

## The 2<sup>nd</sup> King's 2<sup>nd</sup> son is alive!

by Beatrice Clyburn

This is a quest to understand why the 2<sup>nd</sup> son of the 2<sup>nd</sup> King of CIG is alive and well after what could have been a fatal providential car accident. What happened in the family of our 2<sup>nd</sup> King at the beginning of 2020 is an earth-shattering event! The 2<sup>nd</sup> son of our 2<sup>nd</sup> King, Shin-Man, and his only daughter Shin Goong, came out of a serious accident unscathed, even though their car was totaled!

What is so mind-blowing about this? It shows that the victory of the True Parents' 4-Position Foundation did not allow Satan to win! The price has been paid!

### Rev Sun Myung Moon: The Necessity for the Day of the Victory of Love, Jan.15, 1984

✚ *If the free world and Christianity opposed Reverend Moon, what kind of indemnity would they pay? From where would that indemnity be paid—from America or from Christianity or where? Who shall be responsible for the debt they incurred by rejecting the Messiah? The Unification Church must take responsibility because you are in the Abel position. Abel must pay the indemnity.*

*This is the reason why those in the second position within the Unification Church are always in the sacrificial position. Mr. Eu, the late president of the Korean Unification Church, was the second of the first three couples in the 36 blessed couples. He died in a hospital, not in his own home, about 13 years ago. At that time, our church was facing tremendous opposition from the other Korean Christian churches, as well as from the government.*

*Also, from my previous marriage there were two sons. The second son was martyred in 1969. He was going out on a summer evangelical mission, like the IOWC, and was killed in a train accident. From the True Parents' family, there was another daughter, named Hye Jin, who died in 1964. She was the second daughter. Our second son was Heung Jin Nim, who was born right after Hye Jin.*

*I want you to understand that this is the Divine Principle way of the dispensation. This has been true throughout history and for our movement as well. Likewise, it is true for the True Parents' family. You can see for yourself that the Divine Principle is not just something I made up, but it is the true principle which has guided history.*

So:

- Jesus the 2<sup>nd</sup> Adam died all alone on the cross, age 33
- Father's 2<sup>nd</sup> son Hee Jin Nim, was killed in a train accident August 1, 1969, age 14.
- Father's 2<sup>nd</sup> son with Hak Ja Han ascended January 2, 1984, age 17, following a fatal car accident in December 1983, while True Parents were on a Korean tour.
- Father told the 2<sup>nd</sup> King that at the age of 33, he would have to go the way of the cross. Due to

the cosmic betrayal, Father's heir and inheritor had to go into exile in the wilderness (Didn't the 2<sup>nd</sup> Adam Jesus spend 40 days in the wilderness too?)

So, how could this earth-shattering, phenomenal victory be possible on this 8<sup>th</sup> year after True Father's ascension?

- 1- **True Father** was victorious in overcoming all the trials and tribulations, and fulfilling his mission on earth as the Returned Christ, the True Parents, and the King of Kings.
- 2- Father's 7<sup>th</sup> son, our **2<sup>nd</sup> King, Hyung Jin Nim**, through his devoted love for his father, and Savior, and through his humble spiritual piety and purity, victoriously qualified himself to be anointed by True Father as his *Taeshinja*, heir and successor. Holding on to his faith in his father and Savior, to his love and devotion to God and the Returned Christ, he rejected the temptation of money and power and the temptation to desecrate True Father; he separated from Satan and his false kingdom, and started again in exile in the wilderness of PA.
- 3- The cosmic **True Abel - True Cain** victorious unity was established with **Kook Jin Nim** proclaiming in tears that he trusted his younger brother and would protect and support him. He has done so every since, even through their exile in the wilderness, and he was the one who crowned his younger brother as the 2<sup>nd</sup> King of CIG! What if Ishmael had crowned Isaac back then? Can we even fathom the magnitude of this present victory? This unity has created a vertical and horizontal seed for the development of CIG on earth.
- 4- Our **2<sup>nd</sup> Queen Yeon Ah Lee Moon**, through her virtuous devotion to her husband, followed him out of the Cheong Pyeong palace into the wilderness of Pennsylvania, and into every last aspect of his ministry. Our '**Kahr Queen' Ji -Yae Park Moon** followed suit. The two families with 12 children, all alone, started again in the PA wilderness singing the CIG national anthem and proclaiming the Family Pledge alone; their next generation is being raised honoring and attending their grandfather and fathers.
- 5- **Mrs. Hyun Shil Kang** was the first passionate and devoted Christian evangelist who could recognize and attend the Returned Christ in the wilderness of South Korea; after offering her whole life to him, she escaped Satan's clutches and came to attend Hyung Jin Nim in his wilderness of PA. On that foundation, God anointed her as the Cosmic True Mother, and the historic Cosmic Blessing of True Parents could be performed.
- 6- Father anointed **Shin Joon Nim** to become the 3<sup>rd</sup> King. The 2<sup>nd</sup> King and Queen with deep humility are honoring True Father's will, and giving him the training he needs to grow into the man who will take up his responsibility. He is neither the 1<sup>st</sup> son, nor the 2<sup>nd</sup> son, but the 3<sup>rd</sup> - Seth's position. **The 1<sup>st</sup> and 2<sup>nd</sup> sons** who were not chosen have had to surely go through some personal internal course to unite with their grandfather,

which means they have overcome the problems Father's own children faced in this same realm.

- 7- **Remnants:** People from around the world started separating from the failed church, and joined True Father's heir and inheritor, regardless of all that they had to endure to honor their pledge.
- 8- On October 11, 2015, the 2<sup>nd</sup> King released the **Cheon Il Guk Constitution**. In its Preamble, he makes this **Declaration**:
  - *"This Establishment of the Kingship of God marks the end of Satan's kingships of past tyranny and domination over the peoples of this world throughout time. By the Complete Victory of the True Father, King of Kings and Lord of Lords, the conditions were met to establish God's Physical Kingdom on this Earth. However, due to the failure of the Han Mother at the final hour, the world moves through a period of judgment instead of blessing, and the providence has been extended over three generations to the Three Kingships of God. Now, as I, Hyung Jin Moon, take my rightful place as King of the Second Kingship of the Kingdom of God, Cheon Il Gook, I will declare God's immutable and unchangeable covenant between God and the peoples of this world."*
- 9- Following the cosmic victory of True Parents' Blessing, the **Rod of Iron Ministry** was birthed. This time Christians, true patriot- warriors as well as retired military, US Constitution advocates and the 2<sup>nd</sup> Amendment community, Washington Times as well as conservative writers and readers, pro-life and anti-pedophilia activists, anti - communist and anti- corruption fighters, pro-family and freedom & responsibility citizens are coming to embrace the King's and Kook Jin Nim's ministry, as they confidently proclaim their father as the Returned Christ. And the very first Rod of Iron Festival in October 2019 was blessed by God to be a great success!

So yes! As we study all these different points of providential victory, we clearly recognize that there was no need for the sacrifice of the 2<sup>nd</sup> son of the 2<sup>nd</sup> King. The foundation for God's Kingdom on earth is un-breakable! It was strongly rooted and well -secured vertically and will now continue to spread horizontally.

And in the words of one of our King's favorite songs:

*"People get ready! There's a train a-coming. You don't need no ticket; You just get on board!  
All you need is faith, to hear the diesels humming. You don't need no ticket; You just thank the Lord!!!"*
