And the Lord spoke to Moses, saying, "Speak to the people of Israel and say to them, I am the Lord your God. You shall not do as they do in the land of Egypt, where you lived, and you shall not do as they do in the land of Canaan, to which I am bringing you. You shall not walk in their statutes. You shall follow my rules[a] and keep my statutes and walk in them. I am the Lord your God. You shall therefore keep my statutes and my rules; if a person does them, he shall live by them: I am the Lord.

"None of you shall approach any one of his close relatives to uncover nakedness. I am the Lord. You shall not uncover the nakedness of your father, which is the nakedness of your mother; she is your mother, you shall not uncover her nakedness. You shall not uncover the nakedness of your father's wife; it is your father's nakedness. You shall not uncover the nakedness of your sister, your father's daughter or your mother's daughter, whether brought up in the family or in another home. You shall not uncover the nakedness of your son's daughter or of your daughter's daughter, for their nakedness is your own nakedness. You shall not uncover the nakedness of your father's wife's daughter, brought up in your father's family, since she is your sister. You shall not uncover the nakedness of your father's sister; she is your father's relative. You shall not uncover the nakedness of your mother's sister, for she is your mother's relative. You shall not uncover the nakedness of your father's brother, that is, you shall not approach his wife; she is your aunt. You shall not uncover the nakedness of your daughter-in-law; she is your son's wife, you shall not uncover her nakedness. You shall not uncover the nakedness of your brother's wife; it is your brother's nakedness. You shall not uncover the nakedness of a woman and of her daughter, and you shall not take her son's daughter or her daughter's daughter to uncover her nakedness; they are relatives; it is depravity. And you shall not take a woman as a rival wife to her sister, uncovering her nakedness while her sister is still alive. Leviticus 18:1-18

Jesus Christ was condemned and crucified by the government of his time period. Many saints were persecuted and condemned by evil governments. History has been stained as evil continually tries to stop righteous people. Thus, some champion must finally come forward and win the victory, not only for himself, but to vindicate providential history and all the saints who were victimized by the evil political system of their time. Dear

Alex Smith and Yuna Kuriki

Hyung Jin Nim started the service by announcing the joyful information that Alexander Smith and Yuna Kuriki are engaged! He praised Yuna's wisdom, to see the value of a Godly man and to reject the lies of the culture that marriage is not important.

He showed a Pennsylvania PBS station's short documentary on Sanctuary which was shockingly balanced.

Bullets & Bible Verses: A Look Inside Sanctuary Church

by K.C. Lopez · Published on July 23, 2019

PBS documentary that aired last week

Regarding last Sunday's controversial event Hyung Jin Nim explained that God called us through Pastor Cook to reject and stand on top of the fallen Han lineage which is separating existing and new generations from True Father's lineage. Some complain about just doing a symbolic act. Don't be humanistic, but understand God's viewpoint. In the Bible, God called the Israelites to even kill traitors and the fallen tribes. We don't have to do those things, but we MUST reject and condemn wickedness. It is sad if you cannot stand with the 2nd King and want to hide.

Shinpal would not date in high school and was persecuted for it. Other students were saying "are you gay?" The current environment in public schools is morally toxic.

The Valuetainment youtube channel aired an interview with a financial counselor who only deals with families with assets over \$100 million. Children of rich families have more anxiety and depression than average. They often use their allowances to buy drugs and alcohol. Don't spoil your children. Make them do chores so that they can feel value through contributing.

The Bible launched a sexual revolution, which can be seen in Leviticus 18, where God commands that "None of you shall approach to any that is near of kin to him, to uncover their nakedness," ie. having sex with a relative or family member. In the ancient world, incest was accepted. Young children were not safe from their parents or relatives. What is new and revolutionary was protection of the family that Heavenly Father established through the Israelites.

As Dennis Prager has said, through the Torah, God established a sexual revolution to challenge satanic

practices of cultic prostitution and child sacrifice. Hyung Jin Nim then read aloud and discussed Prager's essay, ["Why Judaism \(and then Christianity\) Rejected Homosexuality."](#)

Zeus devouring his son

Regarding homosexuality, it is "Tovah" which means abomination. Uncontrollable sexual desire leads to destruction. The Bible commanded Jews, "don't sell slaves or sheep to pagans," because they would be raped.

