**The Rod of Iron Freedom Festival Day 1**

October 9, 2021

Good morning patriots and Freedom loving people made in the image of God!!! We are honored and pleased to have you at the beautiful Kahr Arms property celebrating America, the 2<sup>nd</sup> Amendment and the culture of armed responsible citizenry. I also want to acknowledge the sacred Korean War Memorial and thank the combat veterans and the planning committee with all our friends and their families who made this event possible. Also we are happy to be joined here, with other freedom fighters from around the world who are fighting in their respective countries for a Second Amendment that we enjoy and often take for granted here in the US. If the right to keep and bear arms is a natural right, as our Framers stated, then it is a human right and all human beings should have that right of self-defense against tyranny.

We celebrate freedom this day because in 1950 my Father The Rev. Sun Myung Moon, whom our tradition honors as the returning Jesus, was freed from a North Korean death camp, by US armed forces, where he was imprisoned and scheduled for execution for preaching the Gospel. God sent good men with guns that stopped bad men with guns that led to my father's freedom without which, myself, my brother or our worldwide church community would not be here today. As our True Father he taught us to vigorously protect God's gift of liberty, to always be willing to die to fight Communism/Socialism which he defined as political Satanism, and to build Godly marriages and families, building a world of capable armed and trained citizens, known as the Peace Militia, whose motto is "Love God, Love your neighbor."

Today we face unprecedented big government overreach. Worldwide communist style lockdowns, for a virus with a 99.7% survival rate, are causing massive starvation and desperation in the third world causing massive migration to the first world. Europe is under total lockdown with military deployed to force vaccinate, Australia is experience Nazi style coercion as people are being violently assaulted on the beach for not wearing masks, and our southern border is wide open with tens of thousands pouring into our country every single day. In addition China last Monday flew 52 warplanes over Taiwan forcing their Foreign Minister to publically announce preparation for war with China begging Australia to help. With China as a major importer of food, supplies, meds, and all other manner regular use items in America, China could further exterminate our supply chain as we already face automobile shortages, fossil fuel and gas shortages and massive spending by this usurpatious administration AND we are sitting on the greatest economic bubble in world history which could lead to the collapse of the dollar.

Meanwhile China, through the disgraceful Afghanistan-Biden debacle, has secured 85 billion dollars worth of tax payer paid military equipment and secrets,

through the Taliban, as they secure a direct land route into the Middle East to become the main trading partner with the oil rich nations, creating hotbeds of terrorism and endless streams of radicals who want Death to America. Despite the fact that the heroes of journalism at Project Veritas has released video of Health and Human services doctors on video admitting to not reporting side effects of the vaccine, Pfizer employees caught on camera admitting that natural immunity is more effective than the shot, and a higher up exposing emails of the VP of Pfizer admitting that aborted fetus (that is murdered children's) kidney cells were used in the production of the "vaccine" nothing is being shown by the fake news media and the Biden administration. In fact Facebook and Instagram have gone down this past week slowing the dissemination of these undercover videos. And in America to this day political prisoners of the Jan 6 protests are rotting in solitary confinement with no trial, or due process of law. These lawless DC bureaucrats are behaving like the Nazi leaders that committed crimes against humanity as they enact a Totalitarianism the likes of which our country has never seen. And they WILL push harder.

This is the reason why True Father created a worldwide anti-communist movement educating the youth around the world about the evils of Communism and centralized government. He started the Washington Times, The Collegiate Association for the Research of Principles, Youth Federation for World Peace and newspapers and media across the globe to educate the public about the deceptive tactics of leftists, communists, and those who strive for power through the apparatus of government or namely the 666 anti-Christ Beast. For this fierce anti-communist stance he was labeled a "cult-leader," "radical," and "extremist" by the fake news media. The very same labels the radical left is using to call Trump supporters and conservatives today.

This usurpatious administration is claiming that the greatest threat to America is not ISIS, or the Taliban, or Communist China, but freedom loving Americans, and even parents opposing CRT have been designated the new "domestic, white supremacist, terrorists." This reckless and dangerous language identifies and green lights the deep state corrupt organizations to trace and track and frame honest, law abiding, hard-working, tax-paying citizens to become criminals and outlaws.

Meanwhile the deep state operatives continue to allow total lawlessness if it profits their power—sex trafficking across the southern border has grown into a multi-billion dollar enterprise, pedophiles are allowed out of prisons while citizens are being forced to show health papers or "vaccine passports" to enter into shops and restaurants, and illegal and dangerous human-animal genetic experiments are coming to the surface. The Chinese Communist party is producing fentanyl and drug smuggling through our southern border to inebriate the American youth, and young people who express alternative conservative views are being censored, blackballed and now not allowed to go to school without a vaccine passport!

