God's Kingdom & the Abel UN

January 16, 2022

Good morning folks! We're filming here live out of Tennessee Cheongpyeong, the home of the Abel UN, that is the God- side nations of all the world that are for freedom, and not for communism, totalitarianism, political satanism. Amen!

January 6th and the Feds

We just want to let everyone know: please pray for Frank Scavo. He is a patriot brother who's been persecuted by the Feds for exercising his constitutional rights, for exercising his right to protest his grievances, his First Amendment rights; a completely peaceful protester on January 6th. They're persecuting him because he was led into the building by of course the FBI; what the FBI did is now coming out more and more with the Ray Epps story, et cetera.

Ted Cruz was grilling one of the FBI directors and asking her clearly "*Were there any FBI informers or confidence informants operating or working on January 6th that basically prodded people to commit acts of violence or criminal behavior or criminal acts?*" And of course she said, "*I can't answer the question.*" She could not just say, "*No.*" He had to ask like eight times and she just said, "*I'm sorry Sir, I cannot answer that question; I cannot answer.*" Why? Because they clearly have a role in it!

He showed a photo of Ray Epps; everybody knows he's a Fed. He was trying to incite everybody to go into the Capitol. He's on multiple cameras saying, "*Guys, we have to go into the building!*" and a few seconds later they actually pushed through the barricades and went into the building. So he was definitely inciting and provoking the protesters there to enter the building, etc. They had him on the FBI website for the most wanted list of January 6th; he was on the website and then immediately vanished. Apparently as soon as they interviewed him he vanished, he was gone. He's a free man. Why?

This man was on camera inciting violence, this man was on camera inciting criminal behavior; he was ON CAMERA, and yet he was left off the hook! Why? Why? Who is he working for? They said he's not working for the FBI; but is he working for any government agency? Tucker Carlson on Fox is covering this in depth, asking, "Okay, they said he didn't work for the FBI or the DOJ or something like that. But, does he work for ANY government agency?" They didn't answer that and of course he does, because there's no way you're going to get on that list for inciting violence, and there being multiple camera shots of you inciting a criminal behavior, and you're going to get off! No way! Meanwhile, when folks just walked in taking pictures, selfies, and they were taking care of the velvet lines inside the Capitol building; they weren't doing anything violence whatsoever, and six hundred of those people are put in solitary confinement with no due process, no court of law, no jury, etc. This is a complete banana court!

And of course they're going after our patriot brother Frank Scavo. He wanted to be at church today and receive prayer because they're soon locking him up behind bars, and we want to pray for him, but he had some health issue on the way into the car heading over to church. So please pray for him. He's getting better and maybe he'll be able to show up next week, and we'll all lay hands and pray for him as he is there with us at church. So, please keep him in your prayers, folks. This is an incredible time to be alive!

Also please pray for Japan! Japan and the Pacific Coast are going to be smashed with a tsunami. There's a tsunami warning because a giant volcano erupted. A video from outer space showed the explosion of this volcano; it looks like a humongous nuclear bomb went off on the globe in the middle of the ocean. And of course it's going to produce massive tsunamis, so Japan is going to be hit with a tsunami probably in the upcoming few days. Please pray for Japan, and of course get out of the coastal areas of the tsunamis; get out of there if you can because this is a crazy time indeed. It's so crazy, folks!

Alright, let's go into Scripture today! We're in 1 Peter chapter 4. We're going to zoom in on verse 11, but let's first go through the whole chapter because I like reading the context for each chapter of the Word. Let's read together:

1 Peter 4: 1-19

1 Forasmuch then as Christ hath suffered for us in the flesh, arm yourselves likewise with the same mind: for he that hath suffered in the flesh hath ceased from sin;

2 That he no longer should live the rest of his time in the flesh to the lusts of men, but to the will of God.

3 For the time past of our life may suffice us to have wrought the will of the Gentiles, when we walked in lasciviousness, lusts, excess of wine, revellings, banquetings, and abominable idolatries:

4 Wherein they think it strange that ye run not with them to the same excess of riot, speaking evil of you:

5 Who shall give account to him that is ready to judge the quick and the dead.

6 For this cause was the gospel preached also to them that are dead, that they might be judged according to men in the flesh, but live according to God in the spirit.

7 But the end of all things is at hand: be ye therefore sober, and watch unto prayer.

8 And above all things have fervent charity among yourselves: for charity shall cover the multitude of sins.

9 Use hospitality one to another without grudging.

10 As every man hath received the gift, even so minister the same one to another, as good stewards of the manifold grace of God.

11 If any man speak, let him speak as the oracles of God; if any man minister, let him do it as of the ability which God giveth: that God in all things may be glorified through Jesus Christ, to whom be praise and dominion forever and ever. Amen.

12 Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you:

13 But rejoice, inasmuch as ye are partakers of Christ's sufferings; that, when his glory shall be revealed, ye may be glad also with exceeding joy.

14 If ye be reproached for the name of Christ, happy are ye; for the spirit of glory and of God resteth upon you: on their part he is evil spoken of, but on your part he is glorified.

