

## Pastor HJ Sean Moon

### Reject Feminism, Embrace Alpha

April 17, 2022 - Resurrection Sunday

Shout out to King Kyle, and King Melik for the prayer, and of course PA crew, Tennessee crew, Texas crew, Korea, Japan, Africa, Latin America, Europe, all over the world. Folks, thank you for tuning in today. Let's get into the Word on this beautiful Easter Sunday. My Lord! What an incredible Resurrection Sunday! Hallelujah! Praise God Almighty!

Thank you for your prayers, folks! We are of course planning to go into Korea and Japan. There are a lot of visa issues with the different governments because of the corona stuff, and there are a lot of restrictions; we have to get special permissions with people writing over there to request us to come in etc. Also our passports are expired, so they're in the process of getting redone. So please pray for us; hopefully in the next few weeks - after the PCP tests come out negative and all that kind of stuff- we should be on our way to celebrate with our Korean church and of course the Japanese church on the massive victory that God has given us.

They had tried to destroy the Tong-il mark. They had tried to block Father's heir and successor from USING the Tong-il mark which is the light of Christ spreading over the world, with the 4-Position Foundation family and the give and receive action of God and humanity; all that beautiful power is there. Of course they tried to ban that and with the assets that they stole, they sued me - that's my own mother by the way if people don't know - and of course they have tried to destroy any ministry that we attempt to set up; even though I am the heir and successor and crowned three times by True Father's own hand.

The point is: they brought us to court; they sued us with the billions of dollars that they stole, and tried to bankrupt us. But in the end there was justice; the courts in Pennsylvania threw out the case

saying that they could not rule on such a thing. So the Tong-il mark and the Unification flag, the flag of all the brothers and sisters and Christ's family on the earth united as one strong powerful Christ-centered family that stands against evil and resists the Devil; that flag will now be flying high. We're going to celebrate with our Korean and Japanese churches who have been the backbone of our church in so many of the things that we've been doing, and praying for us, and of course we'll be waving those flags as we arrive in Korea. So please pray for us during this critical time.

### **Resurrection Sunday**

Resurrection Sunday! Wow! What a powerful, powerful moment in time, folks; a time that changed human history! The Lord and Savior Jesus Christ killed, crucified, died for our sins, affording us spiritual salvation and faith through him and of course through the power of the resurrection, the Holy Spirit and the entire movement of Christianity began. Since he had lost his physical body, only the spiritual kingdom was inherited to his people, and that's why Christians were able to hold on to the spiritual kingdom throughout time. But the Lord was required to come back. Why? Because the PHYSICAL dominion has to also be brought back under his dominion and under his people. That is what Christians from 2,000 years past have been referring to as "the millennial kingdom" or "the kingdom of God on earth," which Christ himself instructed us to pray for every day: *"Thy kingdom come; thy will be done on earth as it is in heaven."*

So it is an amazing Easter Sunday. It's not about Easter bunnies, it's not about eggs; it's about a DEATH, as the Scripture says, *"Death where is thy sting? Grave where is thy victory?"* For he has risen from the grave and defeated death and defeated the grave, and thus that spirit of Jesus who lives within us has given us the POWER to overcome not only sickness or things that we're dealing with in the microcosm or in our personal lives, but has given us power collectively to overcome EVIL and the wickedness of evil.

Folks, it is incredible because if you look at **1 Corinthians Chapter 2: 8**, it says, *"Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory."*

Paul was saying that there were two ways humanity could decide to go. Humanity could decide, *"I will unite with Jesus. He is the Lord, he is the messiah, he is the Chosen One, and he is supposed to be king in Jerusalem."* The Roman Empire was on the verge of total collapse because it had extended too far; just as the American hegemony has extended over the earth, it was in multiple wars across the land and it was collapsing from within. It ended up falling after Christ's passing, but it was already on the waning times of the Roman Empire.

So if the Jewish people, if the people there had faith, if they had unity with Christ, think about the world-changing events. The Kingdom of God could have been physically manifested IN Jerusalem, IN the kingdom of Israel. The Roman Empire would have come to its knees and it would have been the platform from which the Gospel could have spread to the rest of the world; plus freedom, liberty, God's gifts of eternal life, but also dominion on the earth.

### **The Three Blessings**

That's why it's so critical to have dominion on the earth, as going back to the Garden of Eden where God gave His children the Three Blessings of what? To be

#1 Be fruitful

#2 Multiply and

#3 Have dominion and subdue the earth.

Folks, those are not small words by the Almighty Creator! Those are BLESSINGS of God! Those are POWERFUL words.

That's why it is so incredible and we have to hold on fast to these things, because if Christ's kingdom was built, His entire kingdom would protect those blessings. It would protect the blessing of:

\*Being fruitful. What does that mean? It means having a strong mind and a strong body.

\*Multiply. What does that mean? A strong man and a strong woman come together, in what? In holy matrimony, in marriage; and they do what? They multiply; they have children, and then the values of the father and mother transmit VERTICALLY intergenerationally, throughout time, and protect and preserve the civilization and the culture.

\*Have dominion and subdue the earth. What does that mean? It means: it's not the institution of government that own everything including the people; as in Shanghai right now where they're enslaving 28.4 MILLION Chinese people and killing them on the balconies. People are going crazy in those high rises. One man was caught grabbing his own wife and tossing himself off the balcony. People are going crazy as they're forced to be in this TERRIBLE tyranny.

