For everyone who does wicked things hates the light and does not come to the light, lest his works should be exposed. But whoever does what is true comes to the light, so that it may be clearly seen that his works have been carried out in God." John 3:20-21

Man and woman united is the core of the world.

Dear

At the beginning of last Sunday's service, Hyung Jin Nim spoke about Lowell Ellanson whose wife passed to spirit world earlier this month. When your spouse passes on to spirit world you have be careful about feelings of loneliness. Important to be active and involved.

Then he asked for testimonies from brothers and sisters about going sky-diving.

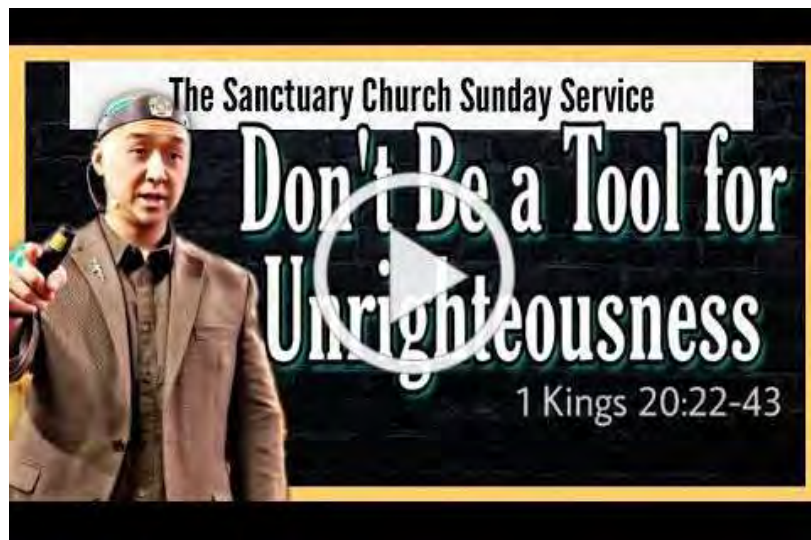

Many were nervous about going, but all had an uplifting experience to see God's creation from a "birds-eye" viewpoint. Hyung Jin Nim emphasized that the main purpose is to give joy to God.

The upcoming *Rod of Iron Freedom Festival* will be the first time. We don't know how many people will participate, but should be grateful for each person who comes.

He then spoke about Yeonah Nim's success with her Lionqueens youtube

channel. It takes lot of time to write, film and edit each program. Sometimes she questions about whether all the effort is worth it, but then many people are connecting, saying "thank you, you changed my thinking about life and marriage." One video received more than 120,000 views in a few days.

Jesus and True Father both had limited physical bodies, but also the mind of the Creator. The devil is after your heart to worry about money, lust, fame, etc. The Holy Spirit is the way that God influences and moves people without any limits.

Don't Be a Tool for Unrighteousness (Sunday Service 9/29/19)

Hyung Jin Nim had anti-gun feelings in college, but later realized he had been influenced without really understanding or studying the issue. It is same with the culture's indoctrination about "reproductive rights" which really is a death cult about feeling good about murdering your unborn child. He thanked those who attended the gun control hearing last Wednesday in Harrisburg.

Gun control is racist, to prevent or make it difficult for blacks and minorities from owning and using firearms. (see chapter 9 in the [Rod of Iron Kingdom book](#) for more details)

At Harrisburg State Capitol after Gun Control Hearing

Jezebel brought the false gods and satanic culture into Israel through using her sexual power on King Ahab. Criminals want to protect other criminals. Ahab allowed the Syrian King Ben-hadad to live after God made the Israelites victorious in battles with the vastly larger Syrian army. Later Ahab accepted worship of the Syrian gods which required child sacrifice and ritual prostitution.

The King's job is to give judgment and punish evil when you find it. Refusing to do that was a great sin on Ahab's part. A judge who releases a criminal is not just. Such a judge is corrupt.

Then he hurried to take the bandage away from his eyes, and the king of Israel recognized him as one of the prophets. And he said to him, "Thus says the Lord, 'Because you have let go out of your hand the man whom I had devoted to destruction, therefore your life shall be for his life, and your people for his people.'" And the king of Israel went to his house vexed and sullen and came to Samaria.