15 But let none of you suffer as a murderer, or as a thief, or as an evildoer, or as a busybody in other men's matters.

16 Yet if any man suffer as a Christian, let him not be ashamed; but let him glorify God on this behalf

17 For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God?

18 And if the righteous scarcely be saved, where shall the ungodly and the sinner appear?

19 Wherefore let them that suffer according to the will of God commit the keeping of their souls to him in well doing, as unto a faithful Creator.

Amen! Amen! Amen! Beautiful! That's a powerful scripture, 1 Peter Ch 4!

Let's jump down to verse 10!

10 As every man hath received the gift, even so minister the same one to another, as good stewards of the manifold grace of God.

11 If any man speak, let him speak as the oracles of God; if any man minister, let him do it as of the ability which God giveth: that God in all things may be glorified through Jesus Christ, to whom be praise and dominion forever and ever.

Now listen to this: verse 12

12 Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you

Whoa, folks! This is the thing! You're not going to follow Jesus, you're not going to follow the Returning Jesus; you're not going to follow Christ and enjoy some kind of fake prosperity Gospel! He doesn't promise the prosperity Gospel! He didn't say, "Follow me and you're going to make a million."

Follow me and you're going to have billions. Follow me and you're going to have a yacht and ten bikini girls." No, NO! He said, *"Follow me and pick up your cross; be ready to mock, scoffed, hated and KILLED for my namesake!"* That's what he said.

This is no luxury cruise! This is a journey of fire, and it says right here: *"think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you."* Don't think it's strange that you're going to go through the fire because that's what You signed up for when you put your faith in Christ. You signed up to stand against evil! You signed up to stand against the wicked! You signed up to be a force for God! You signed up to be His hands and feet! You signed up to be a warrior! You signed up to say, *"NO! I'm not going to live for my pleasures and hedonism. I am going to live for the larger goal; the heroic quest of pursuing the Will of God, the Creator from whom I receive my existence and from whom my purpose is fulfilled."* Amen!

The fiery trial

So folks, look at what is happening: you can see this fiery trial that Peter's talking about in the book, and you can see right now in the End Time tribulation how the fiery trial is covering the earth. We are living in the age where Sweden is microchipping; they are now adding microchip vaccine passports. We heard about this seven years ago and we thought it was all conspiracy theories, all sci-fi tech dreams, and some science fiction novels that people make up and want to pretend they live in RoboCop. No! Sweden is now going to be microchipping its citizens for vaccine passports!

You got the Democrats saying, *"It's racist to have a voter ID."* As the midterm elections are coming up in November, they're already starting the narrative, *"It's racist to have a voter ID."* But how then is it not racist to demand a black woman to give her vaccine status, otherwise she can't EAT at a restaurant? If a voter ID is racist, then asking her for ID to eat at a restaurant IS racist! Are you with me, folks? You see how insane this is! They're so crazy; they're so psychotic! These are white liberal racists forcing black people and minorities to show papers; forcing them to show that they've got some deadly concoction of chemical cocktail injected into their body about which even the mRNA vaccine technology creator Dr. Robert Malone says that you are part of an EXPERIMENT. This is a part of a medical experiment and they are breaking the Nuremberg codes.

They are not telling the public that this is a large international experiment; a medical experiment that people are being forced to take part in, without consent, without being told that it's a medical experiment. New studies are showing how particularly deleterious it is towards the non-homologous end joining system of your DNA repair system, which then means that you're not able to replicate proper identifiable DNA that is identifiable to you, and you are now going to be replicating the spike PROTEIN. And Dr. Malone says that if you get four jabs you will not be able to eliminate it or pass it

through your body. It will now replicate and replicate and interfere with DNA cell repair, which will then interfere with everything, causing cancers, massive autoimmune disease -you name it, folks. It's going to be bad, and it's almost like genocide is taking place.

We just posted it right now in Instagram: "Sawman" Sawyer, ex-Navy Seal posted the video of Dr Pierre, a black doctor out of the US, who is exposing the funds, the monies that these hospitals are receiving in seven different steps in which the government is paying them, and incentivizing them to not only diagnose, to not only test, to not only put people on ventilators, but also to put "Covid 19" on their death reports. He sums it up as a total of 100,000 dollars incentive PER PERSON if you get them to write "Covid" on the death certificate! If you get them through all that stuff, with the testing, the diagnosis, the ventilator, and then on their death certificate you write "Covid 19," you get 100k paid to that hospital! This is incredible folks! This is not only illegal, this is not only unjust, this is not only unrighteous; this is a genocide that has been paid for, incentivized by all the governments of this world, with an experimental DNA gene manipulator, the "vaccine" which is not a vaccine.

It is also coming out that it has nanoparticles inside it; particles that look like organisms and that are moving. The top Korean virologist with the most powerful electronic microscope to view these things has already posted pictures and has already done a news conference in Seoul Korea, showing the video of the nanoparticles, the different squares and different robotic kind of metallic pieces. Some of them are living organisms; they have tails, they have different shapes and sizes and they're moving. Of course as a vaccinologist, she says, "*No vaccine should have living organisms in it.*" This news conference took place about two weeks ago in Seoul, Korea. So as the evidence comes out and as the evidence mounts, we are seeing more and more lies and more and more cover up.

