

Why is Hak Ja Han Hiding???

And he made the Hall of the Throne where he was to pronounce judgment, even the Hall of Judgment. 1 Kings 7:7

For God to become the harmonized being whose dual characteristics are separately represented in the form of Adam and Eve, as created by Him, around what should the harmonized being be centered? This being should be centered on love, and in the masculine position of the Subject in relation to all creation. CSG 1632

Dear

At the beginning of the Sunday Service Hyung Jin Nim said that [his, Kook Jin Nim's](#) and [Yeonah Nim's](#) depositions in FFWPU'S lawsuit against Sanctuary were made public. **Why is FFWPU hiding Hak Ja Han's deposition? Or is the "Only Begotten Daughter" afraid that people will learn what she REALLY believes?**

Multimillionaire entrepreneur Robert Kiyosaki, author of *Rich Dad, Poor Dad*, teaches how important it is to know legal issues. Government schools emphasize becoming an employee, but moving into the investor/owner "I" quadrant is the way to real wealth, but also admittedly with more risk. It is self-evident that all kings are in the "I" or investor quadrant, so that is our goal as kings and co-heirs with

Christ as well.

Why We Are Kings (Sanctuary Church Sunday Service 10/27/19)

It's better to fight legally than physically. The Rod of Iron is for defensive purposes. That is why we invested in the lawsuit to defend our right to use True Father's words and legacy that was stolen by the so-called Only Begotten Daughter.

True Father had the Midas touch. He knew where to buy property. That is why others followed him around to purchase land near where he did.

Hyung Jin Nim commented on the Jordan Peterson video shown in last Saturday's [King's Report](#) where he discusses whether it's possible to be a "Christian Marxist." Evil people hate Christianity. Karl Marx said religion was the "opiate of the masses," but Christianity teaches you to pick up your cross and even sacrifice your life. How is that a "drug?"

60th True Children's Day 10/28/19

An "opiate" teaching would dispense with the concept of hell and speak about a heaven that is easy to get into without changing yourself. Communism puts man in the center, and always egotistical despots who must be worshipped like Stalin, Mao, Castro, Kim Jung Un, Maduro or Xi Jinping at the top, which is pathological narcissism. Marxism promises free things to the working man and to kill the "oppressors," but it only creates new oppressors and new slaves.

The real core of the Kingdom is to love Christ. Jordan Peterson is breaking the commonly accepted rules of speaking by talking 5-6 hours at a time, with millions intently watching. It was not easy for Hyung Jin Nim to talk for 6-8 hours at the Korean service, but he was aware that Korean and Japanese brothers and sisters traveled a long distance at a great cost. It's about True Father working through you. If people praise you, offer up the compliment up to True Father.

Many parents at the Korean service were repenting that they were judging their children and badmouthing their husbands. If you as a Queen destroy your husband's (King's) authority you are destroying your own. That is what the Han Mother did, complaining to her own children about their own father.

[True Children's Day Hoon Dok Hwe Text](#)

The power of life and death are in the tongue. Parents need to have mind-body control. Keep up the moral of your "home team." See Daddy romancing his Queen. The Rod of Iron culture is not just about mastering force, but about loving God.

Justice will not come out of vengeance and hatred. Through Peace Police Peace Militia people will have the ability and power to reject evil.

Hyung Jin Nim had a dream of True Father, where he was pointing to a safe with a dial with the numbers 924. Hyung Jin Nim realized that 9/24/2017 was the day after the Blessing of True Parents and the beginning of his preaching of the Rod of Iron Kingdom. So all the Blessings of the Kingdom were opened up from that day.

At the Rod of Iron Freedom Festival a war veteran said, "I don't go to church, but I felt the Holy Spirit!" Craig Sawyer said after Hyung Jin Nim's speech on FF Day One that he never heard before about believers becoming co-heirs, kings and priests. He said "this needs to be played on every Christian station in the country!"
