The Christian tradition in America is a most beautiful thing for foreigners to behold when they come to this country. I learned that every day your Congress is convened in prayer. Your president is sworn into office by putting his hand on the Bible. One day I visited a small prayer room in your Capitol building. When your leaders have grave decisions to make, they come to this place, kneel humbly before God and ask His help. There is a stained glass window depicting George Washington on his knees in prayer. Here I saw the true greatness of America. From the highest echelons of Congress way down to the rustic customs of the countryside, evidence of dependence on God can be seen everywhere in America.

In this respect America is a unique nation. Even your money, the bills and coins, are impressed with such a beautiful inscription, "In God We Trust." No other nation does such a thing. Then whose money is it, your money? Is it American money? No, it is God's money. Every bill or coin says so. You are the stewards, and God has deposited His wealth in your hands. Yes, this nation is not the American nation, it is God's nation. And such a nation exists for the entire world, not just for America herself. Yes, America was formed as a new nation, a new Christian nation under a new tradition. The shackles of old traditions fell away in America. You must want to build a new nation under God.

God's purpose is the salvation of the world and all mankind. Today in America, therefore, you must not think that you have such wealth because you yourselves are great. We must humbly realize that the blessing of God came to America with the purpose of making it possible for God to use this nation as His instrument in saving the world. If America betrays God, where can God go? If America rejects God, where can God go to fulfill His aim? Do you want to let him try to go to the communist world? To underdeveloped countries? God wants to have America as His base, America as His champion. And America has begun in the sacrificial spirit pursuing God's purpose. America must consummate her history in the same sacrificial spirit for God's purpose. Then America will endure forever!