This is an incredible time to live, folks; absolutely incredible to live! We are seeing INTERNATIONAL tyranny covering this earth the likes of which we would never imagine could be possible. We never imagined that they could lock down the world; at least some people did not.

But we were talking seven years ago about the fact that this international Communist cabal was going to go for takeover. Especially because the macrocosmic fall of the Han mother and the harlot of Babylon culture threw a curse on the world. We told you that the world would go into curse; it would not go into blessing as she promised. And of course it's gone the opposite; it's gone into curse. The entire world has become a prison planet. We have some folks here from Australia, and New Zealand, and it is crazy there. You have the Prime Minister or different MPs coming out saying, "*Now you can't leave your house unless you have three reasons to do so.*" Unbelievable! Incredible, folks! Australia is completely locked down and you're living in a prison house. Your house has become a prison; you cannot even step out.

When Father was alive on this earth, remember how free we were? Remember how much hedge of protection we had? We literally thought this type of freedom was going to last forever, where you can go to the shopping mall, you can come back, you can go travel without any interference; you can go here and there without some government agency saying you have to be stabbed and have things being penetrated into you. You could travel and be a free person.

Now, there's the downside of that, because as people have that kind of prosperity it creates weak people, weak men especially, and it creates people that only search for pleasure because there's no more purpose. Everything's so nice, everything's so good, everything's so free, there's so much liberty, so we take that for granted and we dive into hedonism and the search for pleasure. That becomes the purpose of civilization's life, and as that happens what takes place? As that happens then the growth of government takes place, then people start outsourcing more and more of their life activities, more and more of their things, over towards the government. And of course the increase of the government then gives rise to a larger government, which then starts spreading TYRANNY.

You can see this international structure that has been created THROUGH the UN, through the WHO, through the Bill & Malinda Gates Foundation, through the billionaire class who were friends of Epstein, the pedophile. So we know that these Satanists are involved in the sin of Satan. They're trying to poison everybody on the planet; they're in the midst of an international genocide that they're orchestrating from the top.

Even a couple of years ago, people didn't even believe there was a top. They all believed, *"Oh, I don't think it's that coordinated; there's no way we can have that kind of coordination. I believe that there's this and that."* The average- IQ people were saying this all the time, and even the people who were in the know, they didn't even think that there was an international cabal. We now see it, folks. There's an international structure and that structure can make mandates for the ENTIRE world. It trumps every sovereignty, it trumps every constitutional authority of that nation; it trumps EVERYTHING that a nation can claim as theirs, and the international order can place its rules upon all humanity. We're seeing it right now.

That being said, there's also tremendous pushback especially in America because America now is the front line; it is THE freest place in the world still. The Supreme Court Justices made a half victory by voting against companies with a hundred employees or more having to enforce the vaccine mandate, but of course that's not going to be respected. Why? Because, as Tucker Carlson broke it down the other day, all those big businesses, all those big companies, have government contracts from top to bottom, and if the government says, *"Okay, the Supreme Court rendered this verdict, but we still RECOMMEND that you enforce the vaccine mandate,"* well then many of those companies will enforce the vaccine mandate.

One thing that Tucker Carlson also broke was the fact that Supreme Court Justice Kavanaugh, exposed himself as being a fake Republican. Why? Because he voted against large companies with hundred employees or more forcing the vaccine on people, but he did NOT strike down, so he's supportive. Health workers, people in the medical profession, they have to be forced- vaccinated; he voted in favor of that! These people, they're literally two- tongued! They're speaking one thing and voting another way! It makes no rational sense. How can you say, *"I'm against forcing vaccines on big companies with over a hundred people, but I am for forcing vaccines for people who are in the health work industry?"* How does it make any sense? Plus the vaccine doesn't stop you from getting Covid, and if you have natural immunity you have a twenty seven times higher rate of being able to fight off the disease. I mean it's so ridiculous, it's so insane, folks!

Spiritual beings in the Bible

But this is the time we're living in. It's a time when people have been dumbed down so much; we've been put on the government cheese for so long, we've been living in luxury and pleasure so long that as a country we've become numb, we've become completely numb to the realities of evil. And of course the evil, the shadows have been working to implement their system; they've been working to plan and strategically implement this rollout which of course is taking place right now. So it is an incredible time to be in, and it is really a beast.

We look at the Scriptures and we see those beasts in Revelation coming out. Of course we don't see them as literal beasts, but we see them as the political satanic structure; the structure of the Antichrist Beast, the structure of the 666-Antichrist. The Beast with the seven heads and the ten horns, the Beast with the wings, the Beast with the multi-faceted faces and bodies, the chimeras etc. all symbolic for all these different HEADS of this monster! This international power, kingdoms and nations that are all intertwined together working for what? Satan's dominion on earth! Which is what? The total domination of humanity!

Now this is incredible; why? In the Korean Sunday service we were talking about the different type of angels in the Bible. Now in the Bible angelology is interesting. Some people coming from the Catholic tradition are highly obsessed with this. But you have to understand: the word angel comes from the word *angelos* which means messenger. That's all it means; it means messenger. So in the Bible when you see angels appear, they don't have wings, they don't have white feathers, they look like human beings. They're messengers. They come in the shape of a human being; they give a message and they disappear. That's the shape that you see angels in.

