### Satan, the First Pedophile

The King's Report- 2020, 08, 07

All right folks! We're going to Deuteronomy Chapter 7 today.

**"Israel to destroy the Canaanites"** is the heading of the chapter.

*1 When the LORD thy God shall bring thee into the land whither thou goest to possess it, and hath cast out many nations before thee, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites, and the Hivites, and the Jebusites, seven nations greater and mightier than thou;*

*2 And when the LORD thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them: 3 Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son.*

*4 For they will turn away thy son from following me, that they may serve other gods: so will the anger of the LORD be kindled against you, and destroy thee suddenly. 5 But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire.*

*6 For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth. 7 The LORD did not set his love upon you, nor choose you, because ye were more in number than any people; for ye were the fewest of all people:*

*8 But because the LORD loved you, and because he would keep the oath which he had sworn unto your fathers, hath the LORD brought you out with a mighty hand, and redeemed you out of the house of bondmen, from the hand of Pharaoh king of Egypt.*

*9 Know therefore that the LORD thy God, he is God, the faithful God, which keepeth covenant and mercy with them that love him and keep his commandments to a thousand generations; 10 And repayeth them that hate him to their face, to destroy them: he will not be slack to him that hateth him, he will repay him to his face. 11 Thou shalt therefore keep the commandments, and the statutes, and the judgments, which I command thee this day, to do them.*

*12 Wherefore it shall come to pass, if ye hearken to these judgments, and keep, and do them, that the LORD thy God shall keep unto thee the covenant and the mercy which he swore unto thy fathers: 13 And he will love thee, and bless thee, and multiply thee: he will also bless the fruit of thy womb, and the fruit of thy land, thy corn, and thy wine, and thine oil, the increase of thy kine, and the flocks of thy sheep, in the land which he swore unto thy fathers to give thee.*

*14 Thou shalt be blessed above all people: there shall not be male or female barren among you, or among your cattle. 15 And the LORD will take away from thee all sickness, and will put none of the evil diseases of Egypt, which thou knowest, upon thee; but will lay them upon all them that hate thee.*

*16 And thou shalt consume all the people which the LORD thy God shall deliver thee; thine eye shall have no pity upon them: neither shalt thou serve their gods; for that will be a snare unto thee. 17 If thou shalt say in thine heart, These nations are more than I; how can I dispossess them? 18 Thou shalt not be afraid of them: but shalt well remember what the LORD thy God did unto Pharaoh, and unto all Egypt;*

*19 The great temptations which thine eyes saw, and the signs, and the wonders, and the mighty hand, and the stretched out arm, whereby the LORD thy God brought thee out: so shall the LORD thy God do unto all the people of whom thou art afraid. 20 Moreover the LORD thy God will send the hornet among them, until they that are left, and hide themselves from thee, be destroyed.*

*21 Thou shalt not be affrighted at them: for the LORD thy God is among you, a mighty God and terrible.*

Well, it's interesting here, that when you go to verse 2 - 4 and you'll see God says "*the LORD thy God shall deliver them before thee; thou shalt smite them*" He's talking about all these nations; the Israelites had to smite them and utterly destroy them. "*Thou shalt make no covenant with them, nor shew mercy unto them*" and you cannot marry them, you cannot take their daughters or give your sons. Why? Because there are cultural elements that will seep in, and what will happen? They will start taking on the other gods. They won't take God seriously; they will start taking on those Canaanite gods, those pagan gods which are doing what?

Which will demand sex trafficking, child rape and human trafficking; this is the common reality and of course you know child killings. It will open them up to those kinds of realities, and of course God will judge those nations.

You know we were talking yesterday during the meeting, and I said Satan was the first sexual predator, if you want to understand the fall quickly from the Divine Principle perspective. True Father taught us, seven years before the hippies, before everything, before Infowars, before the Washington Times, before everything; before all the alternative news, Breitbart, you name it, Infowars, Drudge, whatever.

True Father, 70 plus years ago, revealed to us and taught us that Satan was the first sexual predator. Now when we were being educated in the Divine Principle, we never were told and the lecturers never used that terminology. But Satan was the first sexual predator, child rapist and pedophile. Then if you know that, you understand that the fall is not an apple; it's not an apple! The forbidden fruit is not an apple!

