Around 600 new members in Korea pilgrimaged Chung Pyung Holy Ground, the home country of our hearts.

The new members who were witnessed to the church and their spiritual parents gathered at Chung Pyung Holy Ground with the theme 'Let's be reborn with the heart and true love of True Parents' and held a tour from 1.22 – 24 by the heavenly calendar, 2nd year of Cheon Il Guk (February 21-23, 2014). The tour was named 'A happy meeting uniting by shimjeong, New Members Welcoming Festival' (Welcoming Festival).

On the first day, President Gyeong-sok Yu, Korean FFWPU said in his speech, 'You have to have a pure heart like a 5 year old child and live a life of faith. You have to change your lifestyle with such mindset and to become new members of unification family.'

There were many programs prepared for this welcoming festival, for example, performance by the little angels, He-son Cheon, Artist also a Peace Ambassador, Foot washing ceremony, New Life Festival Worship and many others and among the program the Chung Pyung Holy Ground pilgrimage was full of heavenly fortune and heavenly blessing.

On the second day the new members visited the Chung Pyung Heaven and Earth Training Center, Cheon Jeon Gung Museum, and other CheongShim organizations.

After the news that 600 new members would be arriving at Chung Pyung Heaven and Earth Training Center the staff at Chung Pyung started to prepare really well. The new members were guided by Rev. Hang-gyun Cheon, Director for General Affairs, Mr. In-pyo Moon, Lecturer from the Progress Department and Rev. In-cheon Kim, Lecturer from Progress Department.

The members were amazed at the scenery as they arrived at Chung Pyung Heaven and Earth Training Center. They first visited the Cheonseong Wanglim Palace (Heavenly Palace) which can hold 10,000 people and felt the heart of True Parents. They then went to Cheongshim Tower a place that symbolizes the love and principle of heavenly parent and see the amazing will of True Parents. Through the prayer at the Jeongshim Won (Prayer Hall) the members had a time to inherit the deep love of True Parents.

It was easy to see how moved and amazed the members were when you glanced at their faces when they visited Cheon Jeong Gung Museum. Holy of all Holies the Cheon Jeong Gung Museum where True Parents reside is the greatest holy ground for the unification family. As they entered the gates to Cheong Jeong Gung Museum the new members engraved True Parents' words of maintaining proper mind and body and felt the sincere devotion of True Parents everywhere in Cheon Jeong Gung Museum. Also they visited the Helicopter accident site which shows the works of substantial resurrection of True Parents and offered a prayer of gratitude for True Parents victory.

Then they visited the CheongShim International Medical Center and CheongShim Village and experienced the providential vision of True Parent for the Chung Pyung Holy Ground.

On the last day the new members once again visited Chung Pyung Heaven and Earth Training Center and attended the Chanyang to remove evil spirits and offered unison prayer at the Jeongshim won Prayer Hall.

This welcoming festival will be held once again next year for this year's new members under the progress by the Korean Headquarters.
