SunHak History Institute  
August 12, 1971

The first national workshop for pastors was held for eighteen days beginning August 12, 1971, at the Chung Pyung Training Center. This workshop was held within a month after the completion of the training center, and all participating pastors felt proud that a place of education and training had been created.

During the workshop True Father declared his vision that the training center would become the beginning point of missions around the world and that it would become an international holy ground. Today, with Cheon Jeong Gung having been built there, Chung Pyung has become a hometown of the heart to all members around the world as True Father had said.