The forbidden fruit is the opening of the eyes towards sexuality and it being used in a deviant manner by Satan. That is, he was a child groomer; he was grooming Eve, he was making her fall in love with him, and get close to him, and then he defiled her, he raped her. In the Bible, he is called the adulterer and the murder. And all this happened when Adam and Eve were very young; they were very young.

Fast forward that until now: you can see that all the major evil powers of the world are held together by one power that is the predation of children; the predation of children, sexual predation and then human sacrifices of children.

Whether they be the international banking elite, the Catholic Church which is one of the biggest pedophile rings -which is the **white horse** and the false prophet.

And of course then you have the **red horse**, China, which is also huge in sex trafficking.

Then you have the **dark horse** of the deep state, which is also factions of the CIA and FBI which run human trafficking rings, to "develop assets" but basically it's to blackmail their enemies and their political opponents.

And you have of course the **green horse** of death which is Islam, which allows for the sexual predation of children in the form of child marriages.

So you see all these satanic four horsemen are held together by sexual predation. Rewind again and you go to the beginning. Who was the one that was grooming Adam and Eve and then predated on them sexually? You see that, you see this folks; it was Satan!

That's what Father revealed to us, and this is a very penetrating and powerful way to quickly explain the nature of the fall in language which is much more appropriate for the devastation that the fall causes. We say "the misuse of love"; that's such an effeminate way to say it, isn't it? It's like saying, "adultery is like playing around in the wind," or something like that. It's not a clear way of defining what the sin is.

But if you understand that Satan was not only misusing love, Satan was a sexual predator, a child rapist and a pedophile, now you can see even more clearly.

Then you can see the real civilizations that we're fighting. They're all held together by the super- elite class Epstein, Bill Clinton, the Bushes; all of them they were involved in this, and it's all coming out. More and more people are waking up to this reality, that in the world the evil powers are held together by the deviant use of sex as a weapon. It's a weapon for procuring and developing assets and basically blackmailing people, which the CIA does all the time.

They are criminals; they learn criminal behavior and criminal acts, and they do them not only upon our enemies, but now upon our own American people.

That's why, by the way in the Kingdom, an organization like the FBI or the CIA would be illegal.

So when you understand that God is warning the Israelites, He's saying, "You got to smash them! You got to destroy them, erase their culture, because their culture is based on, it's centered on, child rape, sexual predation of children by sexual predators, and pedophilia. Their culture is centered on that, so it must be utterly wiped out.

And then the Israelites cannot go into war for profit: they can't go in the war and then use those altars and use all the resources that these tribes had. They had to burn them all; burn it, burn it to the ground. Because God would rather have them be farmers that have taken over and erased the satanic sex trafficking and pedophilia culture, and just started from the ground in a humble way instead of keeping all those resources which were garnered by the destruction of children and the raping of children.

You see, when you understand that, then you understand why God wants to have lineage so much. He wants to have his lineage and He wants to protect his children, you can understand the heart of the Father and the Shepherd.

But isn't that a very powerful way to put the fall? **Satan was the first sexual predator, child rapist and pedophile!** Bam! Bam! You see that? Isn't that a very powerful way to put it? I think that's probably the quickest way to explain the fall to somebody who doesn't understand the fall but who understands real evil in the world, and that's why a lot of the folks that we are meeting and God is allowing networks to happen, they are the ones that fought against evil in countries abroad etc

They fought ISIS, they saw them trying to rape young boys at the army bases, and trying to acquire goats and animals even to rape. These folks saw this in Iraq and Afghanistan. They saw how the communists in Vietnam, etc, were using sex- trafficking rings, and selling children to their army barracks to please the men. They saw that crap, you understand! They realize that if you don't have these Judeo Christian values, nothing will prevent you from doing this, because children are so vulnerable; nothing will prevent humanity from becoming totally wicked and preying on Satan's children on the weak and the innocent- which are children.

