There were some the Korean blessing candidates who could not attend the blessing ceremony in the US, so they attended the blessing ceremony from Korea on December 27 at 1am in Korean standard time by a live webcast.

T rue Parents told the matched couples that the blessing couples should separated from each other for 50 days until February 14, 2005.

During this 50 days, the philosophy for creating the new Era after the Coming of Heaven. This is the starting point to recover the history 100 years ago.

“

The fact that we could hold the ceremony means that a realm of unity had been created at the highest levels of the spirit world. From now on, heaven can simply ignore the authorities that control religions and nations in the fallen world. Heaven will dismantle them in the end.

Religions will not be necessary. Nor will nations be necessary. Eventually religions and nations will be dismantled, the lineage of all humankind will be changed into God's, and the entire world will be transformed into one nation having the form of one global family. This is what we must do to build the world of heart on earth.