Of course Chinese communism it's the model which they want to place over the world. They WANT; they want to enslave all humanity, folks. That is the ROBBING of the third blessing: taking away the dominion, taking away the ability to subdue the earth and have dominion over it and have SOVEREIGNTY, because the Devil hates it when God's children have sovereignty. Why? Because it REMINDS him that he is not the ONE that God gave it to. It REMINDS him that it is the CHILDREN of God that are supposed to own the earth and all the fruits of the earth. Not because we're greedy or because we want to boast! No! But because we are the rightful HEIRS and inheritors of that and thus we have to do the Will of the Father to protect those very essential and critical gifts that are bestowed upon us as humankind.

So folks, on Easter Sunday it goes deep; it goes real deep!

But the point is: *"The Spirit who lives in us is greater than the spirit who lives in the world."* (1 John 4:4)

It is greater folks, than the world, the power of the world, the evil Klaus Schwab, George Soros and all these wicked demonic pedophiles; Bill Gates and all these Epstein island visitors, and all these wicked Hillary Clinton and Obamas.

All of them combined cannot do anything with the Spirit that lives deep inside of you! If you know the Lord who's risen on Easter Sunday and he's alive and well and your body is a temple of the Living

God, they cannot defeat you (*Applause*) because you are transcending YOU and you are now going to the realm of standing with GOD, and collectively as God's people there is no way they can win, folks!

### **Total Self-Sacrifice**

So I just want to encourage you all on this note before I get into some deep and depressing things; I'm just joking! Thank you for prayers, and of course all of us we got to remember that. We have to always remember that, because look: the darkness can get so dark and as we gaze into the darkness and we face the darkness as our enemy we have to know our enemy, and we have to know how to fight our enemy. That's what any real martial artist does; anybody who has to face an adversary has to do that. You have to prepare for your adversary, study your adversary; you have to get ready to FIGHT your adversary and give it all.

What has happened to the body of Christ in the Western world? It has become so weak, so feminized. We've been infatuated with prosperity and "*heal me this, heal me that,*" and that's all it has become. That's not what the Gospel is about, folks. It's about TOTAL self-sacrifice, BLEEDING out for the sake of humanity; it's for the TOTAL commitment against evil. And that's what Jesus did on the cross. That's the COMMITMENT he had, and that MASCULINE POWER, that SACRIFICIAL LOVE, that AGAPE, "*I'm going to die for people that I love, and even for people I HATE; I will DIE for them to DEFEND them.*"

THAT is the SPIRIT, folks!

THAT is the SPIRIT that lives within you and me!

THAT is the SPIRIT of 1976, and

THAT is the SPIRIT of the Founding Fathers and ALL good people of this world who have a CONSCIENCE, folks!

That's why we will win. The Devil CANNOT win because he's a loser from the beginning of time and a loser till now.

Folks, let's go to Luke Chapter 14 and let's go verse 25 through verse 35.

### **Luke Chapter 14:25-35**

*25 And there went great multitudes with him: and he turned, and said unto them,*

*26 If any man come to me, and hate not his father, and mother, and wife, and children, and brethren, and sisters, yea, and his own life also, he cannot be my disciple.*

*27 And whosoever doth not bear his cross, and come after me, cannot be my disciple.*

*28 For which of you, intending to build a tower, sitteth not down first, and counteth the cost, whether he have sufficient to finish it?*

*29 Lest haply, after he hath laid the foundation, and is not able to finish it, all that behold it begin to mock him,*

*30 Saying, This man began to build, and was not able to finish.*

*31 Or what king, going to make war against another king, sitteth not down first, and consulteth whether he be able with ten thousand to meet him that cometh against him with twenty thousand?*

*32 Or else, while the other is yet a great way off, he sendeth an ambassage, and desireth conditions of peace.*

*33 So likewise, whosoever he be of you that forsaketh not all that he hath, he cannot be my disciple.*

*34 Salt is good: but if the salt have lost his savour, wherewith shall it be seasoned?*

*35 It is neither fit for the land, nor yet for the dunghill; but men cast it out. He that hath ears to hear, let him hear.*

Folks, this is no beta male Christianity that the Western world has become! It's been taken over by feminists and beta males talking about, *"Oh, Jesus! Yes, oh, just give me your love!"* Yes, Christ is the advocate; the Holy Spirit is the advocate, he is a *Paraclete*. Yes, God is love. Yes!

But, because He is LOVE, He HATES evil! Why? Because evil DESTROYS love! Are you with me, folks?

Because GOD is LOVE He HATES pedophilia. Why? Because pedophilia destroys CHILDREN, and He loves children Are you with me, folks?

Because GOD is LOVE He HATES that adultery which BREAKS marriage and God loves marriage. You understand?

So, in order to be a God of love, that love stands AGAINST that which is evil. Are you with me, folks?

### **Satan's system vs. what is real**

We've gotten into this relativistic postmodern love that is taught in pagan new ageism that is, *"Oh, love everything; love everything! Love! The leftists spew this; it is their religion. They spew it as if they actually believed it. But of course they're only virtue signaling because if you tell them, "Do you love Trump supporters?" They say, "Well, no, no, those are not people."*

Well, shouldn't you love those people? You know Trump supporters or let's just say people who want to stand for the flag or people who like the constitution; these people, shouldn't you LOVE them? You're always talking about, *"oh it's all about love, it's all about love; people dying, people killing, children hurt."* They're making rap songs about that. *"Where is the love? Where is the love?"* You are talking about *"where is the love?"* All the time!