The ancient religions worshipped immoral gods, such as Zeus who devoured his son and raped both men and women. Judaism desexualized God. God is the modernist, rebelling against the traditional Satanic cultures. A sutra in Japanese Buddhism discusses raping of boys by monks. Shintuism and Confucianism looked down upon women as defiled. But even in ancient Israel, there were repeated attempts to re-introduce temple prostitution, which had to be harshly rejected.

Modern feminists attack marriage, but it is what protects women and children from exploitation. Many cultures worship pleasure and beauty, but higher than those are honor, wisdom, and virtue. Marriage uplifted women. No other should receive the husband's attention.

Greek myths include many rapes

Cultures which embraced homosexuality view women as second class, just as baby factories and "breeders," who are put at the periphery. But God places sexual affection in one place, the holy blessed marriage covenant with your wife.

Modern culture, which claims to be "progressive," threatens women. The latest item on the progressive agenda, Transgenderism, threatens women's sports, where female athletes are forced to compete with biological males. Girls in high school are forced to share showers with naked males who think they are girls.

He showed an Infowars interview with a Transgender "woman" who wanted to force Vietnamese women working at a nail and bikini waxing salon to provide "gender care affirming services" by waxing his genitals. The "Activist Mommy" has received death threats for publicizing about transgender "women" speaking to children in libraries. This increases the risk of children being molested. The women who run the libraries and invite these mentally disturbed men are brainwashed in cultural Marxism. America needs to wake up before ancient satanic cultures are permanently entrenched and force fed to our children.

THE MOST FRAUDULENT BOOK IN HISTORY!

by Peter Daly

In the original Cheon Seong Gyeong, Father left it in a form that can be easily studied. After each segment of Father's words, you will see the sources underneath that paragraph, so people can look up the original speeches, where they came from.

In the "new" Cheon Seong Gyeong that Hak Ja Han and the FFWPU leaders produced, there are no references in the book itself. There is a separate small booklet called a reference guide. This contains numbers and speech dates that are supposed to refer to the chapters in the book, but because Father's words have been redacted it is virtually impossible to trace what the corresponding speeches are!

Hak Ja Han and the FFWPU leaders chose the method of redacting Father's words, which means they shortened the phrases and combined them in a book with other sections of Father's words, making it virtually impossible to identify which part comes from which speech.

This then becomes a "new" creation, what they call "true parents words". It is nonsensical, because Hak Ja Han doesn't have her own words, she just twists Father's words to her own advantage. For example, Father said that the 2000 year Christian history was a foundation for his birth as the Second Coming of Christ. Hak Ja Han, then says the 2000 year Christian history was a foundation for HER BIRTH as the Only Begotten Daughter. (3.16.18).

So, we end up with something completely different "true parents words" which is a perverted form of Father's words, which in reality are no longer Father's words, because they were changed to fit Hak Ja Han's "new" false theology.

For example, I looked at page 77 in Hak Ja Han's new Cheon Seng Gyeong and I saw the phrase with 'love, life, and hope' mentioned on that page five times. I thought it was odd for the same phrase repeated so much on one page. Anyway, because it was similar to what Father often said, 'love, life, and lineage', I tried to trace the source speech using the reference guide, and I could not trace it!

Hak Ja Han and the FFWPU leaders decided to redact Father's words for that very reason, you will not be able to trace where Father's words come from. It makes it easy for them to airbrush out Father's words that Hak Ja Han doesn't like, and it is virtually impossible to identify what speech corresponds to the content in the "new" Cheon Seong Gyeong!

It was made deliberately this way, so people would not be able to study it. It has been made like the Koran, a book just to recite not study!

Biblical scholars would never accept the Bible to be redacted like that, they respect the words to be God's words, so because of their love and respect for the Bible over hundreds of years, we still have it today intact!

THE MOST FRAUDULENT BOOK IN HISTORY!

by Peter Daly

In the original Cheon Seong Gyeong, Father left it in a form that can be easily studied. After each segment of Father's words, you will see the sources underneath that paragraph, so people can look up the original speeches, where they came from.

In the “new” Cheon Seong Gyeong that Hak Ja Han and the FFWPU leaders produced, there are no references in the book itself. There is a separate small booklet called a reference guide. This contains numbers and speech dates that are supposed to refer to the chapters in the book, but because Father's words have been redacted it is virtually impossible to trace what the corresponding speeches are!

Hak Ja Han and the FFWPU leaders chose the method of redacting Father's words, which means they shortened the phrases and combined them in a book with other sections of Father's words, making it virtually impossible to identify which part comes from which speech

This then becomes a “new” creation, what they call “true parents words”. It is nonsensical, because Hak Ja Han doesn't have her own words, she just twists Father's words to her own advantage. For example, Father said that the 2000 year Christian history was a foundation for his birth as the Second Coming of Christ. Hak Ja Han, then says the 2000 year Christian history was a foundation for HER BIRTH as the Only Begotten Daughter. (3.16.18).

