Beloved Father! Today, December 9, 2001, we are observing the second Sabbath in this month of December. Here, under the watchful gaze of heaven and earth, we are holding a new pledge service in attendance of the Parents of Heaven and Earth, who are the object of interest to all of Heaven and to all of Cheon Il Guk. The blessed families in the spiritual and physical worlds, and everything bound to them, in their attendance to the True Parents, have become one in heart and in body, fulfilling the way of the devoted child in the family, patriot in the nation, saint in the world and divine child in the cosmos. They are perfecting the realm of liberation for the Parents of Heaven and Earth in the kingdom of heaven on earth and in heaven, the entire universe and all people. Now we have ushered in an age in which we can bring everything that Adam lost to fruition, and have it protected and offered in victory by the True Parents on the earth. In light of this, I have proclaimed Cheon Il Guk to both earth and heaven. I dedicate this to Heaven in the name of a nation of an individual, in the name of a nation of a family, tribe, people and country, and in the name of the nation of the world and cosmos. Father, You blessed the glory of that day that brought order to the fallen world. Thus, this year, in which I concluded the Enthronement Ceremony for the Kingship of God centered on a family of love, I proclaimed the establishment of Your homeland centered on Korea, and even proclaimed Cheon Il Guk.

We are now in the process of giving the Blessing to the ambassadors for peace and proclaiming the start of the new nation of the world for the sake of a liberated world. Let all those who have come together

amid the challenges and chaos, representatives of the religious circles representing all the blessed spirits in the spirit world, and blessed families of the Unification Church on earth, become one in heart and in body within Your Will and Your protection. I sincerely pray and request Your permission to allow them to fulfill the way of loyalty and piety attending Heaven, and to become faithful servants attending You, the Heavenly Parent.

In this way, please permit us to perfect the culture of a single tribe connected with the true love, true life and true lineage rooted in the heart of a completed individual, family and people centered on Your sovereignty and an ideal Adamic culture. We have the victorious power of an individual who can complete the mainstream ideology of the ideal of creation as a tradition. From it may we form the authority of the Parent of Heaven and Earth, based on the liberation of the cosmos and the Enthronement Ceremony of the kingship of the heavenly nation. May we rectify all the false things on the earth and then connect them to a new world of peace on earth and in heaven that has no trace of Satan.

This is the age in which the Unification Church, centering on blessed families, can connect the realm of the third Adam to the world. It thereby expands the unfallen, original realm of unity throughout the world, and establishes one unified world together with Your kingship, centering on Cheon Il Guk. What remains now is a time for national and global victory, enabling us to offer to You, once again, this universe that was lost. In the name of the True Parents, we will bring to a conclusion in unity all advancing matters, and bring order and closure on Your providential path, Father. Thus, I sincerely pray and request that You will allow all matters that are advancing toward this purpose to attain the glory of victory with Heaven, so that we can offer the joyful liberation of all humankind to Heaven.

We have ushered in an age in which the Unification Church members in the spirit world, united in heart and in body, can educate the spirit world. This will enable all the saints and sages to rise up together and obtain a liberated nation that combines everything from the individual to the family and nations, for the sake of Your kingship. Thus we establish Your nation centering on the unified mainstream ideology, and offer it to You.

Please bless all the saints and sages centered on the four great saints in the spirit world, and have them return to the earth so that they can build Cheon Il Guk in the Abel position. I sincerely pray and request that You permit the spirit world and physical world to cooperate, enter into a bond of brother and sisterhood, and go beyond the standard that perfects the original ideal.

With the dawn of the Pacific Rim era, I have come once again to Hawaii. Now, before I depart for Korea, I sincerely pray that You will take the lead in uniting all paths, all matters and all relations that reside in this place with Your Will. May nothing be lacking in any way in bringing the joy and glory of victory.

I pray that You will receive with joy this morning's full bow, which You have permitted Father, I sincerely pray regarding everything that should be brought to order in December, that it will be completely and fully brought to order with Your permission. Please protect, nurture and guide everything so that a victorious Cheon Il Guk can advance. All this I pray in the name of True Parents. Aju!