Where is the love when it comes to THEIR political enemies like conservatives, like Christians, like those who don't want to stand idly by as 74 million BABIES are been KILLED in the womb? We're just as bad as the nation of BAAL and Baal worshippers when we're genociding KIDS; in America, a Christian nation? Are you with me, folks?

But this postmodern type of love; talking about, *"oh, we got to love all things, love all people!"* NO! You cannot love all people, because some people are pedos and they are wickedly doing evil things; they are destroying and wrecking lives. Now you can love that person's soul. You can hope that person

REPENTS; you can hope that person comes and they ask for forgiveness. But if he or she has done that type of damage, that person must be PUNISHED; that person must be held ACCOUNTABLE! That's what it means to not be above the law. Like Hunter Biden and the laptop or Nancy Pelosi and the Clintons and Obamas; they have a death trail of over 74 people in their own trail of killings. Yet nobody is imprisoned. That is an UNJUST system! Everyone knows that; everybody knows folks, in these United States of America which are being polarized and divided so culturally and so existentially.

We are in a TREMENDOUS time, folks; a tremendous age because we are seeing the disintegration of America - Do you UNDERSTAND? - When America gets polarized and more polarized and polarized and polarized and more polarized. Yes, you have people like Elon Musk coming out and saying, "*Hey we got to have free speech,*" and he's trying to buy out Twitter and of course now Vanguard which is owned by Pfizer has bought up the majority of stocks and is now the lead share holder again -which was quite predictable.

But the point is: you have people like Elon Musk with many Communist Chinese dealings; he's a capitalist so he's tied up with the Chinese, he's tied up with the CIA. We know that, but maybe he has a conscience and maybe he is trying to stand up for free speech which is an important ABILITY in a free world; the ability to say and express your views and not be CENSORED.

If you read Leviticus chapter 19 and you say that homosexuality is an abomination according to the Bible...! Pastors have now been thrown in prison in Canada for that. You can't even quote the Bible! That's what it has become, folks, and those values then that were transmitted through God's Word are not able to be transmitted down intergenerationally, vertically through time. Then you have the death of society!

And that is what of course SATAN's system wants to do: They WANT people to be disconnected; they WANT people to be plugged into this fake artificial matrix world. They DON'T want people to be fellowshiping, having face-to-face time and having real human relationships and barbecuing and shooting together and having wonderful times building each other up and strengthening one another, and at the same time praising GOD saying, "*Thank you God!*"

We're outside in the beautiful sun out here; it's quite hot already. We see all of the beautiful glory of nature around us, the red buds on the horizon; you see the cedars and you see the pine trees everywhere. We're breathing in and out, and we're having give and take with these beautiful trees right now; we're giving and receiving with these beautiful, beautiful creations of God. I'm literally breathing with that tree and so are you, folks! That is an amazing thing!

That's nothing that Zuckerberg and the billionaires that own these social tech companies can create in the metaverse; there's nothing near that. It's all a fake artificial synthetic fake reality, that of course they want you to be addicted to.

But this is REAL, folks! This is REAL! This is REAL! You are real! Why? Because you have something in your soul that reaches beyond the illusions that Satan puts in front of you. You have something in your heart that reaches BEYOND that and says, *“Now, I know that I'm connected to a greater mission and I know I'm connected to a deeper purpose and to a Cosmic Creator that created all of this, and I know that He has a plan. And yes, I have to be part of it; I have to be co-heir with Him. I have to stand with Him and agree with Him. I have to stand with Him on the battle line and fight with Him so that those plans can be actuated. So I have a portion of RESPONSIBILITY even though God prepares all the avenues and all the things in the way that He does, but human free will is critical and it is important!”*

### **The Doctrine of Predestination**

You've heard about the doctrine of predestination and how everything's predestined by God. Well, it really then starts diminishing free will, doesn't it? For them EVERYTHING is planned including all the evil, no matter how much you say, *“Well God has a plan for this or that.”* It's so sad, we literally had folks tell us that they were molested by their own parents, and they confronted them about it when they got older and that father told those children, *“Well it was meant to be; I believe in predestination.”* You DEMONIC DEVIL taking NO responsibility, RAPING your OWN KIDS and taking NO RESPONSIBILITY!

These are the kind of things that real people have to deal with! That demonic person basically said that it was predestined. It was predestined; that was to happen! WOW! Wow!

The point is: you understand? You're scapegoating God. You're telling those kids whom you raped like sixty years ago; you're telling them that God made you do it! Oh my Gosh! What a DEMONIC, DEMONIC demon! You understand, folks?

That's why human free will is so important. Human free will gives us human responsibility, and the different actions that we take have consequences, as any adult in this world knows. Anybody who lives in reality understands that; we don't live in a La La Land. Our actions have real world consequences ...

*(Video stopped)*

### **Escalation**

You know I'm not just talking about the skyrocketing gas prices, the food prices, the food shortages, the famine, and all those things that are coming, and World War III with Russia; now moving nuclear-capable ballistic missile launchers, thousands of them, to the eastern Ukrainian border - I posted up the video about it with the actual film. And of course there are Russian news saying, *“We're in World War III”*; these people are saying, *“We are in World War III. We are fighting NATO right now!”* Do you understand, folks?

