Let's inherit the Heart of a Father through the Life Course of Mr. Seung-un Han!

On 2. 10, by the heavenly calendar (solar: March 10), the '36th Memorial Service for Mr. Seung-un Han' was held at Dae Mo Nim's Memorial Hall with Rev. Jung-ho Seuk, Missionary Foundation President, Gi-seong Lee, Vice President, representatives of relatives and elder members and other representatives of organizations were among the 120 people attending.

This memorial service began with Rev. Jae-sun Choi, Director for Progress Department, Chung Pyung Heaven and Earth Training Center, as the master of ceremonies. First there was the singing of the Cheon Il Guk anthem which was then followed by bowing and reciting the family pledge, report prayer by Mr. Gi-seong Lee, offering bows to Mr. Han and memorial address as well as the invocation by Rev. Yeong-ho Ha, President of Chung Pyung Heaven and Earth Training Center.

Mr. Lee reported in his prayer, 'At the time of Japanese occupation and Korean War he established himself as a great educator and lived a life of a true teacher. He lived a life showing the educational ideal of Cheon Il Guk, loving heaven, loving people and loving one's nation.' He wished for the unification children to inherit the great ideal of Mr. Han.

Then Rev. Ha said in his memorial address, 'If you understood the heart of the heavenly parent sending Jesus to this earth then you are able to understand the providential background of the birth of True Parents. Like that, the life of Mr. Seung-un Han was a life to send True Mother to this earth. Whenever I see True Mother who sheds tears all night for her heavenly mission I sometimes think, 'How is Mr. Han's heart when he sees his child like this?' Let us become members who will inherit the heart of a father and create a new history with the Korean church.'

Before the completion of the Memorial Service Hoon Mo Nim came forward and said, 'Teacher Ui-il Han inherited everything from his father. It was very difficult for him to accept the fact that his father received a spiritual blessing with Dae Mo Nim but now he is very grateful for his father who is attending this church. So when I look at this situation I feel that I should attend more to Mr. Seung-un Han.' And explained the painful hart of Teacher Ui-il Han.