But if you understand: the fall is not the eating of an apple for Christ's sake! Oh my gosh! Some of these Christian churches are such a joke; they're such a joke! Are you kidding me? An apple? They're teaching their people that Adam and Eve's sin is eating an apple! Oh my gosh! Oh my gosh! All of humanity fell under Satan's ownership by eating an apple! Come on! It's absolutely ridiculous, and you know it, you know it's ridiculous. You know it's ridiculous. It's as ridiculous as somebody saying, "Socialism and communism will create a utopia." It is absolutely ridiculous, folks!

The cultures that are based on sexual predation, sex trafficking, child rape and pedophilia are satanic and they must be utterly wiped out. You can't let them remain, because they will, like a cancer, like a sickness, like a disease, a plague, they will try to infect the next generation of the children; trying to normalize it, trying to say, " We're doing studies on this, and there are different parts of the brain ,you know, and it's not a crime to be a pedophile, as long as you don't act upon it, and that's why you should send your children to play with these pedophiles, because it shows your acceptance!"

I mean these people are absolutely insane and predatory! If pedophilia is just a sexual orientation, then I guess burying pedophiles is just gardening, isn't it? It's just a little bit of landscaping. You see

what I'm saying? We will feed the earth, we will feed the earth with the flesh of pedophiles; it's just gardening! Come on! It's absolutely ridiculous, absolutely ridiculous!

So, God commands them to utterly destroy them, genocide them, punish them, and judge them, destroy them all, because no remnant of that satanic culture must survive - and of course to not marry them. See, this is the problem.

And what happens once the people of Israel get to Canaan and to the Promised Land, the land of milk and honey, what happens? We just saw this week in Judges Chapter 11 with Jephthah, we saw what happened. We saw the tragic fall of Israel. Why? Because they started they took over the land of milk and honey and they just banqueted and boasted. They did not set up God as the center of their civilization; they didn't build the Temple, they didn't teach their people, they didn't teach their people that God is at the center and that God hates and reviles these things.

What happened with a few generations? They got to the point of Jephthah, for example, one of the tribal chieftains or one of the "judges," but tribal chieftains were part of the military chieftain- Jephthah doesn't know God at all. He just knows the name Yahweh; he doesn't know the nature of God at all. He makes a promise that he tries to human- sacrifice his daughter, thinking that God would like that- when it says in three places in Jeremiah that God hates that, abhors it and it never even enters his mind.

But when you understand the nature of the fall from the Divine Principle perspective, which our True Father, the Lord of the Second Advent, revealed to humanity, the nature of the fall is not eating a fruit. It is the deviance of sexuality, that is, Lucifer was a sexual predator and groomer, and eventually took sexual dominion over Adam and Eve.

So, what has ensued? Its cultures have ensued which are centered on those things: the destruction of children, the destruction of innocence and potential, which can become very powerful for God; Satan delights to see it destroyed early. That's why the Lord is the shepherd!

### **Psalm 23**

- *1 The LORD is my shepherd; I shall not want. 2 He maketh me to lie down in green pastures: he leadeth me beside the still waters. 3 He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.*
- 4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. 5 Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.*
- 6 Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD forever.*

What does it mean to dwell in the house of the Lord? You are under his protection; the house protects you from the elements and what more specifically? The house protects you from what? Predators! The house of the Lord is supposed to be a place of prayer and protection. Prayer for God's will to be done, "*Thy kingdom come, Thy will be done on earth as it is in Heaven!*" Not mine!

And then protection, what does that mean? Protection from predator! Who was the first child predator? It was Satan, wasn't it? The Bible describes him as a roaring lion that seeks to kill, maim, and destroy.

What does it mean to maim? Maim means to permanently injure. So you're permanently, permanently injured, permanently handicapped. What do you think happens when children are predated on and destroyed sexually by these types of pedophiles at a young age? What do you think happens? They're maimed, they're maimed; they're permanently traumatized!

It just came out; Mariah Carey's sister is now coming out, saying that her mother, so Mariah Carey's mother, was a Satanist, and that she made them perform sex acts with grown men, when they were little children in sex rituals. See, many times in these sex cults it is actually the mothers, the women, that are of course sluts and prostitutes and harlots basically, and they are forcing their children, especially their daughters, to perform sex acts on the powerful men in those satanic groups. And now Mariah Carey's sister- I can't remember her name- but it's coming out saying that her mom forced her basically to be raped, and to be continually sexually predated upon and violated at a young age.