Within a span of less than 2 years, the Tech Giants, Central Banks, Mega corporations, media, Hollywood, Soros, Bill Gates, Klaus Schwab and the Rothschilds along with the CCP, have been able to decimate the world economy and are aiming to utterly KILL America and eradicate Freedom from the face of the earth! If the

torch of liberty is snuffed out in America the world will enter a Kingdom of Hell on Earth, dystopian, Kafka-esque 1984 -like world that will enforce social credit scores, tracing and tracking of all citizens, centralized digital currency, climate change carbon taxes, and totalitarian governments ruling over the people as evil gods who make laws for you but will not follow any laws themselves.

Their Satanic Cult of power and pedophilia, sex-trafficking and infanticide will have utter control over every aspect of society and the most evil, vile and wicked, psychopaths will rule with cruelty, despotism and the crushing of every freedom protected by the Constitution and given to us by Almighty God! It is a bitter reality that we can no longer ignore.

A United Federation of Constitutional States must begin the dialogue and discussion on the rampant abuse of power of DC and the steps that we must take to stop this every increasing tyranny. Texas and New Hampshire have already started the process of discussing succession from DC, and other states in the South are moving in such a direction given the criminal lawlessness and outright contempt for America by DC. As we are expanding the Freedom Festival to include Tennessee this year we are talking with thought leaders, Second Amendment advocates, politicians, constitutional historians and legal scholars for the need to help patriots explore the path that our Founders walked and established for us. We must explore more deeply the 2<sup>nd</sup> Amendment and the Revolutionary period, as we are facing a time of worldwide revolutions. Controversial topics of state secession, alliances between conservative states, and how to navigate the political landscape in a time of increasing tyranny, potential civil war and worldwide lockdowns must be brought to the surface. God is calling on a United Federation of Constitutional States to defend God's gift of liberty and to explore the most pressing issue of the day, namely how America can survive this most uncertain time.

Today's Freedom Festival is named the Rod of Iron Freedom Festival because in the Bible, the Rod of Iron symbolizes God's reign over evil and dominion of the earth. When we look at the story of Genesis and Adam and Eve in the Garden of Eden, God commands A&E (or humanity), "be fruitful, multiply and have dominion [or subdue] the earth." We can see that God, the Creator of the entire universe, gave dominion and the blessing of dominion over the earth to his children Adam and Eve. The powerful Archangel Lucifer, who aided God in the creation of the world, was not given this inheritance. He was to be the servant of God's children and not the master. However, through the Fall of Eve and then Adam, God's children lost their dominion, their purity and their blessings. Lucifer reversed dominion and 1/3 of the angels followed Satan, leaving their proper position as servants and became the masters of humanity.

In the Book of Revelation we see the final battle between good and evil. Believers in Christ are scorned, mocked, killed and beheaded as they are in Syria, Afghanistan and China as we speak. One world government rules over the world and there is great groaning and suffering in the land as there is today. However, in the Word of God we see a hope and promise. A promise that when Christ returns, He will return with a new name Rev 3:12, and that He will give believers 2 accouterments that will be required in the last days.

The first accouterment is the crown, which symbolizes our sovereignty, our royal lineage and our inheritance that our Father in Heaven has promised—Psalm 2:8-9 states that “I shall give thee the nations for thine inheritance, and the uttermost parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel.” Jesus states, in Rev 3:11, therefore “hold fast to which thou hast, let no man take thy crown.” The world may recognize the Queen of England or the kings of Europe, Africa and Asia, but it does not realize that you and I, whom they deem to be peasants and slaves, but who are co-heirs with Christ the King of Kings (Rom 8:17), are the real kings and priests as our Father in Heaven is the Creator of all! If we claim OUR kingship and OUR royal lineage we are made to feel illegitimate, crazy and called members of a cult.

God gets to decide how His Kingdom will be ruled. As Rev. 2:26-27 states, “And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations and he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father.” In Rev. 12:5 the Bible states, “And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne.” Again in Rev. 19:15 “And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God.”