1 Kings 20:41-43

True Father wanted to do ceremonies such as the "Coronation of God" in seats of power like the U.S. Capitol Building, because they were often being used as "synagogues of Satan." Public schools and universities are indoctrination centers for anti-Christian values and ideologies. Every government law is backed up by a threat of imprisonment and violence.

It was an outrageous display of satanic power to murder the pedophile Jeffrey Epstein who was waiting for trial in his NYC prison cell. If he had been allowed to live, he could have exposed the corruption of many top-level politicians.

Being a King is not about fame and status, but about fulfilling your responsibility. You will have more enemies. That is why you need to be serious about security, etc. but the totalitarians don't want us to have the means to defend ourselves.

2019-6-18 Deposition of Hyung Jin Moon in FFWPU vs Sanctuary #2

The Han mother turned her daughters against their father, even though they needed their father. The biggest gift you can give your children is having a powerful marriage. If your marriage is suffering, your children will blame your church involvement and belief in God. Own your mistakes (don't dwell on it), and take responsibility. Your children want you, not anyone else.

A reflective child will become a less resentful child. Help your children to think critically. In the Orient especially, parents are encouraged to pay for everything their child needs, but it's important to teach

children about responsibility. The children of wealthy parents are often depressed because everything is done for them. It's important for them to know how to do practical things and gain confidence by becoming competent.

Then he spoke about the marital relationship. Don't be a workaholic who makes your spouse feel neglected. Make your wife laugh. Be unpredictable. Tell stupid jokes, which will make her more attracted to you. Create an exciting atmosphere. Forgive past mistakes. Wives, don't be quick to criticize if your husband is not that exciting or funny.

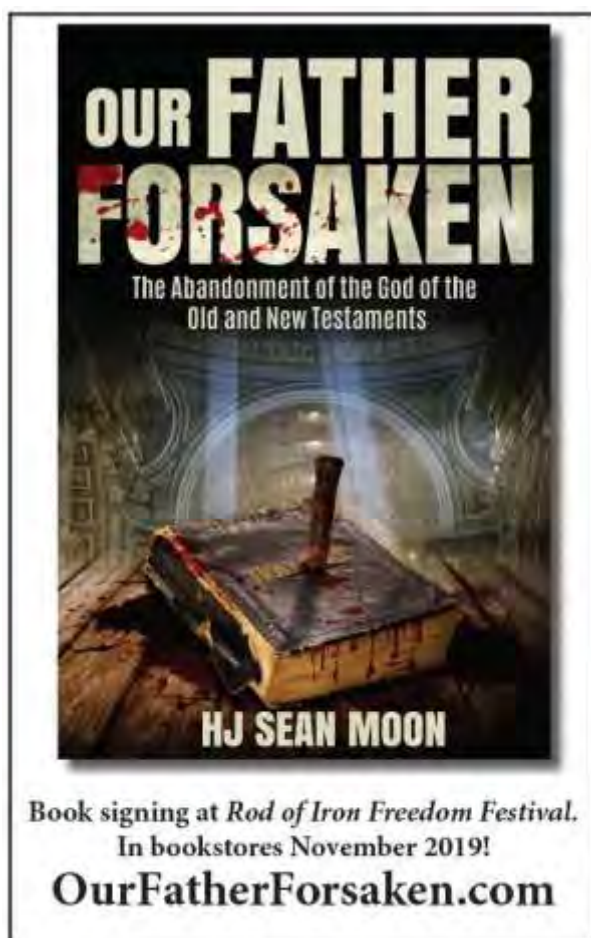

Many men and women cannot control their emotions or the words that come out of their mouth. That gives the devil a hook. Each of us needs to be self-regulating. Restrict yourself before you do or say something harmful or stupid. But also be careful about keeping some deep emotions in so long and then later they explode.

True Father spoke about being "well-rounded," not stiff and square. Even it's important to be able to share with your parents. That gives God joy.

If you're not that charismatic there are many resources to help you to improve. You could go to the Internet and look up jokes. We are living the most prosperous time in history. Hyung Jin Nim tells Yeonah Nim "every year gets better!"

Don't just be intellectual or theological. "Real Land" is more exciting and powerful than being mired in your own mind. Go to new levels. **Your greatest asset is your Blessed Marriage, so invest in it!**