It is only escalation, only escalation. What do you think is going to happen when you blow up a giant Russian warship costing hundreds of millions of dollars- Russia being the third greatest naval power in terms of ships? This warship has a three-tier anti-air missile defense system; helicopters can land on

it - a giant ship. What do you think happens when you blow that up? Do you really think there are no consequences? Do you think you can play Batman; put Batman on TV? Zelensky is pretending to be Batman or something; he was an actor by the way before he became president of Ukraine.

The point is: do you understand? This is not like we're dealing with Serbia or a smaller country; this happens to be Russia, the third most powerful superpower on the planet of which there are really only three -maybe India as well but they're way behind.

Folks, folks, WHAT do you think will take place when that type of escalation happens? There's no sign of peace treaties or any such thing; there's only escalation, only escalation. ECONOMICALLY, the world is collapsing! MASSIVE food shortages are hitting the Third World and they're going to be hitting America very soon. And people of course should have been preparing a decade ago, but if you did not, then start preparing. Those food prices are going up folks; I'm sure everybody notices that at the market nowadays.

### **Make America Godly Again**

The point is: we are in a crux, a change of civilization folks, at a time in history where all things will be reorganized. Now there's a storm, a large dark cloud coming. Yes, oh yeah! It's fearful to look at it; terrifying to imagine it for the America that we love. We have basked in the freedom and the prosperity of America for the last seventy years, since World War II; we live in utter prosperity, a level of prosperity that nobody on the face of the planet has ever experienced in all of human history.

You understand, folks? Even King David at the height of Israel and at the height of his power he still had to use a porta potty (*Laughing*); he didn't have that nice flashing water that whisks it all away so you don't have to think about it. Right? Oh Lord! For KING DAVID in all his GLORY, at night folks, they had to burn fires and make torches so he could get around the palace. They could not flip a switch, they didn't have any Soul Generator; they didn't have any night vision infrared. No! King David was in the dark; even King David! Any previous generation: the sultans, the kings, the pharaohs, all of them, they still had to use porta potties; they still had no running water and they still had no electricity.

But in America, thanks to the blessing of God and the founding of this America to be like Rome with the platform for Christ and the Kingdom of God to cascade upon the world, you see God's blessing upon this place. "Judeo-Christian," what does it mean? King Kyle always prays, "*Make America Godly Again*" which is an ABSOLUTELY true statement. But what does it mean to "*Make America Godly Again*?" See, that's what people don't want to hear. What does it mean? What do you actually mean when you say "*Make America Godly Again*?" Does it mean you just say, "*I'm going to go to a church now and I'm going to accept Jesus Christ as my Lord and Savior, and I'm going to be saved. Alright I made America godly again?*" Is that what it means?

You know what it meant for **King Jehu** when Israel took over the whole kingdom with the worship of Baal? You know what it meant for him to do? He invited them all to a banquet saying, "*I'm going to*

worship BAAL INTENSELY! I want all the priests of Baal to come to the palace and I'm going to worship BAAL!" So they all came and he killed them all.

What did **Elijah** do when he had to battle the 450 priests of Baal?

Remember, Baal worship is KILLING CHILDREN; that's their main sacrament, their main spiritual practice. What they believe they get power from, is destroying the innocence, destroying the potential, destroying the HOPE which is children; that God gives to humanity as the next generation to reclaim and restore themselves back to God.

But Baal worship was DESTROYING them, KILLING them post- birth abortion. Remember we were talking about post-birth abortion ten years ago, folks? Remember this? And people thought we were crazy? You have congressmen IN AMERICA now that are trying to religiously give power for post-abortion KILLINGS; 28 days after birth the baby could be KILLED! This is what they're passing, folks, in AMERICA!

What did it mean for Elijah when he said he had to fight the priests of Baal? They didn't just have a magic show with lightning, the altar on fire, and Elijah dousing it with water to make it even MORE incredible, and then God BURNING it up from the heaven! It was not a magic show, because there was something Elijah had to do after that. He had to give capital punishment to all the priests of Baal who were killing children. He killed all 450 priests of Baal.

WHAT did **Moses** have to do when the people started worshipping the golden calf and having orgies around it, going back in the sex cults of Egypt? Ah! Isn't that interesting? MOSES instructed the LEVITES who were the priests to do what? Kill 3,000 of them! Isn't that interesting folks?

So, is America ready, really READY to Make America Godly Again? Because you're not going to do it by just going to a church and saying, "I'm now going to a church." NO! You're going to DO it by setting the systems in to give capital punishment to pedos. If somebody's tried for massacring babies, they will be tried in front of a jury, and if they're found guilty they will be given capital punishment. See, that's how America was before all this liberalization; we used to actually PUNISH evil people, punish evil decisions, especially if you run after kids. But look at what we've become; we've become so feminized!

### **Total Commitment**

We think America's going to be RECAPTURED; we believe in some kind of savior politician, or things like that or we just go to church and we make confession! Okay, that's a start. But you understand where that has to lead up to. What did Jesus say right here? What did he say right here?

He said,"

*26 If any man come to me, and hate not his father, and mother, and wife, and children, and brethren, and sisters, yea, and his own life also, he cannot be my disciple.*

*27 And whosoever doth not bear his cross, and come after me, cannot be my disciple.*

You understand? This is intense folks! You have to be all committed. It's either you stand for Jesus' values or you stand for the world; it's TOTAL commitment!

