A false balance is an abomination to the Lord, but a just weight is his delight. When pride comes, then comes disgrace, but with the humble is wisdom. The integrity of the upright guides them, but the crookedness of the treacherous destroys them. Riches do not profit in the day of wrath, but righteousness delivers from death. The righteousness of the blameless keeps his way straight, but the wicked falls by his own wickedness. Proverbs 11

Unification Church members do not have their own nation. The democratic world we see today is the fruit of God's six-thousand-year long endeavors. Had you been born in Israel at the time of Jesus, you would have been killed in no time at all. A man like me would have been done away with, without leaving even the smallest trace of my existence. We must understand clearly that in this world today, there are iniquitous representatives of Satan in every nation, and communism, which is the embodiment of evil of the global level, is making preparations for the final desperate battle to blot out religion. Do we have a nation that we can claim as our own? Since we do not, aren't we like outcasts from the world, and haven't we been treated accordingly? Never forget that you have more to feel mortified about than anyone else. SMM, CSG 1541

Dear

At the beginning of Sunday's service, Hyung Nim Nim encouraged people to attend the *Save the Nation* conference, where Joey Gibson and other outstanding patriots and pastors will speak.

Three new Holy Spirit University classes were introduced by Kerry Williams, Annette Yamakawa, and Ji-yea Nim:

- 1) How to teach 2 Day Divine Principle lectures, by Kerry Williams, Alan Feldsott
- 2) Basic Korean- Annette Yamakawa
- 3) Basic Pistol Course - Ji-yea Nim

There are also many Korean and Japanese language classes. To [learn more about Fall, 2019 HSU classes and to register, click here.](#)

He spoke about the [Rod of Iron Freedom Festival](#) taking place on Saturday and Sunday (**important to pre-register, see below**) and the soon to be released *Our Father Forsaken* book, which discusses how corruption of our Judeo-Christian culture is not an accident, but rather part of a concerted plan that has accelerated in the last fifty years. Disarming the population and undermining the authority and credibility of the Bible are key parts of that.

The scales of justice are violated in this world, with felonies by government and media elites often covered up. The Ukrainian hoax is meant to distract from billionaire pedophile Jeffrey Epstein's corruption and murder. Had he gone to trial the corruption of other powerful elites would have been

exposed.

"Come to the Freedom Festival" (Sunday Service 10/6/19)

If you don't judge injustice, then it allows corruption to grow worse. The same people who want to disarm all of us are themselves protected by security personnel armed to the teeth. That is why self-defense is so important. The 2nd Amendment is not about hunting. It is about giving average civilians military level force if the government becomes abusive.

Checks and balances are key in the Kingdom. Each citizen controls the power of life and death, but we don't want to hurt anyone. Government is the most dangerous institution. In the 20th century, governments murdered 220 million, not counting wars. The Bible warns about the rulers of darkness and of spiritual darkness in high places.

We are fighting against forces and authorities and against rulers of darkness and ... of the darkness of this world, against spiritual wickedness in high places. Ephesians 6:12

A number of leftists have accused Hyung Jin Nim of having sexual partners besides Yeonah Nim, but then why would he be training all church members to master lethal force, where they could easily punish someone who paid the wrong kind of attention to their spouse/sister/daughter?

Kook Jin Moon Deposition Testimony (Part 1)

We don't just start fights quickly. It's important to develop good character and integrity and ethics to defend others. If you show that you have bad character, networks will close down for you.

Leftists hate Christianity the most because it focuses on the individual to be transformed by Christ and leads to people who have a loyalty beyond the State, whereas Islam uses centralized force, which Leftists want.

Atheists believe in Darwinian evolution. In their view we are essentially just "advanced primates" who need to be controlled. Darwin himself said if we do not find transitional fossils in the coming decades,

then his theory is wrong. But after tens of thousands of archeological finds in the past 150 years we only find micro-evolution, not macro-evolution involving "transitional species."

[38% of marriages in Korea are sexless marriages](#) vs. 20% in rest of the world. But a healthy marriage should be able to continue marital sex which is a key part of bonding and intimacy. The more powerful the marriage the better for the children.

Parents should not govern emotionally, but with fore-thought. Parents are in a position of a judge, but that doesn't mean they should engage in temper tantrums, which will drive the child away. They must be fair and thoughtful, with emotional self-control. This is a way to invest in your child's development.

Many government sex ed programs say it's okay to practice free sex in your 20s, but for women by your 40s you have only a 10% chance of having children. Wise men and women will invest in their future families. Find a virtuous man or woman who will invest in his marriage, family and community. You will be rich with children and grand children who will honor you.

Yeon Ah Moon Deposition Testimony (Part 1)

The servant/employee culture is about playing when not required to work. Kingdom culture is about investing and being responsible 24/7. People will want to invest in you.

It's important to train your children to be able to defend their faith in God and to be able to test themselves and grow. It's important to get advisors in different areas to support your marriage. Kings make networks. Servants nitpick and have envy.

There is the question of theodicy- why would a loving, all-powerful God allow the possibility of human suffering and death? A responsible father wants his children to be strong. He allows his children to take risks, even with dangerous consequences. God allows us free will to develop wisdom, strength, ability to love, etc. True peace is relationship with the eternal. A completely "safe" place with no challenges would be hell.

Hyung Jin Nim never drank because he saw how his oldest brother became an alcoholic and drug user which damaged his life. He later learned that Hyo Jin Nim was molested as a child by a church leader.

We may be righteous compared to most others, but that doesn't match perfect righteousness. Steven Molyneux has said several times that philosophy alone cannot save Western civilization. Philosophy and reason are not enough. People need to model themselves on the person of Christ.

May God bless you and your families!

Sincerely,

Richard