Now, in Ezekiel's visions and in different places, the Bible does describe different angels with wings like the **Seraphim**, which are the angels that guard God's throne or they also sing glory to Him and they protect Him; they kind of fly around his throne. They are said to have six wings: two wings to fly, two wings to cover their face because God's light is so bright, two wings to cover their feet because He's so holy - and they have to cover their dirty feet. These are the Seraphim and they're like on fire. So you imagine, you see this thing with six wings flying towards you with this fiery thing! That's why people freak when they see angels, because some angels are so scary.

The **Cherubim**: we heard of Cherubim. No, they're not the little medieval pictures of fat chubby kids with wings and harps and bow and arrows; that is cupid ridiculousness and that has nothing to do with the Cherubim. The Cherubim are fierce looking, many times symbolically represented as animals, and many times they have four heads. In the front they got the face of a man, on the right side they got the face of a lion, on the left side they got the face of an ox, and on the back side they got the face of an eagle. And they have four wings. Imagine if you saw that kind of a beast: a guy with four heads and four wings and flying around!

Now remember this is the ANGEL, the spiritual being that God give the Fiery Sword to; to do what? Keep out the fallen people; keep out Adam and Eve after they united with Satan and became Satan's CHILDREN. God did not only kick out the physical people, Adam and Eve, but He also kicked out whom? Satan, who was a SPIRITUAL being. So the Flaming Sword not only kept out the physical beings of flesh, Adam and Eve who had a spirit, but also kept out Satan, the spiritual being who was an archangel. Are you with me, folks?

So you have the Seraphim, you have the Cherubim and you have the Ophanim. They appeared in Ezekiel's visions and it is like a big wheel; it looks like UFO, a big wheel with another wheel perpendicular inside. There's a horizontal wheel and there's a vertical wheel, so these wheels are moving and all over these wheels there are eyes and they're flying. Imagine you see this thing, these two rings; one big ring and then another ring horizontal inside and there are eyes all over it! This is another spiritual vision that Ezekiel had; he saw these things.

The point is: when people see these things, what happens? They get so frightened. It's a natural impulse because you can't control them; you can't isolate them. They're flying around; they are so powerful. So your natural instinct is, "Uh-oh!" and submit and worship! That's the problem. That's the instinct of all men; why? Because God made human beings to be the HEADS of all those spiritual beings! It doesn't matter how strong they are; it doesn't matter how powerful they are. It doesn't matter how magical the spiritual being is; it doesn't matter.

Value based on relationship, not on power

God made human beings to be higher; why? Because He didn't base the VALUE of the spiritual being or the person on POWER; He based the value of the person on what? RELATIONSHIP! You see that, folks? He based the value of that being to Him on RELATIONSHIP, not on POWER! There were other beings that had power.

In the modern world you have computers, iPhones, etc. These computers can outwit even the top chess players of the world; these computers can process information many times over what we can process. At this point computers can probably outdo the top-speed mathematicians of the world by thousands of times. Are you with me, folks? That doesn't mean computers are greater than humans.

In our world we may see everything based on abilities. Let's say we have an AI, we have a robot that now can compute. It can think, it can strategize, it can actually feel, it can actually process emotions, it can answer questions, it can process difficult tasks, and it can problem solve. It can do all these things, and it can have consciousness; so it can actually recreate itself - which they're now saying AI is able to do. They're able to now have consciousness and able to reproduce that consciousness to some degree. I'm not an expert in this field, but anyway that's what the field is moving towards. Does that mean when these robots have the ability of consciousness, and let's say they're able to even create AI, they're able to produce new AI; does that mean they are greater than human beings?

You see, if we're using the litmus test of ABILITIES, well yes, they would be. But so would be a lion! A lion is greater in terms of muscle mass power and the force that it generates; when it bites or when it claws or grabs, it's greater than a human being. But, does that make that being the highest being? No, it's not based on ability. It's based on who has the anointing- by the way which he didn't earn, which he didn't ask for, which he didn't work for! Human beings receive it out of the fact that they are beings that God wants to RELATE with at the APEX level. We didn't ask for it, we didn't create it, we didn't earn it; it's given to us by GRACE! So, regardless of what type of entity whether it be Seraphim, Cherubim, Ophanim, or tremendously developed AI which is almost like those crazy beings, it doesn't matter. They do not trump humanity; humanity still is in the apex position.

What's incredible about the study of cosmology nowadays is that they're looking at the radioactive materials in the universe, the radioactive microwave frequencies in the universe, and they're seeing that it coalesces in an X pattern over the planet earth. In terms of microwave energy, the entire universe looks like an X with the middle, the intersecting point sitting right on earth. That's crazy, that's absolutely crazy! If you check articles on cosmic microwave radiation you will see all the different NASA probes that they sent out into space from 2001 to 2009. Every single probe has done their readings and has come out with the same results: the cosmic microwave radiation in the universe creates like an X pattern that spans the ENTIRE universe, and it intersects at the point right where earth is! Oh my goodness! Did you hear what I'm saying, folks? How can you deny?

