## True Parents' Recent Activities

### ✧ Hoondokhae at the Cheon Jeong Gung

- 9.26 by the Heavenly Calendar (Saturday, October 22, 2011)

The hoondokhae session for the day, presided over by True Parents, was held at the Cheon Jeong Gung, and was attended by more than 130 blessed members and ambassadors for peace from the northern Seoul region, as well as the North Chungcheong, Busan and Ulsan regions. True Father had woken up at 3:00 AM and began his day by offering devotions.

Members bowed to True Father, and then Father immediately began speaking. He said, "As of today, all ceremonies held to establish the number 26 have been fulfilled. It is the day of completion and perfection [centered on the providential numbers]. From 53 to 59... How can the number 26 be transplanted? We experienced all kinds of difficulties in the process of doing so." He emphasized again that this day was an important one because it was the day on which everything [centered on the providential numbers] was brought to a conclusion. He also told the hoondokhae readers, "Read the speech that deals with today's subject. You all should know what an important day today is and bear that in mind. Listen attentively," thus indicating that the audience should listen closely to the hoondokhae readings.

Won Ju Jeong, True Mother's personal assistant, began by reading the title, "Prayer and Life," from page 295, volume 31 of the collected volumes of True Father's speeches. True Father intervened at times to address the audience. The reading was followed by Rev. Jung Soon Cho's report on activities based in Las Vegas and the providence centered on Happy Health [an electronic therapy equipment company].

After the hoondokhae session in Cheon Jeong Gung, True Father headed for Sun Moon University's main building to attend the 2011 Peace Week Proclamation Ceremony. The ceremony, which commemorated the twentieth anniversary of True Parents' visit to North Korea, began at 10:30 AM in the Grand Hall on the sixth floor of Sun Moon University's main building. True Father presided over the event, which was hosted by the Ambassadors for Peace Council and Universal Peace Federation (UPF). More than six hundred ambassadors for peace from regions across Korea attended the ceremony.

True Father was warmly welcomed with a big round of applause and a floral bouquet. He approached the podium and spoke to the ambassadors for peace for four hours. What he spoke about centered on his speech given at the Cosmic Assembly for the Settlement of the True Parents of Heaven, Earth and Humankind and for the Proclamation of the Word by God's Substantial Self. After True Father finished speaking, the event ended at around 4:00 PM with three cheers of Eok Mansei led by Dr. No Hee Pak.

## An Open Seminar about Yeouido Development and the Lawsuit

On October 26, an open seminar about our Yeouido land development and the ongoing lawsuit regarding it was held in the thirteenth floor hall of the Dowon Building, with twenty former church leaders and others in attendance. The Tongil Foundation and UCI (Y22) had been invited to participate in the seminar, which the Unification Church Former Church Leaders Council hosted, but UCI (Y22) failed to send a notification of their participation by the deadline, October 21. In the end, only the Tongil Foundation participated. Mr. Sung Pyo Hong, vice-chairman of the Tongil Foundation, reported on the Yeouido World Headquarters lawsuit, and after the question and answer session that followed, the event ended. The seminar provided an opportunity for the participants to understand the particulars of the Yeouido lawsuit more clearly.