Do you understand folks? This *shish* is real; this is not a joke! This is what witchcraft and Satanism leads to, folks. And you have these demonic moms,-who have become so disgusting virus and disease-ridden cancers- that they are forcing their children, that they see their children literally as sex toys for powerful men in the Satanist group networks, and they give their daughters literally to perform sexual acts on these demonic people.

And they just think it's a joke and it's funny, and "they're being free and liberated from the shackles of medieval Christianity and the marriage bed!" No! They're being traumatized and pre-programmed early to be totally dysfunctional, so that they become sex prostitutes to the Hollywood elite. That's what they're being groomed to be!

It's like these sex traffickers that will rape a child 80 plus times, or whatever the case may be! Oh! My gosh! I mean these children that have been trafficked over the U.S - Mexico border! They have found children with literally hundreds of different men's semen inside them. You understand folks? This is not a joke! This is real! And the Satanists and the super- elite are in this, this kind of cult!

- Newspaper article: "***Mariah Carey's sister accuses mom of horrific sex abuse, shocking satanic rituals.***"

But all women are to be trusted right? And all women are good, right? Give me a fussin' break! All right; there you go:

*“Mariah Carey’s troubled sister has claimed in a wild court filing that their mother let strangers abuse her when she was just 10 years old- and made her watch child sex orgies and sacrifice during satanic rituals. Alison Carey who had been previously busted for prostitution and is HIV- positive, made the startling allegations against her 83- year old mother, Patricia, in a Supreme Court summons earlier this year in Ulster County, records show.”*

Okay! That's how they get these kids into the super- class! You understand? They're maimed. That's what the Bible says Satan does. He wants to kill, maim and destroy you. This is utter maiming of these children! What do you think happens to children that are forced to do this? They are permanently maimed; permanently maimed!

The knowledge and the institution of sexuality is supposed to be for the institution of marriage, where it can be productive and bloom and blossom; not to have children be forced into this by these crazy demonic, demonist moms and dads- but many times, in the stories that you find, it’s actually the moms; the moms are witches, the moms are Satan worshipers. They think it's a big joke. They think that sleeping around with all these men is fun and liberating, and they force their daughters to do it, “it's just sex!” You know it's just kind of nonchalant, cavalier attitude about sex.

It's such a powerful thing; it's like a weapon! It cannot just be used everywhere; it is a specific place. Where a knife can be used properly, that is in the kitchen cutting vegetables. A sharp knife cannot just be in the hands of a child that thinks it's a toy, and he’s just cutting people's throats with it. Right! They have to learn how to use that knife properly for the right purpose.

The Catholic Church and Christianity in general, have been such a culture where they have not allowed parents to teach the children about marriage and sexuality in marriage, so now the young people are getting the first sex- ed class from these leftist - probably wiccans and many Satanists in there. They're called ‘sex- experts’ and they're supposed to read these books which basically open them to cultural Satanism, in public school through their little sex- ed class. Come on! So, what happens? It's these archangels, it is these Luciferian figures, that are opening their eyes to sexuality, and many times encouraging them to watch porn, and saying it's healthy to masturbate to porn, and all this kind of crap. When it's actually the opposite; research shows the opposite.

I don't know why all these sex- experts are telling children to do that, and that it’s healthy and fine. Research shows the opposite: that it's deleterious towards long-term relationships and productive marriage. Research shows that pornography- addiction leads to not only the pursuit of dopamine, but more and more deviant forms of sex, including child raping, because now the person is seeking adrenaline, and then of course they actually are on the way to become a predator. Now, these so-called ‘sex- experts,’ they all know this data. Why are they not telling the people about it? Because they're trying to instill values in the children which are loose about sex.

And it's infiltrated the Christian church so much that you have all these people dating in church. This is not a Christian culture! **Dating is never a Christian culture!** It just drives me nuts! I mean it's such a

demonic part of American Christianity; it's not even Christian! In Christianity, you cannot fornicate before marriage. It is considered a cardinal sin; it is on the same level as adultery. Yet you have these 'Christian' parents, not teaching their children abstinence before marriage, teaching their children that it's okay to date and have sex and fornicate.

