Dear Couples of the 8,000 Couples' Blessing,

I wish to offer my heartfelt congratulations to you on the occasion of your 30th Blessing Anniversary. I recall the Blessing of 1982 and all the young couples that our True Parents matched. Today, we see the fruit of their love and wisdom in bringing your couples together, in the beautiful families that you have created.

Our True Parents stand as a new beginning for humanity and teach us how to become true parents ourselves; loving others, raising Blessed families and building the world that God originally intended. The love that you have realized together is a testament to our True Parents and a priceless jewel that shines eternally.

Today, we celebrate in joy with our Heavenly Parent and True Parents.

I wish you great happiness and everlasting love.
