Attending Chung Pyung Workshop

For the 'Commemoration on the First Anniversary of the Cheon Il Guk Foundation Day' and the '2014 Cosmic Blessing Ceremony by the True Parents of Heaven, Earth and Humankind' leaders from around the world gathered to the Chung Pyung Holy Ground. After attending the prestigious and ever important Anniversary Ceremony on 1. 13 by the heavenly calendar, 2nd Year of Cheon Il Guk (Solar: February 12, 2014) the FFWPU World National Leaders Assembly 2014 started at the CheongShim International Youth Center (Youth Center). The Assembly workshop will be held from February 13 to 17 also at the Guri Central Training Center.

After two days at the Youth Center the 200 or so leaders came to Chung Pyung Heaven and Earth Training Center to attend the 1206th Chung Pyung 2-day Special Workshop. Some of the leaders also attended the Ancestor Blessing Ceremony which was also held during this weekend workshop. After attending the 2-day workshop Dae Mo Nim invited the leaders to the Small Hall of the Cheonseong Wanglim Palace (Heavenly Palace) and gave a speech. After the speech there was a time to offer a prayer at the Jeongshim Won Prayer Hall and then attend two lectures by the Chung Pyung Lecturers.

After the opening prayer Dae Mo Nim was welcomed on to the stage at around 2:00 pm on February 16 at the Small Hall. She first welcomed the leaders from all around the world and comforted them for their extensive works towards in accomplishing the Vision 2020. She asked the members to reinforce their strategies for witnessing activities at their church and also to be owners of their region once again. After talking for 45 minutes she then ended her speech by asking the members to become sons and daughters of heavenly parent and do their best in accomplishing the wish of True Parents of Heaven, Earth and Humankind.

After taking a commemorative photograph in front of the Jeongshim Won Prayer Hall Dae Mo Nim then took a photograph with the representatives for each continent.

The members then were gathered at the Jeongshim Won to have a special prayer for the victory of their responsibilities. The prayer was lead by Mr. In-pyo Moon, lecturer from the International Office, Chung Pyung Training Center.

There was a short break after the prayer and the leaders were once again called to the Small Hall to attend a lecture by Rev. Myeong-gwan Lee, Director for Education, Public Relations and Planning Department, Chung Pyung Training Center. Rev. Lee gave a lecture about the Original Palace (Cheon Jeong Gung Museum) which was very inspiring to many leaders who didn't know in details the background story to the amazing building.

The second lecture was then done by Mr. In-pyo Moon who gave a lecture about Chung Pyung Works. Understanding the background stories and its ties with the Providence of Restoration was inspiring for some leaders who never came to Chung Pyung.

The leaders then enjoyed dinner at the dining hall of Chung Pyung and left for Guri Central Training Center for their remaining days for the workshop.
