In his memorial address, Rev. Yuk said to offer our gratitude to the 3 generation of mothers who walked the path of self-sacrifice and victory, whom are, Mrs. Won Mo Choi, Soon Ae Hong (the real Dae Mo Nim) and True Mother.

'Dae Mo Nim's life was a life of sacrifice and indemnity to put True Mother in a position of a woman representing the humanity since the beginning of human history.

True Father said, "The path of passing through the bloodline for a person to be the True Mother is not easy. For a woman to represent the woman of the world and be the True Mother requires a path of indemnity of 3 generations living a life of one person. This 3 generation of mothers must walk a path of indemnity from the lowest point to the highest and from that position of sincere devotion by the 3 generation they must accomplish this through walking a path of absolute obedience and absolute submissiveness."

This is the path which was walked by Dae Mo Nim and our True Mother. When you look it at it you can see that Dae Mo Nim established a great foundation so that even Satan could not take away conditions. The 3 generation of mothers, that is, Mrs. Won Mo Choi, Soon Ae Hong Dae Mo Nim, and True Mother. On their struggles and sacrifice we the blessed families are able to receive the blessing from True Parents and live in this new amazing life. Let's give a big round of applause to Mrs. Won Mo Choi, Soon Ae Hong (the real Dae Mo Nim) and the victorious True Mother.'