The scientists say, " *This is conundrum; how is this possible? We thought the sun was at the center of the universe. Why is all this microwave energy intersecting right over the earth?*" So they don't want to touch it they want to kind of push it under the rug. This is the place where there is life; life is here, and we're able to now look out and branch out into the universe. My Gosh, there's this X pattern and we're sitting right in the intersecting point! How can this be possible without a Creator? It supports the idea that God is the Creator and that human beings are His apex; that the universe was created FOR human beings; that we are the reason WHY He created and that the universe was created FOR us!

NOT that we are some random space aliens in the universe and that there are many, many different planets like us, and there are many, many, different solar systems like us, and that of course we're just one of a billion different living species! This is what Star Trek and the fallacy games try to imprint into people; but it's not what the evidence suggests. And of course when you see the whole cosmic microwave radiation you see this incredible X pattern; bam! Right smack in the middle is the earth! Unbelievable, folks!

In the Kingdom of God Constitution

The point is: God does not put the value of the entity based on its ability, or its skills or its power. Do you see that? He puts the value of that entity in what? In relationship. This is why in the Kingdom of God Constitution it's also reflected like in a House of Lords and a House of Commons. The population votes for people in the House of Representatives, but each member of the House of Representatives represents only 2,100 people. A small group of people vote for each representative, so there are many,

many, representatives who cannot all be bought out, because they're only accountable to very small groups of people.

And also there is True Father's kingship line which is not based on who has the highest ability or who has this or that. No! It's based purely on the relationship of blood lineage to Christ who is the Founder of the Kingdom. Are you with me, folks? So it's almost like a House of Lords. You see this also in Britain where there's a House of Lords, a body that holds the tradition of that country. You can't vote for anybody in the House of Lords; that's all connected to blood lineage. But the House of Commons is there where representatives were voted for by the people. In the Kingdom Constitution you have that as well.

You also have the General Inspector division. True Cain Kook Jin Nim's bloodline, anointed by Father, will be in that position of being the General Inspector; inspecting whom? Inspecting the government officials; investigating the government officials! Of course it's not like the FBI, it's not like the CIA; it's not like anything in this world because those investigative bodies are illegal in the Constitution. But the Constitution has things which are not just based on ability.

Satan's kingships vs. God's Kingship

Now you may ask: well, what happens when there's a nation that says, *"I don't like that king! I have more ability than him; I should be the king?"* That's what people say, right? *"I should be the king; I have more ability than him!"* But see, the kingship doesn't come from ability. The satanic kingships come from power. Why? Because you have to KILL everybody first and then you become the king; that's how satanic kingships are created. Every kingdom of this planet that lives in the satanic world, they have come to power how? Not by negotiation, not by voting; they've come to power by KILLING everybody else. That's how they've come to power. They have murdered every single one of their enemies; they've cut off all their heads, and thus they claim themselves the king. Satan's kingships come to power based on what? They come to power based on KILLING, on POWER!

But GOD's Kingship comes by virtue of what? LINEAGE! Blood lineage comes by virtue of what? Marriage! So all the kingship lines in the Cheon Il Guk nation who are blessed under Father's authority and who are coronated under the Blessing become kings and priests. Look at these folks right here with the crowns, and all these young kings and queens here! How do they have the right to be kings and queens? They didn't earn that, they didn't get it from something; they didn't kill people to get it! You see what I'm saying, folks?

They got it because they received the anointing from CHRIST and His heir and the Three Kingship. That's how they received it. That's how all of our folks receive kingship; it's through Christ! It's not by something we earned, it's not by something we worked for; it's not by something we won! NO! It's by RELATIONSHIP! And it's that relationship that gives us authority in that kingship line. Are you with me young kings? That's where it comes from. It doesn't come from the fact that we have the most ability or we're the best looking, or we have the most power in the universe! NO! It doesn't come from that! That's how SATANIC kingships are made!

God's Kingship is different because our kingship doesn't come from mass burning everybody. Our kingship comes from being UNITED with the Creator AND Christ who is God in the flesh; the Creator who comes down in the flesh and creates His family, His bloodline, His royal lineage! And connecting to that royal lineage is what makes us royal!

It's not what the world says; it's not what the kingdoms of the past do. NO! It's not the genocide, the murdering, the killing; that's not what makes us the kings and the priests. It's the RELATIONSHIP, folks! You see how this is all connected?

In the angelic world the angels have more power; in the physical world, governments have more power. They're in the positions of archangels or they're in the position of Lucifer, the servant that was supposed to be what? The protector of Adam and Eve, the servant of Adam and Eve to let Adam and Eve flourish and reign as king and queen. But, what did he say? *"No, I got more ability than these fools. I got more power than these fools! Why do THESE people with LESS power and less ability than ME get to rule the universe? I want to do that!"* You see what I'm saying, folks?

