Dear Pastors, Brothers and Sisters,

We are writing to let you know that True Mother has recently confirmed her support and encouragement for our former HSAUWC National President, Rev. In Jin Moon, to once again take a more public pastoral role here in the United States as she develops her iHome church ministry.

An important next step will take place at the midnight prayer service that In Jin Nim will be holding at East Garden this coming New Year's Day (Friday January 1<sup>st</sup>) to mark the beginning of 2016. All are invited, and members who plan to attend should arrive before 11:30pm on Thursday, December 31<sup>st</sup>.

In the coming year, In Jin Nim is planning to present a sermon each Sunday at East Garden. The exact details have yet to be confirmed, and we would like to work this out together in partnership with our pastors and congregations.

We want to ask and invite all of our family to follow True Mother's lead, and support her desire for healing and reconciliation within our movement as a high priority for 2016.

God Bless you and your families,

Dr. Ki Hoon Kim  
Continental Director

Dr. Michael Balcomb
