trade with what are those gangsters down there? Lucky Luciano. Anyways, when Dr. Paul comes here, he'll give more in depth on that, cause he's wrote books on that. *New York Times* best sellers. He researched it as a scholar's religion.

Okay, you have this ancient power that stayed. That was from the Iron Age that continued to this day. It's the largest religion in the world. Islam is the fastest growing religion, but not the largest. The Roman Catholic Church is the largest religion in the world. They worship idols. They worship Mary. They have a murderous history of killing evangelical and Bible based Christians. They're blood soaked, so much blood soaked. One of the Popes, I think it was Pope Leo II, one of the Popes made a coin symbolizing the Vatican; and, he had on the coin a woman, a woman there with the cup, with a cup. It was a coin of the Vatican, with a woman with a cup; and, it said, you know, "She sits atop all nations universal." Catholic means universal; so, she sits upon all nations universal.

She is the harlot of Babylon on the macrocosm level. On the micro, we know, of course, it's the Han Mother and Family Fed; but, the point is, the same desire. You saw the desire of Jesus Christ. "I'm not here to destroy, I'm here to save." These peoples desires are the opposite. It's to destroy. These people's desires is the complete opposite. Any of these cartels that are working together that are working together with the four horseman of the Apocalypse – The Rothschild banking cartel, the Vatican Cartel,

the Chinese Communist organ harvesting evil Mao Zedong post cartel. You have the black op cartels that hold the fake scales of justice that really run the assassin guilds in America with the CIA, who run the drug trade, etc; and, then of course, you have the pale horse, which is the radical Islam.

All of them want the same system. All of them want totalitarianism. All of them support world government. All of them are there to destroy sovereignty, destroy individual freedom, destroy the gifts God has given to you and me. Destroy sovereignty, what does that mean, or why? Destroy Kingship. Why? Because they're the satanic kings. They don't want coheirs. Roman 8:17 to be coheirs with the King of Kings, which means co-King. They don't want you. They want you to believe your a slave, you're a serf, your a servant to them, to their aristocracy. You're not a King, you're not a King. Don't dare think that. Do you see what I'm saying?

So, this is that devil. Cecil Rhodes that works with the Rothschild, etc. Let's take a moment to look at 2 Thessalonians 2. Futurist claim that in 2 Thessalonians 2 Paul is speaking about an end times antichrist who will sit in the temple in Jerusalem, okay. So, he sits God in the temple, show himself that he is God, okay. Also, in John 2:14, Jesus spoke of the physical temple. Look at this. This is an internet study. Jesus spoke for a physical temple. The Greek word for the physical temple is hieron, alright. Right here. That's in John 2:14. When Jesus talks about the physical temple that he's cursing, or that he's going to split asunder, that the veil in the temple is going to be split asunder, he's talking about the word, hieron.

Now, just five verses later in John 2:19-20, Jesus spoke of the spiritual temple. The Greek word for the spiritual temple is naos. It's a totally different word, alright?

“Jesus answered and said to them, “Destroy this temple, and three days I will raise it up.” But He was speaking of the temple of His body.”

Whenever Paul used the word naos, he applied it to the followers of Jesus, the Christian Church, which is a literal temple, but not a physical building. And of course, that's what Christ says, I mean what Paul said, okay. He said, “Your body is a temple of God.” Your body is...

Chief. Let's give a big round for Chief, everybody. He's just recovering from heart surgery. He's my man right there. I've been praying about you, Chief. God bless you, brother. Great to see you. Oh my gosh. Okay. Sorry, I'm ranting right now. God bless you, brother. God bless you. We're talking about the antichrist, and heresy, and all that kind of stuff, okay. We're talking about the believers as the body, as the temple of God, okay.

Daniel 9 is talking about the New Testament. Daniel 9 is talking about when the temple will be erect; also it will be destroyed, again; but, that's after Christ. There's a whole study on that. That's after Christ. Christ predicts that after he dies. Before he dies, he said, “This city will be taken,” and it does. Seventy years later, it gets destroyed. It gets demolished. Within the next couple decades Antiochus Epiphanes comes in. Puts himself on the alter. Literally, he puts Zeus on the alter in the Temple of God. (Note: Rev. Hyung Jin Moon corrects this on July 22, 2018 sermon. This Conqueror came during the Greek era of occupation of Jerusalem.)