It fussin' drives me nuts! How can you consider yourself a Christian when you are letting your children directly defile God? You're encouraging them! It boggles the freaking mind! Seriously; it's so ridiculous!

See, American Christianity is not really Christianity at all; it is a deviant form of Christianity which of course, is now leftist and teaching socialism from the government. It's communist, it's a communist form of Christianity; it's not even Christianity! And I'm not talking about the Catholic Church only; most of the evangelical churches are involved in this as well! They are not teaching their kids not to fornicate!

We may be literally one of the last churches on the planet that is teaching their children abstinence before marriage! I mean what the hell! Never, never, never, never, has dating been part of Christian history! Never- in the way that it is done now; i.e. the kids are having sex before marriage. It's fussin' ridiculous folks!

Oh my gosh! I mean for us it's normal because True Father taught about abstinence before marriage, and I mean for the normal 'Christian,' they don't understand this. It's incredible; it shocks me every time I have to interact with Christians that proclaim faith and they're so faithful. I'm just, "How can you do this to your children then?" It boggles the mind! Seriously!

That's how far American Christianity has fallen from being actual Christians! Of course, that's why they reviled us, and that's why they hated us, especially the left and these socialist, communist entities, which have taken over the church, and they slandered us and smeared us and everybody believed what they heard about us through the freaking New York Times and Washington Post, our arch enemies!

You just believed what the stupid fake- news media said about the Moonies! You didn't understand that **we were the only ones teaching abstinence**, we were **the only ones teaching that the fall** was caused by **Lucifer who was a sex predator and a pedophile**, we were the only ones teaching that **socialism and communism** is political Satanism- it is **actual Satanism on this earth**.

What other church in the freaking world teaches those kind of core values, and that the **Kingdom of God will be a republic**? What other freaking church in the world does that? And that **God's people will be armed**! I mean do you understand why they hate us so much? And why you've been lied to. You are a cultural Moonie, but you didn't even know it.

Father trained over 40,000 ministers in America, and millions of people against communism around the world through the VOC – the **Victory Over Communism** international movement. We were almost on every college campus around the world fighting the communists- you understand- while all of these fake- news media and all of you supposedly Christians, were attacking us as heretics! We were the ones fighting internationally on every college campus against communism as Satanism, while you were sitting on your pews, singing ‘kumbaya,’ and letting Lucifer in!

### **It was True Father that was fighting evil!**

And of course, he's given us the **libertarian republic**, a constitutional monarchy, where the citizens stand with the Three Kingships, and become kings and priests, and they're sovereign, and they have jury nullification, and they are armed and trained. Give me a freaking break!

### **How can you not see that he's the Messiah?**

You see? Well, just believe in the New York Times; just believe that the Washington Post, are archenemies! Yeah, yeah, yeah, we're a cult because they know how dangerous we are in terms of destroying their fundamental root. Before Alex Jones, before Breitbart, before Drudge, before all the alternate media, it was True Father that exposed all this stuff- 70 plus years ago! Give me a fussin' break!

Now you can see why we were so hated by the left- because True Father exposed them completely. He exposed the nature of the fall; it's not just from eating the apple and disobedience of sin. No! It's freakin' pedophilia! You understand? And that's why these cultures have to be utterly wiped out!

Let's put it this way: there's going to be a lot of gardening in the Kingdom of God for this type of Wiccan. As Christ said, *“For he who harms the least of these, it will be worse than a millstone be tied around your neck and you'll be tossed into the sea.”* It's going to be worse than capital punishment for those trash Satanists that seek to defile and destroy the children, and my grandchildren and your grandchildren.

Gosh! I mean I think as we more forward, further, further, and further, we see the **value of our True Father!** Oh my gosh! I just give him glory and I give him praise today! If people understand the Kingdom of God and Cheon Il Guk, the civilization of the Kingdom of God, it's going to save so many people!

Let's give him glory today folks! Let's give him honor today! Let's remember the incredible gifts he's given, and let's be blessed today!
