The Peace and Authority of Prayer

*This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success. **Joshua 1:8***

*You must think that your prayer today may not be fulfilled until thousands of years from now. I pray such prayers. I am not praying just for this world today; I am praying for 1,000 and 2,000 years from now. If that prayer makes a bridge between that time and now, then the Unification Church will continue to flourish even a long time after I am gone from the earth. That kind of prayer is needed. **SMM, "The Importance Of Prayer," April 15, 1979***

Hello,

Cheon Pyeong Tennessee Sanctuary Pastor Regis Hanna remembers working with Fred Schwarz who established the Christian Anticommunist Crusade. The Communist Chinese pursued a strategy of external encirclement to take control of China. At the same time, the Communist strategy of internal demoralization leads to progressive surrender.

President Trump turned that on its head with the military attack on Venezuela. China lost its most loyal supporter and source of oil/gas in Latin America. China has a \$400 billion investment in Iran. Xi Jinping just removed 2 top generals, Xang and iLu. Others are feeling threatened. No one else in the CCP is approving what he did on January 20, 2026. He cannot leave Beijing.

The Israelis hacked the Chinese surveillance system in Iran to locate the Ayatollah. Xi Jinping feels that he himself is being surveilled. Chinese weapons did not work.

North Korea is dependent on China, which is also very weak. 14 million Chinese graduating from college this year are finding few or poor jobs.

The army outside of Beijing doesn't have access to bullets, which are under lock and key. Police are watching the bridges because people hang banners challenging the CCP. People are finding ways to protest.

Regis met a Chinese student on his flight to Taiwan. She said no one is buying at the high-end malls in Beijing. On the next flight he met a woman art teacher who is anti-CCP.

He praised Hyung Jin Nim's painting of Father's birth with the 2 dragons. Amazing he could complete the painting in public in 30 minutes. The culture of Cheon Il Guk includes art. The great art works of Christianity were the basis of Christian culture. Dragons represent government, bowing down to the Messiah. In Taoism 5 is very important, north, south, east, west and heaven. That is why the 5 toed dragon.

In Taiwan Hyung Jin Nim spoke for 5 hours straight about male female relationships. Men want peace and security. Women want love and security. Family is the center of our culture. In the spirit world they can see, but they can't "eat." The poet WH Auden says "we can't carry our own burdens." Men and women are different as discussed in John Gray's *Men are from Mars, Women are from Venus* book series. Stress interferes with good relationships. Work, caring for small children, financial, cultural and language differences. Hormones and the even the full moon all can cause stress.

59th True God's Day 2026

False solutions to men's problems include pornography, video games, consumerism, shopping. Dopamine gives short term stimulation. Some solutions include prayer and reading the Bible, Hyung Jin Nim has spoken about the value of meditation which leads to the ability to control emotions, not reacting too quickly, peacefulness, health benefits.

Joshua 1:8 teaches us to meditate on the words of God in the Torah:

This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success.

Philippians 4:8 advises: *Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things.*

Remembering TRUE MOTHER KANG 7 Years After Her Passing

by Miho Panzer

Dear True Mother Kang Hyun Shil,

You lived your whole life as a bride of Christ. A memorable day took place when you arrived at Newark airport on December 21, 2016. You'd left Korea to look for True Father. You drove from the airport to Pennsylvania to join a leaders meeting led by Father's anointed son, Hyung Jin Nim, and his older brother, Kook Jin Nim. I remember you quietly prayed during the meeting.

The two brothers directed us to prepare a room for you at the Palace residence in Matamoros. I remember the times when you shared your testimony on The King's Report broadcast. On other days you rose up early to watch The King's Report with brothers and sisters.

You lived the life of a pioneer. You were the first disciple to join when Father started his ministry in South Korea living in a mud hut in Beom-net-gol. Father asked you to go out every day to witness even if it was so cold that no one else was out on the streets. Many years later Father directed you to go to Russia to guide brothers and sisters there. You never said no.

I remember the times when you invited the Sanctuary Prayer Team to join you at the Palace. You shared your testimony with us. Queen Yeonah Nim was often there, too. Several times you spoke about a life of prayer, asking "Do you believe that God is listening to your prayer? If you believe 100% with jeonseong, then you can see the result of your prayer. If you believe just 10% then you can see the result coming as 10%. If you give up or become half-hearted then the result will not come."

In your bedroom I saw you had a Bible and the Cheon Seong Gyeong on the table next to your bed. I saw that you had written underlines in red ink throughout almost every page of both books! You told me, "when I read and feel a passage is important, I underline it. The next day I read another passage and see that passage was important, so I underline that one, too!" I realized that you were paying serious attention

to God's words every day.

Every morning the 2nd King and Queen would come to your room say to you, "Good morning! How are you doing?" At night, they would come and say, "Good night!" The children would come and say that, too. Every Sunday, when going to church, the 2nd King would pick you up and carry you to the car.

Sometimes I had the chance to give you a hand, leg and foot massage. A few times when I was doing this, I felt I was touching Father's legs. I asked you, "True Father is visiting with you now?" You smiled and said quietly, "yes!" I shed tears, too, thinking "Abonim is not alone anymore!"

On September 23, 2017, you were blessed with True Father in a beautiful ceremony at the Sanctuary Church in Newfoundland. It was a new start for the God's Providence when you were elevated to the True Mother position.

On March 6, 2019, you passed to the spirit world. You spent less than two and a half years in America, but that was enough time to culminate the eternal bond of love between you, True Father, and all brothers and sisters.

We held the Seonghwa ceremony on March 18, 2019 at the Newfoundland Sanctuary church. The Sanctuary was full of the red roses you loved, and so holy, beautiful and full of the Holy Spirit. That was 7 years ago. Since then, whenever the 2nd King and Queen visit Pennsylvania, the first place they go to, even if it is bitter cold early in the morning or late at night, is to your Won Jeon to greet True Parents before doing anything else.

Now you are with Abonim always, forever.

With love,

Miho Panzer
