After creating the holy ground on Mount Nebo in Jordan, 1966

True Father pursued the Holy Ground providence between December 31, 1964, and January 4, 1966.

He said that the establishment of the Holy Grounds had to involve three different years and that the re-creation of the substance of the word and the beginning of the standard of heart could be achieved centering on them.

Another purpose was to connect Korea to the world through the exchange of earth and stones.

True Father took earth and stones from seven Holy Grounds in Korea on December 31, 1964, and January 1, 1965, and prepared to travel overseas.

He proceeded to establish 120 Holy Grounds in 40 nations, including 55 in the United States.
