That is the reason it was necessary that I, as the Messiah, make my declaration to women leaders gathered around President Hak Ja Han Moon, my wife, who stands in the position of perfected Eve. This declaration is an exhortation and notice to all who follow my teachings to join Mrs.

Moon and me in our attendance to God on the path of sacrifice and service for the salvation of this world.

As I conclude my remarks this evening, I would like to propose, so that all of our activities for world salvation can be carried out more effectively, that we establish "The House of Unification for World Peace" as a structure for the peaceful unification of the world.
