Second is the model of absoluteness in the love of husband and wife. More precious than life itself, this is the heavenly law of absolute fidelity. Husband and wife are eternal partners given to each other by Heaven. Through having children, they become the co-creators of true love, true life and true lineage, and the origin of that which is absolute, unique, unchanging and eternal. This is because it is a heavenly principle that one person cannot give birth to a child by him- or herself, even in a thousand years.

How can people who preserve their purity before marriage, and whom God binds together in a pure marriage as husband and wife, deviate from the way of Heaven and go astray, following a wrong path? We human beings are different from animals; if they understand God's purpose in creating them as His children, they will realize that the wrong path is one of unimaginable betrayal and defiance of the Creator; it is a path of self-destruction along which they dig their own graves. Resulting from the human Fall, this path falls outside the realm of the ideal of creation.

Ladies and gentlemen, the absoluteness of conjugal love is the greatest blessing that Heaven has bestowed on humankind. Without adhering to the principle of absolute sexual purity, the path to the perfection of one's character and spiritual maturity is closed. Furthermore, without securing the foundation of absolute sexual morality within a true family of perfected individuals, it is impossible for God to manifest with dignity as the incarnate God of character.

In order for God, the absolute being, to have direct dominion over our lives and to live and share joy with us, we who were created as His object partners and children must assume the form of a perfected family based on the standard of absolute sexual ethics, as God intended. Only within the boundaries of a family upholding absolute sexual morality is it possible to create relationships based on an ideal model of sexual ethics for life as it should originally have existed. This life includes the three-generational realm of grandparents, parents, children and grandchildren. Please understand clearly that God's eternal life and a person's eternal life are possible only on this foundation.

Therefore, if Adam and Eve had achieved individual perfection -- the perfection of character -- by upholding the principles of absolute sexual purity, in accordance with God's will, and then entered into conjugal relations through His Blessing, they would have attained complete oneness with Him. God would have dwelt within their union. Their children also would have been linked to this holy order of love, enjoying a direct relationship with God as their parent. In other words, the marriage of the perfected Adam and Eve based on absolute purity in conjugal love, would have been God's own marriage. God is forever God, but at the same time Adam and Eve were to have become His incarnations. They would have become God's body. God would have settled inside their minds and hearts to become the True Parent of humankind in both the spiritual and physical worlds, on the foundation of absoluteness in conjugal love.
