The King's Report- January 1st 2019

The Fire of God's Judgment

On the Heavenly Calendar we're still in the 9th year of Cheon-gi; we still have a whole month to go. Because we have the Heavenly Calendar, spiritually I did not feel excited in the Roman New Year. (The King talks about midnight celebrations with drinking, drugs, free sex. Not the Kingdom of God!) And I saw these churches; it was only this positive stuff; nothing about reality. See, we let God decide what his message will be. In some of the churches we always hear a self-help message clocked in Bible language.

What about the pain of God to see his people betray Him! Do you think that God is looking out on this world and He is celebrating?

The rhema today is Ezekiel 15:6; it's called "*The fire of God's Judgment!*" and we'll move to chapter 16 as well, which is called, "*Jerusalem is cast out in a field.*" "*God's covenant with her And she has played the harlot...*" This gives you a little taste of what we are getting into in 2019.

I never have felt a premonition that 2019 is going to be a happy year. 2019 is not going to be a year of flowers, and everybody is so victorious. There's going to be struggle, there are going to be battles. The satanic side will up their attack. There is more grave danger for the president.

It's going to be rough in 2019! Let's put it that way. That's what God has shown us today in the rhema. But it also confirms what God has told me in the spirit, and what I feel in my gut. This is not going to be a year where everything just goes well. This is going to be a year of a lot of struggle.

There are greater demons than now that are catching wind of us. Greater demons are coming up against us. And it is a year of breakthrough so to speak in the fact that God will catapult us into larger and larger spheres and the message of the Rod of Iron Kingdom will be going out further and further and more powerfully, heating and setting brush fires in the hearts of men, but at the same time the target on our backs will become bigger- let's put it that way, because we are not just teaching a socialist Gospel message.

We are not teaching a Gospel message that the establishment can be OK with, are you with me? You see the messages of the mega churches; the establishment of Satan's world would celebrate those messages, because it basically brings no attention to how the kingdom of Satan is on high. But remember when God's new operating system comes in and his Kingdom comes, the Bible says, Satan's kingdoms are smote.

Revelation 19:15 (KJV) ¹⁵ *And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God.*

You see this is what they forget! They say we are preaching a message of fear and we are trying to get people scared (that's what the *Washington Post* says) because then people can connect more with our Apocalyptic message. That's what they say. But I am not preaching an apocalyptic message, I am reading you Scripture! That's what's so frustrating! I am not preaching an apocalyptic message, I am reading you Scripture! Whatever you do they want to criticize. The devil wants to attack anything you do.

They say Paul had an apocalyptic message. My God! He was giving advice to the churches! For Christ's sake! It basically means the kingdom of Satan does not like your message. If they don't like your message, they are going to call it an apocalyptic message.

The Gospel is about an apocalyptic message!

It is an apocalyptic message for the evil satanic kingdoms, do you understand? The Gospel message is an apocalyptic message because the Gospel, as Christ defined it, is about the Kingdom of God. That is in itself the end of the kingdom of Satan, and about God's Kingdom that will come.

"Thy Kingdom come, Thy Will be done on earth as it is in Heaven!"

The Gospel message inherently is an apocalyptic message! Because they don't like what we say and the revelation that God has given us and the revelation is now producing revolution, revolution around the world which is greatly disturbing to the likes of the Bilderberg group, Davos group, Rothschild group, George Soros' group etc... It's gravely disconcerting; gravely disconcerting!

Why? Because the Kingdom of God coming to earth signifies the destruction of Satan's kingdom, of which they are part. So don't tell me I am some apocalyptic preacher! Every Gospel preacher is an apocalyptic preacher! Are you with me? This is how they are trying to slander us.

The whole idea of God's Kingdom coming is that Satan's kingdom will be replaced, and the unrighteousness that rules us will come to an end. Hallelujah! Thank you Jesus; thank you Lord! That's a great day for those who are oppressed and those who are downtrodden! That's a great day that finally the kingdom of Satan will be torn down!

God has a word for us today, and it's not butterflies and grassy meadows every day. Come on! Every message I heard yesterday even at midnight ... was 'God is going to increase you, multiply you. God is going to destroy all your enemies. All the dreams that you have will come to pass...'

What about, "all the devils will be after you, trying to slit your throat and trying to kill you?" How about "people are literally going to try to put a target on your back and shoot you, and assassinate you?" How about, "the kingdom of Satan is coming at you full steam ahead, because their kingdoms are collapsing and revolution is now building around the world in terms of being prepared for the good soil of the Rod of Iron Kingdom." How about that? How about "your life is going to get harder, not easier?" Come on!