So all that abomination and desolation happened, but it happened in the first century, which of course Daniel's an Old Testament Prophet. He's not talking about the End Times. He's talking about when the Messiah Jesus comes, and what will happen in the rebuilding of the Temple, and with the evil of the antichrist, and all these Roman hegemony and powers will erect themselves as God, etc. He was talking about that in terms of the future coming Messiah, which was the New Testament.

What's that? No time, no time. My goodness. My goodness. I told you we got too much stuff today. Too much stuff, okay.

So, the Bible says that we are the temple of God. The Holy Spirit just dwells within us, okay. But look. The Pope, he is God, he says he's God. He is the Vicar of Christ, the substitute for Christ. He proclaims to forgive sins. He proclaims that only salvation comes through the Roman Catholic Church, which of course what does it push? Political Satanism. What does it push? Worldwide government. Communism. That's what they want? Centralized power. More corruption. Pedophile cults that they're protecting in the Roman Catholic hierarchy.

Cardinal Pell is the biggest one, right on the Pope, who with the Australian government, is now suing for trafficking over one hundred children, boys, over the last thirty years. He's on trial now, folks. This pedophile network goes up high, high, high; and, of course, all these guys, Cecil John Rhodes, and all these secret societies are all into these pedophile cults. I was talking with him, when Dr. Paul Williams was on the show. Tied in. All tied in with the international banking cartel. The Vatican bank financing, etc. You name it. But, of course, tied in with what? Satanism, which is tied in with what? Pedophilia. The destruction of innocence. Killing children. Satanic rituals. Baal and Asherah worship. Occult worship. Satanic practices.

Paul told us where in the temple of God,

Now, therefore, you are no longer strangers and foreigners, but fellow citizens with the saints and members of the household of God, having been built on the foundation of the apostles and prophets, Jesus Christ Himself being the chief corner stone, in whom the whole building, being joined together, grows into a holy temple in the Lord, in whom you also are being built together for a dwelling place of God in the Spirit.” Ephesians 2:19-22

“Do you not know that you are the temple of God and that the Spirit of God dwells in you? If anyone defiles the temple of God, God will destroy him. For the temple of God is holy, which temple you are.” I Corinthians 3:17

That's not to make you puffed up. No, it's made to give glory to God. Wow! God wants to dwell within us to give glory to God. Let me die. Those who seek to lose their life will gain it.

And what agreement has the temple of God with idols? For you are the temple of the living God. As God has said: “I will dwell in them. And walk among them. I will be their God, And they shall be My people. 2 Corinthians 6:16

So, look at Daniel, Chapter 9. The third Temple doesn't need to be built, cause the Temple is now the Church. That is what this author is saying. That inside the Church has been infiltrated by Satanism. Of

course, he's saying, and most biblical prophecy is looking towards the beast. The antichrist, the beast, as the Roman Catholic Church.

Did you know folks that Martin Luther wasn't meant to be Protestant? One of the tenants of Protestantism was to believe that the Church was the antichrist. That the Catholic Church, the Pope, was the antichrist. You know that Martin Luther believed that, right? You know the top Christian Protestant theologians all believe that the Catholic Church was the beast and the antichrist; but, you see that got taken over as the Catholic Church started funding into our schools and our seminaries, and started changing the narrative into futurism, changing that, making us believe that futurism. No, no, the Protestants in the fifteenth, sixteenth and seventeenth century, they believed that, and all the big ones. Luther, all those guys, they believed it was the Catholic Church that was the satanic entity. That's what it meant to be Protestant. You're protesting against this satanic entity that interrupted and infiltrated the Church. You're protesting. That's where Protestant comes from. You're protest-ant. You're an ant that's protesting. Not an ant, but you're protesting.

John drives the point home when Jesus proclaims that people overcome will be a pillar in the temple of God.

“He who overcomes, I will make him a pillar in the temple of My God, and he shall go out no more. I will write on him the name of My God and the name of the city of My God, the New Jerusalem, which comes down out of heaven from My God. And I will write on him My new name.” Revelation 3:12

Jesus has a new name, folks. Wow! I mean, you look at the Scripture right there. Jesus is going to give you a new name. See, you people don't know. People don't know the name, the new name. They think Jesus is going to come back as Yeshua, or Jesus. The Bible says, he's going to come with a new name. He's going to give you the new name. The new name will be given.

