

LETTER TO REV. KWAK

Vienna, May 23, 2020

Dear Rev. Chung Hwan Kwak!

My name is Johann Hobl from Vienna, Austria. I am part of the 118 couples Blessing in London in 1978. My wife Madeleine is from France. We have four children.

I received your letter from April 22, 2020 and read it with great interest. I have some serious questions about what you wrote in your letter.

You speak a lot about Hyun Jin Nim and his Inauguration as vice-president of FFWPU in July 19, 1998. True Father spoke greatly about Hyun Jin Nim's mission and responsibility. I also honor your Introductory Address as well as Hyun Jin Nim's Inaugural Address. I would like to share with you some words of True Father's speech, during the Inauguration Ceremony, it is printed in *Today's World Magazine* from July 1998:

My advice today to my son Hyun Jin is to please maintain a standard of absolute faith, absolute love and absolute obedience in front of God, in front of True Parents, in front of his spouse and in front of all Family Federation members. I order to establish the completed foundation of the fourth Adam and the realm of the fourth Adam. Hyun Jin Nim still has a course to go on the family level, clan level, tribal level and national level. Therefore he has to apply his absolute standard of faith, love and obedience before everyone.

Here are the last words True Father spoke in his speech to Hyun Jin Nim:

From Hyun Jin Nim's point of view, if True Father asks him to do ten things, Hyun Jin Nim would come and say, "Father, that is not enough, I will do 1,000 things." As long as this kind of relationship exists between Hyun Jin and myself, the future of the Unification Church FFWPUI will be great. Amen, amen, amen.

Through this words I see, True Father awaited a close relationship and sincerity in Hyun Jin Nim's faith, love and obedience, but 10 years later, what did True Father say? On April 16, 2008 True Father said:

I can leave someone in charge of my work on my behalf. Currently, there is no one among our church members who surpasses Hyung Jin in his standard of faith or in any other way. Do you understand? I am appointing him.

Two days later on April 18, 2008 True Father held the Inauguration of Hyung Jin Nim as international President and regional President of FFWPU in Korea. True Father's prayer and speech I found in *Todays World* May 2008

There is a serious question: What happened with Hyun Jin Nim? True Father gave Hyun

Jin Nim no further responsibilities. My question now is: Why didn't you mention Hyung Jin Nim even once in your letter?

On May 2, 2008 True Father held the inauguration of Hyung Hin Nim as World CARP president. In January 2009 True Father crowned Hyung Jin Nim and his wife Yeon ah Nim three times as the second king and queen. Two times in Korea, on the 15 and 31 of January, and one time in New York, the 31 of January. In November 18, 2009 True Father inaugurated Hyung Jin Nim as UPF chairman.

It looks very clear that True Father chose Hyung Jin Nim for all this important responsibilities because of his standard of faith, love and obedience.

You wrote some critical words about Mother Hak Ja Han. I agree with you. I myself was somehow confused after Foundation Day, because Hak Ja Han proclaimed we should now pray to Heavenly Parents. I was always talking with my Heavenly Father. I was wondering, why Hyung Jin Nim suddenly disappeared from the positions of Leadership after Foundation Day.

In 2015 my wife Madeleine found out that Hyung Jin Nim was giving sermons in a simple house in rural Pennsylvania. In 2016 Madeleine said to me, lets go to PA to visit Hyung Jin Nim. I said okay, so we can ask about the division in the church. During a question and answer session with Hyung Jin Nim and Kook Jin Nim I asked about the Han Mother. Kook Jin Nim`s answer was a shock for me. He said: through her actions Mother fell and that she came under Satan`s dominion. At that moment I realized the dramatic consequences. I also learned about the fearsome words True Father spoke in the last years of his life about his wife`s actions.

Back at home I started intensively to study True Fathers words. It is very clear for me and my wife that True Father, the Lord of the Second Coming, the Messiah and King of Kings gave all his authority to Hyung Jin Nim as his Successor, Heir and "Second King." As his elder brother, Kook Jin Nim, was chosen by True Father to support and serve his younger brother. His victory in doing so is the victorious resolution of the Cain-Abel conflict on the providential level.

In the last years everything became so clear for me, especially the real salvation by the Messiah. Through that I received much strength, even against opposition and misunderstanding from brothers and sisters who do not understand what has really happened. I am also still wondering, why you dear Rev. Kwak disappeared from the leadership in the years 2008-2009? I wish and hope, that you and Hyun Jin Nim could support the second King Hyung Nin Nim and his wife Yeon ah Nim in their difficult and tearful path. True Father has chosen them and we should accept True Father`s decisions and desire.

With a sincere heart

Johann