Look at the two parables and at what Jesus talks about: he's saying that he's the builder and he asks whether before a builder lays a foundation, he should first study what he is going to do. He's metaphorically calling himself the builder. So he's saying, *"When I'm BUILDING the Kingdom of God, are you ALL IN or NOT? Are you going to be all in? Are you going to bear the cross with me and be hated and MOCKED and KILLED by the world and HELP me build the kingdom or NOT?"* That's what Jesus is saying. Right? He's the builder.

What's the other example? He says:

*31 Or what king, going to make war against another king, sitteth not down first, and consulteth whether he be able with ten thousand to meet him that cometh against him with twenty thousand?*

Then he talked about himself as a king saying, *"I am going to make war"*; with WHOM? With another king; his name is Satan, his name is LUCIFER. And there are kingdoms involved here; Lucifer has got 20 000. Are you with me folks?

When normal churches across America are talking about, *"We got to make God the center of our life again! We got to make America godly again; we got to bring Jesus back,"* what does that mean in the end? It means you have to shape your society to punish the wolves, to protect whom God loves and the innocent people. And those who prey on them and those who are wicked must be punished FULLY!

Actually that's what everybody wants, isn't it? We all want Trump to come back in and do that for us, but of course he can't do that; he's not Christ. Do you understand folks? The FOUNDING FATHERS didn't get this country FREE by saying, *(with British accent) "Well, Thomas do you know what we have to do with Ben over there? We have to have everybody come to repentance and ..."* Yes, this is important; yes! But then what did he say? He said, *"We must now fight the British and shoot them!"* You understand? You had to actually fight them, swing lead. Are you with me folks? They had to be ALL IN; they had to be ALL IN! TOTAL commitment!

You see, nobody wants to do the hard jobs, right. Everybody wishes for a land where we can finally punish pedophiles and for the freaking people on Epstein Island, all those elites that are on there to get capital punishment for all the children they raped and probably killed and ate- like the queen of England. We would be HAPPY to see that type of JUST WORLD punishing all the evil they're doing upon other people. Wouldn't we all be happy to see some justice like that? Just some, just some! Maybe just Clinton in jail, okay? JUST SOME! We would be so happy.

But see, what would that take? It would take actual people who get in power to literally wage war on the establishment, like literally, and start putting them in prison, and start using the organs. It would be basically creating breakaway non-swamp organs that literally would go after the criminals in the

Deep State which are perpetrating massive crimes ACROSS THE GLOBE, including on its own citizens.

And what would that entail? That would entail imprisoning them, SWAT-teaming them. It would entail getting them in front of courts and having jurors rule on them, and if the crimes are bad: capital punishment! That's what it would entail.

But how come you're not hearing this from any freaking pulpit on the planet? How come all you hear is all these ILLUSIONS, all this FAKE MUMBO-JUMBO? It takes Christians to be STRONG to have a PROSPEROUS and PEACEFUL society where the wolves don't RAPE and RAVAGE! It requires that TOTAL commitment! And as Queen Anastasia's doing: FIGHTING on the local level, GETTING into school boards, GETTING into this and that. Why? Because the LGBTQ AIA CBD are all coming to your town!

It REQUIRES you to say, *"No no I AM a vessel of God. I AM a hand and foot of God, and God wants me to stand and protect the children; SAVE the children! I'm not a messiah or anything like that. NO! But as God's son or God's daughter and having a conscience and having an awareness of what's going on, having eyes to see and ears to ear, I got to take action. I got to be get elected for school board, I got to become a congressman or a senator"* - it is probably better for the lower stages. And then be ready to be attacked, mocked, scorned, hated, lambasted, spit upon, spewed upon. TOTAL commitment!

What did he say? He said it right there in verse 27. We saw it; he said right there in verse 27:

*27 "And whosoever doth not bear his cross, and come after me, cannot be my disciple!"*

So, it's not enough just to believe. You actually got to pick up your cross and SUFFER for God in His civilization. Why? Because Satan is trying to KILL it; he's trying to destroy it.

### **No beta males! No feminazis!**

Oh, how come it got so quiet all of a sudden? What does it mean: Make America Godly Again? It means we can't be beta males and feminazis anymore. That's what it means. Enough is enough; alpha males have to start taking over and start drawing the line -that means judicially, that means in terms of the laws. And alpha females too, the good alpha females; there are alpha females too, good ones. Praise God!

Folks, do you UNDERSTAND? In America, in the early colonial period, sodomy was a crime punishable by hanging; in AMERICA! If you were caught going after boys and you were a man that would be called sodomy. They were anti-sodomy laws; you could be tried in front of a jury and you'd be punished if you were going after boys.

Oh but, in our tolerance, *"oh no, we've got to embrace the LGBT; we've got to embrace it."* But that's just a cover and a shield. All those men who have 300 sexual partners and they're having sex with all these 18-year olds, what makes you think they stop at 18? What about somebody who's 17 and six months or eight months old? When do their minds stop their sexual desire? It doesn't folks; it doesn't. It just

goes younger and younger and younger. That's what porno is meant to do; it's weaponized. They make males basically start watching child pornography. That's what it lures you into; into homosexual things which is a cover for pedos.

Oh boy! See folks, see! What do you mean you have to stand up against this? Well, at the very least you have to say, *"It's bad,"* right? At the very least as a culture, we have to say, *"NO! NO! You went too far! Now you're trying to indoctrinate our kids with homosexual material; five years old, six-year-old, telling them that it's okay to get sex reassignment surgery and gender puberty blockers because they FEEL like a boy and they're a girl!"* They can't even get a tattoo until they're 18 years old, BUT they can CUT their sexual organ! Are you crazy, folks? You're CRAZY!