And that is what the kingdoms of the earth do. The kings of the earth say, *"No, we have continual power now, so we will not acquiesce to Christ's people."* Why? Because their power came from killing everybody! LITERALLY, how the British Empire started was that the first king KILLED everybody else. He killed all his opponents; he conquered them. What does that mean? He killed everybody; he killed all his opponents and subdued them and thus he became the king! That's how the satanic world monarchies are established.

You see how different that is from God's heavenly monarchy? God's heavenly monarchy is not done by force like that; it's done by what? Relationship! It's done by connecting with God, getting away from sin, that we are born into through uniting with Satan and the whole original sin; then coming back into Christ's family and uniting with His providence, uniting with His heir, uniting with His Kingship, and then receiving the Blessing coronation and ordination of priesthood and becoming a king and a priest. Not because you killed everybody, not because you're the best conqueror; not because you even asked for it or deserved it. No! But because you stand now in proper RELATIONSHIP with the King of Kings and the Father of the entire universe! Amen! You see what I'm saying, folks? Praise the Lord!

This is why even the downtrodden, this is why even the people in the trailer homes can declare themselves to be kings and priests when they come under God's authority and lineage. Because it doesn't matter what level of power you have, it doesn't matter what school you went to, it doesn't matter what level of ability you have or what kind of charisma we have! That is not what makes it. You understand, folks? Those are the standards of the satanic world. But the standard of God and HOW those satanic kingdoms are overthrown and put to ashes is by God's family, His lineage, His royal priesthood spreading over the world.

So, this is why it's such an incredible time, folks! We see totalitarian death; we see totalitarian darkness spreading over the world. We see totalitarian fist and the looming Nazism, Stalinist

communism, political Satanism that wants to just envelop the world in this death blanket of serpentine blood; just wants to destroy and strangulate every ounce of relationship and freedom that we receive from God. SNUFF it out as if it never existed!

But what's so amazing is that because of that reality, people are starting to wake up; people who are still in sin, people who are still separated from God. People even in the churches who have become just weak beta male Christians, weak neocon Christians just teaching prosperity Gospel and not even standing up for the unborn or standing up for marriage or standing against these predators and these transgender lunatics and the homosexual agenda. Never even standing up against those people, bringing in Satan's kingdom, cowardly always hiding saying that they're good in attendance at church; going in the pews but never will stand up against actual evil, never will actually get persecuted, and are happy to be part of the mainstream never ruffling feathers.

Meanwhile, the satanic death system of killing babies, destroying marriage, destroying gender, destroying every identifiable factor of reality IS taking over! This complacency, laziness, arrogance and this UTTER ineptitude is what is now creating a boom and an awakening. People are starting to wake up. People are starting to say, *"Wait a minute! We can't continue like this; our civilization will literally be snuffed out. We will literally have our way of life taken away from us if we do not stand at this hour."*

So even though totalitarian darkness is covering the world, the light of God is able to be seen more clearly. People can FEEL the Kingdom and His power more clearly. People can understand the Rod of Iron Kingdom more clearly; they can understand immediately. They can see when their eyes were used to be blind. They can hear where their ears used to be deaf. Remember last week we studied that scripture of the oppressed man by the demonic spirit? It literally said that he was OPPRESSED, he was filled with a spirit of TYRANNY; he was being tyrannized and oppressed by this demonic spirit. And it's almost like that is happening to the whole world.

But the point is: in that state the person who is being demonically oppressed wants to be free even more; he wants to be let LOOSE of this demonic stronghold. He's desperate to find the Kingdom of God, and God is using that to bring the tremendous harvest that He has planned, which will be the spark, the beginning point and the front line of the Kingdom of God and the Abel UN as Father talked about; the rising of the nations that will stand for LIBERTY instead of COMMUNISM, that will stand for FREEDOM and responsibility instead of TOTALITARIANISM where the elites get to rule over with impunity.

In God's Kingdom

This is why of course God's Day will be here at the Cheongpyeong facility, and we are working night and day with all the teams to get that building done to start there and also clear out the range. Why? Because we're going to enjoy the service here, having lunch and then right after, go to the Rod of Iron range 20 or 30 yards away.

This is where we'll be empowering the community, empowering America once again; getting back to our founding principles, getting back to the tradition of being:

STRONG patriots,

STRONG protectors,

STRONG shepherds,

STRONG males,

STRONG females,

STRONG families,

STRONG individuals, children of God who are not waiting in the clouds, in the Darbyism of the Scofield Bible, believing you're going to be whisked away before tribulation in a tremendous heresy!

NO! But be able to know that you are part and parcel of the hands and feet of God that will protect His Kingdom; that you will not be sitting on a beach drinking pina colada and that's your dream of heaven on an angel playing a harp! Think how tremendously hellish that would be! A pina colada lasts ten minutes at max and that is over. How can you even have any purpose? Then what? What are you going to do? Drink ten pina coladas? You're going to be fat as a bum. Unbelievable! It's ridiculous! You try that for eternity you're going to be Jabba the Hutt, walking around like a slug in Star Wars. And no, you're not going to have Princess Leia as a slave; you're going to be your old slaves to your own lesson, even if it means being in hell!