Don't tell me fake stuff! I know when the enemy is coming. I smell him, I feel him and he is coming! I am no fool. In the combat art, you'd better train your people, your students, and your disciples, to be ready for a tough night. You can't just tell them, "it's going to be flowers and kisses", when the opponent is going to try to kill them! Are you with me? Come on! Come on!

The devil is trying to kill us, folks! You understand? The Bible says, "The devil is as a roaring lion, to kill, maim and destroy." The devil is trying to murder you, and kill you because you are standing in the Kingdom of God. That was true and I said it on Sunday, "The devil is a liar!" so when he says and accuses us, and when he tries to put fear in us, of course he is a liar.

But what is it with these fake socialist churches that keep on telling everybody, "2019 is going to be a great year!"

"It's going to be a great and terrible year!"

How about that? Just like 'a great and terrible day' that the Last Days are. It's great on one side; it's terrible on the other side- terrible meaning terrifying.

Come on! I am in a battle for Christ' sake! All of us in the Rod and Iron Kingdom are fighting for our lives, for Christ's sake! Do you understand? We would be killed preaching this message in other parts of the world. We are fighting for our lives! This is no prom- date Christianity! We are fighting Satan's kingdoms and our lives are at risk. All of us! We are not playing around like some of these churches, just trying to have parties and get along with the politicians.

For all of you who are tuned in to this broadcast it's the same; I mean all of us metaphysically, metaphorically, spiritually, we are risking our lives to do this, because it's so destabilizing for the satanic kingdoms to hear the Rod of Iron Kingdom. That's why they are freaking out and literally the nations are coming. The nations are coming! Do you understand? Literally, the nations are coming.

Because they are petrified that this message may catch fire.

The message is going out, getting bigger and bigger and louder and louder. Everybody is so happy and excited. I'm not excited! Why? Because I feel a big fight is coming. When they throw me on the book tour - I have to go on all these liberal shows and debate all these people- everybody is happy- go- lucky to see those, because for them it's a show; it's some kind of TV program they are watching. Well I have to get into the cage with those bozos. So for me it's not a show!

It's a lot of anxiety- let's put it that way. I try to have a good attitude about it, I try to remain grateful about it, but that does not mean you don't get nervous. When you have to go and fight against somebody you get nervous, even the top level world champions get nervous.

I am not particularly excited that I have to do a tour, going around different radio programs and TV programs talking about the new Rod of Iron Kingdom book. I am not particularly excited about that! After the Rod of Iron Kingdom festival I have to be away from everybody; I have to be away from our folks here, and from my family and I'll be on the road running around on these crazy radio programs all the time, different cities and places like that, talking about the

Rod of Iron Kingdom, being grilled and interrogated every single which way! That's not fun! I am not complaining but I am just telling you; I am sharing with you my heart.

This is a fight, folks; this is a fight that's so dangerous that if we lose we are all dead, you understand?

We're all going to be in a FEMA camp. You know that if Hillary Clinton was president, we would all be in concentration camp right now. You saw what happened to the gun owner last month. The guy was gunned down in his home. Even during Trump's reign! Can you imagine what Hillary would have done? What these totally wicked, wicked devils would have done?

And none of us are complaining in the fact that we have to be the head of this revolution- at least spiritually. Because nobody is explaining the Kingdom of God and nobody is explaining the right of the Rod of Iron to the Christian world. Nobody!

But it's getting out! I have folks that I don't know sending me Instagram photos of their AR 15, saying, "Here is my rod of iron."

And that's the difference: being at the helm of this, you are on the top, you are the most visible point. The whole enemy field can see you. Are you with me? It's not a particularly exciting thing to be involved in. We have people making fake accounts of us now, trying to position me as making war against Islam. Everybody reported them, and it's basically taken down on Instagram. But this happened to TIG (John TIG Tiegen) three times last year.

They are getting very scared? Why they pay attention to this small little ministry ("with low viewing on his YouTube channel")? But the devils of this world they are being disturbed by this little group of people, just like England was disturbed by Robin Hood and the merry men in the forest (he was decentralizing the capital!)

This little band of Holy Ghost fire group of people in the wilderness is shaking up the whole world. So folks, I am not going to give you no 'bull shish kebab' (bull crap) in the New Year OK?

Satan is not happy with you or me, and all his minions are starting to catch wind that there is a new message that is sprinkling around and spreading in a dangerous community which they all fear and they want to disarm.

That is the 2nd amendment community.

There is a biblical message that is now starting to spread in that particular community, which they see as the most dangerous community for themselves- existentially dangerous. So I am not going to give you some feel good message all the time. You know me.

We are going to read what God gives. This is the rhema today.