Revelation, Chapter 7. The seal of God will be brought from the East. The angel brings it from the East. Revelation 12. The Sun and Moon, the woman who gives birth to the Rod of Iron King.

So we see in Scripture, but not only in Scripture that the third Jerusalem temple doesn't have to be built. This whole trend in Christian Bible prophecy that, “Oh, it has to be built. That the Lord of the Second Advent has to come upon the abomination.” No, he's writing about that in the first century. Daniel's writing two hundred eighty-ninety years before Christ comes. He's writing about that way before. Seventy weeks of Daniel that he's talking about, all that numerology and mathematics adds up to when Jesus comes in on the donkey. It adds up exactly. The mathematics adds up exactly; but, he's talking about when the Messiah comes in Daniel's perspective. He's an Old Testament Prophet. The Messiah didn't come yet. Jesus didn't come yet.

He's saying, when the Messiah comes, this is going to happen, right? He's going to come. He's going to restore the Temple. The Temple will be built, but it will be desecrated. There will be an abomination and desolation; but, it will happen right after, right after Jesus. I mean, we look at the subjunctive conditional in the Bible. The subjunctive conditionals, right; where, Paul says, “If they had known...” and, he's talking about Jesus as a King, as the King of Kings. If they had known who Jesus Christ was,

what did he say? “They would not crucify the Lord of glory.” (1 Corinthians 2:8) Woo! That’s a subjunctive conditional. That means there was another way. If they recognized who this was to become the King of Kings.

So, we know there were an End Times. There’s tremendous power. There’s talk about whether there will be a third Temple in Jerusalem, or whether Jerusalem will be the center, or not. That’s very clear who the center is. It’s the body of Christ. The Temple of God that shall not be desecrated. Should not be made desolate. This is the body of Christ. It’s whether, or not, the Bride will be open to receive the Bridegroom, because he comes with a new name. He’s not going to look the Roman Catholic Church paints him as the Hollywood Jesus, with blond hair and blue eyes, and a surfer dude with white robes. They got Jesus riding a surfboard in some of these pictures. That’s ridiculous. He looks like a hippie the way they’re painting him, okay.

I mean, when Christ returns, he’s going to establish his Kingdom. He’s going to preach the Gospel. He’s going to be the King. He’s establish his Kingship. He’s going to be the Judge. He’s going to judge the wickedness of this world. Why do you think True Father was judging all these Communist nations? Judging them. Creating organizations to destroy them. Anti-Communist Movements worldwide. Who did that? Worldwide. And, of course, the Bridegroom to bring the Blessing and families, and substantiate families that will take back the culture of deviant, fallen, evil sex, Beastiality, and homosexuality, and licentiousness, and pedophilia. All these things, where the Satanists were pushing the culture towards.

We see the beast in Revelation 13, with a leopard body, and the mouth of a lion, and the bear paws. One young man, one Christian Preacher, very interesting. He goes into this. He saying, “The leopard has three different colors. It’s got a yellow body, with black spots which looks like little kisses on a leopard, like little lips, little kisses with black spots; and, it has a white belly.” Then, he saying this is the sociological, these are the three races that Sociologists identify. They have the Mongoloid race, which is the yellow people; they have the Negroid race, which is the black folks; and, they have, what is it? The Angloid? The Caucasian, which is the white man. Sociologically, this is the three races, which the leopard, the main body, the main form of the leopard, the main system of the leopard, is this diverse multicultural place, which has of course the paws of a bear. The feet of a bear.

What does that mean? It means it’s moving. The bear feet are moving. Moving towards what? Moving towards totalitarianism, like the Russian bear moving towards totalitarianism. Hillary Clinton, trying to move the world, move the Western world towards totalitarianism. Move it like the Russian bear. Move it to, into Stalinism, Leninism, Marxism. Not necessarily from Europe, but you name it. Centralized power. And, it has the mouth of a lion. Mouth of a lion. It speaks with the mouth of a lion. It speaks.

So, this young man is saying that could potentially be the US, it could potentially be Europe. it could potentially be whatever. The point is, Satan is trying to move society towards what he can rule over, what is politically called Satanism. It is the Kingdom of God that will come to disrupt that. It is the Kingdom of God that will come and overtake that. And how does Christ define his own Kingdom when he comes back? He defines it as a Kingdom of the Rod of Iron.