The point is, folks: that kind of vision of reality is ridiculous. We need purpose in the Kingdom of God too, and that's what's so amazing with God. God says, *"In the Kingdom, what?*

Do you not know you'll be judges over the angels?

Do you not know you'll judge the twelve tribes of Israel?

Do you not know that you'll be HEIR with me?

Do you not know that you'll be co-heirs with Christ?

Do you not know that you will stand as judges and heirs, that you will stand as the righteous protectors and shepherds?"

This is what's so exciting about the Kingdom because it's not pina coladas and the beaches; it's not angels and flying on fake harps and little clouds! NO!

It's US on the ground!

It's US protecting our kids!

It's US building tremendous marriages!

It's US worshipping GOD!

It's US shooting together, celebrating and thanking Him for liberty!

It's US standing up and PROTECTING humanity worldwide!

It's US being the Peace Police Peace Militia!

It's US EMPOWERING the next generation

It's US empowering our neighbors

It's US STRENGTHENING one another

It's US LIVING and breathing with CHRIST in His Kingdom; PROTECTING the liberties, protecting the Constitution; protecting one another's natural rights given to us by God!

What an AMAZING thing! What a BEAUTIFUL place! What a tremendous gift of grace that we get to experience that culture, folks!

The Rod of Iron Scriptures & targets

And that's why of course; at the Cheongpyeong Abel UN we will have those targets. At the Rod of Iron range, we'll have the Rod of Iron Scriptures:

Revelation 2 27

"He shall rule them with a rod of iron; They shall be dashed to pieces like the potter's vessels"

Revelation 19: 15

"And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron"

Psalm 2: 8-9

8 Ask of me, and I will make the nations your heritage and the ends of the earth your possession.

9 You shall break them with a rod of iron and dash them in pieces like a potter's vessel.

Etc.

We'll have those scriptures up on the range pavilion, and of course hanging down from the ceiling we'll have all the potter's vessels that we'll shoot and dash to pieces like the potter's vessels that the Scripture talks about. We'll hang those from there to symbolize the existence of the Rod of Iron Kingdom that is now expanding to the entire cosmos and is setting the conditions on the micro to BECOME not only the microcosmic vision, but the macrocosmic reality for all the MILLIONS across the world that are now experiencing more and more totalitarianism, more and more darkness, more and more Marxism, more and more communism.

This is now the place they can come to, to not only experience the Kingdom but to spread it. What an amazing day, folks!

We're going to have the targets up there, the symbolic satanic targets: the target of the goat, the target of the hammer and sickle of communism.

We're going to have the target of the disgusting demonic beast that the UN just put up, with the wings and the lion face; we're going to have that target too.

We're going to have the target of the fallen Eve, the demoness woman that comes to lure you sexually. Destroy it!

And we'll come to destroy those targets spiritually and otherwise.

We take responsibility

Imagine all the angels, all the holy hosts seeing a new kingdom, seeing a new people being born, resurrected and born again of the Spirit, that are now taking responsibility for the sovereignty of the earth! For God said that He gave us dominion, He gave us rulership, *"Be fruitful, multiply, have*

dominion and subdue the earth." He gave that blessing. And because of the victory of True Parents, because of the victory of the Returning Christ True Father, because of Jesus Christ's victory we are able to:

INHERIT that Kingdom,
 LIVE in that Kingdom,
 THRIVE in that Kingdom,
 PROTECT one another in that Kingdom,
 Be able to STRENGTHEN our families in that Kingdom,
 Strengthen our MARRIAGES in that Kingdom,
 Have JOY everlasting in that Kingdom, and of course
 Return that glory to GOD; LOVING God and loving our neighbor!

Does that mean we're all going to be perfect? No! Does that mean we're not going to make mistakes? No! Does that mean there's not going to be evil? NO! Because there's free will. But it means there will be a diminution and minimization of evil and there will be the maximization of goodwill and goodness. Why? Because everything of the structures of political Satanism is torn down and human responsibility is buttressed up.

Since all federal Law Enforcement and federal Military is illegal, now the people have to do it. So they have that RESPONSIBILITY to do what? To train! To do what? To practice! To do what? To be serious about that responsibility! For what? For everybody be a part of protecting one another; to have that sense of responsibility, that sense of community, that sense of brotherhood and sisterhood, and that sense of GOODNESS that binds us together through that responsibility!

Since the government is not doing it for us, and nobody is able to do it for us, WE do it! WE step up, WE become those alpha males, WE become those alpha females; WE take that responsibility. WE thank God for that responsibility and we train, we practice and we praise Him with the same heart, spirit and mind of one accord, in oneness with the Holy Spirit, and revived and resurrected from death to life. Because He bled for us, because He suffered for us and He has given us the grace of this liberty, the grace of this Constitution, the grace of the freedom and the responsibility that is ESSENTIAL to preserve God's natural gifts and natural law! Praise God Almighty, folks!

Christ has been through it all for us

It is such an incredible time! I'm telling you folks, there may be crazy things coming down the pipeline. They're getting exposed; their lies are coming through and they're taking many hits. But at the same time they're panicking, and in that panic they could set off more false flags, they could try to blame them on the patriots, they could blow things up and blame it on the patriots. They could continue to do evil, they could try to start a war with China or with Russia, shutting down the electrical grid, blaming it on them and sucking us all into war, especially before the midterms so they can do the mail-in ballot voting frauds and all that crap! It all could happen, folks!