Ezekiel 15:6- 8: ⁶Therefore thus saith the Lord GOD; as the vine tree among the trees of the forest, which I have given to the fire for fuel, so will I give the inhabitants of Jerusalem. ⁷And I will set my face against them; they shall go out from one fire, and another fire shall devour them; and ye shall know that I am

the LORD, when I set my face against them. ⁸ And I will make the land desolate, because they have committed a trespass, saith the Lord GOD.

Look at the majority of the body of Christ- we talked about it in the last service in 2018 of the Roman calendar. We talked about that fact that most of the evangelical churches are teaching a Catholic counter – Reformation message, an anti- protestant message. They teach that the Third Temple has to be built for the Lord to come, become the Lord of perdition will stop the offerings in the Third Temple. The Bible does not say that! It mentions nothing about a third temple.

It says in fact that that the Temple of God is the believer so when the abomination of desolation happens in the Temple of God, it means that the body of Christ is going to be taken over by the Antichrist and the false prophet.

Spreading what? From the seat of Rome through the evangelical church which is supposed to be the body of Christ. The reformers were fighting the Catholic Church. It's not now supposed to teach the Catholic message, for Christ' sake! Come on! It's teaching the Antichrist's message, and that's why they are unreceptive to the Lord.

But in 2019 we are going to see a lot of people receptive to the Lord. It's great and terrible! Great because there will be so many souls receptive to the Lord at his 2nd Coming! Praise God! Hallelujah!

.....

We know that the false prophet and the Antichrist pretend to be Christ. And what does the pope do other than pretend to be Christ? And he is teaching a Satanist message, a message of enslavement of the people, a message that helps the Satanists of the world and the Bilderberg group, Davos group, political Satanist world government. It helps them. It in fact is their message!

..... (Signs of the last days)

⁷ And I will set my face against them; they shall go out from one fire, and another fire shall devour them; and ye shall know that I am the LORD, when I set my face against them. ⁸ And I will make the land desolate, because they have committed a trespass, saith the Lord GOD.

There is going to be a great judgment that is going to start falling down on the fake Christianity.

Because as the Rod of Iron Kingdom is becoming greater and greater, we will be attacked more and more from the fake evangelical teachers. They will start railing against us, calling us heretics (they already do) because the bigger the message of the Rod of Iron Kingdom becomes- which is the hope for humanity; it's the hope for people who are oppressed under tyranny- as it spread and spreads, the evangelical churches- watch, watch folks- prominent evangelical teachers will rail against us, exposing their socialist, Satanist agenda.

But that will not stop them. They will come against us hard. So it will not only be the leftist lunatics but it will also be the churches, the evangelical churches, because they fear that we are preaching from the Bible. They really fear that. They hate it when we are reading directly from the Scripture.

You know, at Sunday service, what do we do? I take my little Bible and we read together what the Word says. And I am telling you; it is not a happy-go-lucky message. This is bull crap Christianity. The Gospel message is not such a happy-go-lucky message. It's such a destructive apocalyptic message! For Satan's kingdom! It's such a destructive message! It's such an apocalyptic message for Satan's kingdom!

Why aren't all these mega churches alerting the body of Christ that their biggest enemies are the politicians and the leftist lunatics and the socialists and communists that are rising up in every country? Why are the churches not telling them that? Why aren't they preparing them for the war that is coming, that these lunatics will begin? And if they had gotten Hillary Clinton, they wanted to start the war, literally.

"Oh but that makes people scared and anxious!" No! It makes people realistic about what it takes to establish God's Kingdom, biblically. It's what the Bible says.

Revelation 19:11: *And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.*

In righteousness!

What is the Rod of Iron Kingdom? It is in righteousness making war upon the evil, wicked, principalities and powers of this world. That's what it does. But it does it in righteousness because it does not replace tyranny with tyranny. It replaces tyranny with God's Kingdom, and freedom and sovereignty for the people.

But again it does not let the people rule the nations in themselves but with God's righteousness and God's law, which preserves and protects freedom and sovereignty, the gifts that God has given us, and the right to bear arms which protects all these things, without letting the people turning it into a democracy, and amend the Constitution and destroy everything- which of course is what happened in America.

And that's what President Trump is up against.

In verse 19:11, *he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.* ¹² *His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.* ¹³ *And he was clothed with a vesture dipped in blood: and his name is called The Word of God.* ¹⁴ *And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean.* ¹⁵ *And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God.* ¹⁶ *And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.*

¹⁷ *And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God;* ¹⁸ *That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great.*

There's going to be great judgment and war!

I'm not an apocalyptic preacher. I'm just reading the Scriptures! They say I'm an apocalyptic; I'm reading the darn Scripture! Come on! I'm just telling you what God said. If I am apocalyptic, then God is apocalyptic because that's his words that are apocalyptic.

It prophesies an end or apocalypse for Satan's kingdoms.