And it's not about just having revivals where people just come together and say, *"Oh yes! Holy Spirit, yes! I'm slain in the Spirit,"* and they lay down and wake up and come out of church and do nothing! No! You know what that's called in the Bible? That's called HYPOCRITES, folks!

The Holy Spirit of Jesus living within YOU means that you are RADICALLY different from the world! You are set apart from the world; you are ANATHEMA to the world. The world doesn't bring you comfort or bring you pleasure; it doesn't bring you joy. No! It's GOD that does that!

Look what the world is becoming around us; it's pretty hellish, folks! Look at the top Disney executives openly talking about, *"Oh my, you know my son is pansexual and my other son is trans, and we should really have such representation in our Disney heroic characters."* These are REAL PEOPLE, executives on Disney that can potentially brainwash MILLIONS of children including Third World Africans and Latin Americans and Asians with their PROPAGANDA, folks; leading them to HELL!

That's why the Rod of Iron Kingdom is so important, folks. The Rod of Iron Kingdom is getting back to the bravery of Christianity, getting back to the bravery of DEFENDING what is good and STANDING UP to what is wrong and not CARING if you get MOCKED and HATED and SCORNED and LAMBASTED by the Left, but DOING the right thing. STANDING UP for God and standing up for His CIVILIZATION, and having the means to do so.

### **Representative Madison Cawthorn & the Young Blood vs. Pedos**

We HAVE to HAVE people that will be those judges or that will be the politicians that will be brave like Representative Madison Cawthorn of North Carolina who's a combat vet, had legs blown off in war. He's a young man and he openly admitted that when he got to DC they invited him to SEX orgies. He had an interview with John Levell at Warrior Poet Society; huge Second Amendment people, former ranger, amazing patriot. I love John Lovell. I met him a couple of times; I shot with him, etc. Absolutely incredible people!

[https://www.youtube.com/watch?v=xEEpnrZgoJU&ab\\_channel=WarriorPoetSociety](https://www.youtube.com/watch?v=xEEpnrZgoJU&ab_channel=WarriorPoetSociety)

Madison Cawthorn was invited to SEX orgies in DC as a new congressman. He admitted it, he admitted it!

In the Washington Times under True Father since the 80s - the 80s! - we were even breaking the Republican-led sex orgies down there in DC! They HATED us for that! Remember that? We are the ones that broke that story with the orgies in DC? WE broke that story in the Washington Times!

The point is: it's not about right and left anymore; it's the operation of that Satanist system that is inducting people in through sin and evil and wickedness and TOTAL Luciferian ritual. NORMAL people don't go, *"Hey buddy, hey welcome to the neighborhood! I want to invite you to a sex party."* Normal people don't do THAT! That is not how the world works. But these detached, disfigured, debauched, wicked elites, that's what they do; that's normal to them. That's why they want your children and my grandchildren.

In the interview Cawthorn not only OPENLY said that he had been invited to their sex orgies, but he openly declared, *"If you come after my guns, I'm going to shoot you in the face."* He said that! He's a standing representative right now in North Carolina. He said, *"If you come after my guns and you come for my family! I mean I fought for this country."* He said, *"If you come after my guns, I'm going to shoot you in the face!"* That young man is amazing! He's like 26-years old, a young guy, but what a brave, awesome, amazing LEADER!

That old guard of the Mitch McConnell and freaking Lindsey Graham, they've been SELLING the people out for DECADES! They won't do anything; they are tied up with the CHICOMS! They won't do a dang thing. Margie Taylor Green, Cawthorn, and Lauren Boebert from Colorado - we love her-, all these younger bloods coming in, they are real patriots. They're normal people who ran restaurants and Shooters Grill and tire companies; they're normal people. They don't do, *"Hey, welcome to the neighborhood; come over to a sex party!"* They don't DO THAT! They're normal PEOPLE! They're not into Satanism! They're not in the Luciferian TEMPLE!

It's going to require people like that in power; who say what? Who say: *"NO! We will have no tolerance for people who are killing babies or raping children!"* The local jurisdictions should have total power to be able to have their own laws in terms of jurisprudence. That's what Cheon Il Guk Constitution talks about; that the local communities will be able to determine their capital punishment laws. They'll not be regulated by the feds.

So there may be communities that say, *"No! If we try you, and we got stuff on you showing that you were found going after the kids and preying on children, and if a jury of your peers say that you are guilty, you guys have a punishment."* Do you know how fast, HOW FAST those pedos would FLEE? Do you know how fast they would flee? Right now they're protected folks.

How come none of these pedos are even in JAIL?

We KNOW they're engaged in pedophilia!

We KNOW they were on the Epstein Island!

We KNOW they're in the Superclass detached ivory towers with billions of dollars!

We KNOW that top employees at Disney and at Facebook were caught in sex stings trying to solicit young CHILDREN!

Like for example the top community builder at Facebook that was caught just a couple of months ago in a sex sting, trying to solicit a 14- year old boy in Indianapolis. The day after, Disney CEO comes out and says, “*Oh, we stand with the LGBT....*” The very NEXT day, one of their employees again caught for sex- related underage crime. How many Disney employees; how many CNN directors and producers, folks? See, people have the memory of a goldfish. In the last six months how many CNN people were caught? Two major producers! The one for example that produced and directed the *Cuomo Show*, openly soliciting young boys.