But we must remember that through it all He is with us and He has not forsaken us and He has been through it ALL! We think we're going through something right now?

Christ has been through it all!

He's PAID the price!

He's DONE the deed!

He's LIVED the life!

He's DIED the DEATH!

He's done it ALL so that we could inherit the Kingdom of God! What a GIFT of grace that is!

We PRAISE His name, we THANK Him for this, and, as the Bible says we are NOT SURPRISED with the fiery trial that we have to walk.

We walk it with JOY,

We walk it with GRATITUDE,

We walk it KNOWING that His glory is our glory,

We walk it knowing that His peace is our peace;

We walk it knowing that His righteousness is our righteousness.

Not because we earned it but because He gave it; not because our love was great because HIS love was great. That's why we got it, that's why we received it, that's why we're part of His family, that's why we're part of His Kingdom, and if you received the Blessing, that's why you're part of the kingship and that's why you're part of the priesthood.

And that's why we give glory to God, because His Kingdom is coming and the Kingdom of God is at hand and *"Repent ye therefore for the Kingdom of God is at hand!"*

The Rod of Iron Kingdom and the Rod of Iron reigns begin and all the training begins, and we WILL see a harvest the likes of which we have not seen in many, many, decades. But we must accompany that with patience, accompany that with love, accompany that with getting over our pettiness, our egos, and we must embrace the brothers that God has sent us, and raise them up in accordance with His will so they can become and be anointed and coronated as king and ordained as priest, and become fruitful, beautiful, PROUD children of God that went our True Father from heaven looks down upon, he is joyful he is proud and he's saying, *"Good job my child, you have done very well!"* Praise the Lord Almighty! Let's give Him all the glory, and give Him all the praise! (*Applause*)

Pastor Sean's Prayer

Father God, we thank You for this day. We thank You for all the things that You are doing across the world. We know that it's a time of tremendous tribulation. Japan is gearing up for a tsunami attack that is coming upon them. All the world is gearing up for totalitarianism that is rising. It's not going away; it's even getting worse. Now they're force microchipping in Sweden and Europe, and of course that will spread to Asia and in China.

Dear Father, there are so many people that are suffering, that are wailing, that are crying out to You right now in this dark hour of the world, and we know that You hear their prayers and You are preparing a tremendous shift of events. But of course they will try false flags, they will try to set up patriots, they will try to blame it on the patriots, they will try to create race riots and play race wars; they will try to play divide and conquer.

But we KNOW that through it all Your Kingdom is coming! The reason why the Devil is in despair and he's hesitating and he's freaking out and panicking it's because Your Kingdom is coming; it's because the light is coming through the horizon, and even through the dark clouds of death Your light is shining ever so brightly. So that when we come into the presence of that sunrise, there may be JOY; there may be *"weeping through the night but joy cometh in the morning."* (Psalm 30:5)

And we know that we are FACING that light, facing Your Son, facing Your love, facing Your goodness and we are walking, marching towards the Kingdom WITH our brothers and sisters hand in hand. No longer divisions between us and the patriots, or us and the Christian Church! NO! We're ALL one in Christ, ALL who stand for liberty, all who want to see Your Kingdom come, and see the material of this world be transformed into Your Kingdom everlasting! Thank You Lord!

We thank You for all the things that You're preparing here at Cheongpyeong the Abel UN, and all the things that You are doing, and the Rod of Iron civilization and culture that we will be able to establish here. We pray that Your anointing would be on this place and upon everyone who is here training, and that when our brother sisters come from the patriots side or wherever they may come from, that we would train them up and empower them to become YOUR children, and not only Your children but KINGS and also PRIESTS of Your heavenly royal priesthood.

We thank You Lord, and we know that You are preparing a MASSIVE harvest. We want to give You all the praise, glory and honor today. We REBUKE despair, we REBUKE negativity, we rebuke all the ugliness of the world because we know it is not of You, and we

FOCUS our eyes on Your love,
 FOCUS our eyes on Your peace,
 FOCUS our eyes on Your strength,
 FOCUS our eyes on Your discipline,
 FOCUS our eyes on Your patience,
 FOCUS our eyes on Your endurance,
 FOCUS our eyes on Your righteousness!

And as Matthew 6: 33 said, *"Seek ye first the kingdom of God and his righteousness, and all these things shall be added unto you."*

Dear Father, we believe it. We believe it and proclaim it today over this place, OVER the Abel UN, over Cheongpyeong, and over the entire United States of America. That all the patriots would be of one accord into Your Kingdom of God and they would be Blessed, and protect the WORLD from the

tyranny that is trying to spread. It will have no chance because YOU are in charge and YOU are leading the battle.

We give You the praise, glory and honor with ALL the kingship lines that are gathered here today with your Three Generation Kingship, and we pray in Your precious name. Amen! Amen! And Aju! Hallelujah!

Let's give it up for God! Let's all rise, folks, and give Him the praise!
