And if you faithfully obey the voice of the Lord your God, being careful to do all his commandments that I command you today, the Lord your God will set you high above all the nations of the earth. And all these blessings shall come upon you and overtake you, if you obey the voice of the Lord your God. Blessed shall you be in the city, and blessed shall you be in the field. Blessed shall be the fruit of your womb and the fruit of your ground and the fruit of your cattle, the increase of your herds and the young of your flock. Blessed shall be your basket and your kneading bowl. Blessed shall you be when you come in, and blessed shall you be when you go out. Deuteronomy 28: 1-6

But if you will not obey the voice of the Lord your God or be careful to do all his commandments and his statutes that I command you today, then all these curses shall come upon you and overtake you. Cursed shall you be in the city, and cursed shall you be in the field. Cursed shall be your basket and your kneading bowl. Cursed shall be the fruit of your womb and the fruit of your ground, the increase of your herds and the young of your flock. Cursed shall you be when you come in, and cursed shall you be when you go out. Deuteronomy 28: 15-19

Father, we have learned that Your desire does not rest in Heaven. Your situation is not focused upon Yourself. The heart of Heaven is not Yours. How much have You longed for Heaven's desires, situation, and heart to be with the past, present and future? We who did not understand this are traitors and rebels.

Please help us realize how we are enslaved inside the iron fences of Satan. Please allow our calling upon You to be manifested in Heaven and on earth. Please connect the hearts of those who are gathered here to Your heart.

When this is realized before the people and the world, we know that joy will fill all of Heaven and earth. We have learned that we cannot build this ideal world unless we can long for the people, brothers and sisters, our family members and children and shoulder the cross in our battles.

We sincerely pray that You will raise us up as sons and daughters who can fight every day with unbounded, infinite animosity toward Satan's world.

We hope that we can clearly understand our own situation and the direction that we should head in based on the words You have given us today. We pray that You will guide us to become sons and daughters whom You can recognize and who can understand You. We prayed in the name of the Lord. Amen. Dear

Hyung Jin Nim started Sunday's service by discussing passages in the Old Testament which state, "if you follow my commandments, I will bless you." In the New Testament, Jesus said, "If you love me, follow my commandments." These biblical edicts defined a civilization and a culture. The beginning of wisdom is fear of the Lord.

Ancient practices of ritual sex and child sacrifice are mirrored by today's modern pagans who believe it is okay to kill unborn and even born children. They are working to use centralized government power to impose their will. What if the sexually abused Catholic altar boys and girls had received Peace Police Peace Militia training and were able to defend themselves and harm their predators?

Sanctuary Church Sunday Service 8/11/2019

As discussed in the soon to be published *Our Father Forsaken* book, seminaries were teaching multicultural and relativist doctrines that endorsed homosexuality even though the Bible clearly condemns it. The sexual predator Jeffrey Epstein is now dead. Predators don't want the truth to come out. In the ancient world, sex was about power over the less powerful, but in the Judeo-Christian Sexual Revolution it was reserved for marriage.

God's commandments must also be put into practice. Reject the lies of the free sex culture. We can do exciting things and enjoy our lives in a good way without embracing Satan's culture.

The El Paso shooter was shooting for 26 minutes and left the Walmart with no one stopping him. By the end 22 were dead and 29 injured. If even a few people had been carrying a rod of iron in the El Paso Walmart, he could have been put on defense or killed with much less loss of life.

Governments are motivated to manage problems, not to eliminate them. Instead we should create a hostile environment for predators and criminals. Even though American culture endorses going into debt for college education and house ownership, building networks, personal skills, and a happy family are all real assets that are even more valuable. Even having one partner before marriage doubles one's risk of divorce. Train your children in the ways of wisdom.

In Asia, the people are expected to respect and worship the government as God. He praised Alan Kwon, a Sanctuarian from Hong Kong who is visiting Pennsylvania with his family. He held up a sign "Hong Kong needs the 2nd Amendment" We are meant to be shepherds, kings and priests!

Afterwards, Hyung Jin Nim invited all to join him and Yeonah Nim at the True Parents' memorial and burial site.