So if there is a church that's not preaching an apocalyptic message, it's not Christianity! Let's put it that way! Because the Gospel is apocalyptic; it signals the end of Satan's world.

So again folks, Ezekiel 16: *The fire of God's judgment. Jerusalem is cast out.* The body of Christ is going to come under judgment.

The sheep and the goats will be split.

The fake evangelical, socialist Christians are going to be called out, and they are going to be exposed. The fake prophetic teachers that are teaching a counter-Reformation message basically that a third temple has to be built, for the Lord to come back, and that the Antichrist will present himself in the Third Temple, that we will all see him in Jerusalem. This is what the Catholic Church was saying in the 1600s, folks. This is an old message. This is not some new prophetic message that the protestant church is spewing out. There is no third temple that needs to be built for God to come back.

The temple which is taken over is the body of Christ, which of course has become a communist, socialist body now and that will be split. And the real Christians, who are not communists and not socialists, will be divided. The goats and sheep will be divided.

But the goats will attack us vociferously. They will come against us; they will ally with the leftist lunatics and the neo-cons to come after us, in this new year- happy Roman New Year! I don't mean this sarcastically, but I am just telling you, folks, get ready. It's going to be a battle.

It's not a coincidence why God was making us release the battle cry in 2018, worldwide. Remember what happened: the battle cry was right before the yellow vest revolution started happening. Different forms of resistance are appearing all over the world, in every country, folks.

In 2019, it's only going to get worse. More people are going to be persecuted. The centralized governments which are the seed of Satan or the beast in this world will come against the people even more wickedly.

They are trying to kill Pres. Trump.

His life is in even more danger in 2019, because he is on the macrocosmic level opening up the way, preparing the good soil. He is being used by God; there is no question about it.

He just must not attend that Third Temple dedication; oh my Gosh, oh my Gosh, we've got to pray, folks, that Trump does not attend that Third Temple dedication. Oh my Gosh! I hope his faith is growing. If he is dumb enough to fall on that trap... oh my Gosh! Kushner and Ivanka, they are really going to push him. I pray that he does not go to that! They may fool him trying to make him believe that it is some kind of evangelical gathering.

That is a counter-Reformation gathering, folks. It is a Catholic, Roman- centered gathering. You know Rome is behind this. I would not be surprised if they gather, 'world leaders' and the

Queen of England and the pope gather together there too. And they try to say, "Pres. Trump, we want peace in the Middle East." And Jared Kushner is pushing his father in law to go, and says, "You are going to bring peace to the Middle East." Come on!

The Bible does not talk about peace in the Middle East; the Bible talks about the Middle Eastern nations under Islamic control being destroyed and the Gospel of Jesus Christ spreading across the Middle East. That's what it speaks about.

And again it has become an atmosphere where it is politically incorrect to teach the Bible. I mean the Bible names Egypt, and the Middle Eastern countries, Assyria which is the area of Iraq and Turkey, Syria. Do you understand? It names these nations by name; that their satanic powers will be destroyed and the Gospel of Jesus Christ will spread.

Again the end time move of God is not a nice one. It's a really fiery one, and it heralds the Kingdom that will come, where the co-heirs with Christ will rule the world with the Rod of Iron, and judge the wicked.

I am sorry, if that's an apocalyptic message. I know the liberal lunatics hate that message, because it prophesizes the end of their rule and power, that they've had for the past millennia; since the fall basically, political Satanism has ruled the day.

So, folks, in 2019, please pray for us. Please pray for Pres Trump.

We've got to pray for one another, because we need spiritual protection this year. There are a lot of battles. There are a lot of evil ones that are coming out to try and hunt us down.

I am not saying that to get you paranoid or anything, but I'm just saying, "The punch you don't see is the one that knocks you out". So be ready to get hit; that's what I'm saying. Are you with me? I'm not a paranoid coach if I'm telling my fighters, "Be ready for the hits that are coming, because the one that you don't see is going to knock your 'ashtray' out!" I'm not a paranoid coach when I am training my kids or our people in that reality. I'm preparing them for the reality of combat. And in this case it's real spiritual combat.

You can't just go in, thinking that the enemy is going to give us a bow of olive leaves and flowers. The enemy is going to try to claw our eyes out, and try to rip our neck out, and try to kick us in the groin and break all the rules. You understand what I'm saying? And I would be lying to you if I told any otherwise. Because he is not in there to won a gold medal; he's in there to kill and destroy his opposition. Are you with me?

We've got to pray for one another.

In 2019 there are a lot of battles coming, a lot of persecution, and a lot of attack. Yes the message is spreading and will spread in a greater way. That's true! But at the same time we will become bigger targets. Are you with me? So we've got to be ready; we've got to be warrior ready in that sense. We've all got to be ready. We can't be deluded!
