True Parents' Memorial - September 10, 2021 (8.4. by HC)

Heavenly Father, God of true love!

Father, we offer gratitude, and furthermore we express our gratitude.

Thanks to Father's great *cheongseong* (devotion) we are here at the Memorial Hall of True Parents. You guided us to Pennsylvania. Father's Three Generation Kingships and Cain and Abel, whom Father have directly nominated, have walked a 7-year course of formation stage. PA (abbreviation of the state) symbolizes *Appa* (Father, Korean). Here in the State of Pennsylvania a marvelous foundation has been built thanks to Your Holy Spirit. Father, we thank You so much, and we offer our deepest gratitude.

When we arrived here in Pennsylvania for the first time, no one understood us. All of worldwide brothers and sisters were following the heresy of Hak Ja Han, betrayal of Satanism; never singing the Anthem of Cheon Il Guk '*Blessing of Glory*,' nor reading the original Family Pledge. It was impossible to praise Father. Therefore, they were in the miserable history of Satanism.

Cain and Abel, whom You guided to Pennsylvania, lived in the deep forest of bears and deer, receiving desecration from the entire world. Singing the anthem of Cheon Il Guk '*Blessing of Glory*,' we pledged to fulfill our responsibilities by risking our lives so that Father's Will could be accomplished. Our tears fell on the floor. Since the very beginning Father's Three Generation Kingships have been desecrated all over the world. How marvelous Father's grace and blessing have been! You have looked for the lost souls once again one by one, and Father's work of Holy Spirit has saved the lost heart of every Unificationist. Father's representative, successor, heir, Three Generation Kingships, Cain and Abel now having the foundation of the formation stage, we offer our sincere gratitude that we have witnessed all of Your work.

Though we did not know at that time, You have guided us step by step. The foundation of Cheon Il Guk and the message of the Rod of Iron Kingdom have been presented in front of the world. Veterans, gun owners and patriots can gather here now. Your great love has prepared those contents. We had lost the position of True Mother, but You have established beloved True Mother Hyun Shil Kang; Your Four Position Foundation has come to its perfection, completion and finalization. We have watched Your marvelous love and work, being able to attend again the victorious True Parents.

We see the downfall of Hak Ja Han and Satanism in the fallen place of *CheongPyeong*, Korea, setting up her Satanic statue and praying in front of it, with the owl of Satan, god of Satan Moloch, which murders children in the midst of the sinful world, while desecrating Father's holiness.

Being embraced by Father's great love, True Father by himself started pioneering the land of *CheongPyeong* during the wilderness course. Every day being together with brothers and sisters, shedding blood, sweat and tears, True Father did utmost *cheongseong* (devotion, dedication) and prayed under his brush writing of 'Cheon Il Guk.'

You have allowed *CheongPyeong* to be a worldwide foundation. Now the place miserably follows Hak Ja Han, the Whore of Babylon; it has been completely surrounded by Satanism. How much pain Father suffers seeing such a situation!

However, Father, You have bestowed the marvelous work of the Holy Spirit through Cain & Abel and Three Generation Kingships. Having restored not only the providence of Las Vegas and Texas, You have gradually led us to restore the work of *CheongPyeong*. Heavenly Father, we offer You gratitude and more gratitude.

Marvelous miracles, healings and witnessing – all of these have been accomplished under the realm of True Father’s authority. All of those works were done in *CheongPyeong* through the power of Your Holy Spirit. Your Three Generation Kingships, Cain & Abel, and all of tribal kings & queens have been restored back under the realm of Your authority. You have found out the *CheongPyeong* of Tennessee; it is located on the hills of thorns. Tennessee *CheongPyeong* has the name of ‘thorn village.’ Now Your Three Generation Kingships are pioneering Tennessee *CheongPyeong*, the village of thorns on the hills of thorns. Because Your love encourages us there in Tennessee *CheongPyeong*, may Your marvelous healings of Holy Spirit be done! May the shout of ‘*Ok Mansei*’ always ring! Heavenly Father, we express our gratitude more and more for Your guidance.

Thanks to the land of Tennessee *CheongPyeong*, all of the evil spirits who had fought for Satanism, Communism, Socialism and political Satanism, are now attending the veterans, Heavenly Father and Your Three Generation Kingships as returning resurrection. They have been organized and are shouting “True Parents, *Ok Mansei*!” There, all the people can take part in the work of healings. What is more, they can become shepherds who are able to fight with the warriors from the realm of Father’s authority. Father, we sincerely pray for it.

Thanks to Father’s great love, we are going to build Tennessee *CheongPyeong* that is higher than the one in Korea. Those who are without sin will learn True Father’s life course as the Second Advent of the Christ. Studying the Word of God, the Divine Principle and True Father’s identity, may they take part in the work of marvelous repentance and witnessing! Father, please guide them all. We offer our gratitude from the bottom of the hearts.

Father’s marvelous power of Holy Spirit has now pressed down Satanism all over the world. In the land of restored Tennessee *CheongPyeong* Father’s power becomes one with us. May all of the patriots on the earth and Christians in the Abel realm be the Peace Police Peace Militia of God’s Kingdom! May they protect the world. Holding all nations again, chasing out Satanism, Socialism and Communism, Father, please lead each nation to be able to establish Father’s Cheon Il Guk and practice Cheon Il Guk Constitution.

Thanks to Your great love, the people of Cheon Il Guk have gathered here in this small forest. We are going to hold the Rod of Iron Freedom Festival. When tribal kings and queens, who belong to the realm of Father’s authority, visit the United States of America, may they be together with all the ancestors in the spirit world, warriors and Abel figures by offering *cheongseong* centering on the restored *CheongPyeong*. Now not only Pennsylvania, but we also have Texas and Las Vegas. Father, please lead and work through us. We express our gratitude from the depth of our hearts.

Now You have prepared the land of Tennessee *CheongPyeong* for True Parents and Three Generation Kingships as the growth stage. The land is located at the center of the United States and the world. All the patriots and veteran warriors from East, West, South and North will visit there. It is the time of historic civil war.

Learning not only about the American Civil War but also about True Father’s worldwide course as the Second Coming of Christ, the history of the Divine Principle, they will resurrect as new sons and daughters of God. Treading the way of suffering, victory and ascension, they can see the whole world at the top of the mountains. They will shout, “Father, we believe in You!” Father, please bestow Your marvelous work of accepting the Second Advent of Christ.

Thanks to Your great love, the entire spirit world has mobilized. The Union of the Spiritual and Physical Worlds Association has been established. In the restored land, Rod of Iron training will be done. Young people can be trained for Peace Police Peace Militia. Resurrection of the spirit and physical worlds enable us to widen Your realm of authority and to live on the foundation of Cheon Il Guk Constitution. Father, please allow and bless all of them. We thank You and furthermore offer our sincere gratitude.

We would like to offer our boundless gratitude for Father's great true love and works. Three generations will be one heart, one body and one mindset. May tribal kings and queens be able to work together with Father's perfection, completion and conclusion! As citizens of God's Kingdom by attending Three Generation Kingships, Cain & Abel and True Parents, may we face Father's Kingdom! Fervently hoping that You may allow us to be heavenly soldiers, we offer all of our gratitude to Your glory and grace.

I offer this report in the name of the Three Generation Kingships and the family of Hyung Jin Moon, a blessed central family.
Aju! Aju! Aju!