See, it's all these beta males. They're after these boys; they're after the boys, folks! Just like the Nazis! The book *The Pink Swastika* gives a whole historical survey of how the homosexual movement began in America with the first homosexual activist organization group in Chicago that was tied directly to the Nazis, because the Nazis made the world's first homosexual advocacy group. People don't know that. That book *The Pink Swastika* traces the whole history of how many of the Nazi leaders were into raping little boys, because, just like with Satan their father, sex is for conquest and power, not for intimacy and LOVE.

### **Celebrate Mommy’s and Daddy's Amazing Intimate Life**

Whereas that is why God made it! In the sanctity of marriage sexuality is for the BUILDING of the civilization, the BUILDING of the love, the intimacy, the joy, the mutual affection; the connection, the attachment of male and female so that two will become one flesh! Whoa! Hallelujah! THAT’s the Kingdom of God; not the other way around. Are you with me, folks? That's what God intended it to be.

And that's why we as parents, we have to be counter cultural. We as parents have to CELEBRATE Mommy’s and Daddy's amazing intimate life: Mommy and Daddy have a GREAT sex life; Mommy and Daddy have a GREAT relationship; Mommy and Daddy have an AWSOME intimacy. It blows anything out of the water compared to the satanic world of free sex, STDs, disease, heartbreak, heart - wrenching destruction of your soul!

No! Mommy and Daddy's relationship in a God- centered marriage is POWERFUL, building, productive, MULTIPLYING power, MULTIPLYING love, MULTIPLYING joy, MULTIPLYING energy; MULTIPLYING joy not only for God, but for the kids who can live under parents that are not at war with one another. Hallelujah! Praise God! Parents that actually LOVE one another and dads that are still men and chase around their wife, “*WHOA! Baby!*” Hallelujah! Praise the Lord Almighty!

The kids have to see that! They have to know there is an ANSWER to the fallen sex world, which is PATHETIC, and it's OLD and it's UGLY, and it's ANCIENT as the snake; there's nothing new to it. It's OLD, it's ANCIENT; there's nothing postmodern about it! It's OLD, ancient; Babylon ancient; nothing new about it.

But what's always new, what's always refreshing is LOVE, you see. And that can't exist in a free -sex culture where you're dumping, and having sex with people and throwing them away, using them as trash and using them as flesh parts. NO! That can only be produced in the connection with God; in the connection with God and marriage.

We've done a lot of studies on parenting of course and trained a lot of people on that, and you see the studies folks. You see the studies about how when you have a strong husband and wife marriage, you have a strong Daddy and Mommy marriage, children have higher incomes, they adjust better to hard times, they have a higher education level; they have lower incarceration rates, etc, etc. When that does collapse, all sorts of social ill happen. It's directly connected, like literally. Your marriage is literally that important; our marriages collectively DETERMINE the societal culture.

Sometimes it's hard to believe that, and maybe that's a lot of weight for people, but instead of seeing it as a big weight why not see it as a tremendous opportunity to save civilization? If you CAN'T start anywhere else, why not declare: *"OUR marriage is going to be POWERFUL! It's going to give TONS of joy to God and it's going to be an EXAMPLE of a Kingdom marriage!"* And a Kingdom marriage is not just a boring thing where we're sitting in religious ritual all day and chanting or something like that. No, it's alive, it's exuberant; it's PASSIONATE. It's love and intimacy, that reflects the love that we have for God and the GRATITUDE we have for God every time we see our wife, the GRATITUDE we feel to God every time you see your husband.

SHOULDN'T we have that kind of magic?

SHOULDN'T THAT be the magic kingdom?

Not PEDOPHILE Disneyland where they're trying to groom your kids and invite you to Florida to go down to that crazy pedo island so that you pay them? Isn't it better to put it in YOUR pocket, in YOUR family?

Maybe that's the MAGIC KINGDOM that you need to BUILD or start! Hey, isn't that something else? Maybe that's the magic kingdom that your kids have to see; not Mickey Mouse and Minnie Mouse as mommy and daddy. And the new "heroes" that are going to be a gay Captain America trying to kiss another man. Are you KIDDING ME? You're disgusting, demonic pedos! That's what they are!

### **Stand up!**

Vice wants to do another documentary on me or something like that; they wanted the whole reality program. I said, *"No, no reality program; I'm not going to do a reality program."* I know what these reality programs are about. They get permission to film you 24 /7 and then they purposely go and LIE to other people, *"Well, pastor said this about you; oh well this person said this."* They purposely try to make drama at Vice. I said, *"Okay. If you want to do interviews, if you want to do any activity, etc... We'll show you around, no problem."* But I'm not doing a reality show, regardless of how good advertising and marketing that will be. Some people are trying to convince me, *"You know that's an incredible*

*opportunity for marketing us!" No! "Look at Duck Dynasty! We'll be walking through the shopping mall and people will be wearing bullet crowns and saying, 'Hey, hey!'" No!*

None of us are pursuing our own fame or glory. We just don't want our children to be absorbed and be devoured by wolves and wolves in sheep clothing. We don't want our civilization to be ripped away by kids who literally want to kill and eat children.

NO! And

\*if we don't STAND UP to them,

\*if we don't say," NO!"

\*if we don't get active and

\*if we don't start taking over our local jurisdiction and

\*if we don't start sharing the message etc it WILL happen because that's what always happens.

If the shepherds stand idle by, the wolves come in and feed and feed and feed.