That's how he defines it. Sorry. You don't get to decide how he defines it. You don't get to decide. He decides. Psalm 2:8-9 "I will give thee thy nations as thy inheritance, the ends of the earth for thy possession, and you will rule them with a Rod of Iron." Prophecy about the End Time Kingdom.

Revelation 2:27, "And he shall rule the nations with a Rod of Iron, break them into shivers as a potter's vessel, as his Father has given authority." Like in the end, you don't get to define the Kingdom. He gets to define the Kingdom. His Kingdom of the Rod of Iron.

Revelation 12:5 And gave birth to a man-child that shall rule the nations with the Rod of Iron," and break the potter's vessels into shivers. You don't get to determine how he's going to describe his Kingdom. He does.

Revelation 19:15 And from his mouth will come a sword, a distomos micada, the two-edged sharp sword, to smite the nations, and he will rule them with a Rod of Iron, and trends the fierceness of the wine press, the fierceness of Almighty God."

Woo! That's some fierce power; but, remember: Let's go back to our initial Scripture; but, there's some fierceness, power, there's tremendous Rod of Iron, strength. The coheirs of Christ will rule with him. "Do you not know that you will be taking over angels, and judge the nations." (1 Corinthians 6) See, you're not going to be in the Kingdom in some Socialist Utopia that is being feed socialist welfare and pina coladas with pineapples, no. You got jobs to do in the Kingdom. You got responsibilities. You got defense to do. You have responsibilities. Matthew 19 and Matthew 24. Jesus says, "I will appoint you. You shall sit on thrones, and judge the nations of Israel." Ooh!

Revelation 3:11, he says, "Let no man take thy crown." You've been given a Crown. There's actually five different crowns. The crown of glory, the crown of righteous, the crown of life, the crown of... Anyways, will do a study on that later, okay.

I mean, it's just... We don't get to define how this Kingdom's going to look. You know there's going to be Crowns; we know there's going to be Rods of Iron; we know there's going to be fierceness of the wine press of the Almighty God. It's going to be tremendous power over life and death; but, you'll also rule with his coheirs, who will poimaino, rule the nations with the Rod of Iron. Poimaino is the word for rule, which means to shepherd and defend, and protect. Wow! That's such a different word than the English word rule, isn't it? It's like a tyrannical rule. When you think about poimaino, it's the shepherding, it's the protecting.

And we know that power is going to be decentralized, cause this Rod of Iron is given to the coheirs, to the people in the Kingdom. Christ only doesn't hold the Rod of Iron. He gives it to the people in the Kingdom. Whoa! Decentralized power. The Rod of Iron. Crowns of sovereignty. Possession of the Earth. That's called private property. That's called the right to defend your Kingdom, and defend yourself. The power of the Rod of Iron. To stop evil and criminality.

We know that sociologically that when people are armed, it stops criminality. It destroys it. It destroys it so fast. Just like Kennesaw, GA, who had mandated all house. All house must own firearms. 89% drop in criminal entrance. Break-ins. Eighty-nine percent drop. Criminality does not survive.

97% against rapes and sexual assaults against women, if a woman has a gun or knife, it stops. It cannot be successful. Ninety-seven percent. Holy Shemitah.

So simple, so simple, because the Devil, the king of the Earth, rules the Earth, rules the power of the Earth. When God's Kingdom comes, that flips, that's flipped. Now, God will take over the Earth, cause people will take over the Earth. They won't be tyrants. They'll be protectors. They'll be defenders. They'll be Kings and Queens. Don't mess with them. Don't trod on them. Don't tread on them. They got the Crown of Sovereignty, and they got the Rod of Iron. There will be a powerful Kingdom, which will take over the world. Criminality and the Devil will be defeated.

Okay, I got it. Okay, all right guys, I got it. Alright, we got to get running folks. I told you, we got so much. We should go on for three hours here.

The citizens of a nation without sovereignty are in a pitiful plight. That is why Jesus preached, out of concern: "Therefore, do not be anxious, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the gentiles seek all these things; and your Heavenly Father knows that you need them all. But seek first his kingdom and his righteousness, and all these things shall be yours as well." (Matthew 6:31-33) Did he say you should seek His Son first, or his Kingdom? He's told you to seek the Kingdom desired by God.

Alright, let's give Him all the praise, glory and honor this day. SOS, come on up. We're ending right now. Don't worry, guys. (Many within the Church went to KAHR Arms to meet with the GOP candidate for Governor, Scott Wagner) Amen-Aju!