The Rod of Iron is the accouterment that Christ uses, demands and bestows upon the inheritors of His eternal Kingdom. As children of God, it is incumbent upon every man and woman, to embrace the shepherding rule of the Rod of Iron and to have a crown of royalty and a rod of iron, which is the modern day musket, the AR-15. When we think of the biblical God we may not think of arms and weapons. But Jehovah God Himself in Genesis is the creator of the first weapon in the Bible as He arms the cherubim to defend the east side of the Garden of Eden from fallen man and their new master Lucifer. In John chapter 2 we see that Jesus Christ, God in the flesh is an assault weapons manufacturer, as He “manufactures” the scourge (a nine tailed whip with blades on the end) for the express purpose of “assaulting” the money changers in the Temple. In Luke chapter 22 Jesus, God in the flesh, states to His disciples, “sell your cloak and buy a sword” (a military grade weapon which civilians could not own). This is the Jesus of the Founding Fathers and this is the Jesus that saved and secured America from tyranny.

Only when the good citizens of the world, as co-heirs in God's Kingdom control the power of the Rod of Iron, will the cancer of criminality, tyrannical governments and dictators cease to flourish and be “broken into shivers.” Could China, Europe, Australia do what they are doing if all their citizens had AR15s? Wolves fear the shepherd that carries the Rod of Iron. The simple act of owning a physical Rod of Iron puts fear into the predator class. But the sheep are comforted by its presence. As Psalm 23 states, “Though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.”

When a good and free people with the Christian ethic of “Love God, Love thy neighbor,” have the dominion of the use of force there is peace. When good, God fearing people can exercise their right to keep and bear arms freely, evil cannot prevail. When the power of the Rod of Iron is in the hands of the right people and not monopolized by government, the people can flourish, prosper and protect one another creating win-win enterprise and human flourishing. The Kingdom of God is a Kingdom where the God of love, justice and mercy rules and shepherds the world with the reign of the Rod of Iron. This is not a tyrannical rule of Christ, as that would contradict the Word of God, which says that God is the same yesterday, today and forever.

The God of Adam and Eve gave humanity free will and respected their free will so much as to let them decide to hate and disobey God. God grieving, called his people to repent and to return to Him through the prophets of the Old Testament. God, so loved the world that He gave his only Begotten Son, Jesus Christ, “that whosoever believed on Him would not perish but have eternal life” John 3:16. God so loves the world that when Christ’s Kingdom comes, it will be ruled with Him and His co-heirs with the Rod of Iron. In Matt 19 He says that “when the Son of man shall sit in the throne of his glory, YE ALSO shall sit upon twelve thrones, judging the twelve tribes of Israel.”

In Rev 20:4,6 He says that the co-heirs with Christ will “live and RULE with Christ a 1,000 years.” In Matt 25 He states that the sheep and the goats will be divided and that the sheep will be given authority. God’s Eternal Kingdom will NOT be a socialist welfare state for believers. God’s Kingdom will be a Kingdom of Kings/Queens that CO-RULE with Christ, have authority and responsibilities given to them by Christ and who will co-reign with Christ with the Rod of IRON. By decentralizing the power of the Rod of Iron to all the citizens of the Kingdom of God, God vanquishes evil and smites them into shivers by the collective power that is entrusted to us as His royal and divine children and as His co-inheritors. In Matt 25 the Bible states, “And he shall set the sheep on his right hand, but the goats on the left.

<sup>34</sup> Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the Kingdom prepared for you from the foundation of the world.”

We implore the Body of Christ and good citizens of this world to stop teaching the false doctrine of liberation theology where a socialist “Castro-esque” Jesus will rule as a dictatorial tyrant centralizing all power to Himself. God is not like the dictators of political Satanism and the false monarchies of the past and the United Federation of Constitutional States must stand to defend God’s gifts of liberty enshrined and protected by the Constitution. The true King of Heaven and Earth, is calling us to be co-heirs and co-inheritors and to stand with Him to defend life, liberty, love and goodness by realizing our royal lineage to the King of Kings, Lord of Lords, and to accept the Rod of Iron as the protective accouterment that will defend the Kingdom of God, His people, His culture and His civilization forever.

Jesus is not the effeminate, castrated Jesus that we usually learn of in Sunday School. He is the perfect man, God Himself in the flesh that as a loyal son and soldier who gave His life for you and me and we ask that you make Him the Lord of your life and be forever transformed!!! For the Bible says that Jesus Christ, who is the faithful witness and the first begotten of the dead and the prince of the kings of the earth, has loved us and washed us from our sins by his own blood and hath made us KINGS and Priests unto God and to His Father, to Him be glory and dominion forever Amen!

Once again we welcome you to the Rod of Iron Freedom Festival! God bless you and God bless America!!!