So, we end up with something completely different “true parents words” which is a perverted form of Father's words, which in reality are no longer Father's words, because they were changed to fit Hak Ja Han's “new” false theology.

For example, I looked at page 77 in Hak Ja Han's new Cheon Seng Gyeong and I saw the phrase with ‘love, life, and hope’ mentioned on that page five times. I thought it was odd for the same phrase repeated so much on one page. Anyway, because it was similar to what Father often said, ‘love, life, and lineage’, I tried to trace the source speech using the reference guide, and I could not trace it!

Hak Ja Han and the FFWPU leaders decided to redact Father's words for that very reason, you will not be able to trace where Father's words come from. It makes it easy for them to airbrush out Father's words that Hak Ja Han doesn't like, and it is virtually impossible to identify what speech corresponds to the content in the “new” Cheon Seong Gyeong!

It was made deliberately this way, so people would not be able to study it. It has been made like the Koran, a book just to recite not study!

Biblical scholars would never accept the Bible to be redacted like that, they respect the words to be God's words, so because of their love and respect for the Bible over hundreds of years, we still have it today intact!

I noticed one section myself that was left out from the original Cheon Seong Gyeong, pages 117 to 125, but I discovered this myself, the FFWPU leaders never admitted to removing content, so there is a lot more left out for sure!

Page 1179 was left out because Father explained on that page, that if his first wife Sun Kil Choi kept faith, she would be True Mother and not Hak Ja Han. Hak Ja Han left this out because it doesn't fit with her "new" teaching that ONLY SHE WAS MEANT TO BE TRUE MOTHER!

Page 1141 was left out, because this also doesn't fit with Hak Ja Han's "new" teaching, as Father explained on that page that if Adam reached perfection, he would be the incarnation of God. And if Eve reached perfection, she would be the wife of God. In her "new" teaching she holds that the mother is the subject. She even states that the beginning of the lineage is not the father but the mother. 3.16.2018.

If you remove content from any person's book whether fiction or nonfiction, you change the story or the theory, and Hak Ja Han and the FFWPU leaders dishonestly removed Father's words to create a false teaching, and a fraudulent book!

Here's what Father said about his words and how the Cheon Seong Gyeong was to be left as it is without even changing a syllable:

"Cheon Seong Gyeong has to be kept for tens of thousands of years for your descendants. If Christianity had the Bible which Jesus left, would they have sectarian fights? Because of this (Cheon Seong Gyeong), you cannot have sectarian fights." (4/19/05)

"If someone reads even one syllable incorrectly during Hoon Dok Hae, I correct them. The denomination should not arise in the Unification Church because we leave behind this kind of mistake. If you've read it five times, then don't criticize it and don't touch it! Sun Jo Hwang, do you understand?! "Yes." Just because you are the head of the History Compilation Committee and even if you were to memorize all the records of all the historical events, you still don't have the authority to modify [the content]. Until I look at it and explain it, then there's a reason why I'm leaving it the way it is." (477-187, 2004. 11. 26)

"Also, I don't want anyone newly changing [or editing] anything among the things I wrote. They don't know why the content is the way it is. If they change the content without knowing, then they will be judged by everyone when they go to the other world. They will be charged for it. That's why nobody should touch it without [my] permission." (493-287, 2005. 4. 26)

"The reason why we are having this time is because [I'm worried that I] might leave behind affirmations that could be criticized after I leave to Spirit World. We have to make it very clear. The word Cheon Seong Gyeong is a very dreadful word. Any person, a third person, regardless of how great they may be, even if they have several Nobel prizes under their belt, nobody can touch [or change] the Cheon Seong Gyeong. That's why new denominations will not arise." (447-187, 2004. 11. 26)

What Hak Ja Han and the FFWPU leaders have done is a disgrace, they have been deleting, changing, and redacting Father's words to fit a "new" and false teaching that Father never believed in. The original Cheon Seong Gyeong book was made exactly how Father wanted it. Hak Ja Han had no right to make a "new" fake Cheon Seong Gyeong for her own corrupt purposes!

Thank God for Hyung Jin Nim, Father's true heir and successor who created Sanctuary church for the purpose of preserving Father's words and traditions and to lead the providence.