So we are in a time of TREMENDOUS crisis, folks. The world around us is imploding; World War III has begun. If you didn't notice already, it's definitely begun. People in Europe definitely feel it; the Third World is definitely feeling it. You think shortages here are bad? Think about the Third World right now folks, in terms of MASS starvation. If you think your prices, in the strongest food power on the planet, are going up by about 20 to 35% depending on where you live in the country? Imagine how much they are going up in Guyana or in South America! It's incomparable.

Unfortunately most of the people are not awake; 70% of the people will not even know that it's happening until literally bombs are dropping on their house or in front of them and they literally see them blowing up. That's how brainwashed people have become.

### **Jesus, I love you so much! Let me hold that cross!**

But folks, there is good news on Resurrection Easter Sunday. That's why God has a remnant; that's why in the course of history, God uses a very small group of people to change the entire world.

Always! Always! It's always a small group; it's never the masses, it's never the majority. Okay folks? God always uses a small group; that does what? Just like we saw there; they're willing to pick up the cross. They're willing to say on Resurrection Sunday: "*JESUS, you picked up the CROSS! You showed the Resurrection POWER, and now you live in me.*" So I can be a billionaire and I can be wealthy and have mansions and Lamborghini? NO, folks; no, no! Now if you have those things, God bless you, and support good people in good causes, please! Okay.

But the point is: that's not the purpose, that's not why you have faith in Christ; that's not where your love is going to go. Your love is not, "*I love him so I get some material goods.*" No! *Our love has to be so serious, so TERRIFYING to the Devil that we say, "Jesus, I love you so much! You died on that cross for me, and you resurrected. I want to pick up that cross. I want to pick it up and I want to walk with You. In fact I want to take that burden off of You. Let me hold it! Let me hold it!"*

It's not like we're saying we're greater than Jesus; that's bad. The point is to have the heart of a son who loves his father.

If Christianity folks, on Resurrection Sunday can start growing some testicular fortitude again, start getting some pride; get proud of their true masculinity, proud of their true femininity that is united with God; not the *feminazism*.

No! True masculinity, true femininity united in union as a team

-standing with God on the battlefield against Satan.

-ENGAGING,

-fighting the enemy,

-facing the enemy,

-resisting the enemy,

-standing up and protecting and saving the children;

-going into local office,

-sharing the message,

-going out and talking to friends,

-evangelizing saying, "*Hey, there's HOPE! There's HOPE! If you give your life to Christ, he will give you POWER!*" Not just to lay around! No! He'll give you power to overcome all things!

And together collectively we can overcome this evil wicked cabal that is trying to enslave the whole world and make us into Shanghai. Where's all the rage about Shanghai? All these crazy leftist university kids WHALING about UKRAINE; what about Shanghai? Do you see what's happening in Shanghai? There are 28 million people imprisoned IN THEIR OWN apartment complexes, being welded shut in, locked in! Where's the outrage? How come nobody's changing their Instagram to "*Free Shanghai?*" Huh? Why? It's because the news is not the ministry of truth, but the ministry of propaganda. It's fake; it's weaponized to destroy. Just like the Devil that the Bible refers to as, "*a roaring lion seeking to kill, mame and destroy.*" Look at what he's doing to this country, shredding it!

But remember God's not going to use the masses folks. Never, never, never! He's going to use the micro, He's going to use the remnant; He's going to use YOU! He's going to use ME! He's going to use ANYBODY who has a conscience and a heart and has some shreds of love remaining in their heart that's become so hardened in this terrible wicked hellish Communist pushing WORLD! They're the ones He's going to us!

There's some freedom going on right now; we're getting ready to do some "freedom on the range" right now baby! We're getting excited: FREEDOM! Right on brother! Praise the Lord!

It's going to be required, folks, for us to become strong and courageous again! "Make America Godly Again" meaning what? We RESIST the Devil; we stand AGAINST him, and we are willing and able as a community, as a civilization, as a people, as HUMANKIND to say, "*No! And you wolves will not get away with it. You WILL have your day of judgment and you wolves WILL get your just PUNISHMENT as it is due by your ACTIONS and your misuse of free will to ravage and prey upon society and the children! Your day is coming!*"

Praise God for that! Hallelujah! God is GOOD folks! In the end there is justice because God is with us and we are standing with you all on this Resurrection Sunday. Be blessed!

Let's all pray!

### **Pastor Sean's Prayer**

Father God, we thank You for all the things that You are doing. We know that You are alive and WELL in the hearts of the microcosm, the hearts and minds of those who have eyes to see and have ears to hear.

Dear God, we know that You have not given up on humanity, because across the WORLD the plans of the wicked are falling apart unraveling and they're not going according to plan. So many MILLIONS are waking up! So many MILLIONS are starting to realize the lies and the fake media and the propaganda and the abuse of power that is coming from the 666 Beast centralized governments. So many people are realizing that we need to get back to LOCAL jurisdiction and back to the KINGDOM principles and Your Kingdom CONSTITUTION which protects life, liberty and property for ALL humans for ALL eternity, as the gifts of Your creation and the gifts of Your LOVE to Your children: *"be fruitful, multiply and have dominion over the earth."*

Dear God we know that in this time of great crisis ...

*(Audio cut off)*

We want to give You the praise, glory and honor.

We want to thank You with all the kings and queens that are gathered here from all the kinship lines, and in Your precious name we pray!

Amen! Amen! Aju!

Let's all rise! God bless you!
